BENJAMIN TUSKA, ATTORNEY AT LAW,
No. 27 PINE STREET,
NEW YORK CITY, October 25, 1900.

The Hon. RANDOLPH GUGGENHEIMER, President of City Council:

DEAR SIR—Among the resolutions that are pending before the City Council is one to appropriate \$92,000 for the improvement of Seward Park (Division, Canal, Jefferson streets and East Broadway). The plan proposed by the Department is to make a park of the conventional order. At the present time this property is used as an open-air gymnasium and playground, under the care of the Recreation League. The officers of that body submitted to the Park Board a plan whereby the present features might be retained and the rest of the space devoted to park purposes. The League desires that action of the Council on the appropriation be deferred for a month or so in order to enable it to appear before the Park Board to obtain a modification in the accepted plans. An opportunity to discuss the matter has not yet been afforded. The Educational Alliance, whose building is quite close to the park, is in sympathy with the Recreation League in its suggestions as to this park. The people of the neighborhood favor the plan of the League, and a petition is now circulating among them to demonstrate this. I trust that you will co-operate in deferring the resolution until the League can confer with Commissioner Clausen.

Sincerely yours,
BENJAMIN TUSKA.

No. 2020.

By Councilman Conly—
Whereas, The Brooklyn water-front, for a distance of over two miles along Buttermilk Channel, has for many years, with its warehouses and wharves, constituted a great terminal for the commerce of this port, upwards of ten million tons of cargo, valued at over three hundred and fifty million dollars, being annually received and shipped at this point; and

Whereas, it has always been the policy of the Federal Government to continually improve this important channel in order to keep pace with the constantly growing necessities of the port; and

Whereas, The depth of water is now insufficient for the larger class of vessels now using this channel, and large steamships are unable to dock and depart except at high water, resulting in great loss of time by detention, and safe navigation to and from sea is not insured; and

Whereas, It is desirable that the commerce of the future should be enabled to avail of all the facilities afforded by such terminal, to its own benefit and the advancement of the interests connected with and affected by the development of the Brooklyn water-front; and

Whereas, The government of the United States has wisely projected an improvement of Bay Ridge and Red Hook channels so as to accommodate vessels of the largest size which may enter this port; and

Whereas, Buttermilk Channel, if maintained in its present condition, will, by reason of inferior width and depth, exclude the Brooklyn water-front from participating in the advantages to be derived from this projected improvement; now therefore be it

Resolved, That it is advisable and necessary for the good of the commerce of this port, and for the material welfare and prosperity of the Brooklyn water-front and the manifold and important interests dependent thereon and affected thereby, that Buttermilk Channel be improved so as to obtain a channel of the same width and depth as those contemplated by the project adopted for Bay Ridge and Red Hook channels, namely, 1,200 feet wide and 40 feet deep at mean low water.

And this body most earnestly urges upon Congress the passage of such measures as will efficiently and promptly secure this desired end, and the members of Congress from the Greater City of New York are earnestly requested to use their best efforts to accomplish this important undertaking in behalf of the City.

No. 2025.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
NO. 300 MULBERRY STREET,
NEW YORK, October 25, 1900.

To the Honorable the Municipal Assembly of The City of New York:

GENTLEMEN—At a meeting of the Police Board held this day, the following proceedings were had:

On reading and filing the following resolution, adopted by the Board of Estimate and Apportionment October 24, 1900, viz.:

"Resolved, That, subject to concurrence herewith by the Municipal Assembly, the Police Department be authorized to expend for the building of a station-house, prison and stable for the Thirty-fourth Precinct, the sum of eight thousand three hundred and seventy-three dollars (\$8,373) from the proceeds of bonds heretofore authorized to be issued by the Board of Estimate and Apportionment and the Municipal Assembly for acquiring sites and making and equipping station-houses, prisons and stables for the Police Department, said amount being in addition to the appropriation of ninety thousand dollars (\$90,000) for that purpose, and to be taken from the appropriation for the Fortieth Precinct Station-house, at Kingsbridge, which is in excess of the amount required for the purposes and objects thereof; it is hereby

Resolved, That the Municipal Assembly be and is hereby respectfully requested to concur therewith.

Resolved, That the Chief Clerk be directed to forward to the Municipal Assembly copy of proceedings of the Police Board of October 18, 1900, relative to bids for the erection of station-house, prison and stable for the Thirty-fourth Precinct.

Very respectfully,

WM. H. KIPP, Chief Clerk.

Extract from the Proceedings of the Police Board of the Police Department of The City of New York, October 18, 1900, Relative to Bids Received for the Erection of Station-houses, Prisons and Stables:

Whereas, The Board of Estimate and Apportionment, by resolution adopted September 15, 1899, authorized the Comptroller to issue Corporate Stock of The City of New York for the purpose of acquiring sites and erecting and equipping station-houses, prisons and stables for the Police Department, as follows:

For the Thirty-fourth Precinct, at Highbridge, Borough of The Bronx.....	\$90,000 00
For the Sixty-fifth Precinct, at the intersection of East New York avenue and Liberty avenue, between Rockaway avenue and Thafford avenue, Borough of Brooklyn.....	85,000 00
For the Thirty-seventh Precinct, at Tremont, Borough of The Bronx.....	100,000 00
For the Fortieth Precinct, at Kingsbridge, Borough of The Bronx.....	100,000 00
For the Seventy-fifth Precinct (including Borough Headquarters), in Long Island City, Borough of Queens.....	100,000 00

And, Whereas, At a meeting of the Police Board held October 11, 1900, the following bids were received for building station-house, prison, stable, etc., for the Thirty-fourth Precinct, at Highbridge, Borough of The Bronx (being the second time advertisement had been made for proposals for the same), viz.:

William Henderson.....	\$107,826 00
Alfred Nugent & Son.....	121,000 00
Williams & Gerside.....	105,562 00
James Fay.....	111,960 00
Thomas Cockrill & Son.....	108,900 00
Louis Wechsler.....	99,000 00
P. J. Brennan.....	101,500 00
Thomas B. Leahy.....	98,373 00

