### DEPARTMENT OF FINANCE.

#### WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE SATURDAY, FEBRUARY 17, 1917.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

## MUNICIPAL CIVIL SERVICE COMMISSION.

Minutes of Meeting of the Municipal Civil Service Commission of New York,  
Held Wednesday, January 3, 1917, at 10.30 o'Clock A. M.

Present—Dr. Henry Moskowitz, President; Darwin R. James, Jr., and Alexander Keogh, Commissioners. The President presided.

A public hearing was had on the proposed amendment of the classification of positions in the non-competitive class, under the heading "Positions in the Department of Correction, at compensations not exceeding the amounts set forth below," by including in Part I, the following:

*Baker, \$11.40 per annum, with maintenance.*  
*Medical Interne, \$600 per annum, with maintenance.*  
*Assistant Physician, \$600 per annum, with maintenance.*

—and by including in Part II the following:

*Nurse, \$600 per annum, with maintenance.*  
*Hospital Orderly, \$660 per annum, without maintenance.*  
*Hospital Orderly, \$420 per annum, with maintenance.*  
*Hospital Attendant, \$600 per annum, with maintenance.*  
*Hospital Attendant, \$720 per annum, without maintenance.*

Frederick T. Newell, Secretary of the Department of Correction, appeared in favor of the proposed amendment, but withdrew the request for the classification of the position of Nurse at \$600 per annum, with maintenance, in Part II of the non-competitive class. There were no other appearances, and the Chair declared the hearing closed.

The public hearing on the proposed amendment of the classification by including in the exempt class, under the heading "Municipal Court," the title "Private Secretary to the President of the Board of Justices," was postponed for one week.

The Commission then went into regular session and the minutes of the meetings held December 11 and 13 were approved.

On motion, it was

Resolved, That the Municipal Civil Service Classification be and the same hereby is amended by including in the Non-Competitive Class, Part I, under the heading "Positions in the Department of Correction, at compensations not exceeding the amounts set forth below," the following:

*With Maintenance.*  
*Baker, \$1,140 per annum.*  
*Assistant Physician, \$600 per annum.*

by including in the Non-Competitive Class, Part II, under the same heading, the following:

*Without Maintenance.*  
*Hospital Orderly, \$660 per annum.*  
*Hospital Attendant, \$720 per annum.*

*With Maintenance.*  
*Hospital Orderly, \$420 per annum.*  
*Hospital Attendant, \$600 per annum.*

and by changing the line "Medical Interne, \$360 per annum," in Part I, to read:

"Medical Interne, \$600 per annum (with maintenance)."

The following resolutions were adopted after a hearing of each of the candidates named therein:

Resolved, That the following names be and they hereby are removed from the list of persons disqualified for employment in the city service: Thoralf F. Hansen, 555 Westchester ave., Bronx; Luigi Rastelli, 13 Withers st., Brooklyn.

Resolved, That the disqualification appearing against the name of Henry A. Engel, 166 Nostrand ave., Brooklyn, on the eligible list of Fireman be and the same hereby is removed.

Resolved, That the following names be and the same hereby are removed from the eligible list of Patrolman under the provisions of clause 14 of Rule VII. and be placed upon the list of persons disqualified for employment in the City Service: Daniel J. Murphy, 181 York ave., New Brighton, N. Y.; John J. McNally, 116 Fourth pl., Brooklyn.

Nelson M. Haas, 25 Prospect st., Port Richmond, S. I., a candidate on the eligible list of Patrolman, appeared, as directed. The case was laid over.

Thomas F. Wilson, 691 E. 138th st., Bronx, failed to appear as directed in connection with his request that a mark of identification be removed from his papers in the examination for promotion to Stationary Engineer and the papers rated, and the Secretary was instructed to summon the candidate to appear at the next regular meeting of the Commission.

The Commission then took up the case of Henry Diamant, a candidate on the eligible list of Patrolman, which had been considered at a previous meeting. On motion, it was

Resolved, That the name of Henry Diamant, 525 Union ave., The Bronx, be and the same hereby is removed from the eligible list of Patrolman under the provisions of clause 14 of Rule VII. and placed upon the list of persons disqualified for employment in the city service.

Jean Gordon Ewing failed to appear, as directed, to show cause why her employment as Trained Nurse in the Department of Public Charities should not be terminated. The Secretary was instructed to summon the candidate to appear at the next regular meeting of the Commission and to inform her that her payroll would not be certified until she did appear before the Commission.

Upon the recommendation of the Acting Chief Examiner, in a report dated Dec. 29, it was

Resolved, That the promotion eligible list of Court Stenographer, Fourth Grade, Court of Special Sessions, be and the same hereby is promulgated.

The following reports were presented from the Acting Chief Examiner:

Report dated Dec. 27 recommending certification of the promotion list of Chief Parole Officer to the Parole Commission, from which to make an appointment to the position of Senior Parole Officer.

