I return, without my approval, the resolution of the Board of Aldermen, adopted October 27, 1886, that permission be given to Henry Spies to regulate and grade Lincoln avenue, from the Southern Boulevard to One Hundred and Thirty-second street, etc., for the reason that the work should be done under the supervision of the Park Commissioners instead of the Commissioner of Public Works, as provided by the resolution.

Resolved, That permission be and the same is hereby given to Henry Spies to regulate and grade Lincoln avenue, from the Southern Boulevard to One Hundred and Thirty-second street ; also to set curb and gutter stones and flag the sidewalk, the work to be done at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, November 9, 1886.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted October 27, 1886, authorizing the Commissioner of Public Works to cause a temporary foot-path or bridge to be erected in One Hundred and Fifty-fifth street, from the station of the Elevated Railroad at Eighth avenue to St. Nicholas place, etc., for the reason that a portion of One Hundred and Fifty-fifth street, from Eighth avenue to New or Coogan avenue, is under contract for regulating and grading, and at the instance of the contractor, and under the advice of the Corporation Counsel, the foot-bridge was removed. The reconstruction of it would, therefore, be illegal at this time, as it would interfere with the contractor.

Resolved, That the conditions upon which and not otherwise, the said consent is hereby given, are as follows, to wit:

First—That the provisions of chapter 252 of the Laws of 1884, pertinent thereto, shall be complied with.

Second—That the right, franchise and privilege of using the said streets and avenues to construct, maintain, use and operate a street surface railroad upon the said streets and avenues, subject to all the provisions of chapter 252 of the Laws of 1884, and of chapter 642 of the Laws of 1886, shall be sold at public auction to the bidder, which shall be an incorporated railroad or railway company organized to construct, maintain and operate a street railroad in the City of New York, for which such consent is given and which will agree to give the largest percentage per annum of its gross receipts with adequate security by a bond or undertaking in writing, and under seal, in such form, condition, amount and sureties as shall be required and approved by the Comptroller of the said City for the fulfillment of the said agreement and for the commencement and completion of such road according to the plan or plans, and on the route or routes fixed for its construction within the time or times designated and prescribed therefor by the provisions of chapter 642 of the Laws of 1886.

Third—That in the construction of the said railroad and its equipment the materials and work employed shall be of the best quality and character, and the said railroad shall be constructed with side-bearing rail, having the outer edge of bearing flush with pavement, with inside drop, not exceeding one inch in depth, and that the cars thereon shall be run as frequently as the convenience of the public may require. And that no freight cars shall be run upon the routes or any of them, or any part thereof, included in the said consent; which plan of construction, quality and pattern of material, number and location of sidings, switches, turnouts and turn-tables shall be subject to the approval of the Commissioner of Public Works of said city.

Fourth—That the bidder to which the aforesaid sale shall be made, and any person or corporation using the tracks, or any part of the tracks, constructed or laid under or in pursuance of this consent, shall comply with all reasonable ordinances or regulations which the local authorities having charge of the aforesaid streets and avenues, or any of them, shall make as to the rate of speed, mode of use of tracks, and removal of ice and snow, and with any and all provisions of law applicable to any street surface railroad company organized under chapter 252 of the Laws of 1884, and shall not charge any passenger more than five cents from or to any point on the route hereinabove described, nor from any point on said route or any route connecting with the route hereinabove described, to any point on said route or any route connecting with the route hereinabove described, but shall give transfer tickets to a passenger when necessary to secure, and which shall secure, to him one continuous ride between such points for the single fare of five cents.

And the said bidder, as to the whole route hereinabove described, shall be absolutely and unqualifiedly bound, and any person or company using or operating a railroad upon the tracks, or any part of the tracks, constructed upon the said route under or by virtue of the consent hereby given or the sale had in pursuance thereof, as to the tracks so used by it or him, shall be jointly and severally bound with the said bidder absolutely and unqualifiedly to repair and keep in permanent repair the portion of said streets and avenues upon which the tracks shall be so constructed, between the tracks, the rails of the tracks and a space two feet in width outside of and adjoining the outside rails of the track or tracks so long as such tracks so constructed shall continue to be used, and this obligation in respect to the repairing of the streets shall not be dependent upon the requirements of the local authorities, but is hereby made an absolute and unqualified obligation; and they shall in like manner and to a like extent be bound to and shall remove the snow from the same parts of the streets or avenues immediately after it shall have fallen, or as soon as possible thereafter, and not merely to clear the tracks and the space between them by removing the snow to the space intervening between the tracks and the curb-stones, but to remove the snow entirely from that portion of the streets or avenues made use of for the construction and operation of the railroad, so far as such snow may have fallen or ice may have been formed upon the said tracks, or upon the space between them, or the designated two feet of space upon each side of the outside of said tracks; the snow or ice so removed to be taken from the street and deposited at the nearest and most convenient place used by the city authorities for the deposit of snow removed by themselves.