And, Whereas, The amount of the estimate of Thomas B. Leahy, ninety-eight thousand three hundred and seventy-three dollars (\$98,373), he being the lowest bidder, is greater than the amount allowed by the Board of Estimate and Apportionment to the Police Department for such purpose; and

Whereas, The Police Board has purchased land and premises at the southwest corner of Boston avenue and Summit place, from Robert H. Johnston for the sum and price of eight thousand five hundred dollars (\$8,500), and proposes to build a station-house, prison and stable thereon for the Fortieth Precinct, the cost of which, as stated by the architect, will not exceed eighty thousand dollars (\$80,000), making the total cost thereof eighty-eight thousand five hundred dollars (\$88,500), such amount being less than the amount appropriated by the Board of Estimate and Apportionment for such purpose; therefore, be it

Resolved, That the Board of Estimate and Apportionment be and is hereby respectfully requested, in pursuance of section 235 of the Charter of Greater New York, to transfer the sum of eight thousand three hundred and seventy-three dollars (\$8,373) from the appropriation made to the Police Department by the issue of Corporate Stock as hereinbefore stated for the purposes of the Fortieth Precinct, at Kingsbridge, Borough of The Bronx, which is in excess of the amount required for the purposes and objects thereof, to the appropriation made to the same Department for the purposes of the Thirty-fourth Precinct, at High Bridge, in the Borough of The Bronx, to enable the Police Board to award the contract for the building of a station-house, prison and stable for the Thirty-fourth Precinct, to the lowest bidder, viz. Thomas B. Leahy, for the sum and price of ninety-eight thousand three hundred and seventy-three dollars (\$98,373).

The President laid before the Council the following communication from the Comptroller:

No. 2026.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
October 26, 1900.

Hon. RANDOLPH GUGGENHEIMER, President of the Council:

DEAR SIR—As directed by the Commissioners of the Sinking Fund, I transmit herewith copies of a report by the Engineer of the Department of Finance, and an opinion of the Corporation Counsel relative to the lease of premises Nos. 794 and 796 Broadway, Borough of Brooklyn, occupied by the Second District Municipal Court of the Borough of Brooklyn.

Respectfully,

EDGAR J. LEVEY, Secretary, Commissioners of the Sinking Fund.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
October 6, 1900.

Hon. BIRD S. COLER, Comptroller:

SIR—Hon. Gerard B. Van Wart, Justice of the Second District Municipal Court, Borough of Brooklyn, in a communication under date of October 1, 1900, states:

"Some time ago I wrote you a letter requesting that the premises at No. 794 Broadway, Borough of Brooklyn, be not again leased by the Commissioners of the Sinking Fund of The City of New York, for the uses of the Second District Municipal Court of that Borough, in which letter I called your attention to the fact that the rent now and heretofore paid by the City for the uses of the alleged court-room used by that court, was greatly in excess of the rental value of the premises, being four times as much as the owner was receiving for similar rooms in the same building.

"I have been informed recently by the owner of the building, one August Grill, that the Commissioners of the Sinking Fund were about to rehire the premises for a term of four years at the present exorbitant rent.

"Passing for the present all questions other than the rental value of the premises, I desire to place myself on record as having protested against the City being compelled to pay for these premises the sum of \$1,200 or more, when the rental value thereof, as fixed by the rental of similar premises in the same building, is only \$288 per year and not \$1,200 per year. I desire to call your attention to this fact forcibly and pointedly, that I may in no way be held responsible by the public for the payment of an exorbitant rent for unsuitable premises.

"I write you this letter, feeling that you are as anxious to protect the City from unfair and improper expenditure of money as I am, and trusting that if these premises are rehired for the uses of the court that no larger rental will be paid than could be procured by the landlord from individual tenants.

"I shall mail a similar letter to this to each member of the Sinking Fund Commission, and in order that my position in the matter shall not be misunderstood by the public, shall forward a copy of this letter to each newspaper published in The City of New York, with a request that the same be published."

In reply thereto, I beg to report as follows:

On September 11, 1899, the Commissioner of Public Buildings, Lighting and Supplies, called attention to the fact that the lease of the premises Nos. 794 and 796 Broadway, Borough of Brooklyn, used and occupied for the purposes of the Second District Municipal Court, Borough of Brooklyn, would expire on the first day of November following.

This lease was made by the former City of Brooklyn for a term of five years, from November 1, 1894, at an annual rental of \$1,250.

In accordance with this information I caused an examination to be made of the premises, and conferred with Judge Van Wart in reference to a renewal of the lease. The Judge at that time stated that the accommodations were insufficient, and I requested him to consult with the Deputy

Commissioner of Public Buildings, Lighting and Supplies, in the Borough of Brooklyn, and make such suggestions as to other available quarters which might be leased and that would be suitable and satisfactory for Court purposes.

I waited some time for a reply and was finally told that Judge Van Wart had no recommendations to make in regard to the matter, and as, from the report made to me, I considered the rent of the premises excessive I sent for the owner, Mr. August Grill, of No. 734 Wiloughby avenue, Brooklyn, to see what arrangements could be made for a renewal of the lease.

To overcome the Judge's objections that the quarters were insufficient, the owner offered to increase the premises leased by the addition of an adjoining flat, increasing the amount of space by one-third of the amount then leased; to fit these premises up to the satisfaction of the Court, by the removal of partitions, etc., and to renew the lease for a term of one year, at a rental of \$1,000 per annum.

In my report on this, dated October 3, 1899 (see minutes of the Sinking Fund, October 9, 1899, page 410), I stated that "I consider this offer by far in excess of a reasonable rental, but the owners claim that the presence of the Court depreciates the rental value of stores, and remaining flats in the building must be considered."

Again, the time was so short before the expiration of this lease, in which to secure other quarters, that I deemed it advisable for the Sinking Fund Commissioners to authorize a renewal on the terms offered rather than let this matter stand until after November 1, when, by virtue of the expiration of the premises, the City could have been held as a hold-over tenant under the terms of the old lease.

In accordance with my report, the Commissioners of the Sinking Fund, on October 9, 1899, authorized a renewal of the lease on the new terms proposed for one year.

