BOARD OF ARMORY COMMISSIONERS.

MAYOR'S OFFICE, CITY HALL, March 9, 1887.

A meeting of the Armory Board was held this day at the office of his Honor Mayor Hewitt, City Hall, at 3.15 P. M.

Present—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of the Public Works Department, Brig.-General Fitzgerald, and Colonel Clark.

The minutes of the previous meeting were read and approved.

A certificate was received from the Architect of the Twelfth Regiment Armory, for the payment to Messrs. Mahony Bros., contractors, of the last payment on their second contract, less \$200 for the completion of some unfinished work. A letter was received from the Architect and read to the Board, describing in detail the unfinished work.

The matter was laid over.

NEW YORK, March 9, 1887.

Mr. M. COLEMAN, Secretary Armory Board:

Messrs. Mahony Bros. have asked for final certificate for payment on their second contract for "additional materials and carpenter-work" on Twelfth Regiment New Armory.

The item not as yet fully completed is the work connected with "storm doors" or vestibule at main entrance. This work is now on ground and is ready to be put up when directed by the architect. It is a movable structure and has been once fitted and taken down again. One hundred (\$100) dollars will, beyond all question, secure its final completion and finishing. If two hundred (\$200) dollars, therefore, be deducted from final payment, the interests of the City will be protected. Accompanying certificate is prepared on this basis.

Very respectfully yours,
JAMES E. WARE, Architect.

The following report was received and read, from the Committee on Plans:

NEW YORK, February 24, 1887.

At a meeting of the Committee on Plans, held at the office of the Secretary, this date, General Fitzgerald presiding, Mr. James E. Ware, Architect for the Twelfth Regiment Armory, presented an estimate for furniture for said armory. As only one estimate was offered, the Committee declined

to order the furniture, instructing the Architect to procure at least two other estimates from reliable persons from the same drawings and specifications.

Several estimates were offered for oiling the floors, ranging from \$390 to \$425. After some discussion it was awarded to Mr. Charles Crawford for \$390, it being the lowest bid, by a unanimous vote.

The chair-rail was then discussed, the Architect exhibiting a sketch as proposed, for which Messrs. Mahony offer the construction for \$540. Another estimate was offered at \$609.10, but upon inquiry by Commissioner Coleman, it was learned that this was for a different plan. The Architect was directed to present plans and specifications and estimates from two or three parties.

The matter of cooking apparatus was then discussed. Col. Joseph H. Jones offering some remarks and an estimate from L. F. Duparquet & Huot for \$725.

This was ordered by the following vote:

General Fitzgerald aye; Commissioner Coleman, aye; Col. Clark, dissenting, no.

The question of tools, being furniture or supplies, was then discussed, and consequently the question as to whether this Board or the Public Works Department should provide them was raised. Commissioner Coleman was appointed to confer with the Commissioner of Public Works Department on the matter.

Architect was directed to have a bell arranged from front door to Janitor's room, at an expense not exceeding \$25, and the bath-room floor laid, at an expense not exceeding \$15, by unanimous vote.

Architect J. R. Thomas presented his plans of the Eighth Regiment Armory. The question of additional locker-rooms was discussed, and Col. Scott spoke urgently for them.

The matter was put to vote, as follows:

General Fitzgerald, aye; Commissioner Coleman, aye; Col. Clark, dissenting, no.

The bill of Mr. Thomas for making plans and detail drawings was presented and approved as presented.

Architect Post appeared before the Committee with plans and specifications of the Twenty-second, which were discussed at some length and the Architect was requested to make some additions to specifications, after which the Committee would give the matter further consideration.

The question of making locker-rooms in the Eighth Regiment Armory in addition to the regular company-rooms was then discussed. The Architect, Mr. J. R. Thomas, exhibiting plans of the same.

General Fitzgerald moved to approve the Committee's report in favor of additional locker-rooms.

Commissioner Coleman seconded the motion, which was lost by the following vote:

The Mayor, no; General Newton, no; Commissioner Coleman, aye; General Fitzgerald, aye; Colonel Clark, no.

A letter was received and read from John L. Tonnele, trustee, offering to rent to the City the armory now occupied by the Twenty-second Regiment, on Fourteenth street.

Commissioner Coleman moved and Colonel Clark seconded the motion to rent the building.

The motion was carried by unanimous vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

ROOM NO. 78, TRINITY BUILDING, NO. 111 BROADWAY,
NEW YORK, February 14, 1887.