Report dated Dec. 22 recommending that the Commission approve the restoration of a salary of \$1,800 per annum of Louis S. Furchtenicht, Topographical Draftsman in the office of the President of the Borough of Manhattan, under the provisions of clause 24 of Rule XV.

Report, dated Dec. 27, recommending that the Commission deny the request of the Commissioner of the Department of Water Supply, Gas and Electricity that the names of Ernest Roehricht and John V. Powers be transferred from the promotion list for Second Grade Inspector of Meters and Water Consumption, Bureau of the Water Register, Manhattan, to a list for the Bureau of the Chief Engineer for the Borough of Manhattan and the Borough of The Bronx, respectively, for the reasons set forth in the report.

Report, dated Dec. 27, recommending that the Commission deny, for lack of power, the request of Robert Hurley that his name be placed upon the promotion list of Stationary Engineer in the Bureau of Public Buildings and Offices, Manhattan, from which it had been withheld for the reason that on the date of the mental examination he had lacked one day of the three years' service in the Labor Class required under the rules for promotion to the Competitive Class.

Report, dated Dec. 27, recommending that the application for promotion to Clerk, Third Grade, of Joseph J. Byrne, a Second Grade Clerk in the Department of Docks and Ferries, be amended to show his employment in the Bureau of Accounts instead of the Bureau of Engineering, he having been transferred to the former bureau since filing his application.

Report, dated Dec. 29, recommending that eligibility in the examination for promotion to Mechanical Engineer, Grade D, in the Division of Public Improvements, Board of Estimate and Apportionment, be extended to all Mechanical Draftsmen, Grade C, eligible.

Report, dated Dec. 26, recommending that an examination be ordered for promotion to the position of Clerk, Third Grade, in the Auditing Bureau, Division of Auditors and Examiners, Department of Finance, to be open to all Typewriter Accountants, Third Grade, and all Clerks, Second Grade, eligible.

Report, dated Dec. 30, recommending that the Commission deny the request of the Commissioner of Water Supply, Gas and Electricity for authority to change the title of William C. Quirk from Inspector of Gas and Electricity, Grade E, to that of Assistant Electrical Engineer, Grade E.

Report, dated Dec. 29, recommending that the Commission grant the request of the Commissioner of the Department of Street Cleaning for approval of the increase in salary to \$2,520 per annum and their assignment from part time to full time employment of the following-named Medical Examiners in his department: George C. Straub, L. A. Salisbury, R. P. Morrison, Robert B. Anderson, Joseph Weinberg, Leroy J. Smith.

Jaffray, a stenographer and typewriter in his department, under the provisions of clause 24 of Rule XV. The restoration in salary was approved.

A report, dated Dec. 29, was presented from the Acting Chief Examiner relative to the request of the Commissioner of Public Works, Richmond, to be informed whether Harry W. Decker, a Junior Draughtsman receiving a salary of \$1,140 per annum, was eligible for a salary of \$1,200 per annum, for which provision had been made in the budget for the year 1917 under the title of Junior Topographical Draughtsman. The Secretary was instructed to state that the said employee was ineligible for the proposed increase in salary for the reason that he had failed in the examination for promotion to Junior Topographical Draughtsman, had never received a salary of \$1,200 per annum and the eligible list from which he had been appointed had not been promulgated within four years.

A report, dated Dec. 22, was presented from the Acting Chief Examiner with reference to the request of the Commissioner of Public Charities for authority to assign Elizabeth M. Dinwiddie, a Social Investigator, to the position of Chief Social Investigator for a period of six months during the leave of absence of Victor S. Dodworth, the regular incumbent of the position. After consideration of the facts set forth in the report the assignment was approved for a period of six months.

Reports (Z-113 and B-87), dated Dec. 30, were presented from Mr. Fuld, Assistant Chief Examiner, stating that the efficiency reports of the Department of Education for the first and second quarters of 1916 had been prepared in accordance with the rules. The efficiency reports were approved.

Reports, dated Dec. 27, Dec. 29, Dec. 29, 1916, and Jan. 2, 1917, respectively were presented from the Certification Clerk, requesting approval of his action in certifying from the eligible lists of Attendant, Grade 1, Male, Inspector of Light and Power, Grade 2, Municipal Examiner (Pensions) and Mechanic (Elevator) the names of candidates not reported upon by the Bureau of Investigation. The action of the Certification Clerk was approved.

A report, dated Dec. 27, was presented from the Certification Clerk relative to the eligible list of Machinist's Helper. On motion, it was

Resolved, That the Secretary be and he hereby is instructed to proceed with an examination for the position of Machinist's Helper (Labor Class).

A report, dated Dec. 23, was presented from Henry Neibling, a clerk in the office of the Commission, calling attention to certain facts in the record of John Glynn, employed as Extra Sweeper in the Department of Street Cleaning. The Secretary was instructed to summon the said employee before the Commission.

