Green, Chief Engineer, copy of which is attached hereto, is to be deemed a part of this contract, is to be construed with the text thereof, and is to be substantially followed, provided that temporary deviations therefrom may be permitted as hereinafter set forth.

SECTION 2. The grant of this right and privilege is subject to the following conditions:

First—The said right and privilege to maintain and operate stages or omnibuses upon the streets and avenues herein described shall be held and enjoyed by the Company for the term of fifteen (15) years from the date upon which this contract is signed by the Mayor, with the privilege of renewal of said contract for the further period of ten (10) years upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The time within which such application for renewal must be made is of the essence of this contract, and a failure of the Company to present its application within the time fixed shall be considered as an election on the part of the Company not to take advantage of the renewal privilege, and as a relinquishment of its right to such renewal, in which event the franchise shall terminate on the last day of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual percentages of gross receipts or minimum guarantees be less than the annual percentages of gross receipts or minimum guarantees required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day nine (9) months before the expiration of the original term of this contract, then the parties hereby agree that the annual rate for the renewal term shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books and papers of the Company and its officers and employees under oath. The valuations so ascertained, and agreed to by any two (2) of such appraisers shall be conclusive upon both parties, but the annual percentages of gross receipts or minimum guarantees shall in no event be less than the annual percentages of gross receipts or minimum guarantees required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and entire expense of such appraisal shall be borne jointly by the Company and the Board, each paying one-half thereof.

Second—The Company shall, during the original term of this contract, pay to the City the following sums of money:

- (a) It shall continue to pay for the rights and privileges granted or claimed to have been granted to it prior to the date on which this contract is signed by the Mayor, the percentage of gross annual receipts required by law, which gross annual receipts, for the purposes of this contract, shall not be more than Two million dollars (\$2,000,000).
- (b) For this right and privilege:
 1. The sum of Fifty thousand dollars (\$50,000) in cash within thirty (30) days after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted.
 2. Ten (10) per cent of that portion of its gross annual receipts above Two million dollars (\$2,000,000) and under Three million dollars (\$3,000,000).
 3. Fifteen (15) per cent of that portion of its gross annual receipts above Three million dollars (\$3,000,000).

Provided that in no event shall the sum to be paid by the Company for the rights and privileges granted or claimed to have been granted prior to the date on which this contract is signed by the Mayor, together with the sum to be paid for this right and privilege, be less than two hundred and fifty thousand dollars (\$250,000) annually during the first five years, three hundred thousand dollars (\$300,000) annually during the second five years and four hundred thousand dollars (\$400,000) annually during the remaining five years.

The gross annual receipts mentioned above shall be the total gross annual receipts of the Company or any subsidiary or subsidiaries of the Company from whatever source derived, either directly or indirectly, in any manner, out of or in connection with the operation hereby authorized, and the operation pursuant to rights to operate omnibus routes granted or claimed to have been granted prior to the date on which this contract is signed by the Mayor.

The annual charges herein provided shall not be in addition to the percentages of gross receipts required to be paid by the Company pursuant to Section 23 of the Transportation Corporations Law, but are intended and shall be deemed to include such percentages of gross receipts.

The annual charges for this right and privilege shall commence on the date upon which the Company obtains the permission and approval of the Public Service Commission, as required by Section 53 of the Public Service Commissions Law. The Company hereby agrees to file its application with the Public Service Commission for such permission and approval within ten (10) days from the date of this contract.

The annual charges, as above, shall be paid into the Treasury of the City on November 1 of each year and shall be for the amount due to September 30 next preceding; provided that the first annual payment shall be only the amount due the City, as above, from said percentages of such gross receipts shall be received by the Company between the date on which the Company obtains the permission and approval of the Public Service Commission and September 30 following, or such portion of the minimum annual charge for the first five years of this contract as shall bear the same proportion to the total minimum annual charge as the period between the date upon which the Company obtains the permission and approval of the Public

Service Commission and September 30 following shall bear to the whole of one year, if such amount due the City from said percentages of such gross receipts shall be less than such portion of the minimum annual charge.