Under date of June 19, 1900, Judge Van Wart requested the Commissioners of the Sinking Fund to lease a church building on the east side of Bridge street, 150 feet south of Myrtle avenue, for a term commencing November 1, 1900, at an annual rental of \$3,000.

This matter was the subject of an examination and report by me on July 16, 1900 (see Sinking Fund Minutes, July 24, 1900, page 318), in which I stated, after consultation with the representatives of the church, that they had agreed to make a lease for a term of five years, at an annual rental of \$2,500, the owners to paint the exterior of the building and make other necessary repairs. This offer I considered reasonable and fair.

In Judge Van Wart's letter a point of law was raised regarding the designation of the premises for Court purposes, and the matter was referred to the Corporation Counsel for an opinion.

At the present time I am not aware that any opinion has been rendered by the Corporation Counsel. All of which is respectfully submitted.

(Signed) EUG. E. McLEAN, Engineer.

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, October 18, 1900.

Hon. EDGAR J. LEVEY, Secretary, Commissioners of the Sinking Fund:

SIR—I am in receipt of your two communications, bearing date August 2 and October 9, 1900, respectively, in reference to the premises to be used by the Municipal Court of The City of New York, for the Second District, Borough of Brooklyn, which said Court is now held on the second floor of a tenement-house at No. 794 Broadway, Borough of Brooklyn, the lease of which expires on the first proximo.

In your communication of August 2 you inclosed a copy of a letter from the Honorable G. B. Van Wart, Justice of said Court, in which he requests the Commissioners of the Sinking Fund to lease the building formerly occupied as a church, located on the east side of Bridge street, about 150 feet south of Myrtle avenue, Borough of Brooklyn.

After advancing reasons why it would be to the advantage of litigants in that district that the last-mentioned property should be leased, Justice Van Wart goes on to say:

"The undersigned further desires to call the attention of the Commissioners of the Sinking Fund to the sections of the Charter, empowering such Commissioners to make a lease of the building hereinafter referred to, without any action on the part of the Municipal Assembly. Section 54 of the Charter provides that the Municipal Assembly may assign the places where the several Municipal Courts shall be held at each district, except as otherwise provided by law. Section 1371 of the Charter provides that the Municipal Court shall be held in each district at places provided by the Municipal Assembly. Section 217 of the Charter, however, provides that applications must be presented to the Sinking Fund Commissioners, and that said Commissioners may authorize the lease of such premises as are set forth in their resolution.

"It is apparent that the provisions of section 1371 of the Charter, authorizing the Municipal Assembly to provide places for holding Municipal Courts, are without force or effect, for the reason that the Municipal Assembly has no power to make leases, and therefore cannot provide any building.

"The provisions of section 54, providing that the Municipal Assembly may assign the places, except as otherwise provided by law, clearly places it in the power of the Commissioners of the Sinking Fund, in their discretion, to lease premises for such purposes, being within the exception covering this case. If it were otherwise the Municipal Assembly might continuously designate a place for the holding of the Courts that the Commissioners of the Sinking Fund could continuously refuse to lease, thus making a conflict of power not intended by the Charter."

The point raised by Judge Van Wart was referred to me for an opinion thereon.

Upon examining the sections of the Charter referred to in Judge Van Wart's letter, I am obliged to say that I find it quite impossible to concur with him.

I incline to the opinion that, under sections 54 and 1371 of the Charter, the power to designate where a Municipal Court shall be held is lodged in the Municipal Assembly, and that when a lease for such purposes is to be authorized by the Sinking Fund Commissioners its first duty is to inquire if the premises so to be leased have been designated for that purpose by the Municipal Assembly. Of course if, upon proper application, the Municipal Assembly should refuse or neglect to make such designation, another question would arise which is not now before me.

Respectfully yours,

(Signed) JOHN WHALEN, Corporation Counsel.

To the Honorable the Municipal Assembly of The City of New York:

SIR—At a meeting of this Board, held on the 24th instant, the following resolution was adopted:

"Resolved, That the Board of Public Improvements approves of the draft of an ordinance submitted to this Board the 17th day of October, 1900, 'for regulating the cleaning of streets and sidewalks, and keeping them clean, and removing snow and ice therefrom in The City of New York,' and hereby, pursuant to section 416 of the Greater New York Charter, recommends the same to the Municipal Assembly for adoption in the place and stead of the previous draft of an ordinance for the same purpose submitted to the Municipal Assembly by this Board, and hereby withdraws the previous draft from any further consideration of the Municipal Assembly."

AN ORDINANCE regulating the cleaning of streets and sidewalks and keeping them clean and removing snow and ice therefrom in The City of New York.

Be it Enacted by the Municipal Assembly, as follows:

Section 1. No person or persons shall throw, cast or lay or direct, suffer or permit any servant, agent or employee to throw, cast or lay any ashes, refuse, garbage, manure, cinders, shells, straw, shavings, paper, dirt, filth or rubbish of any kind whatsoever in any street in The City of New York whether upon the roadway or sidewalk thereof, except that in the morning before 8 o'clock or before the first sweeping of the roadway by the Department of Street Cleaning, dust from the sidewalk may be swept into the gutter, if there piled, but not otherwise and at no other time.

The willful violation of any of the foregoing provisions of this section shall be, and is hereby declared to be a misdemeanor and shall be punished by a fine of not less than one dollar nor more than ten dollars or by imprisonment for a term of not less than one nor more than five days.

Sec. 2. No person other than an authorized employee or agent of the Department of Street Cleaning shall disturb or remove any ashes, garbage or light refuse or rubbish placed by householders or their tenants or by occupants or their servants within the stoop or area line or in front of houses or lots for removal.

Sec. 3. No person not properly authorized to sprinkle the streets shall throw, pour or deposit any water or other liquid on any part of the street, avenue or public place, except in the side gutters thereof.

Sec. 4. It shall be the duty of all persons and corporations engaged in sprinkling the streets of The City of New York to use on asphalt pavement a quantity of water sufficient thoroughly to wash off and clean the same, and on all other pavements to use not more water than shall be sufficient to lay the dust thereon.