The Secretary was instructed to note on the records the reassignment to duty of Katherine M. McNichols, Stenographer and Typewriter in the office of the Commission, effective as of Jan. 1, 1917.

The following communications were presented:

Communication, dated Dec. 27, from the Secretary of the Department of Public Works, Borough of Manhattan, requesting that the records be amended by noting thereon the date of the death of Patrick J. Dunn, Stationary Engineer, as Nov. 27, 1916, instead of Nov. 26, 1916.

Communication, dated Dec. 27, from the Deputy and Acting Comptroller, stating that the services of Abraham Langer and Edward J. Foley, Temporary Clerks, had been dispensed with on Nov. 26 and Dec. 16, respectively, instead of on Dec. 4 and Dec. 7, respectively, as set forth in original notifications.

Communication, dated Dec. 28, from the Tenement House Commissioner, notifying the Commission of the change of name, through marriage, of a Typewriting Copyist in his department from Sadie L. Harris to Sadie L. Goldstein.

The Secretary was instructed to amend the records in accordance with the foregoing communications.

A communication, dated Dec. 27, was presented from the Board of Water Supply, requesting authority to employ George W. Fuller and Allen Hazen as Experts on Filtration at a total compensation of \$5,000 in each instance, and Charles W. Leavitt

as Landscape Engineer at a total compensation of \$750, under the provisions of clause 6 of Rule XII. On motion the following resolutions were adopted:

Resolved, That, subject to the approval of the Mayor and the State Civil Service Commission, George W. Fuller, 509 W. 84th st., Manhattan, and Allen Hazen of Dobbs Ferry, N. Y., be and they hereby are excepted from examination, pursuant to the provisions of clause 6a of Civil Service Rule XII., to be employed as Experts on Filtration in the Board of Water Supply for a period of one year from Dec. 31, 1916, provided that the total compensation in each case shall not exceed \$5,000.

Resolved, That, under authority of clause 6a of Rule XII. of the Rules of the Municipal Civil Service Commission, Charles W. Leavitt, 220 Broadway, Manhattan, be and he hereby is excepted from examination, to be employed as Landscape Engineer by the Board of Water Supply for a period of one year from Dec. 31, 1916, provided, however, that his total compensation shall not exceed the sum of \$750.

A communication, dated Dec. 23, was presented from the Commissioner of Public Works, Richmond, requesting authority to employ John L. Halloran and J. E. McNicol, as Veterinarians under the provisions of clause 6 of Rule XII. On motion it was

Resolved, That, under authority of clause 6a of Rule XII. of the Rules of the Municipal Civil Service Commission, J. E. McNicol and John L. Halloran be and they hereby are excepted from examination, to be employed as Veterinarians in the office of the President of the Borough of Richmond from time to time during the year 1917, as their services may be required; provided, however, that in neither case shall the total compensation exceed the sum of \$750.

A communication, dated Dec. 29, was presented from the Mayor's Committee on Publication of the Minutes of the Common Council of the City of New York from 1784 to 1831, stating that the appointment of the following-named persons, serving under clause 4 of Rule XII., was effective Dec. 14, instead of Dec. 15, 1916: Assistant Manuscript Readers—Florence Nelson, Clara Schoenberg, Bertha Vinograd, Otis C. Skeele, Edgar Telfer, Mrs. C. M. Gardner, Mrs. G. A. Kaven, Eva Unterman, Barbara S. Peterson, Ellen Ahern, Irene Conway, Annie Bebarfield, Pauline Wagner, Ella Goldberg, Natalie H. Willets, Marie Hurwitz, Mildred Freygang, Marion F. Moran, Allene K. Swain, Maude Herring, Emma M. Strauss, Gertrude Jordan. Supervising Readers—Mrs. Marion O. Skeele, Mrs. Madge C. Peterson. The Secretary was instructed to amend the records accordingly.

A communication, dated Dec. 22, 1916, was presented from the Commissioner of Parks, Manhattan and Richmond, requesting authority to employ Harry F. Nimphius as Veterinarian under the provisions of clause 6 of Rule XII. On motion, it was

Resolved, That, under authority of clause 6a of Rule XII. of the Rules of the Municipal Civil Service Commission, Harry F. Nimphius be and he hereby is excepted from examination, to be employed as Veterinarian in the Department of Parks, Boroughs of Manhattan and Richmond, for a period of one year from Sept. 7, 1916; provided, however, that his total compensation shall not exceed the sum of \$750.

The Secretary presented a communication, dated Dec. 15, addressed to the Fire Commissioner by the Chief Medical Officer of his department, stating that the examination of Denis Sullivan, a candidate for the position of Fireman, had been deferred until Dec. 29, 1916. The Secretary was instructed to mark the candidate "Not Qualified" on the eligible list pending receipt of the report of the medical officers of the Fire Department.