Any and all payments to be made by the terms of this contract to the City by the Company for the right and privilege hereby granted shall not be considered in any manner in the nature of a tax; provided, however, that if hereafter under any authority of law or any ordinance of this City any taxes shall be imposed upon the Company for the exercise of the franchise herein granted or any license tax shall be imposed with respect to the operation of any vehicles in excess of the Twenty Dollars (\$20) per vehicle now required to be paid under the existing franchise of the company, such franchise taxes or such additional license fees shall be deducted from the percentages otherwise payable to the City under the provisions of this contract.

Third—The annual charges or payments shall continue throughout the whole term of this contract, notwithstanding any clause in any statute or in the charter of any other company providing for payment for similar rights or franchises at a different rate.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right and privilege upon the same or other terms and conditions, over the said streets and avenues.

Fifth—At the termination or forfeiture of this grant, the City at the election of the Board, shall have the right, provided that in the case of termination it gives at least six (6) months' notice, to purchase such part of the property and plant of the Company as the Board shall determine is necessary for the purpose of the operation of the stages or omnibuses on said streets and avenues at a sum equal to a fair value of such property and plant, exclusive of any value which such property and plant may have by reason of this contract. Such property and plant are to be valued as if the Company had not exercised the right and privilege granted by this franchise; and no allowance shall be made to the Company in such valuation by reason of such exercise.

If the Company and the City cannot agree upon the extent of the property and plant necessary to be taken over, nor upon a fair value of such property and plant, then the extent and the value thereof shall be determined and fixed by arbitration at the instance of either party upon notice to the other party hereto, in the following manner:

One disinterested person shall be chosen by the Company, one disinterested person shall be chosen by the Board, and the two so chosen shall choose a third disinterested person. The decision under oath of any two of such persons, who shall be so selected, shall be final and conclusive.

If either the Company or the City fails to appoint an arbitrator as herein provided, or should the first two arbitrators fail to agree on the selection of the third arbitrator within thirty (30) days after the first two arbitrators shall be chosen, or if no two arbitrators so selected shall agree upon the extent and value of such property within sixty (60) days after the arbitrators shall be so selected, then such extent and value may be fixed by a commission appointed by the Supreme Court on the application of either party.

Sixth—The rights and privileges hereby granted shall not be assigned or transferred, either in whole or in part, whether by consolidation, merger, reorganization or otherwise, or leased or sublet in any manner, either in whole or in part, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the title thereto, or right, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation, merger or reorganization of corporations or otherwise, unless in addition to the above consent of the Board the proposed successor in title to the rights of the Company shall file with the Board an instrument under seal, agreeing to assume and be bound by each and all of the terms and conditions of this contract and agreeing to waive any more favorable conditions created by its charter or any statute relating to the consolidation, merger or reorganization of corporations or otherwise. The filing of such agreement shall constitute a condition precedent to the passing to or vesting in such proposed successor in title to the rights of the Company of the rights and privileges hereby granted, or of any portion thereof, or of any right, interest or property therein. In case of the failure of such proposed successor in title to the rights of the Company to file such agreement within sixty (60) days after the date on which such succession in title is to take effect, the right and privilege hereby granted may be forfeited, or the consent of the City provided for herein may be revoked by resolution of the Board.

Seventh—The Company shall place vehicles in regular operation as follows:

(a) A sufficient number of vehicles to operate in the manner herein required upon Broadway and St. Nicholas ave. from 135th st. to 193rd st.; 181st st., from Fort Washington ave. to St. Nicholas ave.; St. Nicholas ave. from 149th st. to Broadway; Fort Washington ave. from Broadway to 181st st.; Edgecombe rd. from 155th st. to 167th st.; 167th st. from Edgecombe rd. to Broadway; 125th st. from 5th ave. to Park ave.; Park ave. from 125th st. to 127th st.; Seventh ave. from the Pennsylvania Station to Longacre sq.; Broadway from Longacre sq. to 57th st.; Morningside ave. from Manhattan ave. to Convent ave.; Convent ave. from Morningside ave. to St. Nicholas ave.; and upon such streets and avenues as are necessary to operate a line from the Pennsylvania Railroad Station to the Grand Central Station in 32nd st., Madison ave., Park ave. and other streets, within ten (10) days from the date upon which the Company obtains the permission and approval of the Public Service Commission;

Fifteenth—The inclosed portion of all stages or omnibuses operated on said routes shall be well lighted and as may be required by resolution of the Board.

