# COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting Held in Room 16, City Hall, at 11 o'Clock a. m., on Wednesday, July 23, 1913.

Present at roll-call—Ardolph L. Kline, Acting President, Board of Aldermen; William A. Prendergast, Comptroller; Robert R. Moore, Chamberlain, and Henry H. Curran, Chairman, Finance Committee, Board of Aldermen.

His Honor the Mayor arrived later. (See note.)

The following communication was received from the Commissioner of Docks, recommending a lease of Pier 29, North River, near the foot of Vestry street, together with half a bulkhead, to the Pennsylvania Railroad Company:

July 11, 1913.

*Hon.* WM J. GAYNOR, *Mayor and Chairman of the Commissioners of the Sinking Fund:*

Sir—I beg to recommend that resolution be adopted by the Commissioners of the Sinking Fund approving and consenting to the execution by the Commissioner of Docks of a lease to the Pennsylvania Railroad of Pier (new) 29, North River, near the foot of Vestry street, together with half a bulkhead, extending to a point 71 feet south of the southerly side of said pier and extending to a point 20 feet north on the northerly side of said pier.

The lease shall begin on August 1, 1913, and shall expire September 1, 1914. The rental shall be at the rate of $50,200 per annum. The lessee shall have the privilege of renewal for a further term of ten years at an advance of 10 per cent. over the rental of the first term. The remaining terms and conditions of the lease shall be similar to the conditions contained in leases of all wharf property by this Department.

Pier 29 was leased to the Pennsylvania Railroad Company to March 1, 1911, at a rental of $30,500 per annum, and an extension to said pier occupied under permit at $2,733.82 per annum. The bulkhead extending from a point 71 feet south of said pier to a point 21 feet north of same was leased to the company to March 1, 1911, at a rental of $7,700 per annum; since November 1, 1911, the company has occupied the premises under a temporary permit during the pleasure of the Commissioner at a rental for pier and extension of $40,500 per annum, and $7,700 per annum for the bulkhead.

The proposed rental for the lease of this pier is based upon about the same rate per square foot as that now paid by the company for Piers 27 and 28. The rental proposed for the bulkhead is the same, the rate being higher than is paid for leases of bulkheads in the vicinity. The lease will terminate at the same time as the leases of Piers 27 and 28 and the adjoining bulkheads.

Yours respectfully, R. A. C. SMITH, Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

July 18, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On July 11, 1913, the Commissioner of Docks recommended the approval of a lease and requested consent to the execution by the Commissioner of Docks of a lease to the Pennsylvania Railroad Company of Pier (new) 29, North River, near the foot of Vestry street, together with half of the bulkhead extending to a point 71 feet south of the southerly side of said pier and extending to a point 20 feet north on the northerly side of said pier.

The lease shall begin on August 1, 1913, and shall expire September 1, 1914. The rental to be at the rate of $50,200 per annum; the lessee to have the privilege of renewal for a further term of ten years at an advance of 10 per cent. over the rental of the first term.

The pier in question is 80 feet wide by 731.39 feet in length on the north side and 732.45 feet on the south side.

The periods of the lease are so made in order that this lease will expire at the same time as the lease of Piers 27 and 28 with the Pennsylvania Railroad Company.

The rental proposed is reasonable and fully protects the City's interest.

I therefore recommend the adoption of the attached resolution granting the request.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby consent to and approve of the execution by the Commissioner of Docks of a lease to the Pennsylvania Railroad Company of Pier (new) No. 29, North River, near the foot of Vestry street, Borough of Manhattan, together with half the bulkhead extending to a point 71 feet south of the southerly side of said pier and extending to a point 20 feet north of the northerly side of said pier.

The lease to begin on August 1, 1913, and shall expire on September 1, 1914; the rental to be at the rate of fifty thousand two hundred dollars ($50,200) per annum.

The lease to provide that the lessee shall have the privilege of renewal for a further term of ten (10) years at an advance of ten (10) per cent. over the rental of the first term.

The remaining terms and conditions of the lease shall be similar to those contained in leases of all wharf property by the Department of Docks and Ferries.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks, requesting authority to issue permits for shell fish privileges in Jamaica Bay:

June 13, 1913.

*Hon.* WILLIAM J. GAYNOR, *Mayor and Chairman of the Commissioners of the Sinking Fund:*

Sir—Chapter 568 of the Laws of 1909 granted to The City of New York all the right, title and interest of the people of the State of New York in and to the lands under water of Jamaica Bay, Rockaway Inlet and waters tributary thereto north of latitude 40 degrees 31 seconds and east of longitude 73 degrees 56 minutes, upon certain conditions as to the making of appropriations by the United States of America and by The City of New York for the carrying into effect of the improvement of Jamaica Bay.

Congress has made appropriations aggregating $850,000 for such improvement, and The City of New York, acting by its Board of Estimate and Apportionment, by resolutions adopted July 1, 1910, and February 9, 1911, appropriated for such improvement the sum of $1,000,000.

Under date of June 16, 1911, the Assistant Secretary of War advised the Commissioner of Docks of The City of New York that the appropriations so made are a sufficient indication that The City of New York is prepared to undertake its part of the said improvement of Jamaica Bay and are sufficient to warrant the beginning of the work by the United States Government.

By an indenture dated November 13, 1912, the people of the State of New York, acting by the Conservation Commission of Albany, New York, granted to The City of New York all of its right, title and interest in and to the leases then in force for the planting and cultivating of shell fish in the lands under water of Jamaica Bay, together with all moneys due thereunder on and after the first day of October, 1912, saving and reserving to the State all moneys due thereunder prior to said date.

Since October 1, 1912, several leases of shell fish privileges in Jamaica Bay have expired and applications have been made for new leases for shell fish privileges in the land under water owned by the City.

I deem it inexpedient for the City to enter into leases, but I am of the opinion that permits during the pleasure of the Commissioner of Docks should be granted. Under the Charter these permits cannot be granted for a term exceding one year unless they are approved by the Commissioners of the Sinking Fund. In order that the records of this Department and those of the Sinking Fund Commission may not be overburdened with these repeated extensions of permits, I beg to recommend that I be authorized to grant permits for a period not to exceed five years, during the pleasure of and at any time revocable by the Commissioner of Docks, at a rental of $2 per acre, which was the rate charged for such privileges by the State during the past few years.

This method, in my opinion, is better than granting leases, in that the permits may be revoked at any time in case it is deemed advisable to do so for the purpose of improving the premises or for any other reason.

I would also request that the Commissioners of the Sinking Fund approve the terms and conditions of the enclosed form of permit which it is proposed to issue, provided the authority above requested is granted by the Sinking Fund Commission.

Very truly yours, R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Comptroller presented the following report and offered the following resolution:

July 18, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On June 13, 1913, the Commissioner of Docks requested the Commissioners of the Sinking Fund to authorize permits for periods not exceeding five years for shell fish privileges in Jamaica Bay.

In order that there might be no doubt as to the authority and procedure of the Commissioners of the Sinking Fund, I requested the Corporation Counsel, on June 26, 1913, to advise "what authority the Commissioners of the Sinking Fund have in the matter, and also to advise me as to the proper procedure in order to carry out the suggestions of the Commissioner of Docks."

In an opinion dated July 10, 1913, the Corporation Counsel advised me that the Commissioners of the Sinking Fund could act, and transmitted a form of resolution to be adopted by the Commissioners of the Sinking Fund. He also has made certain changes in the form of permit and of bond to be executed by the licensee.

I therefore recommend the adoption of the attached resolution prepared by the Corporation Counsel approving the revised form of permits for the use of land under water in Jamaica Bay, for the purpose of shell fish cultivation.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the terms and conditions of licenses for the use of lands under water in Jamaica Bay, exclusively and solely for shell fish cultivation, and of the bond thereto attached, as contained in the forms approved by the Corporation Counsel and hereto annexed, be and the same are hereby approved; and be it further

Resolved, That the Commissioner of Docks be and hereby is authorized to execute and deliver to any person or persons now or lately holding leases of lands under water in Jamaica Bay for the cultivation of shell fish, upon the expiration of any such lease, a license or permit in the form hereinbefore approved covering the use of the same premises during the pleasure of the Commissioner of Docks, and in no event to continue for more than five (5) years, for the consideration of two dollars ($2) per acre per annum, provided that the person or persons applying for such license shall first file in the office of the Commissioner of Docks a certified copy of his expiring or lately expired lease.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises on Russell place and Childrens lane, Forest Hills Gardens, Borough of Queens, for use of the Board of Education:

July 17, 1913.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—The Secretary of the Board of Education, in a communication to your Board under date of June 26, 1913, states that the Board of Education, at a meeting held June 25, 1913, adopted a resolution requesting the lease of a plot of ground, 100 by 100, on Russell place and Childrens lane, Forest Hills Gardens, Borough of Queens, as a site for a four-room portable school building, for a period of three years from August 1, 1913, at a rental of $1 per annum. —for a period of three years from August 1, 1913, at a rental of $1 per annum; the lessor to pay taxes and the lessee to pay water rates and furnish heat, light and janitor service in the building or buildings to be placed thereon, owned by the City, and to have the right to remove from the premises at the expiration of the lease any and all improvements which it may have placed thereon. Lessor, Sage Foundation Homes Company, 47 West 34th street, Borough of Manhattan. Respectfully,

The Comptroller presented the following report and offered the following resolution, relative to a lease to the City of premises, No. 225 East 26th street, Manhattan, for use of the Trustees of Bellevue and Allied Hospitals:

July 17, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Board of Trustees of Bellevue and Allied Hospitals, in a communication to your Board under date of February 24, 1913, stated that said hospital Trustees requested that a lease be secured of the premises at 225 East 26th street, Borough of Manhattan, as an addition to the present school for midwives at 223 East 26th street, for a term of three years, with the privilege of renewal for an additional three years, at a rental of $2,525 a year.

As a result of negotiations by the Division of Real Estate of this Department, however, this rental has been reduced to $2,200 for the first three years, with the privilege of renewal for an additional three years at $1,900 a year.

The property consists of a lot, 25 feet by 98 feet 9 inches, having on it a front three-story and basement brick building, 25 feet by 40 feet, containing eighteen rooms and three baths, and a rear three-story and basement brick building, 25 feet by 22 feet, containing twelve rooms. The front building at present houses three families at a total rental of $1,260 a year. The rear building is divided into six two-room apartments and is occupied by six tenants, who pay a total of $48 a month, making a total rental of the premises $1,836 a year.

The property is assessed for the year 1913: Land, $12,000; buildings, $4,500—$16,500.

Appraisal by Division of Real Estate: Land, $16,000; buildings, $6,000—$22,000.

The rent for the first three years is 10 per cent. of the appraised value and for the second three years approximately 9 per cent. thereof.

The Board of Health is very much interested in securing this building for the purpose of enlarging the capacity of the school for midwives, and is seriously considering the adoption of a rule requiring that all applicants for the practice of midwifery be compelled to present a diploma, showing that they have attended a regular course in a school for midwives registered by the Department of Health as maintaining a regular standard.

The leasing of the premises No. 225 East 26th street will enable the Trustees of Bellevue and Allied Hospitals to increase the capacity of the school from 25 to 50 pupils.

In a letter dated April 15, 1913, the President of the Board of Trustees of Bellevue and Allied Hospitals states that both premises can be taken care of by the present staff of employees and one kitchen and dining room will be sufficient for the occupants of both, and, therefore, the rent of the house and the daily maintenance of twenty-five more Midwives will be the only items of expense, while, if the addition to the school be located elsewhere, it would necessitate the employment of an additional staff composed of a Nurse at $600 a year, a Cook at $300 a year, a Cook's Helper at $180 a year and a Hospital Helper at $240 a year, or a total of $1,320 a year.

In a communication under date of July 12, 1913, the Secretary to the President of Bellevue and Allied Hospitals says that the total cost of equipment for the two buildings to be rented would be for beds and bedding only, which would cost not to exceed from $200 to $300, and which can be provided for from the departmental appropriations.

There is no other similar property in the neighborhood with which comparison may justly be made.

Deeming the rent reasonable and just under the circumstances, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises No. 225 East 26th street, Borough of Manhattan, for the use of the Board of Trustees of Bellevue and Allied Hospitals, for a term of three years from September 1, 1913, at an annual rental of $2,200 a year, payable quarterly, with the privilege of renewal for an additional three years at a rental of

$1,900 a year, and otherwise upon the same terms and conditions; the lessor to pay taxes and water rates, to install in the three bathrooms in the front building new bath tubs, water closets and lavatories, remove fixtures from kitchen on top floor, make hot water connection to adjoining premises and provide circulation pipe to same, make waste, vent and water connection to new fixtures and leave all plumbing in good order; also to remove water closet in the rear building and put plumbing in good order; remove paper from walls and ceilings of both buildings and thoroughly wash the walls, repair any defective plastering and paint all walls and woodwork with three coats of paint of colors as desired, kalsomine the ceilings and do all necessary carpenter work required by plumbing; the lessee to furnish heat, light and janitor service and to make such inside repairs after taking possession as it may deem necessary. Lessor, Hugh Cavanaugh, 724 Bergen street, Brooklyn; agent, John J. Welstead, 141 East 27th street, Manhattan.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Hugh Cavanaugh, of premises No. 225 East 26th street, Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals, for a term of three years from September 1, 1913, at an annual rental of two thousand two hundred dollars ($2,200), payable quarterly, with the privilege of renewal for an additional three years at a rental of nineteen hundred dollars ($1,900) a year and otherwise upon the same terms and conditions; the lessor to pay taxes and water rates, to install in the three bathrooms in the front building new bathtubs, water closets and lavatories; remove fixtures from kitchen on top floor; make hot water connection to adjoining premises and provide circulation pipe to same; make waste vent and water connection to new fixtures and leave all plumbing in good order. Also to remove water closet in the rear building and put plumbing in good order. Remove paper from walls and ceilings of both buildings and thoroughly wash the walls, repair any defective plastering, and paint all walls and woodwork with three coats of paint of colors as desired; kalsomine the ceilings and do all necessary carpenter work required by plumbing; the lessee to furnish heat, light and janitor service and to make such inside repairs after taking possession as it may deem necessary; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises in the Bergen Building, corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Commissioner of Jurors of Bronx County:

July 17, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Commissioner of Jurors of Bronx County, in a communication to your Board under date of June 13, 1913, requests that a lease be secured of a space of 2,557 square feet at the south end of the top floor in the Bergen Building, southeast corner of Arthur and Tremont avenues, Borough of The Bronx, to be used as offices for the Commissioner of Jurors of that County, for a term of five years, with the privilege of renewal for an additional five years upon the same terms and conditions, at an annual rental of $1,917.75.