A communication, dated Dec. 27, was presented from the Deputy and Acting Comptroller, stating that the notice to the Commission of the termination of the services of Arthur Coan, Temporary Clerk, on Dec. 16, 1916, was in error. The Secretary was instructed to amend the records accordingly.

A communication, dated Dec. 22, was presented from the Acting Secretary of the Department of Public Charities, requesting that the records of the Commission be amended to show the appointment of Laura T. Myers as Physician at \$1,500 per annum under clause 4 of Rule XII. on Nov. 21, instead of as Institutional Inspector at \$1,500 per annum. The Secretary was instructed to amend the records accordingly.

A communication dated Dec. 28 was presented from the Chief of Staff of the office of the Commissioner of Accounts, requesting certification of the promotion list of Accountant, Third Grade, from which to promote two Clerks to salaries of \$1,380 and \$1,500 per annum, respectively. The action of the Secretary in making the desired certification on Dec. 30, 1916, was approved.

A communication dated Dec. 28 was presented from the Commissioner of the Department of Parks, Queens, requesting certification of the promotion list of Transitman, Grade C, from which to promote Charles T. Zegers, a Rodman, to conform to the budget of his department for the year 1917. The action of the Secretary on Dec. 30 in making the requested certification was approved.

#### Corporation Sale of Buildings and Appurtenances. Notice on City Real Estate by Sealed Bids.

AT THE REQUEST OF THE PRESIDENT of the Borough of Richmond, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale by sealed bids certain buildings standing upon property owned by the City of New York, acquired by it for Court House purposes in the

**Borough of Richmond.**

Being the buildings, parts of buildings, etc., situated on the plot acquired for an additional Court House adjoining the Borough Hall and bounded by Stuyvesant pl., De Kalb st. and Jay st., in the First Ward of the Borough of Richmond, which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Room 368, Municipal Building, Borough of Manhattan.

Pursuant to a resolution adopted by the Commissioners of the Sinking Fund at a meeting held March 24, 1915, the sale by sealed bids of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

**WEDNESDAY, FEBRUARY 22, 1917,**

at 11 a. m., in lots and parcels and in manner and form as follows:

Parcel No. 2. Five-story brick (Crabtree) building, No. 6 Jay st., St. George Staten Island. Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room No. 368, Municipal Building, Borough of Manhattan, until 11 a. m. on the 28th day of February and then publicly opened for the sale for removal of the above described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Each parcel must be bid for separately and will be sold in its entirety, as described in above advertisement.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to the City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of the City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be enclosed in properly sealed envelopes, marked "Proposals to be opened Feb. 28, 1917," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Collector of City Revenue, Room 368, Municipal Building, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

**THE BUILDINGS WILL BE SOLD FOR IMMEDIATE REMOVAL ONLY, SUBJECT TO THE TERMS AND CONDITIONS PRINTED ON THE LAST PAGE OF THIS ISSUE OF THE "CITY RECORD."**

Pursuant to a resolution of the Commissioners of the Sinking Fund adopted at a meeting held Nov. 4, 1914, the sale by sealed bids at the upset or minimum prices named in the description of each parcel of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

**TUESDAY, FEBRUARY 27, 1917,**

at 11 a. m., in lots and parcels, in manner and form and at upset prices as follows:

Parcel No. 365-366. Two story frame house, No. 2 Ramsay st., Winfield, L. I. Upset price, \$30.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room No. 368, Municipal Building, Borough of Manhattan, until 11 a. m. on the 27th day of February, and then publicly opened for the sale for removal of the above described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Each parcel must be bid for separately and will be sold in its entirety, as described in above advertisement.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to the City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the

purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of the City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be enclosed in properly sealed envelopes, marked "Proposals to be opened Feb. 27, 1917," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Collector of City Revenue, Room 368, Municipal Building, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

#### STATE INDUSTRIAL COMMISSION—DEPARTMENT OF LABOR.

#### Resolution Adopted.

Whereas, the Division of Factory Inspection has submitted to this Commission the following requests for variation of law, made by the parties named herein, in which appeal is made from a strict compliance with the orders issued against the premises given below, which would necessitate a variation of law, and

Whereas, the Division of Factory Inspection has had a reinspection made of the premises, and in accordance with the conditions found submits the following facts with recommendations:

Premises affected, (1) Brockett, appellant, like Manheimer. 2—Self-closing gates, 5 feet 6 inches high, for elevator shaftway in cellar. Hand-power freight elevator running from cellar to 2d floor; building will not be used for a workshop until September next; height of floors will not permit gates 5 feet 6 inches high; difficult to place elevator gates 12 inches back from hoistway.

Recommendation: That present gates be made self-closing and tell-tale chains suspended under elevator platform at front of elevator, same to be not less than 4 feet long, same to be suspended 2 inches from edge of elevator car platform sills and spaced 6 inches between centers across width of opening.