Sec. 5. No one being the owner, driver, manager or conductor of any cart or other vehicle, or of any receptacle, shall scatter, drop or spill, or permit to be scattered, dropped or spilled, any dirt, sand, gravel, clay, loam, stone or building rubbish, or hay, straw, oats, sawdust, shavings or other light materials of any sort, or manufacturing, trade or household waste, refuse, rubbish of any sort, or ashes or manure, garbage or other organic refuse or other offensive matter therefrom, or permit the same to be blown off therefrom by the wind, in or upon any street, avenue or public place.

Sec. 6. No person shall throw, cast or distribute in or upon any of the streets, avenues or public places, any hand-bills, circulars, cards or other advertising matter whatsoever.

Sec. 7. No person shall set out beyond the stoop or area line any receptacle for garbage, ashes or other refuse matter, or cause or suffer to be set out such receptacle more than one-half hour before the time designated for the arrival of the carts of the Department of Street Cleaning, except in boroughs or portions of boroughs where the manner of collecting such garbage, ashes or other refuse matter is provided to be done otherwise by contract.

Sec. 8. Every owner, lessee, tenant or occupant or other person having charge of any building or lot of ground in the city abutting upon any paved street, avenue or public place, shall before ten o'clock in the forenoon after any snowfall remove the snow and ice from the sidewalk or gutter; provided, however, that such removal shall in all such cases be made before the removal of snow and ice from the roadway by the Commissioner of Street Cleaning, or subject to the regulations of said Commissioner of Street Cleaning for the removal of snow and ice.

Sec. 9. In case the snow and ice on the sidewalk shall be frozen so hard that it cannot be removed without injury to the pavement, the owner, lessee, tenant, occupant or other person having charge of any building or lot of ground as aforesaid, shall within the time specified in the last preceding section cause the sidewalk abutting on the said premises to be strewn with ashes, sand, sawdust, or some similar suitable material and shall, as soon thereafter as the weather shall permit, thoroughly clean said sidewalk.

Sec. 10. Whenever any owner, lessee, tenant, occupant or other person having charge of any building or lot of ground abutting upon any paved street, avenue or public place, shall fail to comply with the provisions of any ordinance of the city for the removal of snow and ice from the sidewalk or gutter in the street, on the side of the street, on which said building or lot abuts, the Commissioner of Street Cleaning may cause such removal to be made, and thereupon the expense of such removal as to each particular lot of ground shall be ascertained and certified by the said Commissioner of Street Cleaning to the Comptroller of the city, and the Board of Estimate and Apportionment may authorize such additional expenditures as may be required for the said removal of such snow and ice to be paid out of any appropriation made for any purpose of the Department of Street Cleaning; and the Comptroller shall raise the amount of such additional expenditures by the issue and sale of revenue bonds, as provided by law, and shall place the amount so raised in the credit of the Department of Street Cleaning to supply the deficiency occasioned by such additional expenditure; the term lot as used in this section shall intend and mean a space not to exceed twenty-five feet in width fronting on the street, avenue or public place upon which the violation is charged to have been permitted or committed.

Sec. 11. It shall be the duty of the Commissioner of Street Cleaning immediately after every snow fall, or the formation of ice on the crosswalks or in the culverts of paved streets, avenues or public places, forthwith to cause the removal of said snow and ice from the said crosswalks and culverts, and to keep the crosswalks and culverts aforesaid clean and free from obstruction.

Sec. 12. Every street railroad corporation shall remove all the snow and ice from its tracks and the spaces between, and shall not throw the same on either side thereof, and shall immediately carry away and dispose of the same under the direction of the Commissioner of Street Cleaning, under a fine of one hundred dollars for every city block in length in which the said corporation shall fail to so remove and dispose of the same, as aforesaid; provided, however, that for the more speedy and effective removal of snow and ice from the paved streets, avenues and public places of the city, the Commissioner of Street Cleaning shall have power and authority to enter into agreements for the entire winter season, or part thereof, with any street surface railroad or other railroad having tracks in the city for the removal of snow and ice for the entire width of the street, avenue, or public place, from house-line to house-line at any part of the route of the said railroad, provided, that nothing in said agreements shall be inconsistent with any law of the State of New York, or with any right of The City of New York.

Sec. 13. (a) It shall not be lawful for any surface railroad company, or other company, or any corporation or person whatever, or the officers, agents or servants thereof, to cause or allow any snow-plow, sweeping machine or other similar instrument to pass over the tracks or lines used by them within the limits of the city unless by the written permit of the Commissioner of Street Cleaning; any violation of this section shall be punished by a fine not exceeding one hundred dollars for each such offense.

(b) No such permit or renewal thereof shall be granted except upon the condition and agreement upon the part of the company applying for such permit or renewal, that the party to whom the said permit has been granted shall and will, at its own expense, promptly remove and carry away the snow thrown up by such plow or machine and that such snow-plow, sweeping machine or other instrument shall be so constructed as not to throw any slush or snow upon the sidewalks or buildings, under a penalty of ten dollars for every house or sidewalk in front thereof upon which slush or snow shall be thrown.

(c) No such permit or renewal shall be granted unless the party to whom granted shall expressly covenant, stipulate and agree that in case of its failure, neglect or omission to promptly remove and carry away the snow and ice thrown up by such snow-plow or other instrument, then the same may be removed under the direction of the Commissioner of Street Cleaning, and the expense of removing the same shall be paid by the said party to the said Commissioner on demand, and the Board of Estimate and Apportionment may authorize that the amount or amounts of money so paid shall be credited to the appropriation of the Department of Street Cleaning for the removal of snow and ice.

(d) In case of neglect or refusal or omission of the party to whom such permit may be granted promptly to remove and to carry away the snow and ice thrown up by such plow or other instrument, then the Commissioner of Street Cleaning may forthwith cause the same to be removed at the public expense, and all expenditures made or incurred therefor shall be chargeable upon the party so neglecting, refusing or omitting to perform its agreement, and shall be recoverable by an action at law on behalf of The City of New York.

Sec. 14. Any person violating any provision or regulation hereof shall be deemed guilty of a misdemeanor, and upon conviction thereof by any magistrate, either upon confession of the party or competent testimony, may be fined for such offense any sum not less than one dollar and not exceeding ten dollars, except as herein otherwise provided; and in default of payment of such fine, may be committed to prison by such magistrate until the same be paid, but such imprisonment shall not exceed ten days.

