by the southeasterly side of Boston road and the cast rly side of Union avenue. WALION AVENUE, from the south side of the New York Central and Hudson River Railroad to East One Hundred and Sixty-seventh street; confirmed June 22, r897, entered August 20, r897. Area of assessment: All those lots, pieces or parcels of land situate, lying and being in the City of New York, which taken together, are bounded and described as follows, viz. On the north by the southerly side of Clarke place; on the south by the northerly side of East One Hun-dred and Forty-ninth street; on the east by the westerly side of Mott avenue, from the northerly side of East One Hundred and Forty-ninth street to the southerly side of East One Hundred and Sixty-first street; thence by the westerly side of the Grand Boulevard and Coa-course, from the southerly side of East One Hundred and Sixty-first street to the southerly side of Clarke place; and on the west by the easterly side of Gerard avenue irom the northerly side of East One Hundred and Forty-ninth street to the southerly side of Clarke place, as such streets are shown on the Final Maps of the Wenty-third and Twenty-fourth Wards of the City of New York.

of New York. The above-entitled assessments were entered in the Pecord of Titles of Assessments, kept in the "Bureau

THE CITY

Office of the Department of Police, in the City of New York, until 11 o'clock A, M, of Wednesday, the 15th day of September, 1837. The person or persons making an estimate shall fur-nish the same in a sealed envelope, indorsed "Estimate for Alterations, etc," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read. Tor particulars of the nature and extent of the work to be done, reference must be made to the plans and specifications on file in the office of the Chief Clerk of the said Department. Bidders will state, in writing, and also in figures, a

specifications on file in the office of the Chief Clerk of the said Department. Bidders will state, in writing, and also in figures, a price for the work complete. The price is to cover the turnishing of all the mater. als and labor and the per-formance of all the work called for by the specifications, plans, drawings and form of agreement. Permis-sion will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests. No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corpo-ration, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corpo-ration.

surety or otherwise, upon any obligation to the Corpo-ration. The entire work is to be completed within Twenty (20) Days from the date of the contract. The person or persons to whom the contract may be awarded will be required to give security for the per-formance of the contract in the manner prescribed by law in the sum of One Thousand Dollars. Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is making an estimate for the same purpose and is in all respects lair and without collusion or fraud; and that no member of the Componention is directly or indi-rectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested. Each bid or estimate shall be accompanied by the con-

several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested. Each bid or estimate shall be accompanied by the con-sent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his surgeties for its faithful performance; and that if he shall omit or relues to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-men-tioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security re-suired for the completion of this contract, and herein stated, over and above his liabilities as hall, surety and otherwise, and that he has offered himself as a surety, in good faith and with the intention to execute the Comptroller of the City of New York after the award is made and prior to the signing of the contract. Should the person or persons to whom the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept to on the xecute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

by law. No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the scurity required for the faithful performance of the contract. Such check or money must not be inclosed in the scaled envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be correct. All such deposite, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse on neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit index you have york as liquidated damages for such neglect or refusal; but it he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him. Bidders are informed that no devisition from the specifications will be allowed unless a written permis-sion shall previously have been obtained from the Board of Police. Plane may be examined and specifications and blank No estimate will be received or considered unless

of Police. Plans may be examined and specifications and blank estimates may be obtained by application to the under-signed at his office in the Central Department. By order of the Board, WILLIAM H. KIPP, Chief Clerk.

Halyards for flag-posts, 32 pounds, J. Scrolled picket for balustrade, about 412 feat feet. 33. Painting, two coats—a. Tin roof and flashings, with gutter fasia, about 14,2co square feet. b. Exterior and interior metal work, including leaders, but exclusive of structural steel, about 27,3co square feet. c. Structural steel, about 325 tons. d. All exposed woodwork, about 24,700 square feet. 24,700 square

timber. The quantities are, however, inclusive of scarfs and laps for joints. N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, *in advance*, are approximate only, bilders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received : (1) Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accu-racy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the Work to be done. (2) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract, and the plans therein referred to. No extra compensation beyond the amount payable for the entired, shall be due or payable for the entire work. The work to be done under the contract is to be com-menced within five days after the date of the receipt of a notification from the Engineer-in-Chief that the work, to be done under the contract is to be fully completed on or before the expiration of one hundred days after the date of service of said notification, and the damages to be paid by the contract for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereoi has expired are, by a clause in the contract, determined, fixed and liquidated at One Hundred bollars er day.

