Department Of Health And Mental Hygiene

Disease Prev & Treat- Bio Terrorism

Funding for the Bureau of Emergency Management (Bioterrorism & Homeland Security). The Bureau is working with other agencies to prepare for the detection and establish a response plan in case of a bioterrorist event (the intentional use of infectious biological agents, or germs, to cause illness) in New York City. The Bureau has established a comprehensive surveillance system to improve its ability to detect and respond to the release of a biological agent, and is continuously looking for any indication of bioterrorism in the City by regularly working with all healthcare providers to monitor any unusual disease clusters. Additionally, several surveillance systems are in place to quickly detect an increase in unusual illnesses, including monitoring of 911-ambulance calls and emergency department visits. The response plan includes coordinating with OEM and other City, State, and federal agencies; alerting hospitals and the medical care community; communicating with the public; and ensuring that appropriate medical care and prevention services are provided.

Funding for the Bureau of Maternal, Infant, and Reproductive Health which plays a vital role in decreasing the disparities that challenge women and men in the areas of sexual, reproductive, perinatal and infant health, by providing Health Education, training and technical assistance, advocacy, and research. The Nurse Family Partnership and Newborn Home Visiting Programs are housed here. The Nurse-Family Partnership is a national nurse home visiting program for low-income, first-time parents, their infants and families. The NFP program utilizes public health nurses to conduct home visits about every two weeks during pregnancy through the first two year of the infant's life.

Hlth Promo & Dis Prev - Tobacco

Funding for the Bureau of Tobacco Prevention, which implements New York City's Five-Point Tobacco Control Plan, by advocating for cigarette tax increases to reduce tobacco consumption and to support cessation and education; supporting the enforcement of anti-smoking laws enacted to protect the health of New York City residents from the harmful effects of smoking and second-hand smoke; implementing programs to expand the number and reach of cessation (quitting) sites throughout the five boroughs to increase the use of effective tobacco cessation treatment in health care and community settings. BTC provides technical assistance and training, nicotine replacement therapy (NRT) patches to its partners for distribution and to the public directly, and comprehensive smoking cessation services to City employees; developing and distributes a range of publications and materials to educate people and assist health care providers. BTC coordinates print, radio and television campaigns to promote messages on the dangers of tobacco and the benefits of quitting, and to change tobacco-related social norms; and collecting and analysing data to track tobacco-related behaviors of New York City residents, and to assess the effectiveness of tobacco control programs.
