## DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS,  
117 and 119 DUANE STREET,  
NEW YORK, November 10, 1875.

## TO CONTRACTORS.

## PROPOSALS FOR REPAIRING PIER NO. 8, EAST RIVER (ONE-HALF OF WHICH IS NOT OWNED BY THE CORPORATION OF THE CITY OF NEW YORK).

SEALED PROPOSALS FOR MAKING REPAIRS to Pier No. 8, at the foot of Coenties slip, East river, indorsed as above, and addressed to "Salem H. Wales, President of the Department of Docks," will be received at this office until 11 o'clock A. M. of Monday, November 22, 1875, at which time the bids will be publicly opened and read. The award of the contract will be made as soon as practicable after the opening of the bids.

One-half of said Pier 8 is owned by the Corporation of the City of New York, and the other half by Stephen Decatur, of Boston, Mass., and Maria S. Decatur, Anna P. D. Parsons, and John Parsons, of this city, all of whom are represented by John Parsons, as agent, No. 28 Broadway; and the contract for the work will not be awarded unless the price named by the lowest bidder shall be satisfactory to said private owners. Such contract, if awarded, will be entered into by the Department of Docks on behalf of the city, and by said private owners on their own account, the city becoming liable for one-half only of the expense, the other half to be borne and paid to the contractors by such private owners.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The time allowed for making such repairs is thirty days from the date of signing of the contract.

All the old material taken from the pier in making the repairs will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in the proposals the price for making such repairs in conformity with the specifications and agreement, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight hours after written notice that the same has been awarded to him or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, the adequacy and sufficiency of the securities offered to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained at the office of the Department, Room No. 6.