The law requires that a lease of offices for the Commissioner of Jurors of Bronx County shall have the consent and approval of the Justices of the Appellate Division of the Supreme Court, First Department. The Commissioner of Jurors in a letter to your Board under date of July 11, 1913, forwards a duplicate original copy of an order signed by five of the Justices of the Appellate Division, which says:

"It is ordered that the Commissioner of Jurors, Bronx County, secure suitable offices for the proper performance of the duties of his office, terms and conditions to be approved by the Commissioners of the Sinking Fund of The City of New York."

In the same communication, the Commissioner of Jurors of Bronx County says:

"I respectfully suggest the necessity of prompt action, for the reason that it is imperative that the work of the Commissioner of Jurors shall proceed without delay, as the law requires that lists of trial jurors for each district of the Municipal Court in Bronx County must be selected by the Commissioner of Jurors and furnished the Clerk of each of the districts of said court, within the County on or before the first Monday in September.

"The Commissioner of Jurors is also required to prepare on or before December 1, 1913, lists of persons liable to serve as trial jurors in the courts of record for the ensuing jury year.

"It seems necessary that the premises should be leased so as to permit the occupancy of the offices by August 1, 1913."

The rental of $1,917.75 is at the rate of 75 cents a square foot, and is the same rate as paid by the City for all other space occupied by it in this building.

As the other City leases in the Bergen Building will expire July 1, 1917, it is desirable that this lease be made to terminate at that time.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of 2,557 square feet of space at the south end of the top floor in the Bergen Building, southeast corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Commissioners of Jurors of Bronx County, for a term of three years and eleven months from August 1, 1913, with the privilege of renewal for an additional term of five years upon the same terms and conditions, at an annual rental of $1,917.75, payable quarterly, the lessor to furnish and erect partitions as selected and directed by the Commissioner of Jurors of Bronx County, make inside and outside repairs, pay taxes and water rates and furnish heat, light, elevator and janitor service. Lessor, William C. Bergen, 130 West 180th street, Borough of The Bronx.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from William C. Bergen, of 2,557 square feet of space at the south end of the top floor in the Bergen Building, southeast corner of Arthur and Tremont avenues, Borough of The Bronx, for use of the Commissioner of Jurors of Bronx County, for a term of three years and eleven months from August 1, 1913, with the privilege of renewal for an additional term of five years upon the same terms and conditions, at an annual rental of one thousand nine hundred and seventeen dollars and seventy-five cents ($1,917.75), payable quarterly; the lessor to furnish and erect partitions as selected and directed by the Commissioner of Jurors of Bronx County, make inside and outside repairs, pay taxes and water rates and furnish heat, light, elevator and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

July 22, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Armory Board, in a communication to your Board under date of July 11, 1913, states that at a meeting of the Armory Board held July 9, 1913, a resolution was adopted requesting a renewal of the lease of room 1101, No. 2 Rector street, Manhattan, which expires September 1, 1913, upon a month to month basis, said room being used as headquarters for the Naval Militia.

The present lease, which dates from March 1, 1913, is for six months to September 1, 1913, with the privilege of renewal for an additional six months.

In a letter to this Department under date of July 15, 1913, the lessors have consented to allow the City to remain in possession upon a month to month basis after September 1, for a term not exceeding six months.

This room measures 18 feet 6 inches by 16 feet 2 inches, and contains 299 square feet of floor surface.

The rent of $550 a year is at the rate of $1.84 a square foot.

This room is taken on a month to month basis, because it will only be required until the rooms assigned to the Naval Militia in the new Municipal Building are ready for occupancy.

For comparison, room 1103, adjoining, 19 feet 8½ inches by 15 feet, area 296 square feet, is leased at the same rental, $550 a year.

The Comptroller, in a communication to your Board under date of February 20, 1913, recommended a renewal of this lease for a term of six months from March 1, 1913, at a rental at the rate of $550 a year, the same as now asked, and said report was approved and renewal of lease authorized at a meeting of your Board held February 26, 1913.

Deeming the rent reasonable and just, and it being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the United States Express Realty Company, No. 2 Rector street, Manhattan, rent at the rate of $45.84 a month, for a period not exceeding six months from September 1, 1913, upon a month to month arrangment, without the necessity of entering into a lease therefor, for room 1101 in the building No. 2 Rector street, Borough of Manhattan, used as headquarters by the Naval Militia, said rent to be payable quarterly, the lessor to pay taxes and water rates, furnish hot and cold water, and filtered ice water, also heat, light, elevator and janitor service.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to the United States Express Realty Company, No. 2 Rector street, Manhattan, rent at the rate of forty-five dollars and eighty-four cents ($45.84) a month for a period not exceeding six months from September 1, 1913, upon a month to month arrangement, without the necessity of entering into a lease therefor, for room 1101 in the building No. 2 Rector street, Borough of Manhattan, used as headquarters by the Naval Militia; said rent to be payable quarterly, the lessor to pay taxes and water rates, furnish hot and cold water and filtered ice water, also heat, light, elevator and janitor service.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution, authorizing a renewal of the lease to the City of a strip of land required for the temporary bridge over the Hutchinson River, in the Borough of The Bronx, for use of the Department of Bridges:

July 17, 1913.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—Your Board, at a meeting held June 25, 1913, adopted a resolution authorizing a renewal of the lease to the City of a vacant plot of land on the Hutchinson River, Borough of The Bronx, City of New York, bounded southerly by Boston road, northerly and westerly by Hutchinson River and easterly by other land of the lessor, and extending along Boston road from said river easterly 326 feet, as shown on a map prepared for the Bridge Department of the City, showing the approaches to the proposed temporary bridge across said river at or near Boston road, for use of the Department of Bridges, for a term of one year from August 31, 1913, at a rental of $750 a year, payable quarterly.

Since said resolution was adopted, the lessors have required as a condition of renewing this lease that upon the completion of the new permanent bridge the lessee shall leave in place on the premises, as now in place, the temporary bulkhead and approach planking now at the river edge. To this condition the Department of Bridges has consented, provided the lessors will continue to renew this lease from time to time as needed, at the present rental, until the completion of the new approach. These conditions have been consented to by the lessors.

I therefore respectfully recommend that the above mentioned resolution be amended by inserting after the words "payable quarterly," the words the lessors hereby consenting to and agreeing to renew the said lease from time to time at the present rental until the completion, ready for use, of the new bridge, as a consideration for the lessee agreeing to allow to remain on the leased premises so much of the temporary bridge as is now on the leased premises.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 25, 1913, authorizing a renewal of the lease to the City of the vacant plot of land required for the temporary bridge over the Hutchinson River, Borough of The Bronx, City of New York, for use of the Department of Bridges, for a term of one year from August 31, 1913, at an annual rental of $750, payable quarterly, be and the same is hereby amended, by adding after the words, "payable quarterly," the words, "the lessors hereby consenting to and agreeing to renew the said lease from time to time at the present rental, until the completion, ready for use, of the new bridge, as a consideration for the lessee agreeing to allow to remain on the leased premises, so much of the temporary bridge as is now on the leased premises."

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

July 17, 1913.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—On November 27, 1912, the Commissioners of the Sinking Fund authorized a renewal of the lease to the City of the store premises at 604 Park avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from January 15, 1913, with the privilege of renewal for an additional term of one year upon the same terms and conditions, at an annual rental of $276, payable quarterly.

In accordance therewith the renewals were prepared and submitted to the lessor, who returned the same, stating that he would not execute the same with the renewal clause.

I therefore respectfully recommend that the Commissioners of the Sinking Fund amend the above mentioned resolution by striking therefrom the words "with the privilege of renewal for an additional term of one year upon the same terms and conditions."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held November 27, 1912, authorizing a renewal of the lease to the City, of the store premises on the ground floor and storage space in the cellar of premises No. 604 Park avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from January 15, 1913, with the privilege of renewal for an additional term of one year, upon the same terms and conditions, be and the same is hereby amended, by striking out the words, "with the privilege of renewal for an additional term of one year upon the same terms and conditions."

The Comptroller presented the following report and offered the following resolution, relative to an assignment of property known as old Fort No. 4, in the Borough of The Bronx, to the Department of Parks, Borough of The Bronx:

June 27, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—I am in receipt of a communication from the Commissioner of the Department of Water Supply, Gas and Electricity to the Commissioners of the Sinking Fund, turning over as no longer required one of the old Revolutionary forts located on the Jerome Park Reservoir property.

The fort, or what remains of it, is located in the plot of ground shown on a map attached to his communication, and he recommends that it be transferred to the control of the Society of the Daughters of the Revolution.

The Society of the Daughters of the Revolution, sometime in 1912, requested that this fort be turned over to them, which request was referred to the Corporation Counsel by the Commissioners of the Sinking Fund for information as to whether there was authority to grant it.

Under date of July 30, 1912, the Corporation Counsel stated that he was of the opinion that before action could be taken by the Commissioners of the Sinking Fund looking to the care and maintenance of these lands, it would be necessary to obtain statutory authority from the Legislature, as there was no provision of law which would authorize the Commissioners of the Sinking Fund to grant their application.

Under date of June 23, 1913, the Commissioner of Parks of the Borough of The Bronx requests the Commissioners of the Sinking Fund to assign this property as part of the Department of Parks.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the Department of Parks what is known as "Old Fort No. 4," located on the Jerome Park Reservoir property, Borough of The Bronx, as shown on a map attached to the communication of the Commissioner of Water Supply, Gas and Electricity, mentioned above. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Whereas, The Commissioner of the Department of Water Supply, Gas and Electricity, having turned over to the Commissioners of the Sinking Fund as no longer required, under date of May 19, 1913, the property hereinafter described, it is

Resolved, That pursuant to the provisions of section 205 of the Greater New York Charter as amended the Commissioners of the Sinking Fund hereby assign to the Department of Parks, Borough of The Bronx, the property known as Old Fort No. 4, located on the Jerome Park Reservoir property, in the Borough of The Bronx.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Board of Education, turning over as no longer required premises on the northwest corner of Grand and Lafayette streets, Borough of Manhattan:

July 15, 1913.

Mr. JOHN KORB, *Secretary, Commissioners of the Sinking Fund:*

Dear Sir—I have the honor to inform you that the following preamble and resolution was presented to the Board of Education at a meeting held on July 9, 1913:

"Whereas, Application has been made for possession of the premises No. 146 Grand street, Manhattan, formerly occupied as an annex of the Washington Irving High School, for use by one of the Municipal Courts; and

"Whereas, These premises and the premises formerly occupied as Public School 129, Manhattan, are no longer required for the purposes of the Department of Education; therefore, be it

"Resolved, That the premises mentioned hereunder be surrendered after August 1, 1913, to the Commissioners of the Sinking Fund, as being no longer required for the purposes of the Department of Education;

"The building on the northwest corner of Grand and Elm streets, Manhattan.

"Public School 129, No. 433 East 19th street, Manhattan."

The resolution was adopted, after having added thereto a statement that the Board of Education, in turning over the premises mentioned to the City authorities, expresses the hope that in return therefor funds will be provided for a new high school on the east side of the Borough of Manhattan.

Respectfully yours, A. E. PALMER, Secretary, Board of Education.

The Comptroller presented the following report and offered the following resolution, relative to an assignment of premises at the northwest corner of Grand and Lafayette streets in the Borough of Manhattan, to the Board of Justices of the Municipal Court, for court purposes:

July 22, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The Secretary of the Board of Education, in a communication to this Department under date of July 15, 1913, states that at a meeting of the Board of Education held July 9, 1913, the following preamble and resolution was adopted:

"Whereas, Application has been made for possession of the premises No. 146 Grand street, Manhattan, formerly occupied as an annex of the Washington Irving High School, for use by one of the Municipal Courts; and

"Whereas, These premises are no longer required for the purposes of the Department of Education; therefore, be it

"Resolved, That the premises mentioned hereunder be surrendered after August 1, 1913, to the Commissioners of the Sinking Fund, as being no longer required for the purposes of the Department of Education:

"The building on the northwest corner of Grand and Elm streets, Manhattan."

The President of the Board of Justices of the Municipal Court, in a communication to your Board under date of July 12, 1913, requests that the school building at the northwest corner of Grand and Elm streets, Manhattan, so turned over by the Board of Education, shall be assigned by the Commissioners of the Sinking Fund to the Board of Justices of the Municipal Court, for use as a court house for the First District, Manhattan. He says:

"At the present time, the City is leasing premises for this purpose at No. 54 Lafayette street, at an annual rental of $15,500. These premises are wholly inadequate, and space for at least two more court rooms is required. If the premises at Grand and Elm streets should be appropriated for use as a court house, adequate space will be provided and the present rent saved the City.

"As our lease expires on the 31st of December, next, it is important that prompt action be taken to fit the premises for use as a court house, in case you approve this application. For this reason, the matter is urged upon your attention at this time. An issue of corporate stock will doubtless be required for the purpose of preparing the premises for use as a court house."

