BOARD OF STREET OPENING AND IMPROVEMENT.

The board of Street Opening and Improvement met at the Mayor's office on Friday, August 16, 1889, at 2 o'clock P. M., pursuant to the following notice:

OFFICE OF THE BOARD OF STREET OPENING AND IMPROVEMENT,
ROOM NO. 10, STEWART BUILDING,
NEW YORK, August 13, 1889.

SIR—You are respectfully requested to attend a regular meeting of the Board of Street Opening and Improvement of the City of New York, to be held in the Mayor's office, in the City Hall, on Friday, August 16, 1889, at 2 o'clock P. M., at which it is proposed to consider unfinished business, with such other matters as may be brought before the Board.

Very respectfully,

V. B. LIVINGSTON, Secretary.

The roll was called and all the members were present and answered to their names; the Comptroller being represented by the Deputy and Acting Comptroller.

The minutes of the meeting of July 19, 1889, were read and approved.

The following communication from the Department of Public Parks, relative to the opening of Gerard street, was presented and read:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
NOS. 49 AND 51 CHAMBERS STREET,
July 22, 1889.

V. B. LIVINGSTON, Esq., Secretary, Board of Street Opening and Improvement:

SIR—By direction of the Board of Parks I herewith forward a map and resolutions for laying out Gerard street from Third avenue to East One Hundred and Forty-ninth street, in the Twenty-third Ward, as asked for in the petition of Michael Murphy, George C. Glacius and others, which petition is also inclosed herewith.

"Gerard street" was originally laid down on a property map entitled, "Map of East Melrose, etc.," filed July 26, 1850, but was discontinued by the Morrisania Commissioners and is not shown on the map filed by them February 23, 1871. The relaying out of this street would seem to be rendered necessary to give the petitioners full access to their property.

Respectfully,

CHARLES DE F. BURNS, Secretary, Department of Public Parks.

On motion, the petition referred to was refused.

The following communication from the Department of Public Parks, relative to St. John's Cemetery, was presented and read:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
NOS. 49 AND 51 CHAMBERS STREET,
August 6, 1889.

Mr. V. B. LIVINGSTON, Secretary, Board of Street Opening and Improvement:

SIR—I am in receipt of your letter of 24th ultimo, inclosing resolution received from the Board of Aldermen, requesting the Board of Street Opening and Improvement to consider the propriety or advisability of selecting or laying out as a public park the ground included between Hudson, Clarkson, Carmine and Leroy streets, which resolution was referred to this Department for report. In reply thereto, I am directed by the Board of Parks to submit map showing the location of the lots included between Hudson, Clarkson, Carmine, Leroy and Bedford streets, with the assessed valuation of each lot.

Very respectfully,

CHARLES DE F. BURNS, Secretary, Department Public Parks.

On motion, the matter was laid over for consideration at the next regular meeting of the Board.

The following communication from the Department of Public Parks, relative to the opening of Ryer avenue and Welch street, was presented and read:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
NOS. 49 AND 51 CHAMBERS STREET,
July 27, 1889.

Mr. V. B. LIVINGSTON, Secretary, Board of Street Opening and Improvement:

SIR—I have the honor to acknowledge receipt of your letter of the 24th instant, inclosing request of Robert M. Offord to open Ryer avenue, from One Hundred and Eighty-fourth street to Welch street, and Welch street, and have to state that Mr. Offord is the owner of only one hundred and twenty-five feet of the frontage on the easterly side of Ryer avenue, north of One Hundred and Eighty-fourth street, and does not appear to own any frontage on Welch street. Each of these streets is of the first class and less than one mile long. When action is to be taken to open Ryer avenue, the proceeding should include the entire length, from Burnside avenue to Welch street, instead of from One Hundred and Eighty-fourth street only. It is recommended that this request be returned to the writer, with the information that it is not deemed advisable to direct the opening of streets, unless the opening is petitioned for by a number of owners of frontage thereon.

Very respectfully,

CHARLES DE F. BURNS, Secretary, Department Public Parks.

On motion, it was ordered the petition be returned to the writer, with the information referred to in the communication from the Department of Public Parks.

The following communication from the Department of Public Parks, relative to the opening of Wales avenue, was presented and read:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
NOS. 49 AND 51 CHAMBERS STREET,
July 16, 1889.

