#### ECF East 96th Street Project

**NOTICE IS HEREBY GIVEN** that a public scoping meeting will be held on Wednesday, June 29, 2016, beginning at 5:30 P.M., at the Park East High School, 230 East 105th Street, New York, NY.

The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop an Environmental Impact Statement (EIS) for the proposed ECF East 96th Street project. Comments on the Draft Scope of Work are invited and may be presented at the public scoping meeting and/or may be submitted in writing to the New York City Educational Construction Fund (ECF) until Monday, July 10, 2016, at the email and contact addresses below.

Directing that an Environmental Impact Statement be prepared, the Environmental Assessment, Positive Declaration, and Draft Scope of Work were issued by ECF on June 10, 2016, and are available for review from the contact person listed below and on the ECF website at http://schools.nyc.gov/community/facilities/ecf/default.htm.

The co-applicants, ECF and AvalonBay Communities, Inc. (AvalonBay), are seeking a rezoning and other actions to allow the construction of a mixed-use building, a replacement facility for the existing School of Cooperative Technical Education (SCTE), a new facility for the relocation of two existing neighborhood public high schools, and relocation of an existing jointly-operated playground on Block 1668, Lot 1, in the East Harlem neighborhood of Manhattan. The proposed project involves the construction of a mixed-use tower on Second Avenue containing a 135,000-gross square foot (gsf) public technical school - a replacement facility for the existing SCTE on the project site - as well as approximately 25,000 gsf of retail space, and approximately 1,015,000 gsf of residential floor area (1,100-1,200 units), of which 70 percent will be market rate and 30 percent will be permanently affordable. Following the demolition of the existing SCTE, the co-applicants will construct a 135,000 gsf building on First Avenue that will house two public high schools. The jointly-operated playground currently on the western portion of the project site would be relocated to the center of the project block. It is anticipated that site preparation and construction for the project would commence in 2018 and is expected it would be complete and operational in 2023.

The proposed project will require several discretionary actions, including: a zoning map amendment to change the portion 100 feet east of 2nd Avenue from R10A and R7-2 to a C2-8 District and the remainder of Block 1668 from R7-2 and R10A districts to a R10 district; amendments to the Zoning Resolution to allow distribution of

lot coverage and to establish a Mandatory Inclusionary Housing designated area; a special permit to allow distribution of lot coverage and waiver of height and setback restrictions; a special permit to reduce parking requirements applicable to non-income restricted residences; certifications to modify restrictions on location of curb cuts; and a certification that a transit easement is not required. The proposed project also will require approval of a home rule message by the New York City Council and legislation by the New York State Legislature to authorize the alienation and disposition to ECF of the existing jointly-operated playground, and its replacement with an equivalent amount of jointly-operated playground. The project also involves a transfer of the City-Owned property (the site) to ECF, which would lease a portion of the property to the designated developer, AvalonBay. ECF would convey the schools to the City (acting through the New York City Department of Education (DOE) and re-convey control of the jointly-operated playground to DOE and the New York City Department of Parks and Recreation. To facilitate construction of the schools, ECF would issue tax-exempt bonds.

# PROCUREMENT

#### "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic pregualification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Pregualification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement

Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)