Sixteenth—Before any stage or omnibus is put in service it shall be submitted to the Board or its authorized representatives and receive the approval thereof. If any vehicle which may be so submitted for approval shall not conform with the requirements herein the Company shall not operate such vehicle. If after a vehicle shall have been so approved, defects develop which in the opinion of the Board or its authorized representatives render it unsafe for public service, then the Board or its authorized repre-

sentatives may require the withdrawal of such vehicle from service until such defect has been remedied and the Board notified to that effect.

Upon being approved by the Board or its authorized representatives, each vehicle shall be given a number which shall not be changed so long as such vehicle shall be operated by the Company, unless and until the Company shall notify the Board that it proposes to change the number of the vehicle and of the new number which it is proposed to use.

Seventeenth—All vehicles operated pursuant to this grant shall be maintained in good and safe repair and in a manner which will in all ways render the vehicle fit for public service. The Company shall permit the Board or its authorized representatives to inspect at all reasonable times any or all the vehicles operated by the Company, and upon inspection any vehicle shall appear in the judgment of said Board or its authorized representatives to be unfit for public service, then the Company shall, upon notice, immediately withdraw such vehicle from service, and shall remedy the defect and notify the Board or its authorized representatives that the defect has been remedied before such vehicle shall be restored to service.

Eighteenth—All laws and ordinances affecting the operation of stages or omnibuses now in force, or which may be in force during the term of this contract and shall not be inconsistent with the specific privileges conferred upon this contract, shall be complied with by the Company. The Company shall also comply with and enforce the carrying out of any orders or regulations which may be issued by the Board, designed for the protection of persons, of property or of the comfort and health of the public.

In consideration of the right hereby granted the Company agrees to operate "special" five-cent lines over the streets hereinafter described. The rate of fare upon any one of said "special" lines shall be five (5) cents but no more, and upon the payment of such fare a passenger shall be entitled to ride as directly as possible from any point on said "special" line to any other point upon such "special" line.

The streets and avenues in which said "special" five-cent lines shall be operated are described as follows:

Twentieth—Stages or omnibuses shall be run on said streets and avenues at intervals of not more than ten (10) minutes between the hours of 7 a. m. and 12 o'clock midnight, and as much oftener as reasonable convenience of the public may require or as may be directed by resolution of the Board, and stages or omnibuses shall be operated at such intervals between the hours of 12 o'clock midnight and 7 a. m. as reasonable convenience of the public may require, or as may be directed by resolution of the Board.

It is hereby agreed that the Board shall at all times during the term of this contract have the right to fix, for any period, the maximum number of vehicles which shall be operated in 32nd st. from Madison ave. to 5th ave. and in 33d st., from Madison ave. to 8th ave., and to fix, for any period, the ratio of the number of vehicles operated on Vanderbilt ave. between 42d st. and 45th st. to the number of vehicles operated over the temporary route on Lexington ave. from 46th st. to 42d st.

Twenty-first—In the event of a snowfall, the Company shall, as directed by the Commissioner of Street Cleaning, clear snow, by means of plows, brooms, or other appliances, from two passageways, each not less than seven (7) feet in width on double route streets, and one passageway not less than seven (7) feet in width on single route streets, over all or any of said streets and avenues, herein described.

Twenty-second—It is understood that the Company shall operate, pursuant to this contract, only upon the streets and avenues upon which the Company is herein authorized to operate, but should vehicular traffic be diverted from any portion of any of said streets or avenues because of fires, parades or because of any other event which will close the street to vehicular traffic temporarily, then the Company may use such other streets or avenues as are necessary to continue the operation. If, however, for any reason any of the streets and avenues in which the operation is hereby authorized shall be closed to vehicular traffic for a longer period than twenty-four hours, then the Company shall communicate with the Board or its authorized representatives and obtain authority for the operation upon such other streets and avenues for the period during which said street or avenue may be closed.

