(c) Findings

The Commission may grant the transfer of #floor area# and any associated #bulk# modifications, provided that:

- (1) such transfer of #floor area# will facilitate the repair, rehabilitation, maintenance and development of Hudson River Park, including its piers, bulkheads and infrastructure; and
- (2) the transfer of #floor area# will support the completion of improvements to Hudson River Park as identified in the statement submitted to the Commission by the Trust as part of this application; and
- (3) for the #receiving site#:
 - (i) the proposed configuration and design of #buildings#, including any associated structures and open areas, will result in a superior site plan, and such #buildings# and open areas will relate harmoniously with one another and with adjacent #buildings# and open areas;
 - (ii) the location and quantity of the proposed mix of #uses# will complement the site plan;
 - (iii) the proposed transfer of #floor area# and any modification to #bulk# regulations will not unduly increase the #bulk# of any #building# on the #receiving site# or unduly obstruct access of adequate light and air to the detriment of the occupants or users of #buildings# on the #block# or nearby #blocks#, or of people using the public #streets# and other public spaces;
 - (iv) such transferred #floor area# and any proposed modifications to #bulk# are appropriate in relation to the identified improvements to Hudson River Park; and
 - (v) any #affordable housing#, as defined in Section 23-90 (Inclusionary Housing), that is provided as part of the project will support the objectives of the Inclusionary Housing Program.

(d) Additional requirements

The City Planning Commission shall receive a copy of a transfer instrument legally sufficient in both form and content to effect such a transfer of #floor area#. Notices of the restriction upon further #development#, #enlargement# or #conversion# of the #granting site# and the #receiving site# shall be filed by the owners of the respective #zoning lots# in the Office of the Register of the City of New York (County of New York). Proof of recordation of the notices shall be submitted to the Chairperson of the City Planning Commission, in a form acceptable to the Chairperson.

Both the transfer instrument and the notices of restriction shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the #granting site# and the #receiving site# that are a party to such transfer.

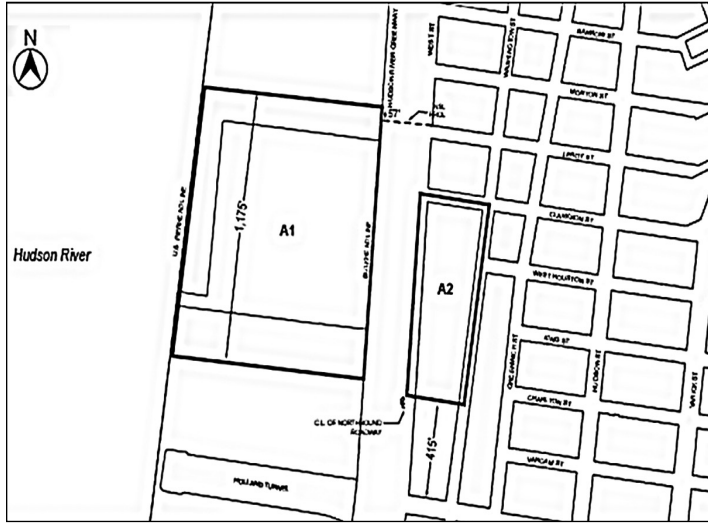

On a #receiving site#, for any #development#, #enlargement# or #conversion# that is the subject of a special permit granted by the Commission pursuant to Section 89-21 (Transfer of Floor Area from Hudson River Park), the Department of Buildings shall not:

- (1) issue a building permit until the Chairperson of the Commission has certified that the owner of the #receiving site# and the Hudson River Park Trust have jointly executed documents sufficient to facilitate a payment schedule associated with the transfer of #floor area#; or
- (2) issue a temporary certificate of occupancy until the Chairperson of the Commission has certified that the Hudson River Park Trust has submitted a letter to the Chairperson confirming that payment of all required funds has been made by the owner of such #receiving site# to the Hudson River Park Trust, and that all required funding tools and/or payments are in satisfactory compliance with the executed payment schedule.

The Commission may prescribe additional appropriate conditions and safeguards to improve the quality of the #development#, #enlargement# or #conversion# and minimize adverse effects on the character of the surrounding area.

The City conveyed the referenced Premises to 736 Willoughby Housing

Development Fund Corporation ("Current Owner") under HPD's Special Initiatives Program on June 17, 1999, pursuant to Mayoral Approval Document dated May 7, 1999 (Cal. No. 12). The Premises consist of one multiple dwelling containing an aggregate of 59 dwelling units for low income families. The City deed contained a restriction which prohibited the Current Owner from conveying the Premises to any entity other than a not-for-profit corporation which qualifies under Section 501(c)(3) of the Internal Revenue Code or to a governmental entity. This submission is to request approval to modify such deed restriction in order to remove the requirement that the Premises be conveyed to an entity which qualifies under Section 501(c)(3) and instead allow the Current Owner to convey the Premises to any housing development fund company organized pursuant to Article XI of the Private Housing Finance Law ("Article XI") and the Not-For-Profit Corporation Law ("NPCL"), and to allow that housing development fund company to convey the Premises to another housing development fund company organized pursuant to Article XI and the NPCL or to convey the beneficial interest in the Premises while retaining legal title.

Under the proposed transaction, the Current Owner will transfer the Premises to BEC Continuum Housing Development Fund Company, Inc. ("Proposed Owner") and the Proposed Owner will transfer the beneficial interest in the Premises to BEC Continuum Owner LLC ("Beneficial Owner") ("Proposed Owner" and "Beneficial Owner" are collectively "New Owner"). New Owner will rehabilitate the Premises, obtain new Low Income Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code, and extend the affordability of the Premises for 30 years.

PLEASE TAKE NOTICE that a public hearing will be held at 10:00 A.M., on Monday, November 28, 2016, at St. Johns Recreational Center, at 1251 Prospect Place, Brooklyn, NY 11213, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed modification of deed restriction pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● **Win More Contracts at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

Established in 2009, the NYCEDC incubator initiative has helped launch 17 incubators and shared workspaces (collectively, the "NYCEDC Incubator Network") that have supported over 1,000 startup businesses and 1,500 employees.

In October 2015, in an effort to further the goals of the NYCEDC Incubator Network and to further development and collaboration across startups and small businesses, NYCEDC, on behalf of the City of New York (the "City") issued a request for proposals ("RFP") for interested operators of existing or planned incubators, accelerators, and co-working spaces (each, a "Respondent") to submit a proposal (the "Proposal") to become part of the NYCEDC Incubator Network. NYCEDC is re-issuing this RFP which will remain active for 12 consecutive months through November 1, 2017.

Inclusion in the NYCEDC Incubator Network may result in City support of a facility, which may take the form of strategic support, publicity and/or marketing.

NYCEDC plans to select one or more respondents on the basis of factors stated in the open RFP which include, but are not limited to: the quality of the proposal and ability to meet NYCEDC incubator network goals, experience of key staff identified in the proposal, the financial feasibility of the project, and the project's relationship to the surrounding community.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises ("M/WBE") are strongly encouraged to apply.
