Street Cleaning.

Resolved, That the Chief Clerk communicate with the U. S. Steamboat Inspector, and request a re-inspection of the hulls of the steam tugs "U. S. Grant" and "Wm. Parks," and report in respect to their present condition.

Resolved, That the following letter be addressed to the Mayor, calling his attention to the embarrassment and obstruction to street cleaning by vehicles standing in the streets without teams attached:

JANUARY 28, 1878.

Hon. SMITH ELY, JR., Mayor of the City of New York:

SIR—I beg leave to call your attention to the great embarrassment and obstruction which occurs to the business of street cleaning by reason of the multitude of vehicles which are standing in the paved streets of the city without teams attached. The pavements under and around them cannot be cleaned, and the sweepers have not the physical power to remove them for the purpose of cleaning the area which they occupied; and if they had, the removal of eighteen thousand vehicles at each cleaning, and the restoration of them to their former positions, would call for a large increase of the street sweeping force, and add no small sum to the already large expenditure for street cleaning.

The number of vehicles referred to was counted on Friday night, and numbered (18,765) eighteen thousand seven hundred and sixty-five. The numbers were counted again on Sunday, during the day, and found to be (18,690) eighteen thousand six hundred and ninety.

Schedules herewith inclosed will exhibit the locations and distribution of the vehicles by Precincts.

Numbers of these vehicles are not in constant use, and are, no doubt, a street incumbrance, which should be dealt with by the Bureau of Street Incumbrances.

You are respectfully requested to consider the matter as one affecting permanently the interests of the city, and to suggest such legislation and any modification of the ordinances of the Common Council as shall be, in your judgment, calculated to afford remedy, and to call upon the Bureau of Incumbrances to take measures to mitigate this nuisance as far as it shall exist in violation of the city ordinances.

Very respectfully, and by order of the Board,

WM. F. SMITH, President.

Resolved, That the following named laborers be and are hereby dismissed from service in the Street Cleaning Bureau, and shall not be again employed in any capacity in said Bureau:

Owen Conway, Fifteenth Ward.	Daniel McGinn, Thirteenth Precinct.
John Jacks, Fifteenth Ward.	James Connerty, Thirteenth Precinct.
Thomas Moran, Seventh Ward.	Michael McKenna, Seventh Precinct.
John Horr, Seventh Ward.	Patrick Gillon, Seventh Precinct.
Nicholas Banny, Seventh Ward.	

Resolved, That the Common Council be and is hereby respectfully requested to authorize (in pursuance of section 91 of chapter 385 of the Laws of 1873), the Board of Police to purchase in the open market, without advertisement or competing bids, two steam tugs, and such number of scows as shall be required for the use by the Police Department in the removal and disposal of the material collected by the Bureau of Street Cleaning in the business of cleaning the streets of the city.

Resolved, That the above resolution be transmitted by the President to the Common Council.

Adjourned.

S. C. HAWLEY, Chief Clerk.

SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING ferries and a lease of the wharf property belonging to the City, if any, set apart for ferry purposes at each of said ferries, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, November 8, 1877, at 12 o'clock, noon, for the period of five years from November 1, 1877, except as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of One Hundred and Thirtieth street at Third avenue, Harlem, with an intermediate landing at or near Eighty-fourth street, East river.

Ferry from Fulton Market slip, New York City, to Mott Haven, with an intermediate landing at or near Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street, in the City of New York, East river, to South Seventh street, Brooklyn, Eastern District, together with the bulkheads and slips adjacent to and east of the wharf property at foot of Roosevelt street, East river, owned by the Bridge Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarterly-yearly to the Comptroller.

The minimum rate for which the ferry franchise or license to operate such ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. per annum upon the gross receipts for ferriage collected at the New York landing-place for the ferry as now established from the foot of Roosevelt street, New York, to South Seventh street, Brooklyn, and at two and one-half per cent. per annum upon the gross receipts collected for ferriage for the ferries from Peck Slip, New York, to the foot of One Hundred and Thirtieth street, Third avenue, Harlem; and from Fulton Market slip, New York, to Mott Haven, such percentage to be paid quarterly-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarterly-yearly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular

books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage.

All moneys received for the conveyance of passengers, animals, vehicles or freight from New York to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.
