This rule was not included in the agency's 2011-2012 regulatory agenda.

Statement of Basis and Purpose of Proposed Rule

Statutory Authority

This rule is promulgated pursuant to the authority of the City Planning Commission under Sections 192 and 1043 of the New York City Charter and pursuant to Section 81-744(a)(5) of the Zoning Resolution. Section 81-744 of the Zoning Resolution requires that every three to five years the City Planning Commission must review and adjust the contribution amount that is required in conjunction with transfers of development rights from listed theaters in the Theater Subdistrict. Such adjustment must specifically reflect the change in assessed value of all properties on zoning lots wholly within the Theater Subdistrict. This rule is exempt from Local Law 46 of 2010 pursuant to section 1043(d)(4)(iii) of the New York City Charter.

$Statement\ of\ Purpose$

In accordance with Section 81-744 of the Zoning Resolution, the City Planning Commission shall allow the transfer of development rights from listed theaters in the Theater Subdistrict by certification or authorization. Certification or authorization shall be granted, provided that, among other requirements, the appropriate legal documents are executed ensuring that a contribution in an amount, which is presently established to be \$14.91 per square foot of transferred floor area, is deposited in the Theater Subdistrict Fund. The City Planning Commission is required to periodically review the contribution amount and to adjust such amount to reflect any change in the assessed value of all properties on zoning lots situated entirely within the Theater Subdistrict.

Based on data provided by the New York City Department of Finance ("DOF"), it was determined that from 1998 to 2006 the assessed value of all properties situated entirely within the Theater Subdistrict increased 49.06% per square foot. Accordingly, a 2006 rule increased the required Theater Subdistrict Fund contribution from \$10.00 to \$14.91 per square foot of development rights transferred from designated theaters.

Based on DOF data, it has been determined that from 2006 to 2011 the assessed value of all properties situated entirely within the Theater Subdistrict has increased 18% per square foot. DOF data shows that in 2006, the total built floor area of the Theater Subdistrict was 81,642,687 square feet, the total assessed value of such properties was \$8,621,852,552, and therefore the total assessed value per square foot was \$105.60. DOF data also shows that in 2011, the total built floor area in the Theater Subdistrict was 95,701,919 square feet, the total assessed value of such properties was \$11,926,866,079, and therefore the total assessed value per square foot was \$124.63. Given that the assessed value of all properties has increased \$19.02 per square foot or 18% from 2006 to 2011, the proposed rule would correspondingly increase the required Theater Subdistrict Fund contribution by 18%, from \$14.91 to \$17.60 per square foot of development rights transferred from the listed theaters

All DOF data referenced above is on file at the Department of City Planning and available for public inspection between the hours of 9:00 A.M. and 5:00 P.M. at 22 Reade Street, New York, NY 10007, by contacting the Records Access Officer at (212) 720-3208.

Summary of Provisions

The proposed rule amends Section 3-08 of Subchapter C of Chapter 3 of Title 62 of the Rules of the City of New York to provide that a contribution of \$17.60 per square foot must be made in conjunction with development rights transferred from the listed theaters.

Material to be deleted is enclosed in [brackets] and material to be added is <u>underlined</u>.

Section 1. Section 3-08 of Subchapter C of Chapter 3 of Title 62 of the Rules of the City of New York is amended to read as follows:

SUBCHAPTER C. CONTRIBUTIONS

§3-08. Contributions to Theater Subdistrict Fund Pursuant to Section 81-744 of the New York City Zoning Resolution.

Contributions to the Theater Subdistrict Fund pursuant to Section 81-744 of the New York City Zoning Resolution shall be made in an amount equal to \$[14.91]17.60 per square foot of floor area transferred.

PUBLIC HEARINGS

On behalf of THE CITY COUNCIL NOTICE OF A PUBLIC HEARING

The City Council, by resolution adopted on October 5, 2011, set October 17, 2011 as the date, 10:00 A.M. as the time, and the City Council Hearing Room, 16th Floor, 250 Broadway, New York, New York 10007, as the place for a public hearing (the "Public Hearing") to hear all persons interested in the proposed legislation which would establish the Westchester Square Business Improvement District (the "District") in the Borough of the Bronx. The District shall be established in accordance with a district plan (the "District Plan") on file at

the Office of the City Clerk. The City Council has authorized the New York City Department of Small Business Services to publish, on its behalf, this notice of the Public Hearing containing the information required by Section 25-406(c) of the Administrative Code of the City of New York and summarizing the resolution adopted.