To the Honorable Board of Armory Commissioners:

GENTLEMEN—The undersigned, part owners, and representing all the other owners, of the property on Fourteenth and Fifteenth streets, in New York City, now used by the Twenty-second Regiment for the purposes of an armory, offer to lease said property to the proper authorities of said city at an annual rent of twenty thousand dollars, payable quarterly, for one year from May 1, 1887, with the option or privilege to the City of taking the same for another year on the same terms, upon written notice of their determination so to do, delivered to one or more of the owners on or before the first day of February, 1888. The roof to be kept in repair by the lessors and all other repairs to be done at the cost of the lessee.

JOHN T. HALL,
JOHN L. TONNELE, No. 229 Broadway, Trustee.

An offer was received from the owners of the armory now occupied by the First Battery, offering to lease the premises at the same rent as heretofore. A communication was also received from Captain Louis Wendel favorable thereto.

On motion of General Fitzgerald, seconded by Commissioner Coleman, it was unanimously agreed to rent the premises for one year:

The Mayor, aye; Commissioner Coleman, aye; General Fitzgerald, aye; General Newton, aye; Colonel Clark, aye.

NO. 323 WEST THIRTY-NINTH STREET,
NEW YORK, February 23, 1887.

Hon. EDWARD V. LOEW, Comptroller:

DEAR SIR—The lease of the premises Nos. 334, 336, 338 and 340 West Forty-fourth street, owned by me and occupied by the City as an armory for the First Battery expires on the first day of May next.

I am prepared and willing to make a new lease of these premises at the same annual rent for a further term of either one, two, three or four years, as may be deemed best for the interests of the City.

Yours very respectfully,
KATHARINA SCHMUCK.

NEW YORK, February 26, 1887.

Brigadier-General LOUIS FITZGERALD:

GENERAL—I beg leave to inform you that the lease on the premises where the armory of the First Battery is located expires on May 1, 1887.

You have inspected the armory yourself, and as, in my opinion, it is serviceable and beneficial to the battery, and the rent of \$2,750 per year not high, but very cheap, it would be necessary that you convene the Armory Board, and that the same recommend the renewal of the lease for at least four years, as it is very inconvenient to have every year the tedious process repeated.

You would do me a great favor if by your assistance this can be effected, and should you wish to see me in this matter I am at any moment to your service.

Yours very respectfully and obedient servant,
Capt. L. WENDEL.

An opinion was received and read from the Corporation Counsel as to the authority of the Armory Board to fitting up armories with furniture, such as tables and chairs:

NEW YORK, February 12, 1887.

Hon. MICHAEL COLEMAN, Secretary Armory Board:

SIR—I am in receipt of your communication under date of February 11, 1887, enclosing resolution of the Armory Board as follows:

"Resolved, That the opinion of the Counsel to the Corporation be and the same hereby is asked, whether under the laws defining the powers of this Board, any authority can be found for providing at the City's expense in fitting up armories with furniture, such as tables and chairs."

In my opinion the Armory Board does possess such authority under the laws defining its powers. I am, sir, respectfully yours,

E. HENRY LACOMBE, Counsel to the Corporation.

A letter was received from Colonel Seward of the Ninth, asking for a new armory for his regiment.

NEW YORK, February 16, 1887.

M. COLEMAN, Esq., Secretary Armory Board, New York City:

SIR—I have just read in the "New York Herald" your proposed plan to construct two armories in Bryant Park, for the Ninth and Seventy-first Regiments, N. G. S. N. Y. I presume it is scarcely necessary to advise the Armory Board, through you, that so far as the Ninth Regiment is concerned, the proposition meets the hearty approval of officers and men. The location is a most admirable one and the saving to the City of so large a sum must commend the scheme to every tax-payer. I take this occasion to reiterate the urgent necessity there is of providing an armory for the Ninth Regiment, and do not hesitate to say, that the effectiveness of the organization, nay, its very existence depends upon it.

I am sir, very respectfully,
WILLIAM SEWARD, JR., Colonel Commanding.

Some complaints having been received as to condition of the boiler in the armory of the Ninth Regiment, Commissioner Coleman resolved that the Commissioner of Public Works be requested to repair such boiler, if practicable, and that a lease of the building be made for one year.

Seconded by Colonel Clark, and unanimously passed:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye; Colonel Clark, aye.

A letter from Messrs. Moran & Armstrong, the contractors for the masonry of the Twelfth Regiment Armory, was received and read, asking for a partial payment. As it was not accompanied with the usual architect's certificate, it was laid over.