The property in question is located at the northwest corner (not northeast corner, as stated above) of Grand street and Lafayette street (formerly Elm street). The rental paid for years for the court rooms at 54-60 Lafayette street was $15,500 a year, but when the lease was renewed last December, this rental was reduced to $14,000. The capitalization of this rental of $14,000, at 4½ per cent., amounts to $311,111.

The Comptroller has been endeavoring for two years past to have this school property at Grand and Lafayette streets turned over to the Commissioners of the Sinking Fund, so that it might be assigned to the Municipal Court for court purposes, thus saving to the City the annual rental of $14,000, which the City is now paying for inadequate accommodations for this Court at Nos. 54-60 Lafayette street, Manhattan, and has at last succeeded.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution, turning over to the Board of Justices of the Municipal Court of The City of New York, for court purposes, the former school property located at the northwest corner of Grand and Lafayette streets, Borough of Manhattan, bounded and described as follows:

Beginning at the corner formed by the intersection of the westerly line of Lafayette street with the northerly line of Grand street; running thence westerly along said northerly line of Grand street 50 feet; thence northerly and parallel with Lafayette street 100 feet; thence easterly parallel with Grand street 50 feet to the westerly line of Lafayette street; thence southerly along the westerly line of Lafayette street 100 feet to the point or place of beginning, together with the 4-story and basement brick school building thereon.

—said property having been turned over to the Commissioners of the Sinking Fund by the Board of Education as being no longer required for use by that Department. Respectfully, WM. A. PRENDERGAST, Comptroller.

Whereas, The Board of Education, by resolution adopted July 9, 1913, having turned over as no longer required, the property hereinafter described, as of August 1, 1913, it is

Resolved, That pursuant to the provisions of section 205 of the Greater New York Charter as amended the Commissioners of the Sinking Fund hereby assign to the Board of Justices of the Municipal Court of The City of New York for court purposes, the former school property located at the northwesterly corner of Grand and Lafayette streets, Borough of Manhattan, bounded and described as follows:

Beginning at the corner formed by the intersection of the westerly line of Lafayette street with the northerly line of Grand street; running thence westerly along said northerly line of Grand street 50 feet; thence northerly and parallel with Lafayette street 100 feet; thence easterly parallel with Grand street 50 feet to the westerly line of Lafayette street; thence southerly along the westerly line of Lafayette street 100 feet to the point or place of beginning, together with the 4-story and basement brick school building thereon.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolution, relative to form of contract, plans, specifications and estimates of cost for additions and alterations to the 71st Regiment Armory Building, in the Borough of Manhattan:

July 16, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On May 21, 1913, the Secretary of the Armory Board transmitted for approval forms of contracts, plans, specifications and estimates of cost for additions and alterations to the 71st Armory Building, Borough of Manhattan.

As reported to the Armory Board on August 24, 1911, some of this work should be paid from the proceeds of corporate stock and the remainder from revenue bonds or from budget appropriations.

It is proposed to divide the cost of the work as follows:

| | | |
|---|---|---|
| 1 | Additions, Alterations, Repairs, Painting, etc.— | |
| | Charge against corporate stock funds..... | $15,589 00 |
| | Charge against tax levy funds..... | 1,000 00 |
| 2 | Plumbing Work— | |
| | Charge against corporate stock funds..... | $1,115 00 |
| | Charge against tax levy funds..... | ..... |

The corporate stock fund against which the work is to be charged is entitled "C. A. B.—41, Armory Fund, 71st Regiment, Construction and Erection of." The appropriation in the sum of $650,000 was approved by the Commissioners of the Sinking Fund on February 25, 1903. The unencumbered balance in the fund (as of May 23, 1913) was $16,824.63.

The 1913 Budget account against which $1,000 of the cost of the alterations and repairs is to be charged is entitled, "General Plant Service, Maintenance of Armories, No. 2108, Borough of Manhattan."

The resolution of the Commissioners of the Sinking Fund, adopted on October 25, 1911, only refers to contracts payable from corporate stock funds, but as the specifications were not divided to show what is payable from the proceeds of cor-

porate stock and what is properly payable from budgetary funds, I deem it advisable to consider the entire contract.

The forms of contracts are satisfactory, the plans and specifications are complete and satisfactory, and the estimates of cost reasonable.

I therefore recommend the adoption of the attached resolution approving the request. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund, pursuant to their resolution adopted on October 25, 1911, hereby approve of the forms of contracts, plans and specifications and estimates of cost for additions, alterations, repairs and plumbing work in the Seventy-first Regiment armory, 34th street and Park avenue, Borough of Manhattan, as follows:

| | |
|---|---|
| 1. Additions, alterations, repairs, etc. | $16,589 00 |
| 2. Plumbing work | 1,115 00 |
| Total | $17,704 00 |

—sixteen thousand seven hundred and four dollars ($16,704) thereof to be paid from the corporate stock fund entitled "C. A. B—41, Armory Fund, 71st Regiment, Construction and Erection of," and the remainder of one thousand dollars ($1,000) to be paid from the 1913 Budget account entitled "General Plant Service, Maintenance of Armories, No. 2108, Borough of Manhattan"; and be it further

Resolved, That in the event of the aggregate sum of the lowest bids received for the two items of work (1) additions, alterations, repairs, etc., and (2) plumbing work, is equal to or less than the aggregate sum of the two items herein approved (although the amount of the lowest bid for one item may exceed the amount approved for said item), then the award for the two items, provided both items of work are awarded at the same time, may be made without further approval of the estimates of cost by the Commissioners of the Sinking Fund; and be it further

Resolved, That in the event that the aggregate sum of the lowest bids received for the two items of the work exceeds the aggregate sum of the estimates for the two items herein approved, no award for either item shall be made, and if no bids are received for such work within such estimated cost, this Board may, in its discretion, reconsider the amount of such estimated cost upon the bids so received, provided that any of said bids is within the amount authorized and available for such work.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The following report was received from the Committee on the Allotment of Space in the new Municipal Building:

July 14, 1913.

*To the Honorable Board of the Sinking Fund of The City of New York:*

On June 2, 1913, your honorable Board, following the suggestions contained in the report (dated May 5, 1913) of this Committee, definitely assigned space in the Municipal Building to various City departments.

Your Committee recommended that certain spaces remaining vacant be held unassigned to provide for as yet undeveloped requirements and the accommodation of such priveleges as barber shops, tobacconist, etc., as might thereafter be admitted to the building by your honorable Board.

Your Committee respectfully recommends that the 2,590 square feet of space (shown on the architects' drawing, No. 1005-1, dated March 25, 1913) on the fifth floor, centre of the Municipal Building (the 2,660 square feet previously remaining vacant on this floor, less 70 square feet needed for flues), be assigned to the uses of a barber shop, including the sale of tobacco and toilet articles, so that your Committee may prepare or have prepared for it the necessary specifications, etc., as the basis for bids to be secured for this space to be rented out by the City for these purposes.

Your Committee respectfully recommends that the spaces "A," "B," "C," "D," "E," "F," "G," "H," "I," "J" and "K" (approximately as shown by cross-hatching on the architects' drawing, No. 1001-1, dated March 25, 1913), on the first or ground floor of the Municipal Building, be assigned for the accommodation of such privileges as tabocconists, florists, book and news stands, bootblacking stands, candy stands and soda fountains, so that your Committee may similarly prepare or have prepared the necessary specifications, etc., as the basis for bids to be secured for these spaces to be rented out by the City for these purposes.

Your Committee respectfully recommends the rescinding of the previous definite allotment to the Chief City Magistrate, First Division, of the 4,169 square feet on the fourteenth floor heretofore allotted to this department.

Your Committee respectfully recommends modification of previous definite allotments to departments as follows:

Board of Inebriety—To rescind the previous allotment of space to the Board of Inebriety on thirteenth floor, amounting to 2,083 square feet. To allot to the Board of Inebriety, instead, space on the fourteenth floor, centre (as shown on Drawing 89-6D; Ralph M. Comfort, Consulting Expert on Space Efficiency and Interior Equipment; McKim, Mead & White, architects), amounting to 2,130 square feet.

Board of Estimate and Apportionment—To allot to the Board of Estimate and Apportionment the adjoining space previously allotted to the Board of Inebriety, on the thirteenth floor (as shown on Drawing 79-6C; Ralph M. Comfort, Consulting Expert on Space Efficiency and Interior Equipment; McKim, Mead & White, architects), amounting to 2,083 square feet.

Your Committee respectfully recommends that the spaces remaining vacant (after the allotment made June 2, 1913, and as herein recommended) be held unassigned to provide for as yet undeveloped requirements, due to unforeseen growth, temporary boards or commissions, etc., as follows:

| Location. | Area, Square Feet. |
|---|---|
| Second floor, north | 568 |
| Third floor, south | 2,132 |
| Ninth floor, centre | 1,121 |
| Twelfth floor, centre | 947 |
| Fourteenth floor, centre | 2,039 |
| Sixteenth floor, centre | 2,063 |
| Twentieth floor, centre | 3,335 |
| Twenty-first floor, centre | 2,378 |
| Making a total of | 14,583 |

Respectfully submitted.

WM. A. PRENDERGAST, Comptroller; ROBERT R. MOORE, Chamberlain; J. W. F. BENNETT, Deputy and Acting Commissioner of Water Supply, Gas and Electricity; ....., Commissioner of Bridges, ex-officio; Select Committee on Allotment of Space in the New Municipal Building.

The following resolutions were then offered for adoption:

Resolved, That in accordance with law, the Commissioners of the Sinking Fund hereby designate and set apart the following space in the New Municipal Building for the purposes hereinafter described:

1. 2,590 square feet of space (shown on the architect's drawing No. 1005—1, dated March 25, 1913), on the fifth floor centre (the 2,660 square feet previously remaining vacant on the sixth floor, less 70 square feet needed for flues) for use as a barber shop, including the sale of tobacco and toilet articles.

2. Spaces "A," "B," "C," "D," "E," "F," "G," "H," "I," "J" and "K" (approximately as shown by cross hatching on architect's drawing No. 1001—1, dated March 25, 1913), on the first or ground floor, for the accommodation of such privileges as tobacconists, florists, book and news stands, bootblacking stands, candy stands and soda fountains.

Resolved, That so much of the resolution adopted by this Board at meeting held June 2, 1913, designating Departments to occupy a part or portion of the new Municipal Building, Borough of Manhattan, which reads as follows:

Resolved, That, pursuant to the provisions of section 4, chapter 670 of the Laws of 1907, the Board of Commissioners of the Sinking Fund of The City of New York designate the following Boards to occupy a part or portion of the New Municipal Building at the Manhattan Terminal of the New York and Brooklyn Bridge, in The City of New York, and sets apart for each of the said Boards so much and such portion of said Municipal Building, as follows:

Board of Inebriety—Space on the 14th floor, centre (as shown on Drawing 89—6D, Ralph M. Comfort, consulting expert on space efficiency and interior equipment, McKim, Mead & White, architects), amounting to 2,130 square feet.

Board of Estimate and Apportionment—The adjoining space previously allotted to the Board of Inebriety on the 13th floor (as shown on Drawing 79—6C, Ralph M. Comfort, consulting expert on space efficiency and interior equipment, McKim, Mead & White, architects), amounting to 2,083 square feet.

The report was accepted and the resolutions severally adopted, all the members present voting in the affirmative.

A communication was received from the President of the Borough of Manhattan transmitting a communication from the Superintendent of Buildings requesting that his Bureau, instead of being housed in the New Municipal Building, be permitted to remain in some central uptown location, preferably somewhere between 30th and 39th streets, in order that it will be located at a point where the minimum of time will be used by the Inspectors going to their work.

Which was referred to the Committee on Allotment of Space in the New Municipal Building.

The Comptroller presented the following report and offered the following resolutions relative to leases in perpetuity to the Westchester and Northern Railroad Company of the following property:

(1) Premises in the vicinity of Rye Lake, in the Town of Harrison, containing 9.141 acres more or less.

(2) Parcel of land situated in Putnam County, partly in the Village of Brewster and partly in the Town of Southeast, containing 1.18 acres more or less.

June 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—I am in receipt of a petition addressed to the Commissioners of the Sinking Fund from the Westchester and Northern Railroad Company, requesting the Commissioners of the Sinking Fund to grant to it a perpetual easement or right of way in, over, along and across lands and lands under water, described by exhibits A, B, C and D, attached to the petition.

Part of the property over which the railroad company requests this easement was acquired for the Department of Water Supply, Gas and Electricity and the remainder was acquired for the Board of Water Supply. I requested both of the above departments to inform me as to their views in the matter. In a communication under date of March 18, 1913, the Board of Water Supply states that the strip of land under their jurisdiction over which the Westchester Northern Railroad requests a right of way is part of the real estate acquired for the construction of Kensico Reservoir, in the Town of Harrison, Westchester County, N. Y., and they state that if said right of way is granted, they think the following conditions should be insisted on:

(1) That the said Railroad Company pays to The City of New York the actual cost to it of said lands, viz: Twenty-five thousand one hundred and ninety ($25,190) dollars; which actual cost consists of the awards made by the Commissioners of Appraisal, interest between the date on which the City took title and date of payment of awards to the claimants, cost of acquirement consisting of amounts allowed claimants' attorneys and witnesses, Appraisal Commissioners, cost of advertising, etc., interest at 4 per cent. from date of payment of awards and interest (September 15, 1911) to April 1, 1913, and taxes from date on which the City took title (January 26, 1909) to April 1, 1913.

(2) That all taxes levied against this property in the future are to be paid by the Railroad Company.