Premises affected, (2) Buffalo, 450 Main st.; Arthur Bierman, appellant. 4—Electrical or mechanical device for swinging hoistway door. Three-story building with hand-power elevator in northwest corner, originally installed on south side of building; shaft enclosed with 6-inch hollow tile extending continuously from lowest terminal to 3 feet above the roof. Openings at each floor equipped with swinging doors, not self-closing and not equipped with device.

Recommendation: Accept present doors if springs are provided, spring locks to be provided on shaft sides of doors, locks to be so arranged as to be openable on the outside only with a key.

Premises affected, (3) Buffalo, Perry and Columbia sts.; L. I. White Co., appellant. 4—Additional exit. Four-story non-fireproof building, 65x78 feet. No combustibles; no fire alarm; 4 above 2d floor; one return type stairway from 1st to 4th floor; at north end of 3d floor a stairway from 3d to 4th floors; at southeast corner a door leading to roof with stairway to ground; on 2d floor a door leading to stairway in interior of one-story building; with iron doors opening out provided on doorways referred to.

Recommendation: Acceptance of above exits while present occupancy obtains.

Premises affected, (4) Canandaigua, Buffalo st.; American Beverages Co., appellant. 5—Additional exit. Four-story non-fireproof building, divided lofts; combustibles carried; no sprinkler; no fire alarm; two above 2d floor. Exit: One interior stairway; no egress from roof.

Recommendation: Stairway from northeast end of 3d floor leading to balcony at 2d floor level, with spiral or substantial iron stair from 2d floor balcony to ground.

Premises affected, (5) Glens Falls, 14 Jay st.; Empire Automobile Co., appellant. 4—Self-closing sliding gates 5 feet 6 inches high, all floors, elevator shaftway on sides used for loading. 7—Cease allowing elevator car to descend into passageway. 8—Enclose hoistway 8 feet high on sides not used for loading. Elevator is hand-power carriage hoist located at entrance to two-story building, part of ground floor of which is used as carpenter shop; 2d floor used for storage of automobile bodies. To comply with orders would require removal of elevator to another part of building; elevator seldom used, and when not in use 2d floor level is vacant.

Recommendation: A bell to be provided, so arranged that same will ring automatically when elevator is descending from 2d floor, and tell-tale chains 4 feet long, 6 inches apart, be placed across each end of elevator platform, and orders waived while conditions remain as at present.

Premises affected, (6) Johnson City, Baldwin st.; Endicott-Johnson Co., appellant. 23—Three required additional exits. Four-story fireproof; erected since Oct. 1, 1913; sprinkler installed; no combustibles; fire alarm system installed. Exits: One interior stairway enclosed with fireproof partitions, equipped with self-closing doors opening out; no egress from roof; buildings erected for use as warehouse; occupancy above 1st floor 569; stairway 48 inches wide, located in northwest corner of building; no skylight in stairway enclosure, but three windows are provided in stairway enclosure on top floor. At southeast corner is exterior iron stairway 6 feet wide, railed 3 feet high; within a few days the permanent occupancy will be materially reduced, as one department is to be removed to another building.

Recommendation: Accept present interior stairway without skylight; accept exterior stairway if same be enclosed with fireproof partitions as per section 79-f-8, and waive order for third means of exit when exterior stairway has been enclosed as called for.

Premises affected, (7) Johnson City, Lester ave.; Endicott-Johnson Co., appellant. New Scout Building, No. 5. 27—Provide dressing room as per section 158. 22—Provide doors on w. c. compartment. 225 females employed 178 of whom are on 3d floor; dressing room provided is at top of stairway enclosure and measures 8x21 feet; hospital facilities are provided in this room, and any person injured or taken ill is removed at once to hospital.

Recommendation: Accept as compliance with No. 27 enclosure of room used by females on 3d floor, which contains wash basins, dimensions of which are 30x25. Order No. 32 to be complied with.

Premises affected, (8) Johnson City, Lester ave.; Endicott, Johnson & Co., appellant. New Scout Building No. 5. 30—Cease factory occupancy. 31—Five additional exits. 34—Enclose passenger elevator fireproof. 35—Make building fireproof. 36—Fireproof doors at No. 1 elevator. Five-story non-fireproof building erected since Oct. 1, 1913; sprinklers; no combustibles; fire alarm; occupancy above 1st floor, 881. Exits: One interior stairway, fireproof enclosed; imperfect horizontal exits on all floors; the interior stairway is 7 feet 6 inches wide, equipped with doors of the Wilson Fire curtain type which are not acceptable; at easterly end of building is an exterior stairway 5 feet wide, railed 36 inches at westerly end of building; exterior stairway 5 feet wide, railed 36 inches; doors to stairway enclosure are being replaced with fire resisting doors of the swing type. Building divided by fire wall equipped with two openings 8 feet wide, situate 31 feet apart. Wilson drop curtain doors provided on each side of these openings. At southerly end of building is a tower in which is located the elevator and toilet rooms, provided on each side with an opening leading to main building, said openings equipped with Wilson drop curtain fire doors. Building 60x416 feet. Openings in fire wall too large to be treated as horizontal exits even if perfected.