determined, fixed and liquidated at One Hundred Dollars per day. (The pier at East One Hundred and Twelfth street, upon which the recreation building to be built under this contract is to be placed, is to be built and completed before the notification from the Engineer-in-Chief will be given.) The contractor will provide and maintain in a safe condition all necessary temporary railing in and fenc-ing-off to properly protect the public against accident of any kind, or damage to life or limb during the inter-val between the occupancy of the structure and its com-pletion.

val between the occupancy of the structure and its con-pletion. Where the City of New York owns the wharf, pier or bulkhead, at which the materials under this contract are to be delivered, and the same is not leased, no charge will be made to the contractor for wharfage upon vessels conveying said materials. Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind in-volved in or incidental to the tulfillment of the con-tract, including any claim that may arise through delay, from any ccuse, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.

all respects. Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this

Bilders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office, with the surfaces offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having aban-doned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until the accepted and executed. Bidders are required to state in their estimates their interested with them therein, and if no other persons be so interested the estimate shall distinctly state the facts also that the estimate is made without any consulta-tion, connection or agreement with, and the amount thereot has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or iraud; that no com-bination or pool exists of which the bidder is a member, or in which the bidder is directly or in-directly interested, or of which the bidder has knowl-edge, either personal or otherwise, to bid a cer-tain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon; a and also that no member of the Common Council, Head of a Department, Chiet of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Cor-mon of the City of New York, or any of its depart-ments, is directly or indirectly interested in this estimate or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not heen given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder, or any other transaction hereitore had with this is or any other transaction hereitore had with this is or any other transaction hereitore had with this ora

Bidders are required to state, in writing, and also in figures, a price for each of the items of work as classi-fied in the specifications and form of proposal, which prices are to include the furnishing of all materials, labor and transportation, all implements, tools, apparatus and appliances of every description necessary to complete in every particular the whole of the work as set forth in the plans and in the specifications, estimates and form of

The work to be entirely completed before August 1,

r898. The damages to be paid by the Contractor for each day that the contract, or any part thereof, may be un-fulfilled after the time fixed for the completion thereof has expired, are fixed at Twenty Dollars per day. The amount of security required is Forty Thousand

Dolla

Dollars. Bidders must satisfy themselves by personal examina-tion of the location of the proposed work, and by such other means as they may prefer, as to the nature and extent of the work, and shall not, any time after the submission of an estimate, dispute or complain of such statement, nor assert that there was any misunderstand-ing in regard to the nature or amount of the work to be done

Statement, not assert and there are any any first assert of the nature or amount of the work to be done The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read. Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made with-out any connection with any other person making an estimate for the same purpose and is in all respects lair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly inter-ested therein, or in the supplies or work to which it re-lates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested. the parties interested.

Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested. Each bid or estimate shall be accompanied by the con-sent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his surgites for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or free-holder in the City of New York, and is worth the amount of the security required for the completion of this con-tract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to be-come surety ; the adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York. The bid or estimate will be received or considered in faid box until such check or money to the amount of five per centum of the amount of the security. Such check or money must xor be inclosed in the sealed in the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until su

amount of his deposit will be returned to him. N. B.—The prices must be written in the estimate and also stated in figures, and all estimates will be con-sidered as informal which do not contain bids for all tems for which bids are herein called or which contain bids tor items tor which bids are not herewith called tor. Permission will not be given for the withdrawal of the statement of the state any bid or estimate. No bid will be accepted from or con-tract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