(3) That all the work of construction and its maintenance across the property of The City of New York shall be done at the expense of the Railroad Company, and that the Railroad Company shall agree to relieve the City from all damage or expense of whatever kind which may in any way result from either their construction work or their occupancy of the land.

(4) That all the details of the construction across the property of the City shall be subject to the approval of the Board of Water Supply or other duly constituted authority under whose jurisdiction the reservoir may at any time fall.

(5) That the Railroad Company shall construct its cuts and embankments or other equipment in such a manner that no drainage therefrom shall be made to discharge within the watershed of Kensico Reservoir: Such arrangements and the maintenance thereof shall at all times be satisfactory to the Board of Water Supply or other duly constituted authority under whose jurisdiction the reservoir may at any time fall.

(6) That the operation of the said railroad across the reservoir lands shall be at all times subject to the rules and regulations which may be adopted by the Board of Water Supply or other duly constituted authority having such matter in charge for the protection of the watershed or such reservoir waters, and that at no time shall it be permissible for said railroad company to construct sidings, switches, depots, stations or other appurtenances upon said right of way upon the City's land.

Subsequently, and under date of June 19, the Board of Water Supply revised their figures and decided that $21,160.82 should be the amount paid by the railroad.

The granting of the easement at Rye Lake will require the relocation and reconstruction of part of the macadamized highway constructed by the City, the expense of which should be borne by the Railroad Company.

The other strip, under the jurisdiction of the Department of Water Supply, Gas and Electricity, has an area of 1.18 acres and is located in Putnam County, partly in the Village of Brewster and partly in the Town of Southeast. The appraised value of this plot is $3,500, and under the circumstances is, in my opinion, fair and reasonable for the City's interest in this strip. In a communication to the Comptroller, the Commissioner of Water Supply, under date of March 17, 1913, states there is no objection to granting an easement or right of way over this property.

After consultation with the attorney for the Railroad Company, instead of giving them a grant of the above mentioned property, it was determined to grant them a lease in perpetuity at an annual rental of 5 per cent. of the above mentioned amounts. This will be $1,058.50 per annum for the lands acquired for the Board of Water Supply, and $175 per annum for the lands acquired for the Department of Water Supply, Gas and Electricity.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a lease in perpetuity to the Westchester Northern Railroad Company for the construction and maintenance of their roadbeds, tracks, bridges and other structures and the operation over the same of their railroads at an annual rental of $1,058.50 of the premises in the vicinity of Rye Lake, in the Town of Harrison, Westchester County, N. Y., bounded and described as follows:

Beginning at a point in the centre line of the Westchester Northern Railroad, where the same intersects the dividing line between lands of Isaac Carpenter and the Board of Water Supply of New York City, and designated as Station 1076 plus 76.80; running thence south 74 degrees 38 minutes west along said dividing line a distance of 96.65 feet; thence north 18 degrees 46 minutes east parallel to and distant 80 feet westerly from said centre line a distance of 1,635.63 feet; thence at right angles to said centre line south 71 degrees 14 minutes east a distance of 20 feet; thence in a northeasterly direction by a curve to the left having a radius of 5,669.65 feet, parallel to and distant 60 feet westerly from said centre line, a distance of 1,144.67 feet to a point in the dividing line between lands of the Board of Water Supply of New York City and F. E. Storrs; thence along said dividing line south 6 degrees 02 minutes east a distance of 241.11 feet to a point in the centre line of the Westchester Northern Railroad, designated as station 1101 plus 80.2; thence continuing along said dividing line south 6 degrees 02 minutes east a distance of 160.76 feet; thence south 89 degrees 56 minutes east a distance of 15.02 feet; thence in a southwesterly direction by a curve to the right having a radius of 5,789.65 feet, parallel to and distant 60 feet easterly from said centre line a distance of 779.25 feet; thence at right angles to said centre line south 71 degrees 14 minutes east a distance of 60 feet; thence south 18 degrees 46 minutes west parallel to and distant 120 feet easterly from said centre line a distance of 1,160.60 feet to a point in the dividing line between lands of the Board of Water Supply of New York City and the Society of Friends; thence along said dividing line the following courses and distances: south 88 degrees 30 minutes west, a distance of 60.53 feet; thence south 33 degrees 12 minutes west a distance of 90.8 feet; thence south 00 degrees 45 minutes east a distance of 117.98 feet; thence south 18 degrees 46 minutes west parallel to and distant 80 feet easterly from said centre line a distance of 146.46 feet, to a point in the dividing line between lands of the Board of Water Supply of New York City and Isaac Carpenter; thence along said dividing line

south 74 degrees 38 minutes west a distance of 96.65 feet to the point or place of beginning, containing 9.141 acres, more or less.

Said perpetual lease to contain the following conditions:

That all taxes levied against the property in the future are to be paid by the Railroad Company. That all work of construction and its maintenance across the property of The City of New York shall be done at the expense of the Railroad Company; and that the Railroad Company shall agree to relieve the City from all damage or expense of whatever kind which may in any way result from their construction work or other occupancy of the land, including the relocation and reconstruction of any highways made necessary by the granting of this lease. That all the details of the construction across the property shall be subject to the approval of the Board of Water Supply or other duly constituted authority under whose jurisdiction the reservoir may at any time fall, and that at no time shall it be permissible for said Railroad Company to construct sidings, switches, depots, stations or other appurtenances upon said right of way upon the City's land. That any damage to the City's fences or abutting property by reason of the operation or construction of the railroad shall be repaired and restored to their original condition by and at the expense of said Railroad Company.

And that they authorize a lease in perpetuity from The City of New York to the Westchester Northern Railroad Company, at an annual rental of $175, for a parcel of land situated in Putnam County, N. Y., partly in the Village of Brewster and partly in the Town of Southeast, bounded and described as follows:

Beginning at a point in the centre line of the Westchester Northern Railroad where the same intersects the dividing line between lands of Avary Van Sooy and the Department of Water Supply, Gas and Electricity of The City of New York and designated as Station 618 plus 10.55; running thence along said dividing line south 32 degrees 4 minutes west a distance of 52.53 feet; thence in a northwesterly direction by a curve to the left having a radius of 1,860.08 feet, parallel with and distant 50 feet southwesterly from said centre line, a distance of 102.65 feet; thence north 43 degrees west; still parallel to and distant 50 feet southwesterly from said centre line a distance of 504.35 feet to a point in the dividing line between lands of the Department of Water Supply, Gas and Electricity of The City of New York and Mrs. C. B. Holmes in the Village of Brewster; thence along said dividing line north 34 degrees 11 minutes east a distance of 42.29 feet to a point on the southerly side of Main street; thence by the same south 51 degrees 24 minutes east a distance of 60.0 feet to a point in the centre line of the Westchester Northern Railroad designated as Station 623 plus 54; thence continuing along the said southerly side of Main street the following courses and distances: South 51 degrees 24 minutes east a distance of 42 feet; south 51 degrees 24 minutes east a distance of 42 feet; south 57 degrees 27 minutes east a distance of 94 feet; and south 85 degrees 57 minutes east a distance of 29.95 feet; thence south 43 degrees east parallel to and distant 50 feet northeasterly from the centre line of the Westchester Northern Railroad, a distance of 299.87 feet; thence in a southeasterly direction by a curve to the right having a radius of 1,960.08 feet parallel to and distant 50 feet northeasterly from the said centre line a distance of 75.58 feet to a point in the dividing line between lands of the Department of Water Supply, Gas and Electricity of The City of New York and Avary Van Sooy; thence along said dividing line south 32 degrees 4 minutes west a distance of 52.39 feet to the point or place of beginning, containing 1.18 acres more or less.

Said perpetual lease to be granted only upon the following conditions:

That all taxes levied against the property in the future are to be paid by the Railroad Company. That no piers or other obstructions shall be constructed or placed in the East Branch of the Croton River. That all work of construction and its maintenance across the property of The City of New York shall be done at the expense of the Railroad Company, and that the Railroad Company shall agree to relieve the City from all damage and expense of whatever kind which may in any way result from their construction work or other occupancy of the land, including the relocation and reconstruction of any highways made necessary by the granting of this lease. That all the details of the construction across the property shall be subject to the approval of the Department of Water Supply, Gas and Electricity or any officer, board or body succeeding to the jurisdiction now exercised by said Commissioner. That at no time shall it be permissible to construct sidings, depots, switches, stations or other appurtenances upon the City's land.

That the Railroad Company shall comply strictly with the State Health laws and rules and regulations of the Department of Water Supply, Gas and Electricity, promulgated under the authority of the amendment of the State Health Laws, chapter 695 of 1911; that any damage to the City's fences or abutting property by reason of the operation or construction of the railroad shall be repaired and restored to their original condition by and at the expense of the Railroad Company.

Both of the above leases in addition to contain the following clause:

That the demised premises are to be used for railroad right of way purposes as herein provided and not in any manner otherwise.

It is further understood and agreed that the Westchester Northern Railroad Company and its successors will conform to all rules and regulations which may at any time be imposed or promulgated by the Board of Water Supply of The City of New York or by the Commissioner of the Department of Water Supply, Gas and Electricity, or any officer, board or body succeeding to the jurisdiction and control now exercised by said Board or Commissioner relating to or providing for the sanitary protection of the water supply of The City of New York; and that it will agree to construct and maintain at its own expense such drains or other contrivances on its road bed and trains as may be required by either of the above named boards or officials to the end that no discharge of offensive matters or refuse from the trains will be permitted to enter either directly or indirectly upon the lands of The City of New York acquired or used for the purpose of the water supply of The City of New York or for the protection thereof.

In the event at any time of a breach of any of the above covenants, the leases shall become null and void.

The above leases are to be authorized only after the Commissioners of the Sinking fund have determined that the use or enjoyment of the lands leased are not inconsistent with the purpose for which they were acquired.

The proceeds of the above rental received by the City shall be applied to the Sinking Fund created to redeem the corporate stock issue for or on account of the lands to be demised.

The above leases are not to be executed until the Westchester Northern Railroad Company has given assurance satisfactory to the Comptroller that it is prepared to proceed with the proposed work at the above mentioned locations.

The Comptroller presented the following report and offered the following resolution relative to a sale at public auction of an irregular strip of land on the southwesterly corner of Fuller place and Windsor place, Borough of Brooklyn:

July 17, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—The City is the owner by several deeds dated November 2, 1912, from Edmund D. Fisher, as Deputy and Acting Comptroller of The City of New York, to The City of New York, of certain lands located on the southwesterly corner of Windsor place and Fuller place, Borough of Brooklyn, bought in by the City of Brooklyn at a sale held for taxes on June 2, 1886.

The deeds above mentioned cover a plot 100 by 160 feet, on the northwest corner of Fuller place and Windsor place, with the exception of one lot, 20 by 100 feet, located on the southerly side of Windsor place and 40 feet westerly from the southwesterly corner of Windsor place and Fuller place, which lot is held by the City under a tax sale certificate.

I am in receipt of a communication from William M. Calder, stating that he is interested in this property, and that he had improved much of the real estate in this section, and is desirous of clearing up this plot.

The value of this property to the City in view of the nature of its title thereto, as determined by the Division of Real Estate of this Department, is $4,500, exclusive of the lot above mentioned which the City holds under a tax certificate. The disposition of this tax certificate is being negotiated by the Comptroller.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the sale at public auction of all that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at the point formed by the intersection of the southwesterly line of Windsor place with the northwesterly line of Fuller place; running thence southwesterly along the northwesterly line of Fuller place 160 feet; running thence northwesterly, parallel with Windsor place 100 feet; running thence northeasterly, parallel with Fuller place, 160 feet to the southwesterly line of Windsor place; running thence southeasterly along the southwesterly line of Windsor place 40 feet; running thence southwesterly, parallel with Fuller place 100 feet; running thence southeasterly, parallel with Windsor place 20 feet; running thence northeasterly, parallel with Fuller place, 100 feet to the southwesterly line of Windsor place; running thence southeasterly along the southwesterly line of Windsor place 40 feet to the point or place of beginning; said premises being part of Lot 38, Block 1114, Section 4, as designated on the present tax maps of The City of New York, Borough of Brooklyn.

—at the minimum or upset price of $4,500, which I deem to be a fair appraisal of the market value of the City's interest in the property, plus the cost of advertising the sale, upon the following terms and conditions:

The highest bidder will be required to pay ten (10) per cent. of the amount of his bid, together with the auctioneer's fees, at the time of the sale, and ninety (90) per cent. upon the delivery of the deed, which shall be within sixty (60) days from the date of the sale.

The deed so delivered shall be in the form of a bargain and sale deed without covenants.

The Comptroller may, at his option, resell the property if the successful bidder shall fail to comply with the terms of the sale, and the person failing to comply therewith, will be held liable for any deficiency which may result from such resale. The right is reserved to reject any and all bids.

Respectfully, WM. A. PENDERGAST, Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize and order a sale at public auction of all that certain piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at the point formed by the intersection of the southwesterly line of Windsor place with the northwesterly line of Fuller place; running thence southwesterly along the northwesterly line of Fuller place 160 feet; running thence northwesterly parallel with Windsor place 100 feet; running thence northeasterly parallel with Fuller place 160 feet to the southwesterly line of Windsor place; running thence southeasterly along the southwesterly line of Windsor place 40 feet; running thence southwesterly parallel with Fuller place 100 feet; running thence southeasterly parallel with Windsor place 20 feet; running thence northeasterly parallel with Fuller place 100 feet to the southwesterly line of Windsor place; running thence southeasterly along the southwesterly line of Windsor place 40 feet to the point or place of beginning; said premises being known and designated on the present tax maps of The City of New York, Borough of Brooklyn, as Section 4, Block 1114, part of Lot 38.