Mr. V. B. LIVINGSTON, *Secretary, Board of Street Opening and Improvement*:

SIR—I have the honor to acknowledge receipt of your letter of 26th ultimo, inclosing petition of P. V. Murray and others for the opening of Wales avenue from Kelly to St. Joseph street (wrongfully named therein One Hundred and Forty-fourth street), which was referred to this Department for report. In reply thereto I have to state that Wales avenue is designated as a street of the first class, and is 4,100 feet in length. It should be opened for the benefit of the public; and it is therefore recommended that the petition be granted. The resolution for its opening is forwarded herewith. The petition above referred to is returned inclosed herein.

Relative to the second petition referred by the same letter for opening a portion of Undercliff avenue, I have to state that another and later petition has been presented requesting that the avenue be opened throughout its entire length, and that report on both petitions will be made as soon as the amended map showing the angles, dimensions, etc., of the avenue is adopted.

Yours respectfully,

CHARLES DE F. BURNS, Secretary, Department Public Parks.

On motion, the matter was referred to the President of Public Parks for special investigation and report.

The following communication from the Department of Public Parks, relative to the opening of Teller place, was presented and read:

SIR—I herewith forward a resolution for adoption by the Board of Street Opening and Improvement to open Teller place, extending from the Melrose Depot plot of the New York and Harlem Railroad to Courtland avenue, in the Twenty-third Ward, as a street of the first class, in accordance with a petition of Peter Daly and others, which is herewith transmitted.

Very respectfully,

CHARLES DE F. BURNS, Secretary.

On motion, the petition referred to was refused.

SIR—I herewith transmit petition of William Cauldwell and others for the opening of George street, from the Boston road to Prospect avenue, Twenty-third Ward. George street is of the first class, and is 1,640 feet in length. The interest of the public would seem to demand its opening, and it is recommended that the petition be granted. The form of resolution for its opening is herewith inclosed.

Very respectfully,

CHARLES DE F. BURNS, Secretary, Department Public Parks.

The President of the Department of Public Parks offered the following resolution:

Resolved, That this Board, deeming it for the public interest so to do, hereby respectfully requests the Counsel to the Corporation to take the necessary proceedings, in the name of the Mayor, Aldermen and Commonalty of the City of New York, to acquire title, wherever the same has not been heretofore acquired, for the use of the public, to the lands required for the opening of George street, from the Boston road to Prospect avenue, as a street of the first class, in the Twenty-third Ward of said city, and hereby determines that the entire cost and expense of said proceeding shall be assessed upon the property deemed to be benefited thereby, unless the Commissioners of Estimate and Assessment, who may be appointed in said proceeding, are of the opinion that said street is over one mile in length, in which case such cost and expense shall be assessed as is now provided by law in such cases.

NOTE.—The total length of George street is 1,640 feet.

Which was adopted by the following vote:

Very respectfully,

CHARLES DE F. BURNS, Secretary.

The President of the Department of Public Parks offered the following resolution:

Resolved, That this Board, deeming it for the public interest so to do, hereby respectfully requests the Counsel to the Corporation to take the necessary proceedings, in the name of the Mayor, Aldermen and Commonalty of the City of New York, to acquire title, wherever the same has not been heretofore acquired, for the use of the public, to the lands required for the opening of Cauldwell avenue, from the Boston road to East One Hundred and Sixty-third street, and from Clifton street to Westchester avenue, as a street of the first class, in the Twenty-third Ward of said City, and hereby determines that the entire cost and expense of said proceeding shall be assessed upon the property deemed to be benefited thereby, unless the Commissioners of Estimate and Assessment, who may be appointed in said proceeding, are of the opinion that said avenue is over one mile in length, in which case such cost and expense shall be assessed as is now provided by law in such cases.

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS,
NOS. 49 AND 51 CHAMBERS STREET,
June 6, 1889.

Mr. WILLIAM V. I. MERCER, *Secretary, Board of Street Opening and Improvement*:

SIR—By direction of the Board of Parks I return herewith five petitions which were received from you on the 28th ultimo, for an expression of the views of this Department relative to the opening of

1st. Lind avenue, from Devoe street to Sedgwick avenue.
2d. East One Hundred and Sixty-fifth street, from Jerome to Vanderbilt avenue, East.
3d. Sheridan avenue, from Railroad avenue, West, to Elliott street and Mott avenue, north of East One Hundred and Sixty-fifth street.

