NOTICE IS HEREBY GIVEN THAT AN AP- plication will be made to the Supreme Court of the State of New York, First Judicial District, at a Special Term of said Court held in and for the County of Bronx, at the County Court House, in the Borough of The Bronx, in the City of New York, on the 16th day of March, 1917, at the opening of the Court on that day, or as soon thereafter as counsel can be heard thereon, to have the compensation which should justly be made to the respective owners of the real property proposed to be acquired for such improvement ascertained and determined by the Supreme Court without a jury, and to have the cost of such improvement assessed by the said Court, as hereinafter set forth, in accordance with the resolution of the Board of Estimate and Apportionment.

The nature and extent of the improvement intended is the acquisition of title in fee by The City of New York for the use of the public to the real property required for the widening of Matthews avenue on its westerly side from Morris Park avenue to the angle point about 75 feet southerly therefrom, in the Twenty-fourth Ward, Borough of The Bronx, City of New York. The land required for the widening of Matthews avenue is located east of Bronx River, in Block 4044, Section 15 of the Land Map of The City of New York.

The Board of Estimate and Apportionment, by a resolution adopted on the 15th day of September, 1916, determined that whole cost and expense of this proceeding shall be assessed upon the property deemed to be benefited thereby, and that the area of assessment for benefit in this proceeding be fixed and determined to be as follows:

Bounded on the north by the southerly line of Morris Park avenue; on the east by the westerly line of Matthews avenue; on the south by a line distant 100 feet southerly from and parallel with the southerly line of Morris Park avenue, the said distance being measured at right angles to Morris Park avenue; and on the west by a line distant 105 feet westerly from and parallel with the easterly line of Matthews avenue, the said distance being measured at right angles to Matthews avenue.