—the minimum or upset price at which said property shall be sold be and is hereby appraised and fixed at the sum of $4,500, plus the cost of advertising the sale, and the Comptroller be and is hereby authorized and directed to take the necessary steps for conducting such sale upon the following

*Terms and Conditions.*

The Comptroller presented the following report and offered the following resolution relative to the refunding of $4.50, being amount of jury fee, the same having been paid twice:

July 15, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On March 6, 1913, a fee of $4.50 was paid to the Clerk of 1st District Municipal Court, Borough of Manhattan, for a jury in the case of Abenheimer vs. Glanzer Bros. and on April 9, the day set for trial, a judgment of dismissal was rendered; said judgment was subsequently vacated and trial set for April 25, 1913, for which an additional fee of $4.50 was paid to the Clerk of the Court.

After a careful examination of all the facts in the case this office has come to the conclusion that the first payment should be refunded to I. Gainsburg, the attorney in the case.

The amount paid was deposited in the Sinking Fund for the payment of the interest on the City debt.

I attach a resolution for your adoption.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That a warrant payable from the Sinking Fund for the payment of the interest on the City debt be drawn in favor of I. Gainsburg for the sum of four and 50-100 dollars ($4.50), refunding him that amount of jury fee paid by him on March 6, 1913, to the Clerk of the First District Municipal Court, Borough of Manhattan.

The report was accepted, and the resolution adopted, all the members present voting in the affimative.

The Comptroller presented the following report and offered the following, relative to amendment to resolution, authorizing a lease of rooms 2528 to 2530 inclusive in the Park Row Building, Nos. 13 to 21 Park row, Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity:

July 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On March 26, 1913, the Commissioners of the Sinking Fund authorized a lease from the Park Row Realty Company of rooms in the Park Row Building, Nos. 13-21 Park row, Borough of Manhattan, to be used by the Department of Water Supply, Gas and Electricity, for a period of one year from April 1, 1913, at an annual rental of $63,094.90.

In this resolution it states that rooms "2528 and 2530 inclusive" are being leased. This is misleading, inasmuch as it might seem to include room 2529.

I therefore respectfully recommend that the above resolution be amended by striking therefrom the word "inclusive" after "2528 and 2530."

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held March 26, 1913, authorizing a lease of Rooms 837 to 839, inclusive; 1318 to 1322, inclusive; 1330 and 1331, 1501 to 1539, inclusive; 1715 to 1731, inclusive; 1818 and 1819, 1823 and 1824, 1901 to 1915, inclusive; 1930 to 1939, inclusive; 2001 to 2039, inclusive; 2301 to 2304, inclusive; 2309 to 2339, inclusive; 2415 to 2419, inclusive; 2423 and 2424, 2429 and 2430, 2502 to 2505, inclusive; 2512 to 2522, inclusive; 2528 and 2530, inclusive. in the Park Row Building, Nos. 13-21 Park row, Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity, for a period of one year, from April 1, 1913, at an annual rental of sixty-three thousand and ninety-four dollars and ninety cents ($63,094.90), payable quarterly, be and the same is hereby amended by striking therefrom the word "inclusive" after "2528 and 2530."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolutions relative to rescinding the resolution authorizing a lease of rooms 1121-1122 in the Park Row Building, Nos. 13 to 21 Park row, Borough of Manhattan, and authorizing the Comptroller to pay the rental without the necessity of entering into a lease:

July 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On November 27, 1912, the Commissioners of the Sinking Fund authorized a lease of rooms 1121 and 1122 in the Park Row Building, Nos. 13-21 Park row, Borough of Manhattan, for use of the Department of Bridges, for a term of four months from December 1, 1912, to April 1, 1913, at a rental at the rate of $742.00 a year.

The date of the commencement of this lease should have been from November 1, 1912, instead of December 1, 1912.

Inasmuch as the term of the lease has expired and the Department of Bridges has vacated the Park Row Building, I respectfully recommend that the resolution above mentioned be rescinded, and that a further resolution be adopted authorizing the Comptroller to pay, without the necessity of entering into a lease, rent for rooms 1121 and 1122 in the Park Row Building, Nos. 13-21 Park row, Borough of Manhattan, occupied by the Department of Bridges, for the period from November 1, 1912, to April 1, 1913, at the rate of $742.00 a year.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held November 27, 1912, authorizing a lease of Rooms 1121-1122 in the Park Row Building, Nos. 13 to 21 Park row, Borough of Manhattan, for use of the Department of Bridges, for a term of four months, from December 1, 1912, to April 1, 1913, at a rental at the rate of seven hundred and forty-two dollars ($742) a year, be and the same is hereby rescinded.

Resolved, That the Comptroller be and is hereby authorized to pay, without the necessity of entering into a lease, the rent of Rooms 1121-1122 in the Park Row Building, Nos. 13-21 Park row, Borough of Manhattan, occupied by the Department of Bridges, for a period from November 1, 1912, to April 1, 1913, at the rate of seven hundred and forty-two dollars ($742) a year.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

The Comptroller presented the following report and offered the following resolution relative to lease of premises on West 57th street, near 10th avenue, Borough of Manhattan, for use of the Mayor's Bureau of Licenses:

July 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—I am in receipt of a communication from the Chief of Bureau of Licenses, Mayor's Office, requesting a lease of premises situated on the northerly side of 57th street, running through from 57th to 58th street, being a plot of ground 50 by 200 feet 10 inches, distant 175 feet westerly from the westerly side of 10th avenue, Borough of Manhattan. He states that the quarters at present occupied by his Bureau at No. 248 West 49th street, are inadequate to meet the new Taxicab Law, for the reason that not more than six taxicabs can be examined at one time, while he estimates that provision should be made for the examination of at least fifteen taxicabs, in addition to horse drawn vehicles.

Messrs. Weil and Mayer, the owners of the above mentioned plot, have agreed to erect thereon a one-story, brick fireproof building, 50 by 200 feet 10 inches and 14 feet in the clear, and rent the same to the City for a period of five years with the privilege of renewal for an additional term of five years upon the same terms and conditions, at $7,500 per annum, which amount was reduced from the original asking price of $9,000 a year. They are to erect all necessary partitions, install toilets and plumbing fixtures, electric light wiring and fixtures, and steam heating plant with appurtenances sufficient to properly heat the building to the satisfaction of the Chief of the Bureau of Licenses. The City will furnish water, heat and light. The owners, however, reserve the right at any time during the term of the lease or any renewal thereof, to use a portion of the northwest corner of the building, 13 feet 6 inches by 20 feet, and upon so doing will reduce the rent of the premises to $7,300 per annum. They also reserve the right to erect an additional story or stories to the building at any time.

The assessed value of the above mentioned land for 1913 is $43,000, and the value as appraised by the Division of Real Estate of this Department is $55,000. The estimated cost of the building to be erected is $25,000. This will make the total value of the premises $80,000, and the rent is therefore at the rate of a little more than 9 per cent, which to my mind is fair and reasonable.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund authorize a lease from Jonas Weil and Bernhard Mayer of No. 5 Beekman street, Borough of Manhattan, of a one-story brick fireproof building 50 by 200 feet 10 inches, and 14 feet in the clear, to be erected on the plot of ground in the Borough of Manhattan bounded and described as follows:

> Beginning at a point on the northerly side of 57th street, which point is distant 175 feet westerly from the corner formed by the intersection of the westerly side of 10th avenue with the northerly side of 57th street; running thence northerly and parallel with 10th avenue 200 feet 10 inches to the southerly side of 58th street; running thence westerly along said southerly side of 58th street 50 feet; running thence southerly and parallel with 10th avenue 200 feet 10 inches to the northerly side of 57th street; running thence easterly along the northerly side of 57th street 50 feet to the point or place of beginning.

—for use of the Bureau of Licenses, Mayor's Office, for a period of five years from December 1, 1913, with the privilege of renewal for an additional term of five years upon the same terms and conditions, at an annual rental of $7,500, payable quarterly. In the event of the building not being ready for occupancy on December 1, 1913, the lease to commence from January 1, 1914; the lessors to pay taxes, erect partitions, install toilets and plumbing fixtures, electric light wiring and fixtures, and steam heating plant with appurtenances sufficient to properly heat the building, all to the satisfaction of the Chief of the Bureau of Licenses, and in accordance with plans to the prepared by the lessors and approved by the Chief of the Bureau of Licenses and the Bureau of Buildings; the City to pay for the water and light used on the premises leased and furnish its own heat; the lessors reserve the right at any time during the term of the lease or any renewal thereof, if they desire so to do, to use a part of the premises to be demised not more than 13 feet 6 inches in width and 20 feet in depth, on the northwest portion thereof, in which event they agree to reduce the rent to $7,300 per annum. They also reserve the right to erect an additional story or stories to the building at any time. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Jonas Weil and Bernhard Mayer of a one-story brick fireproof building, 50 feet by 200 feet 10 inches, and 14 feet in the clear, to be erected on the plot of ground in the Borough of Manhattan bounded and described as follows:

> Beginning at a point on the northerly side of 57th street, which point is distant 175 feet westerly from the corner formed by the intersection of the westerly side of 10th avenue with the northerly side of 57th street; running thence northerly and parallel with 10th avenue 200 feet 10 inches to the southerly side of 58th street; running thence westerly along said southerly side of 58th street 50 feet; running thence southerly and parallel with 10th avenue 200 feet 10 inches to the northerly side of 57th street; running thence easterly along the northerly side of 57th street 50 feet to the point or place of beginning;

—for use of the Bureau of Licenses, Mayor's office, for a period of five years from December 1, 1913, with the privilege of renewal for an additional term of five years upon the same terms and conditions, at an annual rental of seventy-five hundred dollars ($7,500), payable quarterly. In the event of the building not being ready for occupancy on December 1, 1913, the lease to commence from January 1, 1914; the lessors to pay taxes, erect partitions, install toilets and plumbing fixtures, electric light wiring and fixtures, and steam heating plant with appurtenances sufficient to properly heat the building, all to the satisfaction of the Chief of the Bureau of Licenses, and in accordance with plans to be prepared by the lessors and approved by the Chief of the Bureau of Licenses and the Bureau of Buildings; the City to pay for the water and light used on the premises leased and furnish its own heat; the lessors reserve the right at any time during the term of the lease or any renewal thereof, if they desire so to do, to use a part of the premises to be demised, not more than 13 feet 6 inches in width and 20 feet in depth, on the northwest portion thereof, in which event they agree to reduce the rent to $7,300 per annum. They also reserve the right to erect an additional story or stories to the building at any time; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following report was received from the Corporate Stock Budget Committee of the Board of Estimate and Apportionment recommending that the Commissioners of the Sinking Fund recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock to an amount not exceeding $8,200, the proceeds to the amount of the par value thereof to be applied by the Department of Docks and Ferries for the laying of a new granite pavement on a concrete foundation of Piers 17 and 19, East River:

July 18, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On July 3, 1913, the Commissioner of Docks requested $8,200 corporate stock for laying a new granite pavement on a concrete foundation between Piers 17 and 19, East River, inshore of the piers occupied by the fish dealers' associations. In connection therewith we report as follows:

The street in question is now in a filthy condition, being full of holes in which the refuse washed from the fish dealers' pier settles. The present pavement being old could not be put in first class condition by repair work, and the work would be unduly expensive.

Specifications have been prepared for a new pavement at an estimated cost of $8,200.

We recommend the adoption of the attached resolution recommending the authorization of $8,200 corporate stock for laying a new granite pavement between Piers 17 and 19, East River. Respectfully,

WM. A. PRENDERGAST, Comptroller; A. L. KLINE, Acting President, Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan; Corporate Stock Budget Committee.

The following resolution was then offered for adoption.

Resolved, That, pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of The City of New York to an amount not exceeding eight thousand two hundred dollars ($8,200), the proceeds to the amount of the par value thereof to be applied by the Department of Docks and Ferries for the laying of a new granite pavement on a concrete foundation between Piers 17 and 19, East River.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following report was received from the Corporate Stock Budget Committee, recommending that the Commissioners of the Sinking Fund recommend to the Board of Estimate and Apportionment, that the Comptroller be authorized to issue corporate stock as follows:

1. To an amount not exceeding $1,226,735, the proceeds to the amount of the par value thereof to be applied by the Department of Docks and Ferries to the payment of salaries and wages of employees of the department engaged in work of construction and improvement, or for the preparation of plans therefor.

2. To an amount not exceeding $298,700, the proceeds to the amount of the par value thereof to be applied for the purchase of supplies incidental to new construction work.

July 16, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On July 7, 1913, the Commissioner of Docks requested $1,390,685 corporate stock for salaries and wages and $394,350 for supplies and materials, a total of $1,785,035. In connection therewith we report as follows:

The amount requested is based on the amount of salaries and wages paid during the twelve months beginning July 1, 1912, and the consumption of supplies and materials in the past for construction work.

The schedules in the 1913 budget for the corporate stock force are $119,878.40 less than corporate stock force in the 1912 budget. The amount of the 1913 allowance, $1,259,105.13, less the available balance on July 1, 1913, $32,373.52, or $1,226,731.61, will, doubtless be sufficient for salaries and wages for the year ending June 30 1914.

The estimate for supplies and materials is high. In estimating the amount required for supplies and materials necessary for proposed construction work, stock on hand and the amount available should be considered. The following amounts, added to stock on hand, will be sufficient for the year:

Yellow pine piles, $14,000; oak piles, $9,000; yellow pine lumber, $75,000; miscellaneous lumber, $8,500; spruce for catamarans, $8,000; miscellaneous supplies, $50,000; rope, $10,000; coal, $48,000; Portland cement, $22.750; sand, $1,750; broken stone, 2-inch, $7,500; rip-rap $21,000; cobble $8,200; granite, $15,000—$298,700.