Sec. 15. All ordinances of the former municipal and public corporations consolidated into The City of New York, regulating the cleaning of streets and keeping them clean, and the removal of snow and ice from the streets in The City of New York, and all other ordinances or parts thereof inconsistent herewith, are hereby repealed.

Sec. 16. This ordinance shall take effect immediately.

SUPREME COURT OF THE STATE OF NEW YORK—COUNTY OF NEW YORK.

The People of the State of New York on the relation of Francis Sullivan

against

Randolph Guggenheimer, President of the Municipal Council of The City of New York; Thomas F. Woods, President of the Board of Aldermen of The City of New York et al.

On the petition of Francis Sullivan herein, and on the affidavit of Thomas C. Ennever, let Randolph Guggenheimer, President of the Municipal Council of The City of New York, and all others members of said Council, and Thomas F. Woods, President of the Board of Aldermen of The City of New York, and all other members of said Board of Aldermen, show cause before me, or one of the Justices of the Supreme Court of the State of New York, at a Special Term of said Court (Part I.) to be held in the County Court-house, in the Borough of Manhattan, County of New York, on the 26th day of October, 1900, at 10.30 o'clock in the forenoon, or as soon thereafter as counsel can be heard, why a peremptory writ of mandamus should not be issued out of this Court, and under the seal thereof, directed to said Randolph Guggenheimer, President of the Municipal Council of The City of New York, and each and every other member of said Municipal Council, and to Thomas F. Woods, President of the Board of Aldermen of The City of New York, and each and every other member of said Board of Aldermen, commanding them and the respective boards composing the Municipal Assembly of The City of New York to forthwith meet and by resolution or ordinance in due form concur in the resolution adopted by the Board of Estimate and Apportionment of The City of New York, authorizing the Comptroller of The City of New York to issue Corporate Stock of The City of New York in manner provided by section 169, chapter 378, Laws of 1897, to the amount of four hundred and eighty-seven thousand dollars (\$487,000), to meet the estimated expense of executing the contract referred to in said petition awarded to P. And sufficient reason appearing, therefore it is ordered that a copy of the petition and of this order to show cause may be served on or before the 24th instant, and that such service will be sufficient.

Dated October 23, 1900.

SUPREME COURT OF THE STATE OF NEW YORK—COUNTY OF NEW YORK.

The People of the State of New York on the relation of Francis Sullivan

against

Randolph Guggenheimer, President of the Municipal Council of The City of New York; Thomas F. Woods, President of the Board of Aldermen of The City of New York, et al.

County of New York, ss:

Thomas C. Ennever being duly sworn says, that he is one of the firm of Ennever & Trautmann, attorneys for the petitioner herein.

That no previous application has been made for the annexed order.

That deponent desires an order to show cause herein, returnable less than five days, for the reason that the exchange of contracts for the erection of Girls' High School Building, as mentioned in the petition, cannot be made until after the resolution shall have been passed by the Municipal Assembly, authorizing the issuance of Corporate Stock, and this fact delays the erection of the building, and that the Municipal Assembly and each branch thereof meets on Tuesday, 30th inst., and that it is highly important that the resolution should be passed at least as early as that meeting.

Sworn to before me this 23d day of October, 1900.

To the Supreme Court of the State of New York:

The petition of Francis Sullivan, by Ennever & Trautmann, his attorneys, respectfully shows to this Court:

First—That your petitioner now is, and was at all times hereinafter mentioned, the owner of real property assessed in The City of New York; that the sum of his assessments amounts to more than two thousand dollars, and that he is liable to pay taxes upon such assessment or assessments in said city and has been assessed as a taxpayer upon said amount, and is authorized to pay taxes therein, and is now a taxpayer in said city and resides in the Borough of Bronx in the said City of New York.

Second—That The City of New York is a domestic municipal corporation, and that the Municipal Assembly of The City of New York was created in and by the Laws of the State of New York, to wit, Laws of 1897, chapter 378, and that the said Municipal Assembly is composed of two houses, one of which is known as the Council of The City of New York and the other is known as Board of Aldermen of The City of New York, and that the rights and duties of the said Municipal Council and the members thereof are set forth and created and regulated in and by the said Laws of the State of New York and the various amendments thereto.

Third—That among other provisions of the said law is provided as follows:

"Section 59. The municipal assembly and the several members thereof, and all officers and employees of the city are hereby declared trustees of the property, funds and effects of said city respectively, so far as such property, funds and effects are or may be committed to their management or control, and every person residing in said city, when authorized to pay taxes therein and who shall pay taxes therein is hereby declared to be a cestui que trust in respect to the said property, funds and effects, respectively; and any co-trustee or any cestui que trust shall be entitled, as against said trustees, and in regard to said property, funds and effects, to all the rights and privileges provided by law for any co-trustee or cestui que trust to prosecute and maintain any action to prevent waste and injury to the property, funds and estate held in trust. Such trustees are hereby made subject to all the duties and responsibilities imposed by law on trustees, and such duties and responsibilities may be enforced by the city or any co-trustee or cestui que trust aforesaid."

Fourth—That heretofore, pursuant to a resolution of the Board of Education of The City of New York, the Committee on Buildings of said Board were authorized to advertise for twelve days in the City Record for proposals for erecting a new building for Girls' High School, One Hundred and Fourteenth and One Hundred and Fifteenth streets, between Seventh and Eighth avenues, Manhattan.

Fifth—That said Board of Education were duly authorized and were the proper local authorities to cause the erection of said school building, and the property upon which said building was proposed to be erected was the property of The City of New York.

Sixth—That, pursuant to said authority and resolution, the said Committee on Buildings did advertise in the City Record, which was the official paper of The City of New York, in which paper notices to be published in behalf of The City of New York were required by law to be published, and that said notice was, pursuant to said resolution and the laws of the State of New York in such cases made and provided, published for twelve days; that said notice was in due form of law and required that sealed proposals for the erection of such High School should be delivered to the Committee on Buildings of the Board of Education of The City of New York, at the Hall of the Board, southwest corner of Park avenue and Fifty-ninth street, Borough of Manhattan, until 4 o'clock P. M. on Monday, June 25, 1900.

