NOTICE

On Wednesday, April 23, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Bally's New York Operating Company, LLC. The Mayor's Office of Environmental Coordination (MOEC) is acting as the CEQR Lead Agency for the environmental review. The Applicant is seeking a series of land use actions including a City Map Amendment to demap a portion of the Development Site as parkland allowing for the disposition of an interest in those areas; a City Map Amendment to map the widened Ring Road as a City Street; a Zoning Map Amendment to designate existing parkland as a C8-4 commercial zoning district, in which gaming facilities are permitted pursuant to NYC Zoning Resolution Sections 32-10 (32-18, 32-181, 32-183) and 42-10 (42-18, 42-181, 42-183); approval for the disposition of City-owned real property to facilitate the transfer of a non-exclusive access easement or other similar agreement over the Waterfront Access Roadway necessary for the Proposed Development from the City of New York (through NYC Parks) to Bally's; and the extension and modification of the existing Golf Course Concession, through a renewal concession and/or a lease, to facilitate the long-term operation of the public Golf Course by Bally's in the Throggs Neck neighborhood of Bronx Community District 10 (the "Proposed Actions"). The Proposed Actions would facilitate the Proposed Development which includes the 3,093,880-gross-square-foot (gsf) Proposed Facility containing approximately 561,320 gsf of gaming and food and beverage space (5,146 gaming positions), a 500-key hotel with a spa and meeting space, a 2,000-person event center, an approximately 2,000 square foot (sf) police substation, approximately 6,100 gsf of retail, approximately 40,160 gsf for a replacement golf clubhouse, and 1,941,910 gsf of parking for approximately 4,660 vehicles, the improved Waterfront Access Roadway and improvements to Ring Road.

The Development Site and Rezoning Area are generally bounded by the Park and Hutchinson River Expressway to the west, and the Golf Course and Park on all other boundaries. The Golf Course is located in the eastern portion of the Park, bounded by the Whitestone Bridge to the west, Balcom Avenue and Emerson Avenue to the east, Schley Avenue and Saint Raymond's New Cemetery to the north, and the East River to the South.

The proposed project would also require other coordination and discretionary approvals from City agencies such as NYC Parks, NYCDOT, and NYCDEP. State approvals include State Legislation and Governor's Approval to authorize the alienation and disposition of parkland within Ferry Point

Park (the Park); approval by the Gaming Facility Location Board and issuance of a gaming license from the New York State Gaming Commission to allow the operation of the Proposed Facility; and approval from NYSDEC of a "Change of Use Workplan" to allow the use of and construction on the Development Site because it is part of a closed landfill. Other State approvals include approval from NYSDEC for stormwater discharges during construction and from NYSDOT and potentially other State agencies to facilitate certain street improvements near the Hutchinson River Expressway. In addition, coordination (or approvals for public improvements) may be required with State agencies or authorities such as the MTA (including NYCT and TBTA). The Proposed Development would also include various ministerial actions, such as approval from the Public Design Commission (PDC) for the replacement golf clubhouse which are not subject to ULURP. The Build Year is 2030.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, May 5, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DME011X.

HEALTH AND MENTAL HYGIENE

■ NOTICE

In accordance with Section 3-16(j) of the New York City Procurement Policy Board (PPB) Rules, the New York City Department of Health and Mental Hygiene (“the NYC Health Department” or “the Health Department”) is issuing this Concept Report in advance of issuing a

Request for Proposals for a new client services program.

The NYC Health Department intends to issue an RFP for the Connect programs. In January 2022, the Health Department launched the Connect Demonstration Project and intends to issue an RFP to continue Connect programs. Through this RFP, the NYC Health Department anticipates awarding contracts to support 7 Connect programs. All Connect programs will be expected to operate as an integrated extension of an existing Article 31 clinic. It is anticipated that preference will be given to clinics located in a TRIE neighborhood. As previously indicated, TRIE neighborhoods are those identified by the Taskforce on Racial Inclusion and Equity. Article 31 clinics that do not reside within a TRIE area would potentially be considered if they are accessible via mass transit and demonstrate accessibility to/from a high need area, including near TRIE areas.

The Concept Report with additional details will be posted on the Health Department's website from April 16, 2025 through June 2, 2025, for access visit nyc.gov/health and search for “Concept Report”. The Concept Paper will also be available through PASSPort during the same time frame and can be found on the PASSPort procurement navigator website, by visiting nyc.gov/businessopportunities and searching for “Connect Program”.

The Health Department invites written comments on this Concept Report, please submit all comments by **June 2, 2025 at 5:00 P.M.** Comments may be submitted by email to RFP@health.nyc.gov (indicating “Connect Concept Paper Comments” in the Subject line of the email), or through PASSPort.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov; and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
