JURORS.

**NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.**

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

**APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.**

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

DEPARTMENT OF PUBLIC PARKS,
36 UNION SQUARE,
NEW YORK, October 28, 1882.

TO IRON BRIDGE BUILDERS.

**PROPOSALS FOR BUILDING THE SUPERSTRUC-
TURE OF THE MADISON AVENUE BRIDGE
OVER THE HARLEM RIVER.**

**SEALED BIDS OR ESTIMATES FOR THE ABOVE
work, indorsed "Estimate for Building Superstruc-
ture of Madison Avenue Bridge,"** as with the name of
the person or persons making the same, and date of the
presentation, will be received from iron bridge builders
only, at the office of the Department of Public Parks, No.
36 Union Square, New York City, until half-past nine
o'clock A. M., on Saturday, the eleventh day of Novem-
ber, 1882, at which place and hour the bids will be
publicly opened by the Board of Commissioners of the
said Department, and read, and the award of the con-
tract will be made as soon thereafter as practicable.
The adequacy and sufficiency of the security offered is
subject to the approval of the Comptroller of the City of
New York.

The person or persons to whom the contract may be
awarded will be required to attend at the office of
the said Department, with the sureties offered by him or
them, and execute the contract within five days after
written notice that the same has been awarded to his or
their bid or estimate, and that the sureties offered by
him or them have been approved by the Comptroller; and
in case of failure or neglect so to do, he or they will
be considered as having abandoned it, and in default
to the Corporation, and thereupon the work will be
re-advertised and relet, and so on until the contract be
accepted and executed.

N. B.—The prices must be written in the bid, and also
stated in figures, and all estimates will be considered as
informal which do not contain bids for all items called for
in these proposals, or which contain bids for items not
called for herein. Permission will not be given for the
withdrawal of any bid or estimate. No bid will be
accepted from, or contract awarded to, any person
who is in arrears to the Corporation upon debt or con-
tract, or who is a defaulter, as surety or otherwise, upon
any obligation to the Corporation.

Bidders are required to state in their estimates, under
oath, their names and places of residence; the names of
all persons interested with them therein; and if no other
person be so interested, they shall distinctly state the
fact; also, that such bid or estimate is made without any
connection with any other person making a bid or esti-
mate for the same purpose; and that it is in all respects
fair and without collusion or fraud; and also that no
member of the Common Council, head of a Department,
Chief of a Bureau, Deputy thereof, or Clerk therein or
other officer of the Corporation, is directly or indirectly
interested therein, or in the supplies or work to which
it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing,
of the party making such estimate, that the several matters
therein stated are in all respects true. When more than
one person is interested in the estimate, the verification
must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders in the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person making the bid or estimate, they will, on its

being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may
be obliged to pay to the person to whom the contract may
be awarded at any subsequent letting; the amount in
each case to be calculated upon the estimated amount of
the work by which the bids are tested. The consent
above mentioned shall be accompanied by the oath, or
affirmation in writing, of each of the persons signing the
same, that he is a householder or freeholder in the City of
New York, and is worth the amount of the security
required for the completion of the contract and stated in
the proposals, over and above his liabilities as bail, surety,
and otherwise; that he has offered himself as surety,
in good faith, and with an intention to execute the bond
required by law.