M. of Wedne-day, September 8, 1897. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Hospital Supplies," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President, or his duly authorized agent, of said Department and read. I. 220,000 yards of BLEACHED ABSORBENT

of said Department and read. 1. 220,000 yards of BLEACHED ABSORBENT HOSPITAL GAUZE, equal to the sample exhibited, in bolts of one hundred yards (not more than two pieces to the bolt), and securely wrapped in paper (not more than three bolts in a package) so as to exclude dust. To be delivered in well covered bales, prot cted on at least two sides with wood, or in boxes, each bale or box to contain 2,400 yard, and to be delivered in lots of not less than then bales or boxes at a time 2. 3,000 pounds of ABSORBENT COTTON, equal to the sample exhibited, in report packages contain-ing a full pound of cotton each, irrespect ve of wrapper, tissue paper, etc. To be delivered in boxes containing fity pounds, and in lots of not less than 1,000 pounds at a time. 3. 500 pounds of ABSORBENT LINT

h ty pounds, and in lots of not less than 1,000 pounds at a time. 3. 500 pounds of ABSORBENT LINT, equal to the sample exhibited, and equivalent to it in superficial area. To be delivered in 1-pound packages, contain-ing a full pound of lint each, irrespective of wrappers, etc. To be packed fifty pounds in a box, and to be delivered in one lot. Pr ces are to be given net. The articles, supplies, goods, wares and merchandise are to be delivered, free of expense, at the General Drug Department on the grounds of Bellevue Hospital, East Twenty-sixth street, east of First avenue, and are to be delivered in such quantities and at such times as may be required.

The quality of the Hospital supplies must conform in every respect to the spi-ifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates. Bidders will state the price for each article, by which the bids will be tested, and write out the amount of their estimate in addition to inserting the same in figures.

figures. The Board of Public Charities reserves the

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SEC-TION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from cr contract awarded to any person who is in arrears to the Cor-poration upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

as survey or otherwise, upon unit Corporation. The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners, or be provided for by the specifica-

and Commissioners, or be provided for by the specifications.
Any bidder for this contract must be known to be may easily factory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient surfaces, each in the penal amount of fifty (50) per cent of the bid or each article.
Tach bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact (also that it is made without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereoi or clerk therein, or other officer of the Corporation, is directly or indirectly interested it herein, any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the several matters stated therein are in all respects true. Where more han one person is interested by all the parties.
Each bid or estimate shall be accompanied by the

than one person is interested it is requisite that the verification be made and subscribed by all the parties interested. The bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his surcies for its laithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the conspletion et this contract over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety ingood faith and with the intention to execute the bond required by section 1 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Compreteller of the City of New York.

and summency of the security of New York. No bid or estimate will be considered unless accom-panied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same successful bidder shall retuse or neglect, within five days alter notice that the contract has been awarded. If the successful bidder shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aloresaid the amount of his deposit will be returned to han. Should the person or persons to whom the contract

Should the person or persons to whom the contract which the best of the person set which the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corpora-tion, and the contract will be readvertised and relet as provided be law.

as having abandoned it and as in default to the Corpora-tion, and the contract will be readvertised and relet as provided by law. Payment will be made by a requisition on the Comp-roller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine. The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully as the Econd of Public Charities will usest upon its alsoluic enforcement in every particular. SILAS C. CROFT, President; JOHN P. FAURE and JAMES R. O'BEIRNE, Commissioners, Depart ment of Public Charities.

Auction, by order of the Commissioners of Public Charities, at their office, No. 66 Third avenue, on Thurs-day, September 9, 1897, at 11 o'clock A, M., the follow-ing, viz.:

THE CITY RECORD.

BOARD OF EDUCATION.

SEALED PROPOSALS WILL BE RECEIVED by the Committee on Buildings of the Board of Education of the City of New York, at the Annex of the Hall of the Board, No. 555 Broadway, eleventh Boor, until 3.30 o'clock P. M., on Monday, September 13, 1897, for the Erection of a School Buildiag on the easterly side of Andrews avenue and the northerly side of Burn-side avenue, at their intersection, Morris Heights, N. Y. Plans and specifications may be seen and blank pro-posals obtained at the Annex of the Hall of the Board, Estimating Room, Nos. 419 and 421 Broome street, top Boor.