4th. Cedar place, from Eagle avenue to Union avenue (which does not extend to Westchester avenue as stated in the petition).

5th. Independence avenue, from Spuyten Duyvil Parkway to Morrison street.

Lind avenue and Cedar place are streets of the first class, each less than one mile in length, and for the reasons stated in the petitions should be opened. This Department therefore recommends that the prayer of the petitioners in these two cases be granted, and the necessary resolutions for that purpose are herewith inclosed. East One Hundred and Sixty-fifth street, Sheridan and Mott avenues are each over one mile in length.

With regard to Independence avenue, I am directed to state that the map laying it out, showing its dimensions, grades, etc., is now being prepared for filing, and that proceedings to open the same cannot properly be taken until the said map is filed. It should be added, however, that an application has been made to this Department to change the class of Independence avenue, and until the matter is determined it is recommended that no steps be taken toward the opening of the avenue.

Very respectfully,

CHARLES DE F. BURNS, Secretary, Department Public Parks.

The President of the Department of Public Parks offered the following resolution:

Resolved, That this Board, deeming it for the public interest so to do, hereby respectfully requests the Counsel to the Corporation to take the necessary proceedings, in the name of the Mayor, Aldermen and Commonalty of the City of New York, to acquire title, wherever the same has not been heretofore acquired, for the use of the public, to the lands required for the opening of Lind avenue, from Devoe street to Sedgwick avenue, as a street of the first class, in the Twenty-third Ward of said city, and hereby determines that the entire cost and expense of said proceeding shall be assessed upon the property deemed to be benefited thereby, unless the Commissioners of Estimate and Assessment, who may be appointed in said proceeding, are of the opinion that said street is over one mile in length, in which case such cost and expense shall be assessed as is now provided by law in such cases.

NOTE.—The total length of Lind avenue is 2,170 feet.

HEALTH DEPARTMENT OF THE CITY OF NEW YORK,
No. 301 MOTT STREET,
NEW YORK, August 15, 1889.

PROPOSALS FOR ESTIMATES FOR TWO
HORIZONTAL TUBULAR BOILERS FOR
NORTH BROTHER ISLAND.

PROPOSALS FOR ESTIMATES FOR THE

City and County of New York will be received by
the Commissioners of the Health Department, at their
Office, No. 301 Mott street, until 3 o'clock P. M. of the
27th day of August, 1889, at which time and place they
will be publicly opened and read by said Commissioners.
Any person making an estimate of the above work
shall furnish the same in a sealed envelope to the head
of said Health Department, indorsed, "Estimate for
two horizontal tubular boilers for North Brother Island,
for the City and County of New York," and also with
the name of the person or persons presenting the same
and the date of its presentation.

Any bidder for this contract must be known to be
engaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance
of the contract by his or their bond, with two sufficient
sureties, each in the penal sum of \$2,000.

Bidders are required to submit their estimates upon
the following express conditions, which shall apply to
and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the estimate, and shall not, at any time after the
submission of an estimate, dispute or complain of the
statement of quantities, nor assert that there was any
misunderstanding in regard to the nature or amount of
the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Health Department,
and in substantial accordance with the specifications of
the contract and the plans therein referred to. No extra
compensation beyond the amount payable for the work
before mentioned, which shall be actually performed,
at the prices therefor to be specified by the lowest
bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for
the whole of the work to be done, in conformity with
the approved form of contract and the specification
therein set forth, by which price the bids will be tested

This price is to cover all expenses of every kind
involved in or incidental to the fulfillment of the con-
tract, including any claim that may arise through delay,
from any cause, in performing of the work thereunder.
Bidders will distinctly write out, both in words and in
figures, the amount of their estimates for doing this
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the con-
tract within five days from the date of the service of a
notice to that effect; and in case of failure or neglect so
to do, he or they will be considered as having aban-
doned it, and as in default to the Corporation; and the
contract will be readvertised and relet, and so on until it
be accepted and executed.