Twenty-third—If in the opinion of the Board it shall, at any time during the original term, or during the first seven (7) years of the renewal term of this contract be deemed necessary that the Company operate an extension or extensions to any of the routes on the said streets and avenues or operate routes in addition to and distinct from and in no way connected with those in the said streets and avenues, and the Board shall so order after a public hearing, notification of which shall be given to the Company at least ten (10) days prior to the date thereof, then the Company shall within thirty (30) days after the date of such order, apply for the right and privilege to maintain and operate such extension, extensions, additional route or routes, and shall accept a grant to operate such extension extensions or additional route or routes for a term expiring not later than the date of the expiration of the renewal term of this contract, but if the said order of the Board shall be issued at any time during the first twelve (12) years of

this contract, then the grant to operate any such extension or additional route shall be for a term expiring on the date of the original term of this contract, with the privilege of a renewal term expiring not later than the date of the renewal term of this contract. Such grant shall contain the following special clauses:

(1) The Company shall keep accurate accounts of the gross annual receipts from all sources acquired from the operation of the route herein authorized and of the number of bus miles operated thereon, and shall take such means as are necessary and approved by the Board to keep such accounts.

(2) The annual cost of operation of the route herein authorized shall be deemed to equal the sum of the following items:

(a) The number of bus miles actually operated thereon, multiplied by the average cost of operation per bus mile over all the routes of the Company within the city, which average cost of operation shall include taxes and a sum sufficient to pay for the depreciation of the plant and equipment used for the purpose of operation of said routes, which sum for depreciation for the entire period covered by this contract, shall in no event amount to less than the sum sufficient to pay for three (3) years depreciation during the term of this franchise.

(b) Interest at the rate of six (6) per cent. per annum upon the value of the physical property actually required to carry on the operation of the route herein authorized, which value, unless a less value is agreed to by the Company and the City, or a less value determined by arbitration, shall be an amount equal to ten thousand dollars (\$10,000) for each additional vehicle for the operation of the route herein authorized. The number of additional vehicles necessary for said operation on the route herein authorized shall be deemed to be equal to the number of bus miles operated thereon per annum, divided by the average number of bus miles per annum operated by each of the vehicles of the Company upon all of its routes within the city, which shall in no event be less than twenty thousand (20,000) miles.

(3) The gross annual receipts as herein used shall be the actual gross annual receipts to the Company from whatever source derived, either directly or indirectly, in any manner, out of or in connection with the operation of the routes herein authorized. Provided, however, if said route is operated in conjunction with any other route or routes of the Company not described in this contract, then the gross annual receipts shall be deemed to be the cash fare collected on said route plus that proportion of the receipts of the Company from any other source, derived either directly or indirectly, in any manner out of or in connection with the operation of the route hereby authorized, as the number of bus miles per annum operated on the route hereby authorized bears to the total bus miles operated per annum by the Company upon all its routes within the City, unless some other method to determine the gross receipts shall be agreed to by the Company and the City.

(4) If during any year ending September 30 the cost of operation of the route herein authorized shall exceed the gross receipts therefrom for that year, then the amount of the excess of cost of operation over such gross receipts shall be deducted from the payments due the City for that year required by the first or original grant to the Company by the Board of Estimate and Apportionment.

(5) If during any year the total cost of operation of all the routes operated by the Company under rights and privileges applied for in compliance with orders of the Board pursuant to section 2, subdivision twenty-third, of the original grant to the Company, by the Board of Estimate and Apportionment exceeds for the corresponding year the aggregate of the gross receipts therefrom by a sum in excess of seventy-five (75) per cent. of the amount payable to the City by the Company pursuant to paragraphs designated as 2 and 3 of (b) in Section 2, Subdivision Second of the first or original grant to the Company by the Board of Estimate and Apportionment, then the Company shall have the right to discontinue and abandon one or more of such routes operated in compliance with such orders of the Board as is necessary to limit the loss to an amount which shall not be in excess of seventy-five (75) per cent. The routes to be abandoned shall be selected by the Board.

All other terms and conditions of such grant shall be the same as contained in this contract, unless otherwise mutually agreed to by the Company and the City, with, however, the following exceptions, omissions, changes and additions.

1. Section 2, subdivision second, clause (a) shall be changed so as to provide for the payment of an amount bearing the same ratio to the initial payment provided for in this contract as the length of such extension or additional route bears to the length of the streets and avenues upon which the Company is hereby authorized to operate unless a greater amount is agreed to by the Company.