Recommendation: Accept as compliance with No. 31 the enclosing with fireproof partitions of the exterior stairs at easterly end; the erection of two exterior enclosed stairways, same to be placed on the southerly side of building at points approximately 100 feet from each end thereof, and exterior stairway at westerly end to remain unchanged as an addition is to be placed at this point within the near future. Orders Nos. 34 and 36 to be waived, inasmuch as elevator is located in the centre of a fireproof enclosure.

Premises affected, (9) Johnson City, Carton Building; Endicott, Johnson & Co., appellant. provide 4 means of egress from each floor of Carton Building, as required by section 79a. Six-story fireproof building with open lofts; sprinkler installed; combustibles carried; fire alarm signal system installed. Exits: Two 60-inch interior fireproof enclosed stairways located at either end of building, equipped with self-closing doors opening outwardly; no egress from roof; perfect horizontal exit on 4th floor only, consisting bridge leading to building No. 2. When machinery has been installed the occupancy will be between 500 and 600. Building 60x200 feet, containing 12,000 square feet of floor area, requiring four means of exit. On July 8, 1916, plans were filed with the Engineering Division at Albany. Upon objections being filed, a petition for variation was sent on Aug. 8, 1916, which was transmitted to the Industrial Code Bureau on Aug. 14, 1916. At a meeting held in Syracuse Sept. 14, 1916, the appellant was given a hearing. On Dec. 15, 1916, appellant was notified that the Industrial Commission had denied the petition on Dec. 6, 1916. In the meantime the building was in course of erection; same is now completed and ready for occupancy.

Recommendation: Accept the two stairways on condition that the doors leading to same are self-closing fire doors opening outwardly; accept a fire wall to be constructed on each floor, dividing the building at about the centre, same to be equipped with 66-inch opening conforming to section 79-f-9.

Premises affected, (10) Kingston, 101 Abeel st.; Mrs. L. Salzman, appellant. 1—Enclose elevator shaft with fireproof partition. 2—Additional exit. 4—Reconstruct stairway of combustible material. 5—Cease factory occupancy. Two-story non-fireproof building erected since Oct. 1, 1913; used for bakery purposes; 2d floor used for storage of flour; three men employed in bakery, 1st floor; one employee goes to 2d floor each day to place flour in sifting machines. In addition to the one stairway provided there is egress over roof of one-story extension. Elevator shaft enclosed to height of 7 feet on 2d floor. To make building conform to 79a would mean practically a reconstruction thereof.

Recommendation: Waiver of orders on condition that no one is employed on 2d floor.

Premises affected, (11) Niagara Falls, 1114 East Falls st.; S. Divita, appellant. 2—Additional exit. Three-story non-fireproof building; open lofts; no sprinkler; no combustibles; no fire alarm; one above 2d floor. Exit: One interior stairway.

Recommendation: That decision of Jan. 10, 1917, be amended to permit of stationary iron ladder placed outside of building accessible from one window on each floor instead of "one iron door."

Premises affected, (12) Rochester, Frost ave. and Olean st.; Mark A. Daly (J. W. Gillis Co.), appellant. This is a request for acceptance of a sprinkler head over openings to fire escape balcony in lieu of installing fireproof windows and doors. Four-story fireproof building; divided lofts; sprinkler installed; combustibles carried; fire alarm system. Occupancy above 2d floor, 19. Exits: One interior stairway enclosed with fire resisting partitions; doors open out, are self-closing; fire escape on side imperfect in that the windows on the course are not fireproof.

Recommendation: That Department accept a sufficient number of sprinkler heads over openings on the course of fire-escape balconies to provide an adequate water curtain, on condition that the wood alcohol, which is the only combustible carried in building, be removed to another building.

N. B.—This is an appeal over the decision of the Bureau of Industrial Code rendered July 26, 1916, and approved by the Commission, wherein they denied the request for the acceptance of this water curtain.

Premises affected, (13) Rochester, 171 York st.; Erdie Perforating Co., appellant. 4—Cease factory occupancy. 5—Extend No. 1 stairs from 2d floor to 3 feet above roof. 6—Extend No. 2 stairs to 3 feet above roof. 7—Make width of No. 2 stairs 44 inches. 8—Arrange No. 2 stairs doors on 2d floor to swing out. 9—Enclose No. 2 stairs fireproof. Premises consist of a one-story and two-story factory building erected since Oct. 1, 1913; no sprinklers; no combustibles; no fire alarm; the space above the 1st floor, 5; two-story section measures 60x30 feet; 2d floor used for office purposes only; two females and three males employed on 2d floor; entire ground floor covers an approximate area of 60x150 feet, and used for manufacture of perforated sheet metal. No. 1 stairway in two-story building is of concrete construction properly enclosed to under side of 2d floor, but enclosure does not extend to roof nor above; safe passage from foot of stairs to street; No. 2 stairway in centre of west end of two-story building, and is an unenclosed spiral stairway; stairway used by office employees to go to factory proper on 1st floor.