Under the plan laid down by the Engineer of the Dock Department it is proposed to construct new piers and bulkhead walls along the most congested water-front and to construct extensions to piers Nos. 19, 20, 21, 25, 26, 34, 35, 36, 37 and 39 on the North River. The increase in rentals from these piers will amount to 5½ per cent. on the cost of the extensions, and 27½ cents per square foot for the land under water.

We recommend the adoption of the attached resolutions recommending the authorization of $1,226,735 corporate stock for salaries and wages and $298,700 corporate stock for supplies and materials. Respectfully,

WM. A. PRENDERGAST, Comptroller; A. L. KLINE, President, Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan, Corporate Stock Budget Committee.

The following resolutions were then offered for adoption:

Resolved, That, pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of The City of New York to an amount not exceeding one million two hundred and twenty-six thousand seven hundred and thirty-five dollars ($1,226,735), the proceeds to the amount of the par value thereof to be applied by the Department of Docks and Ferries to the payment of the salaries and wages of the employees of the department engaged in work of construction and improvements or the preparation of plans therefor.

Resolved, That, pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of The City of New York to an amount not exceeding two hundred and ninety-eight thousand seven hundred dollars ($298,700), the proceeds to the amount of the par value thereof to be applied to the purchase of supplies incidental to new construction work by the Department of Docks and Ferries.

The report was accepted, and the resolutions severally adopted, all the members present voting in the affirmative.

The following report was received from the Corporate Stock Budget Committee of the Board of Estimate and Apportionment, recommending that the Commissioners of the Sinking Fund recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock to an amount not exceeding $75,000, the proceeds to the amount of the par value thereof, to be applied by the Department of Docks and Ferries for the purchase of rip-rap, to be used in construction work:

July 17, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On July 2, 1913, the Commissioner of Docks requested $110,000 corporate stock for the purchase of rip-rap. In connection therewith we report as follows:

The pierhead line on the lower end of North River has been extended and it is proposed to extend the piers to the new line to relieve the congested condition in this section. New leases have been prepared which provide for an annual rental at the rate of 27½ cents per square foot for the area of land under water covered by the extensions and in addition a return of 5½ per cent. on the cost of construction of the extensions.

The depth of water and the condition of the bed of the river make the use of long piles necessary in the construction of these extensions. Rip-rap must be deposited at the base of the piles in order to make them firm. From the estimate of the Engineer of the Dock Department as to the amount of rip-rap required for the piers to be extended it appears that $75,000 will be ample for the needs at this time.

We therefore recommend the adoption of the attached resolution granting the request to the extent of $75,000. Respectfully,

WM. A. PRENDERGAST, Comptroller; A. L. KLINE, President, Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan, Corporate Stock Budget Committee.

The following resolution was then offered for adoption:

Resolved, That, pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of The City of New York to an amount not exceeding seventy-five thousand dollars ($75,000), the proceeds to the amount of the par value thereof to be used by the Department of Docks and Ferries for the purchase of rip-rap to be used in construction work.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The following report was received from the Corporate Stock Budget Committee recommending that the Commissioners of the Sinking Fund recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock to an amount not exceeding $164,000, the proceeds to the amount of the par value thereof to be applied by the Department of Docks and Ferries to meet the cost of dredging in connection with the construction of a 1,000 foot pier at the foot of West 46th street, Borough of Manhattan:

July 21, 1913.

*To the Commissioners of the Sinking Fund:*

Gentlemen—On July 16, 1913, the Commissioner of Docks requested $164,000 corporate stock for dredging work in connection with the proposed long pier construction at the foot of West 46th street, North River. In connection therewith we report as follows:

Plans and specifications have been prepared for the construction of a thousand foot pier at the foot of West 46th street. It will be necessary to dredge before the construction work can be started. The Engineer of the Department of Docks estimates the dredging necessary at about 40,000 cubic yards of crib, 110,000 cubic yards of mud and 260,000 cubic yards of hard material, old fill, foundation, etc., or a total of 410,000 cubic yards. The estimated cost is forty cents per cubic yard, or a total of $164,000.

We recommend the adoption of the attached resolution granting the request.

Respectfully, WM. A. PRENDERGAST, Comptroller; A. L. KLINE, President, Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan, Corporate Stock Budget Committee.

Resolved, That, pursuant to the provisions of section 180 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock of The City of New York to an amount not exceeding one hundred and sixty-four thousand dollars ($164,000), the proceeds to the amount of the par value thereof to be used by the Department of Docks and Ferries to meet the cost of dredging in connection with the construction of a thousand-foot pier at the foot of West 46th street, North River, Borough of Manhattan.

The report was accepted and the resolution adopted by the following vote:

Ayes—The Acting President, Board of Aldermen, the Comptroller and Chamberlain.

Present and excused from voting—The Chairman of the Finance Committee, Board of Aldermen.

The Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution, authorizing a conveyance to Eversley Childs of premises known as No. 101 Park row, Borough of Manhattan:

June 26, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—On May 21, 1913, the Commissioners of the Sinking Fund adopted a resolution authorizing a conveyance to Eversley Childs in consideration of the sum of $101 and the additional charge of $12.50 for the preparation of the necessary papers of the interest of the City in and to that certain lot known as No. 101 Park row, formerly No. 61 Chatham street, Borough of Manhattan, and more particularly described in said resolution. One of the conditions of the delivery of this deed was that the grantee convey to the City his interest in a piece of land one foot wide, more or less, forming a part of the premises known as No. 103 Park row, and adjacent to the easterly side of the premises being conveyed by the City. The deed to the City, however, was to contain a clause reserving to the grantor "the right to maintain the wall now encroaching on the westerly side of the last above mentioned premises as long as the present structure shall stand."

In accordance with this resolution the Corporation Counsel prepared deeds approved by him as to form for execution.

In a communication to the Commissioners of the Sinking Fund under date of June 20, 1913, the attorneys for Eversley Childs request that this resolution be amended by inserting after the words "running thence southerly and parallel with the former westerly line of Duane street sixty-five feet" the words "to the lot fronting on William street, now or heretofore belonging to Samuel T. Townsend," and after the words "thence westerly", insert the words "along said last mentioned lot."

They also request that the clause in the deed from them to the City "reserving to them the right to maintain the wall now encroaching on the westerly side of the last above mentioned premises as long as the present structure shall stand," be omitted from the resolution.

In addition thereto they request the consideration of the deed be reduced from $101 to $1. This latter request I do not think should be granted as considerable time has been employed by the City in granting the relief requested.

Inasmuch as the original deed from the City to the predecessor in title of Eversley Childs described the lateral lines of the lot as running to the lot fronting on William street, I see no reason why his request cannot be granted. As to the striking from the resolution the reservation in his deed to the City of the right to maintain the wall now encroaching on the westerly side of No. 103 Park row, it will have no effect upon the City's interest.

I therefore respectfully recommend that the Commissioners of the Sinking Fund amend the resolution above mentioned by adding after the words "running thence southerly and parallel with the former westerly line of Duane street sixty-five feet" the words "to the lot fronting on William street, now or heretofore belonging to Samuel T. Townsend," and after the words "thence westerly" the words "along said last mentioned lot," and that they strike from the same resolution the words "reserving to the grantor, however, the right to maintain the wall now encroaching on the westerly side of the last above mentioned premises as long as the present structure shall stand."

Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held May 21, 1913, authorizing a conveyance to Eversley Childs, in consideration of the sum of $101 and the additional charge of $12.50 for the preparation of the necessary papers, of all the right, title and interest of the City in and to the parcel of land known as No. 101 Park Row, in the Borough of Manhattan, City of New York, be and the same is hereby amended by changing the description of the property to be conveyed, by adding after the words "running thence southerly and parallel with the former westerly line of Duane street sixty-five feet" the words, "to the lot fronting on William street, now or heretofore belonging to Samuel T. Townsend," and after the words, "thence westerly" the words "along said last mentioned lot," and striking therefrom the words, "reserving to the grantor, however, the right to maintain the wall now encroaching on the westerly side of the last above mentioned premises as long as the present structure shall stand."

The report was accepted and the resolution unanimously adopted.

The following petition was received from Hildur C. Johnson, for a release of the City's interest, in certain property in the Borough of Richmond, acquired under and by virtue of a certain tax deed executed and delivered by the Comptroller of the State of New York to The City of New York:

In the matter of the application of Hildur C. E. Johnson to have the Sinking Fund Commissioners of The City of New York release an alleged tax lien of the State of New York on lots Nos. 658 and 659, in Ward 4, Block 27, New Dorp, Richmond County, Staten Island.

*To the Sinking Fund Commissioners of The City of New York:*

The petition of Hildur C. E. Johnson respectfully shows:

That your petitioner is the owner in fee of lots Nos. 658 and 659, in Ward 4, Block 27, New Dorp, Richmond County, Staten Island. That she derived her title by deed from Maria Henrietta Schuller, recorded in the office of the Register of the County of Richmond in Liber 326, page 436, January 29, 1907.

That the State of New York has made an alleged sale of the above-named property for non-payment of taxes due The City of New York, and that, though the said sale was invalid, the same remains a cloud upon the title of your petitioner, and your petitioner is desirous of having the title cleared.

Wherefore, your petitioner prays that the Commissioners may fix the amount due The City of New York, and that, upon the payment of the same, as well as all the expenses, The City of New York may release its claim and that your petitioner's title may be cleared so far as The City and State of New York are concerned.

Dated, Jersey City, Hudson County, February 20, 1913.

Be it Remembered, That on this 24th day of February, nineteen hundred and thirteen, before me, the subscriber, an attorney at law of New Jersey, personally appeared Hildur C. E. FRED WILENMAND, Attorney-at-Law, of New Jersey.

In connection therewith the Comptroller presented the following report, with opinion of the Corporation Counsel, and offered the following resolution:

July 22, 1913.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—I am in receipt of a petition to the Commissioners of the Sinking Fund, from Hildur C. E. Johnson, stating that she is the owner in fee of certain premises situated in the Borough of Richmond, known as Lots 658 and 659, in Ward 4, Block 27, New Dorp, Richmond County, Staten Island.

The records show that the State of New York in the year 1900 purchased these lots for the sum of $15.06 at a sale held for the non-payment of taxes of 1897 and some years prior thereto. In a deed recorded on October 22, 1904, in the office of the Clerk of Richmond County, the State of New York, conveyed among other properties the lots above mentioned.

It has been the custom of the Commissioners of the Sinking Fund to authorize a release of the interest of the City of New York upon application of the record owners of any of the said parcels upon payment by them of the amount paid by the City to the State, together with interest at the rate of 6 per cent. per annum, and a fee of $12.50 for the preparation of the necessary papers.

Pursuant to Section 205 of the Greater New York Charter, the Corporation Counsel has certified that the interest of the City is a mere cloud upon the title to the property in question.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a release to Hildur C. E. Johnson, of the interest of The City of New York in property described on the former tax maps of the County of Richmond, as Town of Southfield, Ward 4, Block 27, New Dorp, Lots 658 and 659, acquired under and by virtue of a certain tax deed executed and delivered by the Comptroller of the State of New York to The City of New York, dated February 10, 1904, and recorded in Liber 304 of Deeds, page 313, on October 22, 1904, upon payment by her of the sum of $15.06, together with accrued interest at the rate of 6 per cent. per annum from December 1, 1900, to the date of the deed, and the additional cost of $12.50 for the preparation of the necessary papers, the deed not to be delivered until all charges for taxes and assessments against the property to be released have been discharged.

Respectfully, WM. A. PRENDERGAST, Comptroller.

I am requested to inform you as to the interest of the City in the property above mentioned, and if it be but a cloud upon the petitioner's title, to so certify.

For the reasons heretofore stated in connection with prior applications of a similar character, I beg to advise you that the interest of The City of New York in the land referred to is a mere cloud upon the petitioner's title and I, therefore, enclose herewith my certificate in accordance with the provisions of Section 205 of the Charter as amended, together with form of release to be executed in triplicate by the Mayor and City Clerk.

The following petition was received from Peter Von Ahnen, for a release of the City's interest in certain property situated on Ruffle Bar, Jamaica Bay, Borough of Queens:

In the matter of the application of Peter W. Von Ahnen for a release to a plot of land at Ruffle Bar.

*To the Commissioners of the Sinking Fund of The City of New York:*

The petition of said Peter W. Von Ahnen respectfully shows as follows:

1. That he resides at the corner of Conklin avenue and East 92d street, in the Borough of Brooklyn, City of New York, and that he is a citizen of the United States and of The City of New York.

2. That he is the owner in fee of certain property at Ruffle Bar, in Jamaica Bay, Kings County, New York City, more particularly described as follows:

All that certain piece or parcel of land, situated at Ruffle Bar, Jamaica Bay, County of Kings and State of New York, bounded and described as follows: Beginning at a point at mean high water line, distant at right angles northeasterly from the southwesterly line of land conveyed by the State of New York to Henry L. Schmeelk, two hundred and ninety-one (291) feet; thence north, eleven (11) degrees, thirty-seven (37) minutes west, by needle, three hundred and ninety-seven (397) feet, five (5) inches, more or less, to the northerly side of a certain ditch (or dyke); thence north seventy-eight (78) degrees along the side of said ditch (or dyke), two hundred and sixty-three (263) feet, nine (9) inches; thence south fourteen (14) degrees, three minutes east, three hundred and fifty-six (356) feet, ten (10) inches, more or less, to mean high water line; thence westerly along said mean high water line, two hundred and seventy-eight (278) feet, four (4) inches, more or less, to the point or place of beginning. Being the same premises shown on the annexed survey, marked A. Containing two (2) acres and four hundred and thirteen (413) one-thousandths of an acre.