2. Section 2, subdivision second, clause (b) shall be changed so as to provide for a payment of five (5) per cent. of the gross annual receipts of such extension or additional route during the term of the contract except for any renewal thereof, with reasonable minimum annual payments, to be agreed upon between the City and the Company. The compensation to the City for any renewal term shall be determined in the same manner as the compensation for the renewal term of this contract as herein provided.

3. Section 2, subdivision seventh, shall be changed so as to contain a specified period within which to commence operation, which period shall be sufficient to enable the Company to reasonably comply therewith.

4. Section 2, subdivision nineteenth, shall be changed so as to provide for a maximum rate of fare to be determined by the Board, but which shall in no case, without the consent of the Company be fixed at an amount less than ten (10) cents.

5. Section 2, subdivision twentieth, shall be changed so as to provide for maximum headway of vehicles to be determined by the Board.

6. Section 2, subdivision thirtieth, shall be changed so as to provide for the deposit as security of a sum which may be mutually agreed upon by the City and the Company. In case, however, such an agreement cannot be reached, the amount of the security deposit shall bear the same ratio to thirty thousand dollars (\$30,000) as the length of the extension or additional route shall bear to the length of the streets and avenues upon which the Company is hereby authorized to operate.

7. Section 2, subdivision twenty-third shall be omitted.

8. Said contract shall also contain the following clause:

"If any dispute shall at any time arise between the parties hereto in regard to the amount or amounts due or to be credited to either the City or the Company under the terms of this contract, or if the City at any time questions the equity of the sum of ten thousand dollars (\$10,000) per vehicle as

the amount upon which interest at the rate of six (6) per cent. per annum is to be charged as a part of operating cost, as herein provided for, then such amount or amounts shall be determined by arbitration at the instance of either party upon notice to the other party hereto, in the following manner:

"One disinterested person must be chosen by the Company, one disinterested person shall be chosen by the Board, and the two so chosen shall choose a third disinterested person. The decision under oath of any two of such persons who shall be so selected, shall be final and conclusive.

"If either the Company or the City fails to appoint an arbitrator as herein provided within thirty (30) days from the date of such notice, or should the first two arbitrators fail to agree on the selection of the third arbitrator within thirty (30) days after the first two arbitrators shall be chosen, or if no two arbitrators so selected shall agree upon said amount or amounts within sixty (60) days after the arbitrators shall be so selected, then such amount or amounts may be fixed by a commission appointed by the Supreme Court on the application of either party."

9. Such additional provisions as may be required by reason of conditions peculiar to the operation of such extension or additional route and which may be agreed upon between the City and the Company.

Nothing contained in this subdivision shall apply to any extension or additional route for which a right and privilege is voluntarily applied for by the Company.

Twenty-fourth—If, in the opinion of the Board, it shall at any time during the term of this contract be deemed necessary that the Company operate upon streets or avenues other than those in which the Company is hereby authorized to operate, in substitution for any route or portion of a route herein authorized running in a general northerly and southerly direction, and not greater than one mile in length, or in substitution for any route herein authorized running in a general easterly and westerly direction, and the Board shall so order after a public hearing, notification of which shall be given to the Company at least ten (10) days prior to the date thereof, then the Company shall apply for the right to operate such substituted route or routes within thirty (30) days after the date of such order and accept a grant therefor upon the same terms and conditions as those contained herein for a term expiring not later than the date of the expiration of this contract, and upon receiving such grant the Company shall surrender the right to operate over the route for which such substitution has been made.

Twenty-fifth—The Company shall submit to the Board a verified report not later than November 1 of each year for the year ending September 30 next preceding, and at any other time, upon request of the Board, which shall state:

1. The amount of stock issued, for cash, for property.
2. The amount paid in as by last report.
3. The total amount of capital stock paid in.
4. The funded debt by last report.
5. The total amount of funded debt.
6. The floating debt as by last report.
7. The total amount of floating debt.
8. The total amount of funded and floating debt.
9. The average rate per annum of interest on funded debt.
10. Statement of dividends paid during the year.
11. The total amount expended for same.
12. The names of the directors elected at the last meeting of the corporation held for such purpose.
13. Location, value and amount paid for real estate owned by the Company as by last report.
14. Location, value and amount paid for real estate now owned by the Company.
15. Number of passengers carried during the year.
16. Number of bus miles operated during the year.
17. Total receipts of Company for each class of business.
18. Amounts paid by the Company for damage to persons or property on account of construction and operation.
19. Total expenses for operation, including salaries, and such other information in regard to the business of the Company as may be required by the Board.

