FIRE DEPARTMENT, CITY OF NEW YORK,
155 AND 157 MERCER STREET,
NEW YORK, December 23, 1882.

SEALED PROPOSALS FOR FURNISHING THIS

Department with the following articles:

300,000 pounds Hay, of the quality and standard known as Good Sweet Timothy.

55,000 pounds of clean Rye Straw.

2,500 bags clean White Oats, 80 pounds to the bag.

1,800 bags Fine Feed, 60 pounds to the bag.

—will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, January 10, 1883, at which time and place they will be publicly opened by the head of said Department and read.

Proposals must include all of the items, specifying the price per cwt. for hay and straw, and per bag for oats and feed.

All of the articles are to be delivered at the various houses of the Department in such quantities and at such times as may be directed.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the articles shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the articles to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no Member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith, with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of two hundred and fifty (\$250) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of

the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The form of the agreement and specifications, and showing the manner of payment for the articles, may be seen and forms of proposals may be obtained at the office of the Department.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates, or in the profits thereof.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired can be obtained at the office of the architect, Douglas Smyth, No. 48 Exchange place.

DEPARTMENT OF STREET CLEANING,
51 CHAMBERS STREET,
NEW YORK, December 30, 1882.

PUBLIC NOTICE.

PROPOSALS INCLOSED IN SEALED ENVELOPES, and indorsed with the name of the person or persons making the same, and the date of presentation, will be received at the office of the Department of Street Cleaning, No. 51 Chambers street, in the City of New York, under and in pursuance of authority conferred by chapter 367, Laws of 1881, entitled "An act to create a Department of Street Cleaning in the City of New York, and to provide for the cleaning of the streets of said city, for the removal of snow and ice therefrom, and for the collection of ashes, garbage and street sweepings, and the disposal of the same," passed May 26, 1881, three-fifths being present, until 12 o'clock M., of Monday, the 15th day of January, 1883, at which time and place the proposals will be publicly opened and read: For the final disposition of the street sweepings, ashes, and garbage, collected in the City of New York and delivered at the several dumps or dumping-places of the Department of Street Cleaning in said city, for the term of four years, from the first day of February, 1883.

The person or persons to whom the contract may be awarded will be required to furnish suitable and sufficient scows or boats for the reception of said substances and material, when the same are delivered at said dumps or dumping-places of the Department of Street Cleaning; to do away the expense of trimming, towing, and unloading said scows or boats, and all other expenses incurred in disposing of said substances and material, and to conform to and obey all laws of the United States, of the State of New York, ordinances of the Board of Aldermen of the City of New York, the Sanitary Code of the Board of Health of said city, touching the removal from said city of said substances and material or dumping thereof, or any part thereof, either within the limits of said city, or in the waters of New York, Kings, Westchester, or Richmond, or in the bay of New York, or Raritan bay, within the jurisdiction of the State of New York, or in the waters of Jamaica bay, or in the waters of the Atlantic ocean, within three miles of Coney Island, or within three miles of Rockaway Beach or Far Rockaway, or within less than one mile beyond the outer bar.

If any part of said substances and material should be required by any person or persons, or department of the City of New York, for the purpose of filling in lots, or for other purposes, the Commissioner expressly reserves the right to deliver as much of said substances and material as he may deem necessary for such purposes, without invalidating the terms of the contract.

The price for which the work will be done must be written in the bid and stated in figures, and shall be at a rate per cubic yard, measurements and estimates to be made by an Engineer appointed by the Commissioner of Street Cleaning, on the boats or scows of the contractor or contractors, at the several dumps or dumping-places of the Department of Street Cleaning; or if the street-sweepings, ashes and garbage are bid for at a separate price for each class of work, and the said Commissioner accepts bids in that form, the measurements and estimates may be made by said Engineer on the substances and material delivered at the dumps or dumping-places, upon the scows or boats at said dumps or dumping-places.

Bidders will be allowed, at their option, to bid a price per cubic yard upon the work, as a whole, as a mass, or a separate price for each class of the work, the bid or bids being for the performance of the whole work, as hereinafter described and classified, to wit:

Per cubic yard :.....

And for final disposition of the ashes, separated from all other substances and material only as far as may be practicable in the judgment of the Commissioner of Street Cleaning, collected in the City of New York, and delivered at the several dumps or dumping-places in said city:

Per cubic yard :.....

The estimated quantities of street sweepings, ashes and garbage to be removed from the City of New York, and finally disposed of per year, are as follows:

1. Street sweepings, two hundred thousand cubic yards.

2. Ashes, seven hundred thousand cubic yards.

3. Garbage, one hundred thousand cubic yards.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and, in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning may either make another selection from the proposals submitted in accordance with this public notice, or readvertise and relet the work, as he may consider best for the public interest.

If the person or persons to whom the contract may be awarded, shall neglect or delay to commence the work or any portion thereof, on or after the 1st day of February, 1883, the Commissioner of Street Cleaning may perform the said work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons, and deduct the same from any amount due or to become due under the contract.

Bidders are required to state in their proposals, under oath, their names and places of residence, the names of all persons interested with them therein, and, if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or proposal for the above work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each proposal shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that, if the contract be awarded to the person or persons making the proposal, they will, on its being so awarded, become bound as his or their sureties for its faithful performance in the amount of fifty thousand dollars; and that, if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract as stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller of the City of New York.

Permission will not be given for the withdrawal of any bid or proposal, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each proposal must be accompanied by a certified check on a solvent banking corporation in the City of New York payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

The contract will contain a stipulation or condition that it may be terminated on ten days' notice to the contractor by the Commissioner of Street Cleaning, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof which will be on file at the Department of Street Cleaning, or they will be rejected; and the same is referred to as a part of this notice.

Blank forms of contract may be obtained at the Department of Street Cleaning, 51 Chambers street, New York City, on or after Wednesday, January 3, 1883.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,
Commissioner of Jurors,
Room 17, New County Court-house.