Hoor. The attention of bidders is expressly called to the time stated in the contract within which the work must be completed. They are expressly notified that the suc-cessful bidder will be held strictly to completion within

said time. The Committee reserve the right to reject any or all

The Committee reserve the right to reject any or all of the proposals submitted. The party submitting a proposal, and the parties pro-posing to become surveites, must each write his name and place of residence on said proposal. Two responsible and approved surveites, residents of this city, are required in all cases. No proposal will be considered from persons whose character and antecedent dealings with the Board of Education render their responsibility doubtful.

The proposal will be considered from persons whose character and antecedent dealings with the Board of Education render their responsibility doubtful. It is required as a condition precedent to the recep-tion or consideration of any proposals, that a certified check upon or a certificate of deposit of one of the State or National banks or Trust Companies of the City of New York, drawn to the order of the President of the Board of Education, shall accompany the pro-posal to an amount of not less than three per cent. of such proposal when said proposal is for or ex-ceeds ten thousand dollars, and to an amount of not less than five per cent. of such pro-posal when said proposal is for or ex-posal when said proposal is for an amount of not less than five per cent. of such pro-posal when said proposal is for an amount under ten thousand collars; that on demand, within one day after the awarding of the contract by the Committee, the President of the Board will return all the deposits of checks and certificates of deposits made, to the persons making the same, except that made by the person or persons whose bid has been so accepted; and that if the person or persons whose bid has been so accepted shall reture on that the contract is ready for execution, to execute the same, the amount of the deposit or of the check or certificate of deposit made by him or them shall be torfeited to and retained by this Board, not as a penalty, but as liquidated dam-ages for such neglect or refusal, and shall person or persons whose bid has been so accepted shall execute the contract within the time aforesaid, the amount of his or their deposit of check or certificate of deposit shall be retured to him or them. EDWARD H, PEASLEE, RICHARD H, ADAMS. DANIEL E, MCSWENY, WILLIAM H, HURL-BUT, JACOB W, MACK, Committee on Buildings. Dated NEW YORK, September 1, 1897.

FIRE DEPARTMENT.

HEADQUARTERS FIRE DEPARTMENT, NEW YORK, August 28, 1837. TO CONTRACTORS.

TO CONTRACTORS. SEALED PROPOSALS FOR FURNISHING 500 fect of 31/2 i.c. Cotton Rubber-lined Fire Hose "Bay State Jacket" brand; 500 feet of 21/2 i.n. Charles Carbolized Rubber Fire Hose, "World Fire Hose" brand; 500 feet of 21/2 i.c. Rubber Fire Hose, No. "A-I Rubber Fire Hose" brand; will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10.30 o'clock, A. M. Wednesday, September 15, 1897, at which time and place they will be publicly opened by the head of said De-partment and read. Special attention is directed to the test of the hose by the Contractor, required by the specificati ns. No stimate will be received or considered atter the hoar named.

has by the Contractor, required by the specifications. No estimate will be received or considered after the hour named. For information as to the description of the hose to be furnished bidders are referred to the specifications, which form part of these proposals. The torm of the agreement, with specifications, showing the manner of payment for the hose, may be seen and forms of proposals may be obtained at the office of the Department. Bidders must write out the amount of their estimate in addition to inserting the same in figures. The hose is to be delivered within thirty (30) days after the execution of the contract. The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at the sum specified in the form of contract. The award of the contract will be made as soon as practicable after the opening of the bids Any person making an estimate for the hose shall present the same in a scaled envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates. The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation. Each bid or estimate shall contain and state the fame and place of residence of each of the persons making

The second secon Comptroller of the City of New York before the analysis is made and prior to the signing of the contract. No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York drawn to the order of the Comptroller, or money to the amount of five per cert. of the amount of the swrety as above specified. Such check or money must not be inclosed in the sealed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as

liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to hm. Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or it he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corpora-tion, and the contract will be readvertised and relet as provided by law. THOMAS STURGIS, Commissioners.
