The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA) Department of Consumer Affairs (DCA)

Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH)

ILLEGAL GUN MARKET STUDY - Negotiated Acquisition - Other -PIN# 00215MOCJ011 - Due 8-18-15 at 11:59 P.M.

MOCJ proposes a multifaceted effort to provide a detailed account of the varied transactions that comprise the supply lines of illegal guns to criminals in New York City. Identifying effective and feasible evidence-based approaches to disrupt these illegal transactions is thus a critical challenge in curbing gun violence. This project seeks to conduct research into the structure and dynamics of illicit firearms transactions in New York City, to ascertain how best to disrupt them. The research is intended to provide guidance in setting priorities in prosecutions, design undercover operations against gun transactions, craft new regulations, and related actions, all with the ultimate purpose of reducing gun violence.

The negotiated acquisition procurement has been chosen due to the limited number of vendors available and able to perform the work in accordance with PPB 3-04(b)(2)(ii). MOCJ will continue to accept expressions of interest to the extent required by the City of New York Procurement Policy Board Rules.
