APRIL 21.

THALL 21.
mission be given to the United States to make certain changes in the street on the northerly side of the new United States Post Office. The Landscape Architect, to whom the application was referred, recommended that such permission be granted on the following conditions:
Ist. That the grades proposed shall be submitted to and be approved by the Superintending Engineer of this Department.
Ist. That any lamp-posts that require removal shall be reset where directed by this Department.
That any lamp-posts that require removal shall be reset where directed by this Department.
That any rovision shall be made to guard against the acquisition of title, or any color of right or title, on the part of the United States, to control or manage any part of the ground now under the jurisdiction of this Department, or any of the constructions that may hereafter be made to guard approving of said recommendations, with the conditions therewith, adopted the following resolution:
Tesolved, That the plan reported by the Landscape Architect, for the graning and paving of the sewers, and the drains and connections at the southerly side of the City Hall Park, in front of the sewers, and the drains and connections at the oronstruct said drains, connections, and openings of the City Hall Park, in front of the united States post Office, be adopted.
That permission be given to the United States, and openings of the city Hall Park, in front of the southerly side of the City Hall Park, in forth of the sewers, and the drains, connections, and openings, and opening

to construct said drains, connections, and openings, and to relay such sidewalks and pavements at their own expense. That the right to revise, alter, and reconstruct such work be reserved to this Department. The proposal (No. 1) of the Harlem Gas-light Company to light the public lamps in the public parks and places within that portion of the city of New York bounded as follows, namely : "By a line commencing at the intersection of the centre line of Seventy-ninth street and the East river ; running thence along the centre line of said Seventy-ninth street and the centre line of Transverse road No. 2, to the Hudson river ; thence along said Hudson river to Spuyten Duyvil creek ; thence along said creek to the Harlem river ; thence along said Harlem river and through the draws in the Central and Third Ave-nue bridges to the East river, and thence along the East river to the centre line of Seventy-mith street, the place of beginning," was accepted as the lowest bid for that portion of the city, and the contract-awarded to the said Harlem Gas-light Company. Company.

Company. The proposal (No. 3) of the Metroplitan Gas-light Company to light the public lamps in the following public parks and places, viz. : Reser-voir Park, Park Avenue Parks, Plaza at Fifty-eighth and Fifty-ninth streets, and Fifth avenue and Fifty-ninth street, Circle at Fifty-ninth street and Broadway, Transverse road No. 1 and the south side of Transverse road No. 2, was accepted as the lowest bid for the said several parks and places, and the contract awarded to the said Metroplitan Gas-light Company. The pronosal (No. 4) of Manhattan Gas-light

Metroplitan Gas-light Company. The proposal (No. 4) of Manhattan Gas-light Company to light the public lamps in the public parks and places within that portion of the city of New York bounded as follows: "On the north, by the centre line of Thirty-fourth street; on the south, by a line running from the East river through the centre line of Grand street to the centre of Sullivan street; thence southerly through Sullivan street to the centre line of Canal street to the Hudson river; on the east, by the East river; on the west, by the Hudson river," was accepted as the lowest bid for that portion of the city, and the contract awarded to the said Man-hattan Gas-light Company. The proposal (No. 5) of the New York Gas-

hattan Gas-light Company. The proposal (No. 5) of the New York Gas-light Company to light the public lamps in the public parks and places within that portion of the city of New York bounded as follows, namely : "South of a line running through Grand street, from the East river to Sullivan street, thence to Canal street, and through Canal street to the North or Hudson river," was accepted as the lowest bid for that portion of the city, and the contract awarded to the said New York Gas-light Company. M Т

Company. A committee of up-town property-owners, con-sisting of Hon. Benjamin Willis and Messrs. Bar-ney, Foster, Johnson, Godwin, Hutchings, Acker-man, and Fonda, had a conference with the Commissioners of Parks on the subject of improv-ing the Harlem river channel. President Chand-ler, of the Board of Health, and Commissioner Wales, of the Dock Department, were also pres-ent. The gentlemen of the Committee, through their Chairman, Mr. Hiram Barney, stated that they had considered the late report of Gen. New-ton relative to improving the channel of the Harlem river and Spuyten Duyvil creek, and would urge that in the event of such improv-ments being carried out, the canal suggested be abandoned, and the natural channel of the river be retained. The following resolution adopted by be retained. The following resolution adopted b the committee was then read, and a copy pre sented to the Board : Resolved, That, in the judgment of this Committee, the Spuyten Duyvil and Harlem river improvements, by the natural channel of those waters, will best secure the commercial, economic, waters, will best secure the commercial, economic, and sanitary interests of the city and of the gen-eral public; and we respectfully urge the Depart-ments of the City Government having these inter-ests in charge, to take such measures as will secure the early improvement of these waters, by the General Government alone, if practicable, or in connection with the State and City Govern-ment. ment.