Seventh—That said notice was so published for twelve days prior to said June 25, 1900.

Eighth—That the Comptroller of The City of New York was duly notified of the limit of opening bids as required by ordinance made in such cases.

Ninth—That on said June 25 at the hour named in said notice the bids for the erection of said Girls' High School were opened, and that one Patrick J. Walsh was the lowest bidder, the amount of his bid being four hundred and eighty-seven thousand (\$487,000) dollars, such bid having been received from him and it complying with all the requirements of the notice, and he having deposited with said bid a certified check for ten thousand (\$10,000) dollars as required by said notice, and also having furnished the securities as required in such cases, and bid being in all respects correct in form.

Tenth—That after all of said bids had been opened the said Committee by vote awarded to the said Patrick J. Walsh, the said lowest bidder, the contract for erecting said building for the sum of four hundred and eighty-seven thousand (\$487,000) dollars.

Eleventh—That the form of the contract to be signed by the contractor was annexed to his estimate or bid, and all the terms and provisions thereof were settled and agreed upon by the parties in advance, the only provision to be inserted being the amount of the contract and the name of the contractor and his securities.

Twelfth—That thereafter, to wit, on June 27, 1900, the said Building Committee reported to and at a meeting of the Board of Education of The City of New York the said report of said Building Committee, reporting the names of the bidders and the amounts of their several bids for the erection of the Girls' High School, showing that Patrick J. Walsh was the lowest bidder for the erection of said school, and thereupon said Board of Education duly passed a resolution reading as follows:

"Resolved, That, subject to the approval of the Board of Estimate and Apportionment, the sum of four hundred and eighty-seven thousand dollars (\$487,000) be and the same is hereby appropriated from the proceeds of High School Bonds, to be issued by the Comptroller, pursuant to chapter 412 of the Laws of 1897, application for the issue of which is hereby made, said sum to be applied in payment of the contract to be entered into by the Committee on Buildings, for and on behalf of the Board of Education of The City of New York, with P. J. Walsh, contractor, for erecting new building for the Girls' High School, Borough of Manhattan, requisition for said sum being hereby made upon the Comptroller.

"But no part of said appropriation authorized by this resolution to be paid until the Committee on Buildings shall have filed the contract to be entered into by it, for and on behalf of the Board of Education of The City of New York, with the contractor named, to whom the award is hereby made; said contract to be in such form and with such security for the faithful performance of the same as shall be satisfactory to the Committee on Finance; the rules of this Board in regard thereto and as to the payments to be made on account thereof to be complied with."

Thirteenth—That thereafter, to wit, on July 24, 1900, the Board of Estimate and Apportionment of The City of New York adopted a resolution, as follows:

"Resolved, That, pursuant to the provisions of chapter 412 of the Laws of 1897, the Board of Estimate and Apportionment hereby approves of the requisition of the Board of Education, by resolution adopted June 27, 1900, for four hundred and eighty-seven thousand dollars (\$487,000), to provide for the payment of the contract to be entered into by the Committee on Buildings, for and on behalf of the Board of Education of The City of New York, with P. J. Walsh, contractor, for erecting new building for the Girls' High School, Borough of Manhattan; and for the purpose of providing means therefor be it further

"Resolved, That, subject to concurrence herewith by the Municipal Assembly, the Comptroller be authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of chapter 378 of the Laws of 1897, to the amount of four hundred and eighty-seven thousand dollars (\$487,000)."

Fourteenth—That thereafter, to wit, prior to August 7, 1900, a true copy of the resolution last mentioned was forwarded to the Municipal Assembly of The City of New York, and to each board thereof, and was on or about the 7th day of August, 1900, presented to the Municipal Council of The City of New York, and on July 31, 1900, to the Board of Aldermen of The City of New York, and, as your petitioner is informed and believes, was by each of said Boards referred to one of its committees, to wit, the Committee on Finance. And that on or about September 25, 1900, said Committee of the Board of Aldermen reported favorably thereon.

Fifteenth—Your petitioner is informed and believes that said boards have not taken any further or other action upon said resolution, and have not concurred therein, although they have been frequently requested so to do and to take action thereon.

Sixteenth—That, as your petitioner is informed and believes, pursuant to the Laws of the State of New York, to wit, chapter 378, Laws of 1897, the Comptroller of The City of New York cannot issue the Corporate Stock of The City of New York in the manner provided by section 169, chapter 378, Laws of 1897, until the said Municipal Assembly shall have concurred in said resolution last mentioned, and that pursuant to section 149, of the said chapter 378, Laws of 1897, the Comptroller of The City of New York cannot make an indorsement upon the contract that there remains unexpended and unapplied a balance of the appropriation or fund applicable thereto sufficient to pay the estimated expense in executing such contract, as certified by the officer making the same; and until such indorsement shall have been made no contract shall be of binding force, as provided in said section last mentioned.

Seventeenth—That by chapter 412 of the Laws of 1897, the Comptroller of The City of New York was authorized, upon the application of the Board of Education of said city, and upon the approval of a majority of the Board of Estimate and Apportionment of said city, to issue additional bonds, over and above the amounts theretofore authorized, to an amount not exceeding two million five hundred thousand dollars (\$2,500,000) par value, to be known as High School Bonds, said act providing that such school bonds shall be issued from time to time as they may be required by said Board of Education, and to be used in the purchase of sites and erection of high school buildings. That all powers of the Board of Education of the then City of New York have become vested in the Board of Education of the present City of New York, and by the Charter of The City of New York, to wit, chapter 378, Laws of 1897, Corporate Stock was to be issued instead of bonds, but cannot be issued without the concurrence of the Municipal Assembly as hereby alleged.

Eighteenth—That, as appears from the records of the Board of Education, there remains unexpended a large balance of said two million five hundred thousand dollars authorized by said

chapter 412 of the Laws of the State of New York, 1897, to wit, an amount exceeding one million five hundred thousand dollars (\$1,500,000).