Recommendation: Waiver of orders while 2d floor occupancy does not exceed 5.  
Premises affected, (14) Unadilla, Unadilla Silk Co.; Chas. C. Flisch, appellant. 5—Covered passageway to w. c. 6—Heat w. c. This firm installed kaustine w. c. in a portion of their storehouse, located at a point distant from their factory, i. e., across the highway and R. switch, about 50 feet building wherein closets are provided is not heated and there is no means of heating same; 21 males employed; no sewer in street.

Recommendation: Waiver of orders, inasmuch as there is no sewer and w. c. were installed to provide sanitary facilities for employees, and it being impossible to provide covered passageway or heat premises.

AND it appearing from the facts set forth above that there are practical difficulties and unnecessary hardships in carrying out the strict provisions of the law or the rules and regulations of the Industrial Code on the premises set forth above, and in granting the variations recommended the spirit of the law and the rules and regulations will be observed and public safety secured for the employees in such buildings, and it further appearing that each of the appellants has been notified that he would be given an opportunity to be heard at this time and place, if he desired to appear, and in default of appearance decision rendered would be confirmed by the Commission, and such of the appellants who appeared having been heard.

Be it resolved that the Commission grant the variations set forth above and accept said conditions as a compliance with the orders issued in each instance during the time that the conditions remain as of this date.

FOR FURNISHING, CLASS I, 34 GASOLINE-ELECTRIC TRACTORS AND SPARE PARTS; CLASS II, 34 GASOLINE TRACTORS AND SPARE PARTS.

The time allowed for the delivery of the tractors and parts and the full performance of the contract is two hundred and forty (240) consecutive calendar days.

Each bidder shall submit with his bid a schedule stating the time or times at which he will be prepared to deliver tractors, in advance of the time fixed by the contract; he shall also state the number of tractors which he will deliver at said time or times; said schedule shall form a part of the bid.

The amount of security required will be 30% of the contract price.

Bids must be submitted in duplicate in separate envelopes. The bidder will state the price of each tractor and each spare part or set of spare parts set forth in the schedules, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the totals of each class.

Unless the Board of Estimate and Apportionment shall, by a three-quarter vote of the whole Board, determine that it is for the public interest that a bid other than the lowest shall be accepted, the contract, if awarded, will be awarded to the lowest bidder, irrespective of the class upon which the bid is made; the time fixed for the completion of the contract by the bidders in their schedules will be one of the determining factors in awarding the contract.

The contract, if awarded, will be awarded for either class I or class II, but not for both classes.

Bids may be submitted for either or both classes.

Blank forms and further information may be obtained at the office of the Department of Street Cleaning, Room 1244, Municipal Building, Manhattan.

#### Filing Preliminary Abstracts.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose, in fee, to the lands, tenements and hereditaments required for the opening and extending of ULSTER AVENUE, from Smith street to Westchester avenue; WESTCHESTER AVENUE, from Ulster avenue to 117th avenue; 117TH AVENUE, from Westchester avenue to Dearborn avenue; and DEARBORN AVENUE, from 117th avenue to the City Line, in the Fourth Ward, Borough of Queens, City of New York. NOTICE IS HEREBY GIVEN TO ALL PERSONS interested in the above entitled proceedings, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That the undersigned, Commissioners of Estimate, have completed their estimate of damage, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with them at their office in the Municipal Building, Court House Square, Long Island City, in the Borough of Queens, in The City of New York, on or before the 2nd day of March, 1917, and that the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at their said office on the 5th day of March, 1917, at 2:30 o'clock p. m.

Second—That the undersigned, Commissioner of Assessment, has completed his estimate of benefit and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with him at his office in the Municipal Building, Court House Square, Long Island City, in the Borough of Queens, in The City of New York, on or before the 2nd day of March, 1917, and that the said Commissioner will hear parties so objecting, and for that purpose will be in attendance at his said office on the 6th day of March, 1917, at 2:30 o'clock p. m.

