AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 78 Tribune Building, Wednesday, February 18, 1885, at 3 o'clock P.M.

Commissioners present—The Mayor, the Comptroller, Commissioner of Public Works, Commissioners James C. Spencer, William Dowd, and C. C. Baldwin.

Also, Chief Engineer Church, Assistant Chief Engineer Fteley and Consulting Engineer Davis; and Chief Engineer Birdsall, of the Department of Public Works.

The minutes of the stated meeting of February 12, 1885, were read, some verbal amendments made and then approved.

made, and then approved.

The Committee of Finance and Audit reported the examination and audit of bills included in Vouchers Nos. 507 to 518, which vouchers were, on motion of Commissioner Dowd, approved and ordered certified to the Comptroller for payment.

The Committee next reported the approval of the lease of a floor at No. 269 West One Hundred and Twenty-fifth street, from David W. Bishop, at \$420 per annum, for three years from May 1, next, for the use of the Engineers of the Seventh Division.

The Committee next recommended that authority be given the Chief Engineer to have thirty copies of the sets of plans of the New Aqueduct backed with cloth, at a cost of \$7 each set; and to have 900 feet of profile paper similarly backed at a cost of \$375, for making and preserving records of the progress of the work on said aqueduct.

On motion of Commissioner Dowd, the above recommendations were approved by the Commissioners, and the Chief Engineer was authorized to have the backing done.

The Committee on Construction made report, dated February 16, 1885, which was acted upon by sections, as follows:

The Committee on Construction induce report, dated February 10, 1885, which was acted upon by sections, as follows:

Ist. The Committee reported their approval of the recommendation of the Chief Engineer, of February 11, 1885, that Judd A. Lockwood be promoted from Leveler to Transitman, in place of William A. Brackemidge, declined, at a compensation of \$1,500 per annum.

On motion of Commissioner Baldwin, this recommendation was approved by the Commissioners, and Judd A. Lockwood was promoted to the position of Transitman, his compensation to be at the rate of \$1,500 per annum, and to commence with his entrance upon the discharge of his duties under

this promotion.

2d. Upon further investigation of the ownership of, and easement rights over the lands in the Twenty-fourth Ward of the city, and known as the old Archer lane, the use of which by the contractors for reaching Shaft No. 23 has been objected to, the Committee recommended that they be authorized and empowered to negotiate with the parties in interest in said lane, and to make proper terms with them for its use, upon condition that the roadway and bridge be put and kept in good repair, free from encumbrance to travel over it, and be left in good order and condition upon the completion of the aqueduct.

terms with them for its use, upon condition that the roadway and bridge be put and kept in good repair, free from encumbrance to travel over it, and be left in good order and condition upon the completion of the aqueduct.

Upon motion of Commissioner Spencer, this recommendation was approved by the Commissioners; and the Committee on Construction was authorized and empowered to make the necessary agreements with the parties in interest in said "Archer lane."

3d. The Committee submitted a communication addressed to them by the Chiet Engineer, dated February 16, 1885, in relation to modifications in the tunnel, and its inclines, on Sections A and B in the Twenty fourth Ward, which modifications are asked for by the contractor, and the Committee recommended that in accordance with clause 57 of the specifications and contracts for Sections A and B of the New Aqueduct, the Chief Engineer be authorized and directed to increase the level spaces between the foot of Shaft No. 24 and the root of the incline on Section A, and between the foot of Shaft No. 20 and the foot of the incline on Section B, one hundred feet each, in order to facilitate the construction of work at those places.

Upon motion of the Comptroller, this matter was laid over and the Committee on Construction was requested to confer with the Counsel to the Corporation in relation to the proposed changes, and to prepare proper resolution for the action of the Commissioners at their next regular meeting.

4th. The Committee recommended that the Chief Engineer be directed to obtain authority from the Departments of Public Works and of Public Parks, for the use of the public streets, and of the Central Park, for making the soundings provided for by the Commissioners at their last meeting.

On motion of Commissioner Dowd, this recommendation was approved by the Commissioners and the Chief Engineer directed to obtain authority from the Departments of Public Works and of Public Parks.

The Secretary presented the following communications:

Commissioner Spencer then offered the following preamble and resolution, which were unanimously adopted, viz.:

Whereas, The present offices of the Aqueduct Commissioners are not only insufficient for the proper transaction of the present business of the Commission, but are entirely inadequate for its rapidly increasing work; therefore be it

Resolved, That the said Commissioners lease Rooms Nos. 207, 209, 211, 212, 213, 214, 215 and 216, upon the fifth floor of the Stewart Building, corner of Broadway and Chambers street, for the term of three years from the 1st of May next, at a rental of eighty-five hundred dollars (\$8,500) per annum, said leasing being subject to the approval of the Board of Estimate and Apportionment of the City of New York, as provided by section 41, chapter 490 of the Laws of 1883.