3. That he and August H. Von Ahnen and George Herman Von Ahnen acquired titled through Henry L. Schmeelk and Anna A. Schmeelk, his wife, by deed bearing date the 26th day of May, 1888, and recorded in the office of the Register of the County of Kings in liber 1894 of Conveyances, page 150, on June 10, 1889. And that he acquired the interest of said August H. Von Ahnen and George Herman Von Ahnen by deed from the heirs at law and devisees of said August H. Von Ahnen and of George Herman Von Ahnen to your petitioner, bearing date November 27, 1912, and recorded in the office of the said Register of the County of Kings on the 29th day of November, 1912, in section 14, block 4587A of Conveyances. That said Henry L. Schmeelk, from the year 1854 until he conveyed the same as aforesaid, and since then, your petitioner and his grantors have been in open and notorious and peaceable possession of said premises adverse to all others. That on December 19, 1887, letters patent from the State of New York were issued to said Henry L. Schmeelk, which letters patent were duly recorded in the office of the Register of the County of Kings in liber 1781 of Conveyances, page 450, on December 27, 1887. That when said Henry L. Schmeelk applied for said letters patent the application was opposed by the Town of Flatlands, of which The City of New York is successor. That said town tried to show that it was the owner of the land about to be patented, but it was defeated. It was represented by most eminent and able counsel, who submitted such arguments as were possible, but the Attorney General advised the Commissioners of the Land Office that the Town never had any title and that in any event, whatever title they may have had, it was cut off by adverse possession, whereupon the letters patent were issued. That the premises of your said petitioner are a part of the premises conveyed by said letters patent. That in the year 1909 the State granted to The City of New York all the land under water in Jamaica Bay in Kings and Queens Counties, and were advised that various officials or employees of the City had claimed that the City owns everything in Jamaica Bay, and were advised that the City had commenced action or had threatened to commence action against various parties in and about the said Jamaica Bay. Although the Supreme Court has recently decided in the case of the Rockaway Park Improvement Company against The City of New York, that the City's title under the ancient patent, over land near the easterly part of the bay, only went to the north shore of the bay. That a further opinion expressed that the patent to the adjoining land to the west only covered to the north shore of the bay likewise.

4. The land owned by your petitioner is now mainly used, with building thereon, in connection with the oyster business in the bay, and he desires to make further improvments on the property to correspond with improvements proposed on adjoining land under water which has been recently given by The City of New York to one Pierre Noel, and such improvements will bring a greatly increased tax revenue to the said City.

Annexed hereto is a copy of the letters patent from the State of New York to said Henry L. Schmeelk (marked B), and also a copy of the deed from Henry L. Schmeelk and wife to your petitioner and August H. Von Ahnen and George Herman Von Ahnen (marked C); and also a certified copy of the deed from the heirs at law and devisees of said August H. Von Ahnen and of George Herman Von Ahnen to your petitioner bearing date November 27, 1912, and recorded in the office of the Register of the County of Kings on the 29th day of November, 1912, in section 14, block 4587A, of Conveyances (Marked D).

Consequently, the claim of the City is an apparent cloud on the title that has caused and will cause your petitioner irreparable damage. The adjoining property which came to Pierre Noel through the said letters patent to said Henry L. Schmeelk has been granted by The City of New York as far as its interest may be therein, by deed, a copy of which is hereto annexed (marked E), bearing date August 1, 1912, and recorded in the office of the Register of the County of Kings on the 17th day of September, 1912.

5. Petitioner in no way acknowledges that The City of New York or any one else has any interest in or title to said premises or any part thereof.

Wherefore he prays that The City of New York will grant, convey and release to him all right, title and interest which the said City of New York may have in this parcel of land particularly set forth in the survey hereto annexed (marked A).

Dated December 30, 1912.

PETER WM. VON AHNEN.

City of New York, County of Kings, State of New York, ss.:

Peter Von Ahnen, being duly sworn, doth depose and say: That he is the petitioner in the within mentioned petition, and he has read the foregoing petition and knows the contents thereof. That the same is true to his own knowledge, except as to the matters therein stated to be alleged on information and belief, and as to those matter he believes it to be true.

PETER WM. VON AHNEN.

Sworn to before me this 30th day of December, 1912.

In connection therewith the Comptroller presented the following report and offered the following resolution:

July 17, 1913.

*To the Commissioners of the Sinking Fund, City of New York:*

Gentlemen—In a petition to the Commissioners of the Sinking Fund Peter W. VonAhnen requests the City to release whatever right, title and interest it might have in and to certain property owned by him, situated on Ruffle Bar, Jamaica Bay.

I submitted this petition to the Corporation Counsel for an opinion and requested him to inform me as to the interest of The City of New York in the premises in question. In answer thereto the Corporation Counsel states that the facts set forth in this petition are identical with those set forth in the petition of Pierre Noel to the Commissioners of the Sinking Fund during the year 1912. He refers to his communication relative thereto.

The Corporation Counsel states that the conclusions arrived at and set forth in that communication are applicable to the facts set forth in the petition of Peter W. VonAhnen, and he certifies that any claim of title that The City of New York may make constitutes a mere cloud upon the title of the petitioner in the premises.

In the communication of the Corporation Counsel above referred to, dated April 23, 1912, relative to the application of Pierre Noel, he arrived at the following conclusions:

"1. That under its ancient patents the Town of Flatlands obtained no title to the portion of lands under water of Jamaica Bay, sometimes called Flatlands Bay, adjacent to the easterly line of the premises granted or to the islands, hummocks and hassocks in said waters beyond the limits described in said patents;

"2. That the acts of dominion and assertion of claim of ownership by the town authorities are not suffiicent to vest title in the town in view of the unequivocal language of the patents to the town;

"3. Ruffle Bar is an island, hummock or hassock in Jamaica Bay beyond the aforesaid limits;

"4. That the title to the lands under water adjacent to said Ruffle Bar was vested in the State, and that by its letters patent good title to the same has become vested in the petitioner and title became vested in him by mesne conveyances;

"5. No title to uplands on Ruffle Bar is vested in the Town of Flatlands."

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release or quit claim to Peter W. VonAhnen of the City's interest in and to the following described premises:

All that certain piece or parcel of land situated at Ruffle Bar, Jamaica Bay, County of Kings, and State of New York, bounded and described as follows:

Beginning at a point at mean high water line distant at right angles northeasterly from the southwesterly line of land conveyed by the State of New York to Henry L. Schmeelk 291 feet; thence north 11 degrees 37 minutes west, by needle, 397 feet 5 inches, more or less, to the northerly side of a certain ditch (or dyke); thence north 78 degrees (east) along the side of said ditch (or dyke) 263 feet 9 inches; thence south 14 degrees 3 minutes east 356 feet 10 inches, more or less, to mean high water line; thence westerly along said mean high water line 278 feet 4 inches, more or less, to the point or place of beginning.

—such release or quit claim to be in consideration of the sum of $101 and the additional charge of $12.50 for the preparation of the necessary papers. The deed not to be delivered until the petitioner has produced evidence that all taxes, assessments and other liens against the above described property have been paid.

Respectfully, WM. A. PRENDERGAST, Comptroller.

New York, January 17, 1913.

*Hon.* WILLIAM A. PRENDERGAST, *Comptroller:*

Sir—I am in receipt of a communication from Deputy and Acting Comptroller Mathewson, dated January 4, 1913, relative to an application by Peter W. VonAhnen for a release of any interest the City may have in and to certain premises situated on Ruffle Bar, Jamaica Bay.

The Deputy and Acting Comptroller concludes his communication as follows:

"I transmit this petition herewith and request you to inform me as to the interest of the City in the property mentioned."

The facts set forth in this petition are identical with those set forth in the petition of Pierre Noel to the Commissioners of the Sinking Fund during the year 1912.

I refer you to my communication to you, dated April 23, 1912, relative to the application of Pierre Noel, above referred to.

The conclusions arrived at and set forth in that communication are applicable to the facts set forth in the petition of Mr. VonAhnen, and I hereby certify that any claim of title that The City of New York may make constitutes a mere cloud upon the title of the petitioner in and to the following described premises:

Being the same premises shown on the annexed survey, marked A. Containing two (2) acres and four hundred and thirteen (413) one thousandths of an acre.

The Comptroller presented the following report and offered the following resolution, relative to petition of the Dominican Convent of Our Lady of the Rosary, for the cancellation of certain assessments:

July 22, 1913.

Damages to Lot No. 30 in Block 3085, $1,000; still unpaid.

The following awards were made to "unknown owners" for the property described in the foregoing application:

One Hundred and Eighty-second Street Opening—Damage Nos. 13, 14 and 15, "unknown owners," $70; still remains unpaid.

Grote Street Opening—Damage No. 2, "unknown owner," $22.81; still remains unpaid.

The petitioner, in response to a request, has submitted a financial statement for the year ending December 30, 1910, showing the total receipts from all sources to be $133,567.65, and the expenditures for all objects, $133,736.09, leaving a deficit of $168.44.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Dominican Convent of Our Lady of the Rosary, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of $1,092.81, provided that payment be made within sixty days from the date of the passage of the resolution authorizing such payment. WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of ten hundred and ninety-two dollars and eighty-one cents ($1,092.81), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Dominican Convent of Our Lady of the Rosary, in the Borough of The Bronx:

The Comptroller presented the following report and offered the following resolution, relative to petition of the New York Catholic Protectory for the cancellation of certain assessments:

July 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund of The City of New York:*

Gentlemen—New York Catholic Protectory has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as follows:

Twenty-fourth Ward, plots Nos. 15-4, 15-6, 15-6¼, 15-6½ and 23-2.

Also parts of original plot No. 15-4, known as follows: Plot 15-4 of 15-4; block 550 of 15-4; and block 551-13 of 15-4.

Also parts of original plot No. 15-6, known as follows: Block 560, plot 9; block 561, lot 1; block 562, lot 1; block 563, lot 1; block 564, lot 1; block 565, lot 2, and block 567, lot 1.

This application was made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, sub-division seven of the tax law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about the following dates, viz.: July 26, 1866; April 9, 1869, and February 18, 1890; that it has owned the above described premises continuously since said dates and is still the owner thereof, and that the same now are and have always been exempt from local taxation, except as will hereinafter appear, under said provision of the Tax Law during the periods when the liens hereinafter set forth accrued. Said premises are used for maintaining a home, elementary and trade schools and playgrounds for children committed by the courts to the care of petitioner, between the ages of 7 and 16 years, wherein they are supported, educated and instructed in useful trades and employments; also for those children who may be entrusted to petitioner for protection or reformation, by their parents or guardians; and also for those children who may be transferred to petitioner at the option of the Commissioners of Charities and Corrections.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to the year 1910 and since, except as to certain of the foregoing lots, which were assessed for the purposes of taxation for the year 1911, but the taxes on which for said year last mentioned were subsequently remitted by the Department of Taxes and Assessments. The total assessed valuation of the property affected for the year 1913 is $1,316,180.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of the Division of Awards show the following awards made the New York Catholic Protectory for the property described herein:

Opening Westchester avenue from Bronx River to Main street:
Parcel No. 57—Award and interest, $13,583.70; paid October 16, 1906.
Parcel Nos. 52 and 161—Award and interest, $7,768.80; paid October 16, 1906.

Parcel No. 69A, $700; still remains unpaid.
Parcels Nos. 69 and 71—Award and interest, $48,430.85; still remains unpaid.

Petitioner has included in its application certain assessments against the following lots, viz.: Plot 15-6¾; lot 1 of 551 of 15-4; lot 3 of 551 of 15-4; lot 4 of 551 of 15-4; lot 9 of 551 of 15-4; lot 11 of 551 of 15-4; block 551, 10 of 15-4; block 560, lot 1; block 560, lot 6; block 560, lot 7; block 561, lot 6; block 561, lot 7; block 561, lot 14; block 561, lot 15; block 561, lot 16; block 561, lot 18; block 561, lot 19; block 565, lot 1; block 566, lot 1; block 567, lot 7; block 567, lot 4.

It appears, however, from an examination of the records of the Department of Taxes and Assessments that said lots are not exempt from taxation for the year 1913, but are assessed for the purpose of taxation. As to such assessments, therefore, I refuse to certify my approval of the application.

The total amount involved as principal in the above assessments is $116,448.30. The property affected by these assessments is located in the Borough of The Bronx, 24th Ward, Washington avenue, West Farms road, Protectory avenue, Unionport road, etc., and westerly side of Westchester Creek at foot of Washington avenue.

The petitioner, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be $415,236.58 and the expenditures for all objects $410,221.14, leaving a balance of $5,015.44.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221a of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of New York Catholic Protectory to the extent I have herein indicated as proper, pursuant to the provisions of said section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of $54,634.27, provided that payment be made within sixty days from the date of the passage of the resolution authorizing such payment.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of fifty-four thousand six hundred and thirty-four dollars and twenty-seven cents ($54,634.27), within sixty days from date, the Commissioners of the Sinnking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the New York Catholic Protectory, in the Borough of The Bronx:

The following petition was received from John H. Schmeelk and Margaretha R. Tillotson for a release of the City's interest in certain property on Ruffle Bar, Jamaica Bay, Borough of Queens:

*To the Honorable the Commissioners of the Sinking Fund of The City of New York:*

In the matter of the application of John H. Schmeelk and Margaretha R. Tillotson for a release to a plot of land at Ruffle Bar.

The petition of said John H. Schmeelk and Margaretha R. Tillotson respectfully shows as follows:

1. John H. Schmeelk resides at 9403 Flatlands avenue, in the Borough of Brooklyn, City of New York, and Margaretha R. Tillotson resides at 9417 Flatlands avenue, in said Borough and City, and they are both citizens of the United States and of The City of New York.

