### COVID-19 Update

Pursuant to an order of the Chief Administrative Law Judge, all hearings, trials, and other OATH operations are being conducted by telephone, videoconferencing, online, or mail, and OATH will only allow in-person appearances in limited, pre-approved circumstances. Individuals may only enter OATH offices if the agency has approved your or your representative's request because there is a compelling need for an in-person proceeding and the proceeding can be conducted while providing sufficient social distancing and other public health protections to comply with state and local government public health guidelines.