The District Plan was submitted to, and reviewed by, the City Planning Commission and Bronx Community Boards Number 10 and 11. The Community Boards and the City Planning Commission have approved the District Plan.

The District Plan provides that the proposed District shall generally include properties from Montgomery Place and East Tremont Avenue to the corner of Westchester Avenue and Seabury Avenue, across Westchester Avenue to Blondell Avenue, and back up East Tremont Avenue and Williamsbridge Road to Eastchester Road. The District also includes the properties in the triangular block in the middle of the District along East Tremont Avenue and Williamsbridge Road, and the properties on St. Raymond Avenue between these two streets. Services to be provided in the District shall include, but not be limited to: sanitation and street maintenance; security; marketing and promotion; holiday lighting; economic development & new initiatives; administration; and additional services required for the enjoyment and protection of the public and the promotion and enhancement of the District (hereinafter "Services"). Pursuant to the District Plan, capital improvements (hereinafter "Improvements") may include, but shall not limited to: sidewalk amenities to identify, enhance and beautify the District including plantings, trees and shrubs, sidewalk logos and banners; street and sidewalk amenities to improve pedestrian circulation and safety including surveillance cameras and monitoring equipment, street telephones and WIFI hot spots; signage and key building identification; benches and street furniture; parking facilities; information boards and kiosks; and stages for special events. The Improvements shall be implemented on an as-needed basis. During the existence of the BID, the maximum cost of the Improvements, if any, shall not exceed \$3,200,000. The District shall be managed by the Westchester Square District Management Association, Inc.

To defray the cost of Services and Improvements provided in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the Services and Improvements. Each property shall be assessed at a rate, determined annually by the Westchester Square District Management Association, Inc., to yield an amount sufficient to meet the District's annual budget. The annual budget for the District's first year of operation is \$320,000.

Those properties within the District which are devoted in whole or in part to retail, commercial or professional uses shall constitute Class A properties and shall be assessed in accordance with the following formula:

 $(\underline{Budget-Sum\ of\ [Corner\ Fees,\ Above\ Ground}$ Rate = Commercial, Residential, Vacant Lot Assessments]) (Total Class A Linear Front Feet)

Individual Assessment = Rate x Individual Property Front Feet

Properties with frontage on more than one block front shall pay an assessment based on the length of the longer frontage. Additionally, all properties in Class A located on corner lots shall be assessed an additional \$300, and properties with commercial uses above the ground floor shall be assessed an additional \$300 per annum. For the first contract year, the rate shall not exceed \$57 per linear front foot.

All properties devoted in whole to residential uses shall constitute Class B properties and shall be assessed at one dollar (\$1.00) per year.

All government and not-for-profit owned properties devoted entirely to public or not-for-profit use shall constitute Class C properties and shall be exempt from District assessment. Government or not-for-profit owned properties devoted in whole or in part to commercial or for-profit uses shall constitute class A property and the portion devoted to commercial/for-profit uses shall be assessed in the same manner as those properties listed as class A properties.

All vacant mid-block parcels zoned for commercial or mixeduse shall constitute Class D properties and shall be assessed at \$300 per year. All vacant corner parcels zoned for commercial or mixed-use shall be assessed at \$600 per year.

The amount, exclusive of debt service, assessed and levied in any given year against benefited real property within the District may not exceed twenty percent (20%) of the total general City taxes levied in such year against such properties.

Copies of the resolution adopted by the City Council, which include a copy of the District Plan, are available for public inspection from 9:00 A.M. to 4:00 P.M. Monday through Friday at the Office of the City Clerk located at 141 Worth Street, New York, New York 10013. In addition, copies of the resolution are available free of charge to the public at the Office of the City Clerk.

Any owner of real property, deemed benefited and therefore within the District, objecting to the District Plan, must file an objection at the Office of the City Clerk, on forms made available by the City Clerk, within thirty (30) days of the close of the Public Hearing concerning the establishment of the proposed District. If owners of at least fifty-one percent (51%) of the assessed value of benefited real property situated within the boundaries of the District proposed for establishment, as shown on the latest completed assessment roll of the City, or at least fifty-one percent (51%) of the owners of benefited real property within the area included in the District proposed for establishment file objections with the City Clerk, the District shall not be established.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

OLB/d other: (specify)

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