2. They are the owners in fee of certain property at Ruffle Bar, in Jamaica Bay, Kings County, New York City, more particularly described as follows:

Beginning at a point at mean high water mark, on the southwesterly corner thereof, where the division line between land now or late of The City of New York and the land of John H. Schmeelk intersects the Raunt or Ruffle Bar Channel; running thence along said division line north ten (10) degrees and thirty-five (35) minutes west, four hundred and nineteen (419) feet and fifty one-hundredths of a foot to land now belonging to Pierre Noel; running thence north eighty-two (82) degrees twelve (12) minutes east, two hundred and ninety-one (291) feet to land now or late of Van Ahmen; running thence south ten (10) degrees thirty-five (35) minutes east four hundred and thirty-six (436) feet and fifty-one hundredths of a foot

DAMAGED PAGE(S)

to the said Raunt or Ruffle Bar Channel; running thence along the shore line of said Raunt to the point or place of beginning. Containing two acres and 870-1000 of an acre. That said premises as so described are particularly set forth in a survey thereof hereunto annexed marked D.

3. That we acquired title thereto under the last will and testament of Henry L. Schmeelk, duly approved and admitted to probate in the Surrogate's office of the County of Kings on the 19th day of May, 1905; that said Henry L. Schmeelk, under whose last will and testament said petitioners claim title, was in open and notorious possession of said premises adverse to all others ever since the year 1854. That on December 19, 1887, letters patent from the State of New York were issued to said Henry L. Schmeelk, which letters patent were duly recorded in the office of the Register of the County of Kings. That when said Henry L. Schmeelk applied for said letters patent the application was opposed by the Town of Flatlands, of which The City of New York is successor. That said town tried to show that it was the owner of the land about to be patented, but it was defeated. It was represented by most eminent and able counsel, who submitted such arguments as were possible, but the Attorney General advised the Commissioners of the Land Office that the town never had any title and that in any event whatever title they may have it was cut off by adverse possession, whereupon the patent was issued.

That in the year 1909 the State granted to The City of New York all the land under water in Jamaica Bay in Kings and Queens County and were advised that various officials or employees of the City had claimed that the City owns everything in Jamaica Bay, and were advised that the City had commenced action or had threatened to commence action against various parties in and about said Jamaica Bay. Although the Supreme Court has recently decided in the case of the Rockaway Park Improvement Company against The City of New York that the City's title under the ancient patent over land near the easterly part of the Bay only went to the north shore of the Bay; that a further opinion expressed that the patent to the adjoining land to the west only covered to the north shore of the Bay likewise.

4. The land owned by us is now mainly used, with building thereon, in connection with the oyster business in the Bay, and we desire to make further improvements upon the property to correspond with improvements proposed on adjoining land under water which has been recently given by The City of New York to one Pierre Noel, and such improvements will bring greatly increased tax revenue to the said City.

Annexed hereto is a copy of the will of said Henry L. Schmeelk and also a copy of the letters patent from the State and are marked Exhibits A and B.

Consequently the claim of the City is an apparent cloud on the title that has caused, and will cause us, irreparable damage. The adjoining property, which came to Pierre Noel through the said letters patent to said Henry L. Schmeelk, has been granted by The City of New York as far as its interest may be therein, by deed, a copy hereto annexed, marked C, bearing date August 1, 1912, and recorded in the office of the Register of the County of Kings on the 17th day of September, 1912.

5. We in no way acknowledge that The City of New York or anyone else has any interest in or title to said premises or any part thereof.

Wherefore we pray that The City of New York will grant, convey and release to us all right, title and interest which the said City of New York may have in this parcel of land, particularly set forth in the survey hereto annexed.

Dated December 11, 1912.

JOHN H. SCHMEELK, MARGARETHA R. TILLOTSON.

City of New York, County of New York, State of New York, ss.:

John H. Schmeelk and Margaretha R. Tillotson, being severally duly sworn, do severally depose and say: That he and she are the petitioners in the within mentioned petition; that they have severally read the foregoing petition and know the contents thereof; that the same is true to his and her own knowledge, except as to the matters therein stated to be alleged on information and belief and as to those matters he and she believe it to be true.

JOHN H. SCHMEELK, MARGARETHA R. TILLOTSON.

Sworn to before me this 11th day of December, 1912.

RICHARD R. DIKEMAN, Commissioner of Deeds for The City of New York, residing in the Borough of Brooklyn.

In connection therewith, the Comptroller presented the following report with opinion of the Corporation Counsel and offered the following resolution:

July 23, 1913.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—In a petition to the Commissioners of the Sinking Fund, John H. Schmeelk and Margaretha R. Tillotson request the City to release whatever right, title and interest it might have in and to certain property owned by them, situated on Ruffle Bar, Jamaica Bay.

I submitted this petition to the Corporation Counsel for an opinion and requested him to inform me as to the interest of The City of New York in the premises in question. In answer thereto, the Corporation Counsel states that the facts set forth in this petition are identical with those set forth in the petition of Pierre Noel to the Commissioners of the Sinking Fund during the year 1912. He refers to his communication relative thereto.

The Corporation Counsel states that the conclusions arrived at and set forth in that communication are applicable to the facts set forth in the petition of John H. Schmeelk and Margaretha R. Tillotson, and he certifies that any claim of title that The City of New York may make constitutes a mere cloud upon the title of the petitioners in the premises.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a release or quitclaim to John H. Schmeelk and Margaretha R. Tillotson of the City's interest in and to the following described premises:

All that certain piece or parcel of land, situated at Ruffle Bar, Jamaica Bay, County of Kings, bounded and described as follows:

Beginning at a point at mean high water mark on the southwesterly corner thereof, where the division line between land now or late of The City of New York and the land of John H. Schmeelk intersects the Raunt or Ruffle Bar Channel; running thence along said division line north ten (10) degrees and thirty-five (35) minutes west, four hundred and nineteen (419) feet and fifty one-hundredths of a foot to land now belonging to Pierre Noel; running thence north eighty-two (82) degrees twelve (12) minutes east two hundred and ninety-one (291) feet to land now or late of Van Ahmen; running thence south ten (10) degrees, thirty-five (35) minutes east, four hundred and thirty-six (436) feet and fifty one-hundredths of a foot to the said Raunt or Ruffle Bar Channel; running thence along the shore line of said Raunt to the point or place of beginning, containing two acres and 870-1000 of an acre.

—such release or quitclaim to be in the consideration of $101 and an additional charge of $12.50 for the preparation of the necessary papers, the deed not to be delivered until the petitioners have produced evidence that all taxes, assessments and other liens against the above described property have been paid.

Respectfully, WM. A. PRENDERGAST, Comptroller.

New York, July 21, 1913.

*Hon.* WILLIAM A. PRENDERGAST, *Comptroller:*

Sir—I have received a communication from Deputy and Acting Comptroller Fisher, dated July 17, 1913, relative to the petition of John H. Schmeelk and Margaretha Tillotson to the Commissioners of the Sinking Fund for a release of the City's interest in premises on Ruffle Bar.

The petition is transmitted and I am requested to inform you as to the interest of the City in the premises mentioned.

The facts set forth in this petition are identical with those set forth in the petition of Pierre Noel to the Commissioners of the Sinking Fund in the early part of 1912, and in the petition of Peter W. Von Ahnen to the Commissioners of the Sinking Fund in the latter part of the same year.

I refer you to my communications to you dated April 23, 1912, and January 17, 1913, relating to such petitions, respectively.

The conclusions arrived at and set forth in those communications are applicable to the facts set forth in the present petition, and I hereby certify that any claim of title that The City of New York may make, constitutes a mere cloud upon the title of the petitioners herein and to the premises for which a release is requested.

I herewith return petition of John H. Schmeelk and Margaretha R. Tillotson.

PUBLIC SERVICE COMMISSION FOR THE FIRST DISTRICT, By EDWARD E. McCALL, Chairman.

TRAVIS H. WHITNEY, Secretary. jy26,31

INVITATION TO CONTRACTORS.

PARTS OF ROUTES No. 36 AND 37.

THE CITY OF NEW YORK, ACTING BY the Public Service Commission for the First District (hereinafter called "the Commission"), invites proposals to construct Section No. 1 of the Astoria, Woodside and Corona Rapid Transit Railroad.

The points within the City between which the said part is to run and the route or routes to be followed are briefly as follows:

Section No. 1—Beginning at a point on the Queensboro Bridge Plaza, in the Borough of Queens, at or near the easterly line of Ely ave., and extending thence easterly along and over the Queensboro Bridge plaza to a point at or near Jackson ave., where the road divides into two branches; one branch curving to the north and extending thence in a northerly direction along and over Jackson ave. and 2d (formerly Debevoise) ave. to a point on 2d ave., about three hundred (300) feet south of the centre line of Beebe ave.; and the other branch extending in an easterly direction along and over Queens boulevard (Diagonal st.) to a point about two hundred and seventy (270) feet northwest of the westerly line of Van Dam st.

The general plan of construction calls for an elevated railroad. The details of the construction of the railroad and appurtenances are more particularly indicated on the contract drawings.

Bidders will not be required to provide or lay any tracks or any ties, nor to do station finish work, except such station finish work as is specifically required to be done.

The work of construction under contract will include the construction of all necessary sewers and connections along the route of the railroad; also the necessary support, maintenance, readjustment and reconstruction of vaults adjacent to buildings, pipes, tubes, conduits, subways or other subsurface structures; the support and care of all buildings, bridges, monuments, surface railroads, steam railroads and other surface, subsurface and overhead structures of any kind, affected by or interfered with during the construction of the work; also the restoration of the sidewalks and roadways.

Bidders must examine the form of contract and the specifications, maps and plans; must visit the location of the work and inform themselves of the present conditions along the line thereof and make their own estimates of the facilities and difficulties attending the execution of the proposed work.

A fuller description of the work to be done is set forth, and other requirements, provisions, details and specifications are stated in the printed form of contract and in the contract drawings therein referred to. Printed copies of the form of contract, bond and contractor's proposal may be had on application at the office of the Commission, No. 154 Nassau st., Borough of Manhattan, City of New York. The contract drawings may be inspected at the same office, and copies thereof may be purchased by prospective bidders on payment of five dollars ($5). The printed form of contract and the contract drawings are to be deemed a part of this invitation.

Partial payments to the contractor will be made monthly as the work proceeds, as provided in the form of contract.

The contractor will be required to complete the work as soon as practicable and within a period of twenty-four (24) months from the date of the delivery of this contract.

*Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau st., Borough of Manhattan, City of New York, until the 19th day of August, 1913, at twelve-fifteen (12.15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.*

Proposals must be in the form prescribed by the Commission, copies of which may be obtained at the office of the Commission.

A statement based upon estimate of the Engineer, of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work required is to be found in the schedule forming a part of the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

All proposals must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Routes No. 36 and 37, Section No. 1," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received or deposited unless accompanied by a separate certified check drawn upon a national or state bank or trust company having its principal office in The City of New York, satisfactory to the Commission, and payable to the order of the Comptroller of The City of New York for the sum of Fifteen Thousand Dollars ($15,000). Such check must not be enclosed in the envelope containing the proposal.

The unit prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Bidders whose proposals are otherwise satisfactory, in case the sureties or securities named by them are not approved by the Commission, may substitute in their proposals the names of other sureties or securities approved by the Commission, but such substitution must be made within five (5) days after notice of disapproval, unless such period is extended by the Commission.

A bidder whose proposal shall be accepted shall, in person or by duly authorized representative, attend at the said office of the Commission within ten (10) days after the delivery of a notice by the Commission that his proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and such bidder shall then deliver a contract in the form referred to, duly executed and with its execution duly proved.

At the time of the delivery of the contract the contractor will be required to furnish security to the City by giving a bond for Fifty Thousand Dollars ($50,000). At the option of

the successful bidder cash or approved securities may be deposited instead of giving a bond. If securities are deposited in place of a bond under this contract, they must be of the character of securities in which savings banks may invest their funds and must be approved by the Commission.

The contractor's bond must be in the form annexed to the form of contract.

In addition and as further security fifteen (15) per centum of the amounts certified from time to time to be due to the contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the sum of the amounts resulting from the product of the estimated approximate quantities and the unit prices as contained in the Schedule of Unit Prices in the Contractor's Proposal. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amounts certified from time to time to be due to the contractor. The contractor may from time to time withdraw portions of the amounts so retained upon depositing in lieu thereof corporate stock of The City of New York equal in market value to the amount so withdrawn.

In case of failure or neglect to execute and deliver the contract or to execute and deliver the required bond or to make the required deposit, such bidder will, at the option of the Commission, be deemed either to have made the contract or to have abandoned the contract. In the latter case, the Commission will give notice thereof to such defaulting bidder, and the Commission may thereupon proceed to make another contract with such, if any, of the original bidders, as, in the opinion of the Commission, it will be to the best interests of the Ciity to contract with, or may by new advertisement invite further proposals. The defaulting bidder shall thereupon be liable to the City for all loss and damage by it sustained, including the excess, if any, of the amount it shall pay any other contractor over the amount of the bid of such defaulting bidder.

If the Commissioner shall give notice to any bidder that his or its proposal is accepted and that the contract is consented to by the Board of Estimate and Apportionment, and if the bidder shall fail within ten (10) days thereafter or within such further period, if any, as may be prescribed by the Commission, to execute and deliver the contract and to execute and deliver the bond with sureties, or to make the required deposit, then the invitation to contractors and proposal accepted as aforesaid shall be a contract binding the bidder to pay to the City the damage by it sustained by reason of such failure, and in such case the bidder shall, by the terms of the proposal, absolutely assign to the City the ownership of the check accompanying his or its proposal as a payment on account of such damages.

All such deposits made by bidders whose proposals shall not be accepted by the Commission will be returned to the person or persons making the same within five (5) days after the contract shall be executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

Copies of the draft of said contract may be obtained at the said office of the said Public Service Commission for one dollar each.

## NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless, The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