Commissioner Coleman called attention to the absence of coping on the chimney tops and also to a deflection in the wall over the Ninth avenue entrance. The contractor explained that they were waiting for some pleasant weather in which to set the coping, and General Newton was asked to appoint an engineer to confer with the architect and make a report on the wall.

MARCH 7, 1887.

To the Armory Board of the City of New York:

GENTLEMEN—We hereby respectfully make application to your Honorable Board for the sum of twenty thousand (\$20,000) dollars on account of the final payment of our contract for masonry work of Twelfth Regiment Armory, Sixty-first and Sixty-second streets and Ninth avenue, and submit the following reasons for such application:

Our entire contract has been virtually completed for eight months, with the exception of some patching of plastering after carpenter and other mechanics, which patching the sum of \$25 will finish. This work we cannot do till the carpenter and other mechanics are finished. We have not had any money on this contract since June 15, 1886, since which time we have had very little work to do on the building, and have been kept out of \$25,249.10 (balance of contract) waiting on others, therefore, we trust you will see the unfairness of our being kept out of our money (which we should have in our business where we need it) and grant our application for \$20,000, thus leaving \$5,249.10 in the hands of the Comptroller to finish up whatever patching may be necessary, and which will not amount to over \$25.

Very respectfully, etc.,

MORAN & ARMSTRONG, Masons and Builders.

A bill was received from Messrs. Gillies & Geoghegan for fifty tons coal, delivered to Twelfth Regiment Armory Building, amounting to \$367.50; accompanying the bill were the delivery tickets, duly signed by the Engineer.

General Fitzgerald offered the following resolution:

Resolved, That a voucher be prepared and forwarded to the Commissioners of the Sinking Fund for their concurrence, and to the Comptroller for payment to Gillies & Geoghegan of \$367.50, the amount of their bill.

Seconded by Colonel Clark, and passed by the following vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

Bills were also received from the Evening Post Job Printing Office for letter heads and sheets, \$7.85, and bids and contracts, \$58.35.

General Fitzgerald moved and Colonel Clark seconded the motion,

That a voucher be prepared for each amount, and that the Commissioners of the Sinking Fund be asked to concur in the payment, and that the voucher be forwarded to the Comptroller for payment.

The resolution was carried by a unanimous vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

A bill was received and read from J. R. Thomas, architect, for preparing and furnishing plans and specifications for the Eighth Regiment and Second Battery Armory, as agreed upon, for \$5,000. On motion of Commissioner Coleman, seconded by Colonel Clark, it was resolved that an appropriation from the General Army Fund for the amount be made and that a voucher for the same be forwarded to the Comptroller for payment; and that the Sinking Fund Commissioners be asked to concur in such action.

Mr. James E. Ware, Architect for the Twelfth Regiment Armory, offered estimates from—

George Mertz & Sons for \$432,

Mahony Bros., for \$430,

Siering & Hilbrand for \$539,

for materials and work in placing in the armory, according to specifications and plans of the Architect, chair rails in Board of Officers' Room, Court-martial room, the Colonel's room, the Surveyor's room, in the non-Commissioned Staff room, and panels in Board of Officers' room and Company's rooms, the material to be of ash.

Colonel Clark moved the work be given to the lowest bidder, Messrs. Mahony Bros., for \$430.

General Fitzgerald seconded the motion and it was so ordered by unanimous vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

Mr. James E. Ware also presented three estimates for supplying 104 pieces of furniture, consisting of chairs and tables for the Twelfth Regiment Armory, namely:

1 officers' table 8' 0" x 3' 10" with 4 drawers.

1 " 7' 0" x 3' 10" " 4 "

1 " 8' 6" x 3' 10" " 4 "

1 company table 8' 0" x 3' 8" " 2 "

12 " 6' 6" x 3' 8" " 2 "

1 " 5' 0" x 3' 0" " 2 "

3 " 4' 0" x 2' 6" " 1 "

1 " 3' 0" x 2' 0" " 1 "

18 chairs with arms, drawing A.

1 " " 1 foot higher in back.

59 " drawing B.

4 settes 3 sittings each.

1 " 3 "

General Fitzgerald moved the order be given to the lowest bidders, Messrs. Brown & Bliss,

No. 171 Canal street, at their estimate, \$992.

The motion was seconded by Colonel Clark, and was so ordered by unanimous vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

The Architect asked for an appropriation for paving the bath-room floor with asphaltum, which was rejected by unanimous vote.