Twenty-sixth—The Company shall at all times keep accurate books of account of its gross annual receipts and shall, on or before November 1 of each year, make a verified report to the Comptroller of the City of the business done by the Company, for the year ending September 30 next preceding, in such form as he may prescribe. Such report shall contain a statement of such gross annual receipts, the total miles in operation and the miles operated under this contract, and such other information as the Comptroller may require. The Comptroller shall have access to all books and papers of the Company for the purpose of ascertaining the correctness of its report, and may examine its officers and employees under oath.

Twenty-seventh—The Company shall keep accurate books of the performance of different types of vehicles and the different services rendered and the cost thereof, and shall at any time furnish the Board or its authorized representatives such information with respect thereto as shall be requested.

Twenty-eighth—In case of any violation or breach or failure to comply with any of the provisions herein contained or with any orders of the Board or its authorized representatives or any other official of the City acting under the powers herein reserved, the Board may serve upon the Company notice of default, specifying therein the particular default complained of, and directing the Company to cure the same within ninety days. If there shall be any dispute as to the fact of default or as to the remedying thereof, the Company may apply to the court. If the default shall not be remedied within such time or within such further time as may be allowed by the Board or by the court the franchise herein granted may be declared forfeited by resolution of said Board.

Any false entry in the books of the Company or false statement in the reports to the Comptroller as to a material fact, knowingly made by the Company, shall constitute such a violation or breach or failure to comply with the provisions herein contained as to warrant the forfeiture of the right and privilege hereby granted.

Twenty-ninth—The Company shall assume all liability for damages to persons or property occasioned by reason of the maintenance and operation of the stages or omnibuses hereby authorized, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company shall repay the City any damage which the City shall be compelled to pay by reason of any acts or default of the Company.

Thirtieth—This grant is upon the express condition that the Company, within thirty (30) days after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the rights and privileges hereby granted, shall deposit with the Comptroller of the City the sum of thirty thousand dollars (\$30,000), either in money or securities to be approved by the Comptroller, which fund shall

be security for the performance by the Company of all the terms and conditions of this contract and for its compliance with all orders of the Board and of the officials of the City acting under the powers herein reserved. Deductions may be made from the said fund as hereinafter provided.

(a) Should the Company, within such time after notice as may be herein prescribed, or where no time is prescribed, within such time as the Board or the proper official of the City may hereafter prescribe, fail to comply with the provisions of this contract, or with the orders of the Board or of the officials of the City herein named or referred to, relating to the removal of snow and ice, the City shall have the right to cause the work to be done or the defect remedied and to reimburse itself for the cost of such work, by deducting such cost, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(b) Should the Company, within ten (10) days after demand has been made upon it, fail to repay to the City any damages caused to persons or property which the City shall be compelled to pay by reason of the maintenance or operation of the stages or omnibuses, or by reason of any acts or defaults of the Company in connection therewith, the City shall have the right to collect such costs or damages, with interest, by deducting the amount of the same, with interest, from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller upon the direction of the Board.

(c) Should the Company fail to pay to the City the annual charges required to be paid by this contract, within the time fixed for the payment thereof, the City shall have the right to collect the amount of such charges, with interest by deducting the same from the security fund hereinabove provided for. Such deduction shall be made by the Comptroller without further or other direction.

(d) Should the Company fail to comply with the provisions of this contract, or with the orders of the Board or of the officials of the City herein named or referred to, then the Company may be required to pay to the City, as liquidated damages for each breach or violation, the following sums:

For failure to maintain the roadway as herein prescribed, or to properly heat or light its vehicles, the sum of fifty dollars (\$50) per day for each day of violation, and the further sum of ten dollars (\$10) per day for each vehicle which shall not be operated, heated or lighted in compliance with this contract, or with the orders of the Board or of the officials of the City having jurisdiction.

