DESIGN AND CONSTRUCTION

■ NOTICE

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Environmental Protection ("DEP"), and the City of New York ("City"), has proposed the acquisition of certain portions of Rustic Place from Cleveland Avenue to Hillside Terrace, as shown on Damage, and Acquisition Map No. 4245 (Capital Project: SE803) in the borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing pursuant to EDPL Section 204, in relation to this acquisition on February 22, 2017, in the borough of Staten Island. Having given due consideration to the complete hearing record, which includes, among other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisitions and project:

- The public use and benefit of this project is for the 1. construction of sanitary and storm sewers and appurtenances in the borough of Staten Island (Rustic Place – SE803).
- 2The properties to be acquired are shown on the City's Tax Map for the borough of Staten Island and include the following properties:
 - Block 5147, part of Lots 33, 41, 47, 55, 59;
 - Block 5148, part of Lots 1, 6, 9, 13, 14, 16, 17, 18, 20, 25; . and
 - Beds of Rustic Place from Cleveland Avenue to Hillside Terrace.

The proposed acquisition shall consist of the following locations in the Borough of Staten Island:

Rustic Place from Cleveland Avenue to Hillside Terrace.

The City selected these locations based on a need for the construction storm and sanitary sewers and appurtenances:

The general effect on the neighborhood will be to improve current living conditions. The proposed Project involves the construction of storm and sanitary sewers and appurtenances. This Project will have no significant adverse effect on the environment. The proposed property acquisition locations were included

in the Final Environmental Impact Statement, also known as an "FEIS", completed in July, 2013 by the NYCDEP (South Richmond Watershed Drainage Plans Final Environmental Impact Statement, CEQR No. 01DEP004R). Based on the recommendations contained in the FEIS, necessary mitigation measures will be included in the design for this and other projects in the area covered by the aforementioned document.

Comments and concerns raised by the property owners at the public hearing and through subsequent written submissions have been reviewed by the City. Property owners inquired as to the Project's duration, safety, and cost (including tax impacts) to property owners. Concerns were raised regarding the impact of the Project on the properties involved: damage to homes due to vibrations, installation of utilities, and movement and parking on the street during the project. The City will work with all public and private parties involved in the project to minimize the impact of construction activities on the street, residents, and environment. The City continues to review its construction plans and will make modifications addressing any issues whenever possible. DDC will also work with DEP, other agencies, and the community in order to review and address Projectrelated concerns.

Concerns were also raised about the duration of the acquisitions process, and method and rates of compensation. The City continues to review its method and rate of compensation to ensure fairness.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE: Pursuant to EDPL Section 207, property owners have thirty (30) days from completion of the publication of this "Determination and Findings" to seek judicial review of this determination. Expected dates of publication are March 22 through 24, 2017, on the City Record and Staten Island Advance.

The exclusive venue for the judicial review of this determination pursuant to EDPL Sections 207 and 208 is the Appellate Division of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

A copy of this Determination and Findings by the City is available without cost upon written request to:
