## ASSESSMENT COMMISSION.

No. 27 CHAMBERS STREET,  
TUESDAY, January 23, 1883—2 o'clock P. M. }

The Commission created by chapter 550 of the Laws of 1880, to revise, vacate, or modify assessments for local improvements in the City of New York, met pursuant to adjournment.

Present—All the members, viz.:

Commissioners Edward Cooper (Chairman), John Kelly, Allan Campbell, George H. Andrews, and Daniel Lord, Jr.

The Clerk presented copies of the CITY RECORD and "Daily Register" of January 22 and 23, 1883, showing the publication of notices of the meeting.

The minutes of the meeting held on January 16, 1883, were read and approved.

The Clerk reported that he had filed in the Finance Department, on January 20, 1883, certificates of award in favor of the persons named, and for the amounts specified in the resolution adopted by the Commissioners on January 16, 1883.

## Calendar.

John C. Shaw, Esq., attorney, moved to amend the petitions of Julius A. Candee (Nos. 1723 and 1884), for the reduction of the assessments for Seventh avenue regulating, etc., and Seventh avenue paving, etc., from One Hundred and Tenth street to Harlem river, by inserting the lot owned by the petitioner, known as Block No. 708, Ward No. 5 C.

The motion was granted.

On motion of John C. Shaw, Esq., attorney, the decisions made by the Commissioners, on January 31 and February 9, 1882, reducing these assessments, were made applicable to said petitions as amended.

John A. Beall, Esq., the counsel representing the city before the Commission, moved to re-open the case of Nelson Chase et al. (No. 4012), assessment for Tenth avenue regulating, grading, etc., from One Hundred and Fifty-fifth to One Hundred and Ninety-fourth street, which was closed on December 13, 1882, for the purpose of introducing further testimony on behalf of the city.

No objection being made by James C. Carter, Esq., of counsel for the petitioners, the motion was granted.

Additional evidence was presented for the city, after which the case was closed, and decision reserved.

No. 4137. Application of Thomas A. Davies for an award on assessment paid for Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street, on lots known as Block Nos. 160, Wards No. 63 and 64.

No. 4397. Application of George M. Miller et al., executors, etc., for an award on assessment paid on same property for the same improvement.

After hearing Mr. E. Coffin, Jr., attorney, on behalf of Thomas A. Davies, and T. H. Baldwin, Esq., attorney, on behalf of George M. Miller, executor, etc., the matter was closed, and decision reserved.

The Clerk reported that, under the resolution adopted on January 16, 1883, the Comptroller had returned the certificate of award in favor of The Mutual Life Insurance Co. (No. 4118), on account of assessment paid for Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth streets, on lots known as Block No. 219, Ward Nos. 6, 7, 9, 10, 11, 12, 52, 53, 54, 55, 57, 58 and 59.

After hearing Charles E. Miller, Esq., attorney, on behalf of The Mutual Life Insurance Co., and T. H. Baldwin, Esq., attorney, on behalf of Russell Sage (No. 4441), claimant for the same award, the matter was closed and decision reserved.

Subsequently Commissioner Lord presented the following decision, viz.:

In matter of the claim of Russell Sage (No. 4441), to the award made to The Mutual Life Insurance Co. (No. 4118), on account of assessments paid for Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth streets.

The certificate of award in favor of The Mutual Life Insurance Company, made on January 9, 1883, was recalled on the statement of counsel that Russell Sage was the owner of the equity, and that the case came under the principles laid down in matters of The Union Dime Savings Institution, and Robert Blair, assignee, decided on September 15, 1882. An examination, however, of the affidavit of Mr. Sage shows that he has not paid the assessment, that he claims that he is not responsible for its payment, and that it was paid without his consent.

Under the principles in the Union Dime case, we held that the owner of the equity was entitled to the award, but in that case he was responsible for a deficiency. In this case Mr. Sage was not held responsible for the deficiency in the foreclosure, and hence this case differs from the Union Dime in that respect. The fact that a claim has been made against him by the Mutual Life for the payment of this assessment, does not help this claim to the award, for even if the company should succeed in that action, the amount of the present award would have to be credited on any recovery had in that suit. Mr. Sage has not established any claim to this award, and he cannot be injured by awarding it to the Insurance Company. No other person appears entitled to it, and as Thomas A. Davies has consented that the award be made to the Insurance Company, the award should be made to them. The recalled certificate should, therefore, be again filed in the Finance Department.

The question being taken, the decision was adopted by the following vote, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, and Lord—4.

(Commissioner Andrews not voting.)

The Clerk reported that, under the resolution adopted on January 16, 1883, the Comptroller had returned the certificates of award in favor of Frederick L. Richmond (No. 4407 and 4408), on account of assessments paid for Seventh avenue regulating, etc., and Seventh avenue paving, etc., from One Hundred and Tenth street to the Harlem river, on lots known as Block No. 827, Ward Nos. 16, 17 and 48.