For failure to give efficient public service at rates herein fixed, or to maintain its vehicles and equipment in good condition throughout the whole term of this contract, the sum of two hundred and fifty dollars (\$250) for each day during which the default of defect remains.

For failure to comply with any other provision of this contract as to which liquidated damages are not fixed herein, the sum of fifty dollars (\$50) per day for each day during which such failure or default remains.

All of such sums may be collected by deducting the same from the security fund hereinabove provided for.

The procedure for the collection of such liquidated damages shall be as follows:

Whenever the Board shall have knowledge of any such breach or violation on the part of the Company, the Board shall give notice to the Company, specifying the nature of such breach or violation and the amount of liquidated damages which it is proposed to collect therefor, and directing its president or other officer to appear before the Board on a certain day, not less than ten (10) days after the service of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, the Board shall forthwith direct the Comptroller to collect such liquidated damages by deducting the amount of the same from the security fund hereinabove provided for.

(e) In case of any deductions from the security fund pursuant to this contract, either for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by the City of the annual charges, or for liquidated damages, the Company shall, upon ten (10) days notice by the Comptroller, deposit with the Comptroller a sum, either in money or securities, sufficient to restore such security fund to its original amount of thirty thousand dollars (\$30,000), and in default thereof, the right and privilege hereby granted may be forfeited by the City.

(f) Should the right and privilege hereby granted be forfeited pursuant to the provisions of this contract, or should such right and privilege be terminated upon the dissolution of the Company as herein provided, the security fund hereinabove provided for shall be forfeited to the City as liquidated damages for failure of the Company to perform this contract pursuant to the terms hereof.

(g) No action or proceeding or right under the provisions of this subdivision shall affect any other legal rights, remedies or causes of action belonging to the City, nor the right of the Company to apply to the courts for a review of the fact of default or the remedying thereof.

The provisions for the reimbursement of the City for work done by it or amounts expended by it on behalf of the Company, or amounts paid by it to any person by reason of any act or default of the Company, or for the collection by it of the annual charges, or for liquidated damages, are and shall be in addition to the City's right, as herein reserved, to forfeit the right and privilege hereby granted.

Thirty-first—The words "notice," "order," or "direction," wherever used in this contract, shall be deemed to mean a written notice, order or direction. Every such notice, order or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice, order or direction as and when above provided shall be equivalent to direct personal notice, order or direction, and shall be deemed to have been given at the time of delivery or mailing.

Thirty-second—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall, unless otherwise herein described or specified, be deemed to mean streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title encountered by the streets and avenues upon or in which authority is hereby given to the Company to operate stages or omnibuses.

Thirty-third—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned shall be transferred by law to any other board, authority, officer or officers, then and in such case such other board, authority, officer or officers, shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

SECTION 3. Nothing herein contained shall be deemed as conferring any rights or privileges upon the Company, except as expressly set forth in Section 1 of this contract, nor as confirming any alleged rights or privileges heretofore claimed by the Company, nor shall anything herein affect or prejudice any rights or privileges held or possessed by the Company on or prior to the date on which this contract is signed by the Mayor. This provision is intended to prevent a waiver or surrender by either the City or the Company of any rights, privileges, claims, demands, suits, damages, penalties or forfeitures in favor of either party hereto against the other party, existing on or prior to the date on which this contract is signed by the Mayor. In the event of the termination of the rights and privileges hereby granted, whether by default, forfeiture, expiration or otherwise, no rights or privileges of the Company, other than those conferred by this contract, shall be deemed affected by the fact that the Company has become a party to this contract.

SECTION 4. Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the Laws of the State of New York. Neither shall anything herein contained prevent the Company from asserting or relying on any contractual right it may possess under this contract. The City, however, shall in no event be liable to the Company, in damages or otherwise, because of, owing to, or upon any claim or demand by the Company, based upon or growing out of any action or order of the Public Service Commission.

SECTION 5. The Company promises, covenants and agrees on its part and behalf during the entire term of this contract, whether original or renewal, to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

IN WITNESS WHEREOF, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

All bids for supplies must be submitted in duplicate.

The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures.

Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application thereto at the office of the Department for which the work is to be done or the supplies are to be furnished.