Third—That the Commissioner of Assessment has assessed any or all such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 4th day of December, 1913, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of Queens, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point on the prolongation of a line midway between Tuckahoe avenue (Rensselaer street) and Bergenfields street (Balseley street), as these streets adjoin Sweet street (Sweet avenue) on the west, distant 100 feet southwesterly from the southwesterly line of New York avenue, said distance being measured at right angles to New York avenue, and running thence northeasterly along the said line midway between Tuckahoe avenue (Rensselaer street) and Bergenfields street (Balseley street) and along the prolongations of a line midway between Quencer street (Estelle street) and Tioga street (Cedar street), as these streets adjoin Mexico street (Morris avenue) on the west; thence easterly along the said line midway between Quencer street (Estelle street) and Tioga street (Cedar street) and along the prolongations of the said line to the intersection with the prolongation of a line midway between 115th road (Hilton avenue) and 115th Drive (Fletcher avenue), as these streets adjoin 194th street (more avenue) on the west; thence northeasterly along the said line midway between 115th road (Hilton avenue) and 115th Drive (Fletcher avenue), and along the prolongations of the said line to a point distant 1,000 feet southwesterly from the prolongation of the northerly line of Dearborn avenue, as this street is laid out in the second tangent east of 117th avenue, the said distance being measured at right angles to Dearborn avenue; thence easterly and always distant 1,000 feet from and parallel with the northerly line of Dearborn avenue, and with its westerly prolongation as laid out in the second tangent east of 117th avenue, to the intersection with the City Line; thence southwesterly along the City Line to a point distant 1,000 feet southwesterly from the prolongation of the southerly line of Dearborn avenue, as this street is laid out where it adjoins the City Line, the said distance being measured at right angles to Dearborn avenue; thence westwardly and always distant 1,000 feet southwesterly from and parallel with the southerly line of Dearborn avenue, and with its westerly prolongation as laid out in the second tangent east of 117th avenue, to the intersection with the prolongation of a line midway between 118th avenue (St. Albans avenue) and 119th avenue (St. Marks avenue), as these streets adjoin 201st street (Bank street) on the east; thence southwesterly along the said line midway between 118th avenue (St. Albans avenue) and 119th avenue (St. Marks avenue) and along the prolongations of the said line to the intersection with a line midway between 196th street (Morton street) and 197th street (Clove street), as these streets adjoin 118th avenue (St. Albans avenue) on the south; thence southwesterly along the said line midway between 196th street (Morton street) and 197th street (Clove street) to a point distant 100 feet northwesterly from the northwesterly line of 119th avenue (St. Marks avenue), the said distance being measured at right angles to 119th avenue; thence southwesterly and always distant 100 feet northwesterly from and parallel with the northwesterly line of 119th avenue (St. Marks avenue) to the intersection with the easterly line of Farmers avenue; thence southwesterly in a straight line to a point on the southwesterly line of Farmers avenue where it is intersected by a line distant 1,000 feet southerly from and parallel with the southerly line of Sonn place (Allan street), as this street adjoins Riverott street (Roosevelt avenue), the said distance being measured at right angles to Sonn place; thence westwardly along the said line parallel with Sonn place (Allan street) and along the prolongation of the said line to the intersection with the right of way line of the Montauk Division of the Long Island Railroad; thence northwardly along the said right of way line to the intersection with a line distant 1,000 feet southerly from and parallel with the southerly line of West-

chester avenue, as this street is laid out immediately west of Farmers avenue, the said distance being measured at right angles to Westchester avenue; thence westwardly along the said line parallel with Westchester avenue and along the prolongation of the said line to the intersection with the prolongation of a line distant 900 feet southeasterly from and parallel with the southeasterly line of Ulster avenue, as this street is laid out between Smith street and Merrick road, the said distance being measured at right angles to Ulster avenue; thence southwesterly along the said line parallel with Ulster avenue and along the prolongations of the said line to a point distant 100 feet southwesterly from the southwesterly line of New York avenue, the said distance being measured at right angles to New York avenue; thence northwesterly and always distant 100 feet southwesterly from and parallel with the southwesterly line of New York avenue to the point or place of beginning.

(The lines of the streets heretofore referred to which have not been incorporated upon the City plan are intended to be those as in use or as commonly recognized.)

Fourth—That the abstracts of said estimate of damage and of said assessment for benefit, together with the affidavits, estimates, proofs and other documents used by the Commissioners of Estimate and by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, in the Municipal Building, Court House Square, in the Borough of Queens, in said City, there to remain until the 5th day of March, 1917.

Fifth—That, provided there be no objections filed to either of said abstracts, the reports as to awards and as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn, in The City of New York, on the 17th day of May, 1917, at the opening of the Court on that day.

Sixth—That, however, objections are filed to the foregoing abstracts of estimate and assessment, or to either of them, the motion to confirm the reports as to awards and as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such cases to be given in relation to filing the final reports, pursuant to Sections 981 and 984 of the Greater New York Charter, as amended by Chapter 658 of the Laws of 1906.

Dated, New York, February 2, 1917.  
WILLIAM PABNE, Commissioner; W. J. HAMILTON, BERNARD M. PATTER, Commissioners of Estimate; BERNARD M. PATTER, Commissioner of Assessment.