Commissioner Dowd then offered the following resolution:

Whereas, Additional furniture is now required for the use of this Commission and its employees, and the appropriation of \$1,500, approved by the Board of Estimate and Apportionment on the 6th day of July, 1883, is now exhausted; therefore be it

Resolved, That the sum of \$1,500 be and the same is hereby appropriated for the purchase of necessary furniture and fixtures for the office of the Aqueduct Commissioners and its employees, subject to the approval of the Board of Estimate and Apportionment, as required by section 41, chapter 490, Laws of 1883.

This resolution was adopted unanimously, and the Secretary was directed to transmit copies of both of the above resolutions to the Board of Estimate and Apportionment for its approval.

On motion of the Comptroller, the matter of making such alterations as may be required in the rooms to be leased in the Stewart Building, and providing necessary furniture and fixtures, was referred to the Committee on Construction, with power.

The Commissioners then adjourned.

FIRE DEPARTMENT.

HEADQUARTERS
FIRE DEPARTMENT, CITY OF NEW YORK,
155 AND 157 MERCER STREET,
NEW YORK, March 3, 1885.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THIS
Department with one (1) steam Fire Engine, will be
received by the Board of Commissioners at the head of
the Fire Department, at the office of said Department,
Nos. 155 and 157 Mercer street, in the City of New
York, until 11 o'clock a. M., Monday, March 16, 1885, at
which time and place they will be publicly opened by
the head of said Department and read.

The engine is to conform to the following specifications:

The engine is to conform to the following specifications:

The engine to be what is known as Second (2d) Size, Double Pump and Cylinder Vertical Crane Neck Steam Fire Engine, and to weigh not more than six thousand five hundred (6,500 pounds when fully equipped with and carrying all the tools, implements and appurtenances called for in these specifications, and with the boiler filled with water to the second gauge-cock.

The boiler to be vertical, 35 inches in diameter and 62 inches high, to be made of best steel boiler plate, having copper smoke flues and hanging tubes of lap-welded iron; each hanging tube having circulating strips.

To be of sufficient strength to bear twice the pressure ever required in doing fire duty and to have ample steaming capacity to keep up a full head of steam while doing the heaviest work. To be covered with Russia iron, properly banded with brass bands, nickel plated.

To be in all respects as to form and construction exactly similar to that now on Engine No. 32 of this Department, being M. R. Clapp's Circulating Tubular Boiler Parent of 1878.

The main pumps to be vertical, double acting, made entirely of composition, with cylinders each 45% inches diameter, and having a stroke of seven (7 inches; to have three (3) discharge gates and an automatic relief valve.

The steam cylinders to be each 75% inches in diameter, and having a stroke of seven (7) inches, and to be fitted to a bed-plate containing the steam passages.

The engines to be delivered at the Repair Shops of the Fire Department, Nos. 130 and 132 West Third street, in sixty (60) days after the execution of the contract, in complete working order, with a guarantee that the material and workmanship are of the best character, and that the contractor will replace, at his own expense, such parts, if any, as may fail, provided that such failurs is properly attributable to defective material or inferior workmanship.

The engines to have a full and thorough trial of working powers in the City of New York, under a com-

such failures properly attributable to detective material or inferior workmaship.

The engine is to have a full and thorough trial of working powers in the City of New York, under a competent engineer, before its acceptance.

For full information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five [\$25] dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety pr otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without

collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Dep sty thereof or Clerk therein, or other officer of the Corp oration, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

as in default to the Corporation; and the contract will no re-advertised and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collus on or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereot, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or per-

sons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention texecute the bond required by law. The adequacy and sufficiency of the security offered will be subject to the approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall retuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execu

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

Office of the Commissioner of Jurors, Room 127, Stewart Building, Chambers Street and Broadway, New York, June 1 1383.

A PPLICATIONS FOR EXEMPTIONS WILL BE

A PPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption, if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man mus attend to his own notice. It is a misdemanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonals to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient surreties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud and that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded at the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation may be obliged to pay to t

box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, vueses, and merchandise must conform in every respect to the sameles of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will be made by a requisition on the Comp-

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

tion of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

The nature and extent of each of the several works, as near as it is possible to state them in advance, is as stated in the form of contract and specification.

As the above-mentioned quantities, though stated with as much accuracy as is possible in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing statement, and shall not at any time after the submission of an estimate dispute or complain of such statement nor assert that there was any misunderstanding in regard to the depth of the excavation to be made or the nature or amount of the work to be done.