Bidders are required to state in their estimate their
names and places of residence; the names of all persons
interested with them therein; and if no other person be
so interested, the estimate shall distinctly state the
fact; also, that the estimate is made without any con-
nection with any other person in making an estimate for
the same work, and that it is in all respects fair, and
without collusion or fraud; and also, that no member of
the Common Council, Head of a Department, Chief of
a Bureau, Deputy thereof, or Clerk therein, or other
officer of the Corporation, is directly or indirectly
interested therein, or in the supplies or work to which
it relates, or in any portion of the profits thereof; which
estimate must be verified by the oath, in writing, of the
party making the estimate, that the several matters
stated therein are in all respects true. *Where more
than one person is interested, it is requisite that the
verification be made and subscribed by all the parties
interested.*

Each estimate shall be accompanied by the consent,
in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person or persons making the estimate,
they will, on its being so awarded, become bound
as his or their sureties for its faithful performance;
and that if said person or persons shall omit or refuse
to execute the contract, they will pay to the Corpora-
tion of the City of New York any difference between
the sum to which said person or persons would be en-
titled on its completion, and that which said Corporation
or the Health Department may be obliged to pay to the
person to whom the contract may be awarded at any
subsequent letting; the amount in each case to be cal-
culated upon the estimated amount of the work to be
done by which the bids are tested. The consent above
mentioned shall be accompanied by the oath or affirma-
tion, in writing, of each of the persons signing
the same, that he is a householder or freeholder in
the City of New York, and is worth the amount of
the security required for the completion of the con-
tract, and stated in the proposals, over and above all
his debts of every nature, and over and above his
liabilities and as bail, surety and otherwise; and
that he has offered himself as surety in good faith
and with the intention to execute the bond required by law.
The adequacy and sufficiency of the security offered
is to be approved by the Comptroller of the City of
New York, after the award is made and prior to the
signing of the contract.

No estimate will be received or considered unless
accompanied by either a certified check upon one
of the National banks of the City of New York,
drawn to the order of the Comptroller, or money, to
the amount of five per centum of the amount of
the security required for the faithful performance of
the contract. Such check or money must not be inclosed
in the sealed envelope containing the estimate, but must
be handed to the clerk of the Department who has
charge of the estimate-box, and no estimate can be
deposited in said box until such check or money
has been examined by said clerk and found to be
correct. All such deposits, except that of the suc-
cessful bidder, will be returned by the Comptroller to the
person making the same, within three days after the con-
tract is awarded. If the successful bidder shall refuse
or neglect, within five days after notice that the
contract has been awarded to him, to execute the
same, the amount of the deposit made by him shall be
forfeited to and retained by the City of New York,
as liquidated damages for such neglect or refusal;
but if he shall execute the contract within the time
aforesaid, the amount of his deposit will be returned to
him by the Comptroller.

No estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Corpora-
tion upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Cor-
poration.

Bidders are requested, in making their bids or esti-
mates, to use a blank prepared for that purpose by the
Department, a copy of which, together with the form of
the agreement, including specifications, and showing
the manner of payment for the work, can be obtained
upon application therefor at the office of the Depart-
ment.

The Department reserves the right to reject any or
all estimates not deemed beneficial to or for the public
interest.

Plans may be examined, and specifications and blank
forms for bids or estimates obtained by application to
the Secretary of the Board, at his office, No. 301 Mott
street, New York.

PLANS FOR A MUNICIPAL BUILDING IN
THE CITY OF NEW YORK.

NOTICE TO ARCHITECTS.

IN ACCORDANCE WITH THE PROVISIONS
of chapter 81 of the Laws of 1889, entitled "An act
to provide for the erection of a building for certain
purposes relating to the public interests in the City
of New York," passed March 27, 1889, the Board of Com-
missioners thereby constituted will, until the first day
of August, 1889, receive plans and specifications for a
New Municipal Building, provided for in said statute,
to be erected in the City Hall Park, upon the plot of
ground east of the City Hall and the New County
Court-house.

A diagram showing the ground plan of the proposed
building, and instructions to architects, enumerating
the requirements in the submission of plans, can be
obtained on application at the Comptroller's office.

Four premiums will be awarded, as follows:

For the plans adjudged to be the best, a premium of
\$1,200 will be paid; and, in the event of their adoption
by the Board of Commissioners, the author will be ap-
pointed to the superintendence of the construction of the
building, with the fees prescribed by the American
Institute of Architects, provided his standing is such as
to guarantee a faithful discharge of his duties.