Nineteenth—That by reason of the failure of the said Municipal Assembly and the members thereof to pass said resolution concurring therein, the work upon said contract for the erection of said school has been greatly delayed, and will be further delayed, to the great inconvenience and annoyance of the people of The City of New York, including your petitioner.

Wherefore your petitioner prays that a peremptory writ of mandamus issue out of and under the seal of this Court to each of the persons named in the second paragraph of this petition, commanding them to forthwith meet and by resolution or ordinance in due form concur in the resolution adopted by the Board of Estimate and Apportionment aforesaid authorizing the Comptroller of The City of New York to issue Corporate Stock of The City of New York, in the manner provided by section 169, chapter 378 of the Laws of 1897, to the amount of four hundred and eighty-seven thousand dollars (\$487,000), to meet the estimated expense of executing such contract as awarded to P. J. Walsh, as hereinbefore mentioned, and that your petitioner may have such other or further relief as may be proper, and your petitioner will ever pray.

Dated October 23, 1900.

COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICERS.

The President laid before the Board the following communication from the Comptroller:
No. 1677.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,
October 26, 1900.

Hon. THOMAS F. WOODS, President, Board of Aldermen:

DEAR SIR—As directed by the Commissioners of the Sinking Fund, I transmit herewith copies of a report by the Engineer of the Department of Finance, and an opinion of the Corporation Counsel relative to the lease of premises Nos. 794 and 796 Broadway, Borough of Brooklyn, occupied by the Second District Municipal Court of the Borough of Brooklyn.

Respectfully,

EDGAR J. LEVEY,

Secretary, Commissioners of the Sinking Fund.

OCTOBER 6, 1900.

Hon. BIRD S. COLER, Comptroller:

SIR—Hon. Gerard B. Van Wart, Justice of the Second District Municipal Court, Borough of Brooklyn, in a communication under date of October 1, 1900, states:

"Some time ago I wrote you a letter requesting that the premises at No. 794 Broadway, Borough of Brooklyn, be not again leased by the Commissioners of the Sinking Fund of The City of New York for the uses of the Second District Municipal Court of that borough, in which letter I called your attention to the fact that the rent now and heretofore paid by the City for the uses of the alleged court-room used by that court was greatly in excess of the rental value of the premises, being four times as much as the owner was receiving for similar rooms in the same building.

"I have been informed recently by the owner of the building, one August Grill, that the Commissioners of the Sinking Fund were about to rehire the premises for a term of four years at the present exorbitant rent.

"Passing for the present all questions other than the rental value of the premises, I desire to place myself on record as having protested against the City being compelled to pay for these premises the sum of \$1,200 or more, when the rental value thereof, as fixed by the rental of similar premises in the same building, is only \$288 per year and not \$1,200 per year. I desire to call your attention to this fact forcibly and pointedly, that I may in no way be held responsible by the public for the payment of an exorbitant rent for unsuitable premises.

I write you this letter feeling that you are as anxious to protect the City from unfair and improper expenditure of money as I am, and trusting that if these premises are rehired for the uses of the court that no larger rental will be paid than could be procured by the landlord from individual tenants.

"I shall mail a similar letter to this to each member of the Sinking Fund Commission, and in order that my position in the matter shall not be misunderstood by the public, shall forward a copy of this letter to each newspaper published in The City of New York, with a request that the same be published."

In reply thereto, I beg to report as follows:

On September 11, 1899, the Commissioners of Public Buildings, Lighting and Supplies called attention to the fact that the lease of the premises Nos. 794 and 796 Broadway, Borough of Brooklyn, used and occupied for the purposes of the Second District Municipal Court, Borough of Brooklyn, would expire on the first day of November following.

This lease was made by the former City of Brooklyn for a term of five years from November 1, 1894, at an annual rental of \$1,250.

In accordance with this information, I caused an examination to be made of the premises and conferred with Judge Van Wart in reference to a renewal of the lease. The Judge, at that time, stated that the accommodations were insufficient, and I requested him to consult with the Deputy Commissioner of Public Buildings, Lighting and Supplies in the Borough of Brooklyn, and make such suggestions as to other available quarters which might be leased, and that would be suitable and satisfactory for court purposes.

I waited some time for a reply, and was finally told that Judge Van Wart had no recommendations to make in regard to the matter, and as from the report made to me, I considered the rent of the premises excessive, I sent for the owner, Mr. August Grill, of No. 734 Wiloughby avenue, Brooklyn, to see what arrangements could be made for a renewal of the lease.

To overcome the Judge's objection that the quarters were insufficient, the owner offered to increase the premises leased, by the addition of an adjoining flat, increasing the amount of space by one-third of the amount then leased; to fit these premises up to the satisfaction of the Court, by the removal of partitions, etc., and to renew the lease for a term of one year, at a rental of \$1,000 per annum.

In my report on this, dated October 3, 1899 (see minutes of the Sinking Fund, October 3, 1899, page 410), I stated that:

"I consider this offer by far in excess of a reasonable rental, but the owner's claim that the presence of the Court depreciates the rental value of stores and remaining flats in the building must be considered."

Again, the time was so short before the expiration of this lease, in which to secure other quarters, that I deemed it advisable for the Sinking Fund Commissioners to authorize a renewal on the terms offered, rather than let this matter stand until after November 1, when by virtue of the occupation of the premises, the City could have been held as a hold-over tenant under the terms of the old lease.

In accordance with my report, the Commissioners of the Sinking Fund on October 9, 1899, authorized a renewal of the lease on the new terms proposed, for one year.

Under date of June 19, 1900, Judge Van Wart requested the Commissioners of the Sinking Fund to lease a church building on the east side of Bridge street, 150 feet south of Myrtle avenue, for a term commencing November 1, 1900, at an annual rental of \$3,000.

This matter was the subject of an examination and report by me on July 16, 1900 (see Sinking Fund, Minutes, July 24, 1900, page 318), in which I stated after consultation with the representatives of the church, that they had agreed to make a lease for a term of five years, exterior of the building, and make other necessary repairs. This offer I considered reasonable and fair.

In Judge Van Wart's letter, a point of law was raised regarding the designation of the premises for court purposes, and the matter was referred to the Corporation Counsel for an opinion.