After hearing Mr. Frederick L. Richmond, on his own behalf, and T. H. Baldwin, Esq., attorney, on behalf of the Harlem Savings Bank (No. 2945 and 2947), claimant for the same award, the matter was closed, and decision reserved.

No. 1296. Matter of Mary G. Pinkney; assessment for One Hundred and Eighth street regulating, grading, etc., from Fifth avenue to East river; confirmed February 3, 1876.

John C. Shaw, Esq., attorney, presented further evidence on behalf of the petitioner, after which the hearing of the case was adjourned.

James A. Deering, Esq., attorney, moved that the decisions made by the Commissioners on January 31, February 9, November 14, and December 19, 1882, reducing assessment for Seventh avenue regulating, grading, etc., and Seventh avenue paving, etc., from One Hundred and Tenth street to Harlem river; Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street; and One Hundred and Twentieth street regulating, grading, etc., from Seventh to Eighth avenue, be made applicable in the following similar cases, viz.:

No. 4023. Henry W. Mali, guardian, etc., assessment for Boulevard regulating, etc.

The motion was granted.

No. 27 CHAMBERS STREET,  
FRIDAY, January 26, 1883—2 o'clock P. M. }

The Commission created by chapter 550 of the Laws of 1880, to revise, vacate, or modify assessments for local improvements in the City of New York, met pursuant to adjournment.

Present—All the members, viz.:

Commissioners Edward Cooper (Chairman), John Kelly, Allan Campbell, George H. Andrews, and Daniel Lord, Jr.

The Clerk presented copies of the CITY RECORD and "Daily Register" of January 25 and 26, 1883, showing the publication of notices of the meeting.

On motion of Commissioner Lord, the reading of the minutes of the meeting held on January 23, 1883, was dispensed with.

The clerk reported that, under the decision made on January 23, 1883, he had re-filed in the Finance Department, on January 26, 1883, the certificate of award in favor of The Mutual Life Insurance Co. (No. 4,118) for \$2,215, on account of assessment paid for Boulevard regulating, grading, etc., from fifty-ninth to one hundred and fifty-fifth streets.

The clerk reported, that he had filed in the Finance Department, on January 26, 1883, certificates of award in favor of the persons named, and for the amounts specified in the resolution adopted by the Commissioners on January 23, 1883.

## Decisions.

Commissioner Cooper presented the following decision, viz.:

In the matter of the applications of The Union Dime Savings Institution (No. 2,848), and Robert Blair, Assignee (3,230), for the same award on assessment paid for Sixth avenue macadamizing, etc., from one hundred and tenth street to Harlem River.

Upon hearing further argument upon this case, the Commissioners determine that the award should be made to the Union Dime Savings Institution. The deficiency judgment of the bank included an amount equal to the assessment paid in this case, part of which will be repaid by our award. Until this judgment is paid we must consider the bank to have been the person under the tenth section of the Act, chapter 550, Laws of 1880, by whom the assessment was paid. The amount of the award which the bank will receive will be a credit to Mr. Levi Adams on the deficiency judgment; he has not really paid the assessment until he has paid the deficiency under the mortgage. The status of Mr. Blair, under the assignment to him by Mr. Adams, is the same as that of Mr. Adams 'would have been had no assignment been made. An assignee of a chose in action takes it subject to all the equities. A certificate should issue in favor of The Union Dime Savings Institution for the sum of \$1,193.55.

The question being taken, the decision was adopted by the following vote, viz.:

Affirmative—Commissioners Cooper, Campbell, and Andrews—3.

Negative—Commissioners Kelly and Lord—2.

Commissioner Lord presented the following dissenting opinion:

A careful re-examination of the views I expressed in the decision of 15th of September, 1882 (page 312), leads me again to the same conclusion I then reached, and I still think no error was committed in that decision.

The question was discussed in the argument, and decided on the theory that the assessment was paid by the bank as the purchaser of the property. It has been urged on the subsequent argument that this payment was made by the bank as mortgagee. I fail to see how such a claim can be supported. The payment was made after the mortgage, and the debt secured by it, had been merged in the judgment of foreclosure and sale, and without reopening this judgment I do not think that any future payments can be held to be part of the mortgage debt, so as to entitle the mortgagee to the award. I therefore am in favor of making the award to Blair.

(Commissioner Kelly concurs).

Commissioner Cooper presented the following decision, viz.:

In the matter of the applications of Thomas A. Davies (No. 4137), and George M. Miller et al., executors (No. 4397), for the same award on an assessment paid for Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street.

A sum equal to the amount of the assessment was included in the deficiency judgment against Thomas A. Davies. This amount was subsequently repaid to the mortgagees by him, and the deficiency judgment was assigned to Davies, so that the mortgagees claim has now been fully paid. On this state of facts they certainly have no interest in this award, and as between the executors of Marshall and Davies, the latter is entitled to the award. Leslie, who was the owner of the property when the mortgage was foreclosed, has filed no petition, and does not appear as a claimant. A certificate of award should therefore issue in favor of Thomas A. Davies for the sum of \$312.79.

The question being taken, the decision was adopted by the following vote, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, Andrews and Lord—5.

Commissioner Andrews presented the following decision, viz.:

In the matter of the application of the Harlem Savings Bank (Nos. 2945 and 2947) and Frederick L. Richmond (Nos. 4407 and 4408), for the same awards on assessments paid for Seventh avenue regulating, etc., and Seventh avenue paving, etc., from One Hundred and Tenth street to Harlem river.

This case differs from that of The Union Dime Savings Institution in the fact that the Harlem Savings Bank have released the deficiency judgment against Mr. Richmond. It appears from his testimony that this was done as an act of grace, and not for any payment or consideration on account of the judgment paid by him. We therefore think that the bank, not having been reimbursed by the judgment debtor, is the party who actually paid the assessment, and who is therefore entitled, under section ten, to the award. We consider it immaterial whether the judgment was fully discharged, or whether the release was only for the lien of the judgment. The awards made on January 2, 1883, in favor of Frederick L. Richmond, on account of assessments paid for these improvements are hereby repealed and canceled, and certificates of award should issue in favor of the Harlem Savings Bank for \$35.25, on account of the assessment paid for regulating Seventh avenue, and for \$18.01, on account of assessment paid for macadamizing Seventh avenue.

The question being taken, the decision was adopted by the following vote, viz.:

Affirmative—Commissioners Cooper, Campbell, and Andrews—3.

Negative—Commissioners Kelly, and Lord—2.

Commissioner Lord presented the following dissenting opinion:

I think in this case that we have no evidence before us to show whether the release spoken of by the petitioner Richmond was an absolute release and discharge of the debt, or only a release of the judgment in which an interest in the award was still retained by the bank. These facts should be before us.

Commissioner Lord presented the following decision, viz.:

In the matter of the application of John E. Caffry (No. 2882), and Emiline Austin et al. (No. 2990) for the same award on assessment paid for Sixth avenue macadamizing, etc., from One Hundred and Tenth street to Harlem river.

After hearing further argument upon this case, the Commissioners re-affirm the decision made September 7, 1882. A certificate of award should issue in favor of John E. Caffry for \$898.41, on account of the assessment paid by him for Sixth avenue macadamizing, etc., from One Hundred and Tenth street to Harlem river.

The question being taken, the decision was adopted by the following vote, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, Andrews, and Lord—5.

## FIRE DEPARTMENT.

HEADQUARTERS  
FIRE DEPARTMENT, CITY OF NEW YORK,  
155 AND 157 MERCER STREET,  
NEW YORK, January 16, 1883.

## TO CONTRACTORS.

**SEALED PROPOSALS FOR FURNISHING THIS**  
Department with new boilers to Steam Fire Engines Nos. 17 and 30, the spare engines of the Third and Fourth Battalions, and the self-propelling engine of Engine Co. No. 11, and making repairs to said engines, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, 31st instant, at which time and place they will be publicly opened by the head of said Department and read.

The boilers to be in all respects as to form and construction exactly similar to those now on Engines Nos. 3 and 20 of this Department, being M. R. Clapp's Circulating Tubular Boiler, patent of 1878.

The engines are to be delivered at the Repair Shops of the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, if any, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engines shall have a full and complete trial of their working powers at New York, under the superintendence of a competent engineer.

For information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of three thousand dollars (\$3,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and fifty (\$150) dollars. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement and specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

## PROPOSALS FOR 1,000 TONS OF FRESH MINED WHITE ASH STOVE COAL FOR THE OUT-DOOR POOR.

Proposals, sealed and indorsed as above, will be received by the Commissioners of Public Charities and Correction, at their office, until 9.30 o'clock A. M., of Monday, February 12, 1883, at which time they will be publicly opened and read by the head of said Department, for 1,000 tons Fresh Mined White Ash Stove Coal, of the best quality; each ton to consist of two thousand pounds, to be well screened, and delivered in such quantities and in such parts of the city as may be required in specifications, and ordered from time to time, south of Eighty-sixth street, to be subject to such inspection as the Commissioners may direct, and to meet their approval as to the quality, quantity, time, and manner of delivery in every respect.

The award of the contract will be made as soon as practicable after the opening of the bids.

No proposal will be considered unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that, if the contract be awarded under that proposal, they will, on its being so awarded, become bound as sureties in the estimated amount of fifteen hundred dollars for its faithful performance, which consent must be verified by the justification of each of the persons signing the same for double the amount of surety required. The sufficiency of such security to be approved by the Comptroller.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the

National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The Department of Public Charities and Correction reserves the right to decline any and all proposals, if deemed to be for the public interest, and to accept an offer for the whole bid, or for any single article included in the proposal, and no proposal will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Blank forms of proposals and specifications, which are to be strictly complied with, can be obtained on application at the office of the Department, and all information furnished.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the Contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of Chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-

box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A.M., of Friday, February 2, 1883. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Materials for Laundry, at Hart's Island," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in

the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirm "on, in writing, of each of the persons signing the same." He is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