Sixth—That any person or company who shall use or operate a railroad upon the tracks, or any part of the tracks, constructed upon the route hereinabove described, under or by virtue of the consent hereby given, or the sale had in pursuance thereof, shall be subject to the same conditions, liabilities, obligations, duties and payments in respect to such use or operation by him or it or upon such tracks as the bidder to whom the sale shall be made under this consent would be subject were such use or operation made by such bidder, and in computing any percentage upon gross receipts that may thereby become payable, the amount thereof shall be computed upon a fare of five cents as having been received as part of the gross receipts from every passenger who shall ride upon any part of the route hereinabove described, and irrespective of the fact whether such passenger enters or leaves the car at any point upon the said route, and the bidder to whom such sales shall be made shall be jointly and severally liable with any such person or company for any default in any of such conditions, liabilities, obligations, duties and payments.

Seventh—That the percentage upon gross receipts payable under the bid at such sale, shall be made annually on the first day of November for the year ending on the next preceding thirtieth day of September.

Eighth—That the said Twenty-eighth and Twenty-ninth Streets Railroad Company shall provide for the expense of publication of the aforesaid notice of sale before the said notice shall be published, and the company which, at the said sale, shall be the highest bidder, shall at the time and place of sale reimburse the said Twenty-eighth and Twenty-ninth Streets Railroad Company for all expenses of printing and publishing necessarily incurred by it upon the application and sale herein, under the provisions of said chapter 252 of the Laws of 1884, and of said chapter 642 of the Laws of 1886.

Ninth—This consent is given and the said sale shall be made upon the express understanding that the conditions herein stated do not relieve the said bidder or any person or company operating a road upon any of the tracks constructed under this consent from any conditions, obligations, liabilities, payments or duties to which they might have been liable in the absence of such conditions.

Tenth—That if the bidder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.

Eleventh—That the said bidder shall, within thirty days after the sale at public auction execute under its corporate seal, to be attested by its president or treasurer, and by virtue of a resolution of its board of directors, an instrument in writing which shall be delivered to the Comptroller of the City of New York, and which shall contain and express the acceptance by the said bidder of this consent of the Common Council for the construction, maintenance, use and operation of the proposed railroad upon the streets and avenues above mentioned upon the terms and conditions upon which this consent is granted, and binding the said company to abide by, comply with, faithfully perform and keep the said terms and conditions.

And be it further

Resolved, That the sale at public auction of the right, franchise and privilege mentioned above shall be attended and conducted by the Comptroller of the City of New York, and shall be held at a place in the City of New York to be designated by the said Comptroller and on the earliest practicable day to be designated by the said Comptroller, or at such time to which the same may be adjourned from the day specified in the notice so published not exceeding twice, for a period not exceeding four weeks in the aggregate, and only after notice of the time, place and terms thereof, and of the route or routes to be sold, and of the conditions upon which this consent is given, shall have been published by the said Comptroller three times a week for at least three weeks in two daily newspapers in said city, to be designated by his Honor the Mayor of said city, and if the bidder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve who called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

—will be received at the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A. M. of Friday, November 19, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Woodenware and Lumber," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, November 10, 1886.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

First—For furnishing all the materials and doing all the work as required by the specifications and drawings.

Second—For furnishing all the materials and doing all the work as required by the specifications and drawings, except the 100 miles of line wire of various kinds and sizes, and substituting 200,000 feet of wires in cables for 300,000 feet, and laying the same.

Third—For furnishing all the materials and doing all the work as required by the specifications and drawings, except the 100 miles of line wire of various kinds and sizes, and substituting 200,000 feet of wires in cables for 300,000 feet, and laying the same.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings which form part of these proposals.

The form of the agreement with specifications and drawings, showing the manner of payment for the work may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

The work is to be completed and delivered within ninety (90) days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of fifteen thousand dollars (\$15,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of seven hundred and fifty dollars (\$750). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