At the present time, I am not aware that any opinion has been rendered by the Corporation Counsel. All of which is respectfully submitted.

(Signed) EUG. E. McLEAN, Engineer.

LAW DEPARTMENT,
OFFICE OF THE CORPORATION COUNSEL,
NEW YORK, October 18, 1900.

Hon. EDGAR J. LEVEY, Secretary, Commissioners of the Sinking Fund:

SIR—I am in receipt of your two communications, bearing date August 2 and October 9, 1900, respectively, in reference to the premises to be used by the Municipal Court of The City of New York, for the Second District, Borough of Brooklyn, which said Court is now held on the second floor of a tenement-house at No. 794 Broadway, Borough of Brooklyn, the lease of which expires on the first proximo.

In your communication of August 2, you inclosed a copy of a letter from the Honorable G. B. Van Wart, Justice of said court, in which he requests the Commissioners of the Sinking Fund to lease the building formerly occupied as a church, located on the east side of Bridge street, about 150 feet south of Myrtle avenue, Borough of Brooklyn.

After advancing reasons why it would be to the advantage of litigants in that district that the last-mentioned property should be leased, Justice Van Wart goes on to say:

"The undersigned further desires to call the attention of the Commissioners of the Sinking Fund to the sections of the Charter empowering such Commissioners to make a lease of the building heretofore referred to, without any action on the part of the Municipal Assembly. Section 54 of the Charter provides that the Municipal Assembly may assign the places where the several municipal courts shall be held at each district, except as otherwise provided by law. Section 1371 of the Charter provides that the Municipal Court shall be held in each district at places provided by the Municipal Assembly. Section 217 of the Charter, however, provides that applications must be presented to the Sinking Fund Commissioners, and that said Commissioners may authorize the lease of such premises as are set forth in their resolution."

"It is apparent that the provisions of section 1371 of the Charter, authorizing the Municipal Assembly to provide places for holding municipal courts are without force or effect, for the reason that the Municipal Assembly has no power to make leases and therefore cannot provide any building.

"The provisions of section 54, providing that the Municipal Assembly may assign the places except as otherwise provided by law, clearly places it in the power of the Commissioners of the

Sinking Fund, in their discretion, to lease premises for such purposes, being within the exception covering this case. If it were otherwise, the Municipal Assembly might continuously designate a place for the holding of the courts that the Commissioners of the Sinking Fund could continuously refuse to lease, thus making a conflict of power, not intended by the Charter."

The point raised by Judge Van Wart was referred to me for an opinion thereon.

Upon examining the sections of the Charter referred to in Judge Van Wart's letter, I am obliged to say that I find it quite impossible to concur with him.

I incline to the opinion that under sections 54 and 1371 of the Charter, the power to designate where a Municipal Court shall be held is lodged in the Municipal Assembly, and that when a lease for such purposes is to be authorized by the Sinking Fund Commissioners, its first duty is to inquire if the premises so to be leased have been designated for that purpose by the Municipal Assembly. Of course, if upon proper application the Municipal Assembly should refuse or neglect to make such designation another question would arise which is not now before me.

Respectfully yours,

(Signed) JOHN WHALEN, Corporation Counsel.

No. 1700.

By Alderman Wafer—
Whereas, The Brooklyn water front for a distance of over two miles along Buttermilk Channel has for many years, with its warehouses and wharves, constituted a great terminal for the commerce of this port, upwards of ten million tons of cargo, valued at over three hundred and fifty million dollars, being annually received and shipped at this point; and

Whereas, It has always been the policy of the Federal Government to continually improve this important channel, in order to keep pace with the constantly growing necessities of the port; and

Whereas, The depth of water is now insufficient for the larger class of vessels now using this channel, and large steamships are unable to dock and depart, except at high water, resulting in great loss of time by detention, and safe navigation to and from sea is not insured; and

Whereas, It is desirable that the commerce of the future should be enabled to avail of all the facilities afforded by such terminal, to its own benefit and the advancement of the interests connected with and affected by the development of the Brooklyn water front; and

Whereas, The Government of the United States has wisely projected an improvement of Bay Ridge and Red Hook channels so as to accommodate vessels of the largest size which may enter this port; and

Whereas, Buttermilk Channel, if maintained in its present condition, will, by reason of inferior width and depth, exclude the Brooklyn water front from participating in the advantages to be derived from this projected improvement; now therefore be it

Resolved, That it is advisable and necessary for the good of the commerce of this port and for the material welfare and prosperity of the Brooklyn water front and the manifold and important interests dependent thereon and affected thereby, that Buttermilk Channel be improved so as to obtain a channel of the same width and depth as those contemplated by the project adopted for Bay Ridge and Red Hook channels, namely, 1,200 feet wide and 40 feet deep at mean low water.

And this body most earnestly urges upon Congress the passage of such measures as will efficiently and promptly secure this desired end, and the members of Congress from the Greater City of New York are earnestly requested to use their best efforts to accomplish this important undertaking in behalf of the city.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

The time allowed to complete the whole work is FIFTY (50) working days.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed with the title given above, of the work for which the estimate is made, with his or their name or names and the date of presentation, to the head of said Department, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, or of a guaranty or surety company duly authorized by law to act as a surety, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded as any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the same within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and let as provided by law.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

THE COMMISSIONER RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE INTERESTS OF THE CITY.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the amount of Five Hundred Dollars (\$500) on Item 1; the sum of Five Hundred Dollars (\$500) on Item 2; the sum of Eight Hundred Dollars (\$800) on Item 3; the sum of One Thousand Dollars (\$1,000) on Item 4; and the sum of One Thousand Dollars (\$1,000) on Item 5.

Each bid or estimate shall contain and state the name and place of residence or place of business of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or of a guaranty or surety company duly authorized by law to act as surety in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required or of the materials to be furnished, bidders are referred to the printed specifications and the plans. The Board of Public Charities reserves the right to reject all bids or estimates if deemed to be for the public interest.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

The said work to be completed in 60 days.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the amount of Five Hundred (\$500) Dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. When more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by the Revised Ordinances if the contract shall be awarded to the person or persons for whom he consents to become surety. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.