For the plans adjudged to be the second best, a pre-
mium of \$1,500 will be paid, and for the plans adjudged
to be the third and fourth best, premiums of \$500 each
will be paid.

In the examination and judgment of plans the Board
will be assisted by a Committee to be appointed by the
Mayor, consisting of not more than three competent
architects and a civil engineer.

All plans submitted for competition, for which pre-
miums are awarded, shall become the property of the
city, and all plans must be filed with the Comptroller on
or before the date mentioned. Each plan submitted
shall be marked with such assumed designation as the
architect may select, provided there shall be filed with
the Mayor a sealed envelope, giving the real name of
the author of the plans so designated, which shall be
opened by the Mayor in the presence of the Board,
after the premiums shall have been awarded.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING THE Police Department with Stationery and Printing for election purposes will be received at the Central Office of the Department of Police in the City of New York, until 12 o'clock M. of Wednesday, the 28th day of August, 1889.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for furnishing Stationery and Printing," and with his or their name or names, and the date of presentation to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made to the lowest bidder with adequate security, as soon thereafter as practicable.

For particulars as to the quantity and kind of stationery and printing required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk in the Central Department.

Bidders will state a price for the work and material furnished in accordance with the specifications. The price must be written in the bid, and stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity of stationery and printing is to be put up in boxes, and delivered at such times and places and in such quantities in each place, as shall be directed by the Chief of the Bureau of Elections.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract in the manner prescribed by law, in the sum of two thousand five hundred dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose; and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Samples of stationery and printing required may be examined and blank forms for estimates may be obtained by application to the Chief of the Bureau of Elections, at his office in the Central Department.

All lumber to be delivered at Blackwell's Island—will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 10 o'clock A. M. of Friday, August 23, 1889. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Tin, Lumber, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and provide such proper security as has been heretofore stated to be requisite, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department; and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

DEPARTMENT OF PUBLIC WORKS.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot, that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in front of or adjacent to said lot or lots, except the assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works.

That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for his faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 1, No. 31 Chambers street.

Commissioner of Public Works.

Steamers taking water other than daily, one cent per ton (Custom House measurement).

Water supplied to sailing vessels and put on board, twenty-five cents per hundred gallons.

All matters not hereinbefore embraced are reserved for special contract by and with the Commissioner of Public Works.

HYDRANTS, HOSE, TROUGHS, FOUNTAINS, ETC., ETC.

No owner or tenant will be allowed to supply water to another person or persons.

All persons taking water from the City must keep their own service-pipes, street tap, and all fixtures connected therewith, in good repair, protected from frost, at their own risk and expense, and shall prevent all waste of water.

The use of hose to wash coaches, omnibuses, wagons, railway cars or other vehicles or horses, cannot be permitted.

No horse-troughs or horse-watering fixtures will be permitted in the street or on the sidewalk, except upon a license or permit taken out for that purpose. All licenses or permits must be annually renewed on the first of May. Such fixtures must be kept in good order and the water not allowed to drip or waste by overrunning the sidewalk or street, or to become dangerous in winter by freezing in and about such troughs or fixtures.

No hydrant will be permitted on the sidewalk or in the front area, and any hydrant standing in a yard or alley, attached to any dwelling or building, must not be left running when not in actual use, and if the drip or waste from such hydrant freezes and becomes dangerous in winter, the supply will be shut off in addition to the penalty of five dollars imposed.

Taps at wash-basins, water-closets, baths and urinals must not be left running, under the penalty of five dollars for each offense, which will be strictly enforced.

Fountains or jets in hotels, porter-houses, eating-saloons, confectioneries or other buildings are strictly prohibited.

The use of hose for washing sidewalks, stoops, areas, house-fronts, yards, court-yards, gardens, and about stables, is prohibited. Where premises are provided with wells, special permits will be issued for the use of hose, in order that the police or inspectors of this department may understand that the permission is not for the use of Croton water.

Opening fire-hydrants to fill hand sprinklers or other vessels will not be allowed.

The penalty for a violation of any of the preceding rules and regulations will be five dollars for each offense, and if not paid when imposed will become a lien on the premises in like manner as all other charges for unpaid water rates.

By order,
THOMAS F. GILROY,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, June 1st, 1889.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

THOMAS F. GILROY,
Commissioner of Public Works.
