### RAPID TRANSIT COMMISSION.

MAYOR'S OFFICE,  
 NEW YORK, April 2, 1879.

#### Appointment of Commissioners.

It appearing by the application, made to me on the 4th day of March, 1879, by fifty reputable householders and taxpayers of the City and County of New York, in the State of New York, verified upon oath before a Justice of the Supreme Court, that there is need in said city and county of a street railway or railways for the transportation of passengers, mails and freight; and thirty days not having expired since said application, now, in pursuance of the provisions of the act entitled, "An Act further to provide for the construction and operation of a steam railway or railways in counties of the State," passed June 18, 1875, three-fifths being present, I, Edward Cooper, Mayor of the City of New York, do hereby appoint the following five persons, residents of said city and county, to be commissioners under and in pursuance of the provisions of said act, namely: Henry F. Spaulding, Benjamin G. Arnold, Henry G. Stebbins, Lewis G. Morris, Samuel R. Filley.

In witness whereof, I have hereunto signed my name, the 2d day of April, 1879.  
 EDWARD COOPER, Mayor.

### APPROVED PAPERS.

Resolved, That permission be and the same is hereby given to Samuel Joseph to place and keep five awning-posts and cross-pieces, not to exceed in dimensions the size prescribed by ordinance, in front of his premises, Nos. 50 and 52 Hester and No. 30 Ludlow street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 6, 1879.

Received from his Honor the Mayor, May 19, 1879, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That permission be and the same is hereby given to Murphy & Nesbit to place and keep a bridge over the gutter in front of their premises on Avenue B, between Seventy-ninth and Eightieth streets, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 6, 1879.

Received from his Honor the Mayor, May 19, 1879, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Whereas, The elevated railroad companies, not satisfied with destroying in the most arbitrary and infamous manner, millions of dollars' worth of the property of our citizens, and usurping franchises of the public worth many millions more, are now engaged in a scheme to add to the destruction and usurpation by securing, through the Legislature of this State, the right to enter upon and use any other of the streets, avenues, and public places of this city, with their tracks, without any compensation being provided for the private property thus to be destroyed, or even the permission of the local authorities, who are charged with the care of the franchises thus to be usurped; and

Whereas, While all are willing to admit that the advantages and benefits of rapid transit are many and great, yet they are secured to the many by sacrificing the rights and property of the few, without the slightest compensation being made for the damage inflicted; in other words, private property has been taken and damaged without compensating the injured property owners or the city, in clear violation of the constitutional rights of both, and as this system is fraught with outrage and wrong, care should be taken in any future extension of the privileges now enjoyed by both rapid transit companies, to see that private rights and rights of property should be protected, and where injury or damage is inflicted, that ample compensation be provided; be it therefore

Resolved, That the Common Council, the representative of the people of the city hereby protests in the most urgent, yet respectful manner against the passage of any bill by the Legislature of this State, granting to either or both of the elevated railway companies the right to use or occupy any street, avenue, or place not laid down in their present grants from the city, confirmed September 6, 1875, without making ample provision for the payment to injured property owners of the amount of the damage so inflicted, and without the consent of the corporate authorities, before using or taking possession of any other of the streets, avenues, or places of this city; and be it further

Resolved, That the Clerk of this Board be and he is hereby instructed to transmit to the President of the Senate and the Speaker of the Assembly a copy of the foregoing preamble and resolution, for presentation to the Legislature of this State, as a protest of the Corporation of the City of New York against the passage of the bill in question, granting the use of any of the streets of his city to either or both the elevated railroad companies unless provision is made in said bill to compensate owners of property for all damage sustained, and that the consent of the local authorities to use such streets be first obtained.

Adopted by the Board of Aldermen, April 29, 1879.

Received from his Honor the Mayor, May 6, 1879, with his objections thereto.

In Board of Aldermen, May 20, 1879, taken up and considered, as provided in section 13, chapter 335, Laws of 1873, and adopted, notwithstanding the objections of his Honor the Mayor, three-fourths of all the members elected voting in favor thereof.

Resolved, That permission be and the same is hereby given to John Smith to erect a post, six inches square and ten feet high at the outer edge of the sidewalk, adjoining the curb-stone, and to place a sign thereon two feet high and four feet wide, in front of his premises, No. 307 West Thirty-sixth street, the work to be done at his own expense; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 6, 1879.

Received from his Honor the Mayor, May 19, 1879, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That the Commissioner of Public Works be and he is hereby requested to report to this Board if the proposed change of grade of Forty-second street, between First and Second avenues, as contained in G. O. 109 of the Unfinished Business of the Board, will, if passed, affect, directly or indirectly, either in the old or new contract for constructing an arch over the carriageway of Forty-second street, between the First and Second avenues.

Adopted by the Board of Aldermen, May 13, 1879.

Received from his Honor the Mayor, May 19, 1879, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment for the supplies, will be furnished at the office of the Department.

## NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at

the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