Commissioner Coleman moved that the Sinking Fund be asked to concur in the appropriation of (\$1,000) one thousand dollars, to be set aside from the General Armory Fund as a Contingency Fund.

General Fitzgerald seconded the motion, which was so ordered by unanimous vote:

The Mayor, aye; Commissioner Coleman, aye; General Newton, aye; General Fitzgerald, aye, and Colonel Clark, aye.

On motion, the Board adjourned.

M. of Friday, March 25, 1887. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Steam Pipe, Radiators, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation.

ration upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmations, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

son or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, each in the penal amount of fifty (50) per cent. of
the ESTIMATED amount of the contract.

adequacy and sufficiency of the security offered to be
approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-

money must not be enclosed in the sealed envelope con-
taining the estimate, but must be handed to the officer or
clerk of the Department who has charge of the Estimate-

supplies or work to which it relates, or in any portion of
the profits thereof. The bid or estimate must be verified
by the oath, in writing, of the party or parties making
the estimate, that the several matters stated therein are
in all respects true. Where more than one person is in-
terested, it is requisite that the verification be made and
subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they shall pay to the Corporation any
difference between the sum to which he would be
entitled on its completion and that which the Corpora-
tion may be obliged to pay to the person or persons to whom
the contract may be awarded at any subsequent letting;
the amount in each case to be calculated upon the
estimated amount of work by which the bids are tested.
The consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or freeholder
in the City of New York, and is worth the amount of the
security required for the completion of this contract, over
and above all his debts of every nature, and over and
above his liabilities, as bail, surety or otherwise; and that he
has offered himself as a surety in good faith and with the

intention to execute the bond required by section 12 of
chapter 7 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be ap-
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
panied by either a certified check upon one of the Na-
tional or State Banks of the City of New York, drawn to
the order of the Comptroller, or money to the amount of
five per centum of the amount of the security required for
the faithful performance of the contract. Such check or
money must not be enclosed in the sealed envelope con-
taining the estimate, but must be handed to the officer
or clerk of the Department who has charge of the Esti-
mate-box, and no estimate can be deposited in said box
until such check or money has been examined by said
officer or clerk and found to be correct. All such deposits,
except that of the successful bidder, will be returned to
the persons making the same, within three days after the
contract is awarded. If the successful bidder shall refuse
or neglect, within five days after notice that the con-
tract has been awarded to him, to execute the same, the
amount of the deposit made by him shall be forfeited to
and retained by the City of New York, as liquidated
damages for such neglect or refusal; but if he shall exe-
cute the contract within the time aforesaid, the amount
of his deposit will be returned to him.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they shall be considered as having
abandoned it and as in default to the Corporation, and the
contract will be readvertised and relet as provided by
law.

Bidders will write out the amount of their estimate, in
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,
in accordance with the terms of the contract.

BIDDERS ARE INFORMED THAT NO DEVIATION FROM
THE SPECIFICATIONS WILL BE ALLOWED, UNLESS UNDER
THE WRITTEN INSTRUCTIONS OF THE COMMISSIONERS OF
PUBLIC CHARITIES AND CORRECTION.

The form of the agreement, including specifications,
and showing the manner of payment, can be obtained at
the office of the Department, where the plans will be on
exhibition for information of bidders.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

Commissioner of Public Works.

DEPARTMENT OF DOCKS,
PIER "A," NORTH RIVER.

TO CONTRACTORS.

(No. 235.)

PROPOSALS FOR ESTIMATES FOR PAINTING THE SHED AND REPAIRING ITS METAL COVERING ON PIER, NEW 43, NORTH RIVER.

ESTIMATES FOR PAINTING THE SHED AND Repairing its Metal Covering on Pier, new 43, North river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'clock M. of

TUESDAY, MARCH 15, 1887,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Engineer's estimate of the nature, quantities and extent of the work, is as follows:

1. Labor and material for painting and glazing the shed and offices, and supplying all the paints, oils, varnishes, glass, putty and material of every description necessary therefor, as set forth in the specifications.
2. Labor and materials for making the necessary repairs to the shed, including the removal of old materials and handling and putting on all the new material, and furnishing galvanized iron nails, as set forth in the specifications.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert or claim that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work contracted for, to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The bidder to whom an award is made shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of Nine Hundred Dollars.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for is to be fully completed on or before the fifteenth day of May, 1887, and the damages to be paid by the contractor for each day that the con-

tract, or any part thereof, may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the old material taken from the said structure, to be removed under the contract, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expense of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of the notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact, also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in such case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.
