APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become
exempt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury en-
rollment notice," requiring them to appear before me
this year. Whether liable or not, such notices must be
answered (in person, if possible, and at this office only)
under severe penalties. If exempt, the party must bring
proof of exemption; if liable, he must also answer in
person, giving full and correct name, residence, etc., etc.
No attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be en-
tered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable jurors, and equalize their
duty by serving promptly when summoned, allowing
their clerks or subordinates to serve, reporting to me any
attempt at bribery or evasion, and suggesting names for
enrollment. Persons between sixty and seventy years of
age, summer absentees, persons permanently ill, and
United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in
relation to a jury service, or to withhold any paper or
make any false statement, and every case will be fully
prosecuted.

persons interested with him therein, and if no other per-
son be so interested, it shall distinctly state that fact.
That it is made without any connection with any other
person making an estimate for the same work, and is in
all respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation, is directly or indirectly

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders

the contract shall be awarded at any subsequent letting;
the amount to be calculated upon the estimated amount
of the work by which the bids are tested.
The consent last above mentioned must be accompanied

holder in the City of New York, and is worth the amount
of the security required. To the person making the con-
tract, over and above all his debts of every nature, and
over and above his liabilities as bail, surety, or otherwise,
and that he has offered himself as surety in good faith,
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by the City of New York, as liquidated damages for such neglect or refusal; but he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

ROLLIN M. SQUIRE, Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, NEW YORK, January 26, 1886.

TO THE PUBLIC.

THE CHIEF ENGINEER OF THE CROTON Aqueduct reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers keeping faucets open day and night to prevent freezing in the service-pipes, and can only make this most urgent appeal to them to stop it, to notify them that unless it is stopped the pressures in the water-mains will be so much reduced that in a few days the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,
ROLLIN M. SQUIRE, Commissioner of Public Works.

will be received at the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M. of Friday, March 12, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Groceries, Dry Goods, Hardware, Tin and Oil," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, and there to place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation on debt or contract, or who is a defaulter, or surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person is so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are true, and that if he shall neglect or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of

chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by the City of New York, as liquidated damages for such neglect or refusal; but he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the sample of the same deposited at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated, New York, March 1, 1886.
