The following correspondence has passed between this Department and the Comptroller of the State of New York, in relation to an act authorizing certain sums of money to be paid to prisoners confined in the county penitentiaries upon their discharge therefrom, passed June 4, 1879:

NEW YORK, August 30, 1879.

Hon. FREDERICK P. OLCOTT, Comptroller of the State of New York:

DEAR SIR—We find ourselves in the uncomfortable position of not being able to carry out the provisions of the law, passed June 14, 1879, of which we inclose a copy. We also inclose a copy of our letter to the Counsel to the Corporation, and his opinion in reply to the same, which will explain the matter to you.

We think the law an excellent one, and are desirous of carrying it out, and write you to see if you can assist us in doing so by placing some funds at our disposal temporarily, until we can get an appropriation from the Board of Apportionment.

Hoping for a favorable reply, I remain, very respectfully,

TOWNSEND COX, President.

STATE OF NEW YORK,
COMPTROLLER'S OFFICE.

TOWNSEND COX, Esq., President, etc., New York:

DEAR SIR—Yours of 30th ultimo came duly to hand, with inclosures as stated. The matter referred to has received due consideration from the Comptroller, and I am instructed to advise you that he does not see his way clear to make any advances, provided there were no legal objections, in view of the fact that the appropriation for the maintenance of State convicts in penitentiaries will be inadequate to meet the ordinary demands, exclusive of the expenditure authorized by the act, chapter 471, Laws of 1879. This act was passed without making corresponding provision by appropriating the requisite amount to carry out its provisions, and without the knowledge of this Department until at so late a day that it was impossible to supply this important omission. It would afford the Comptroller pleasure to adopt your suggestion if it were practicable, and thus aid you in executing the provisions of the act.

The copies of papers, together with slip of laws inclosed to us, are herewith returned.

Respectfully yours,

HENRY GALLIEN, Deputy Comptroller.
JOSHUA PHILLIPS, Secretary.

SEALED PROPOSALS WILL BE RECEIVED BY
the School Trustees of the Nineteenth Ward, at the Hall of the Board of Education, corner of Grand and Elm streets, until Monday, the 22d day of September, 1879, and until 4 o'clock P. M., on said day, for the erection of a New School House on the north side of East Forty-sixth street, one hundred and thirty-five feet east of Third avenue.
Plans and specifications may be seen at the office of the

Superintendent of School Buildings, No. 146 Grand street, third floor.

The party submitting a proposal and the parties proposing to become sureties must each write his name and place of residence on said proposal.

Two responsible and approved sureties, residents of this city, are required in all cases.

DEPARTMENT OF PUBLIC PARKS.

DEPARTMENT OF PUBLIC PARKS,
36 UNION SQUARE,
NEW YORK CITY, September 5, 1879.

TO CONTRACTORS.

SEALED BIDS OR ESTIMATES FOR LAYING
new walks and repairing old walks in the Washington square, in said city, with cement, Neufchatel asphalt, or other pavement, will be received at the office of this Department until Wednesday, the 17th day of September, 1879, at 9 o'clock A. M., at which time such bids or estimates will be publicly opened by the head of said Department and read.

Each bid or estimate must be enclosed in a sealed envelope, endorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or estimate for the same work; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by section 27, article 2, chapter 8 of the Revised Ordinances of 1859, if the contract shall be awarded to the person or persons for whom he consents to become surety.

The adequacy and sufficiency of the sureties offered to be determined by the Comptroller.

The contract for the work, if awarded at all, will be awarded to the lowest bidder, whose proposal, considering the price, quality, and durability of the pavement which he offers to lay will, in the opinion of the Department, be most advantageous to the city.

But the Department reserves the right to reject all the bids received in response to this advertisement if it shall deem it for the interest of the city so to do, and to re-advertise until a satisfactory proposal shall be received. But the contract, when awarded, will be awarded to the lowest bidder, with adequate security, for the particular kind of pavement which shall be adopted by the Department.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract, within forty-eight hours after written notice that the same has been awarded to his or their bid or estimate; and in case of neglect or refusal to do so, he or they will be considered as having abandoned it and as in default to the corporation.

The work to be done is the grading and paving of such portions of the walks and foot-paths in said park as the Commissioners of said Department shall designate on the map and ground, and is estimated to amount to about 3,400 square yards.

This estimate is only approximate, and not to be held as entitling the contractor to any claim or damages, should the actual amount of work be greater or less. He understands that he contracts with reference to the actual amount of space to be paved or repaved, so designated on the map or plan of the park and on the ground. Each bidder must furnish with his bid or estimate full and complete specifications for the work, showing the mode of making and laying the pavement he proposes to lay. A copy of the specifications, furnished by the bidder to whom the contract may be awarded, will be annexed to and form part of the contract.

Bidders will state in writing and also in figures, a price per square foot for laying the pavement. This price is to cover the furnishing of all the necessary materials, tools, and labor, the removal of old walks (where there are any), the excavation and grading of the bed for the pavement, and the full and entire performance of the whole work set forth in the contract and specific items. The time allowed to complete the whole work will be twenty-five days, and attention is called to the claim of the contract, by which the damages for delay beyond that time are fixed and liquidated at \$100 per day.

The amount in which security is required for the performance of the contract, is three thousand dollars.

The form of the contract which the successful bidder will be required to execute and with reference to which all bids must be made, can be seen at the office of the Department. Further information as to the nature and amount of the work, the forms of proposals, etc., if required, can be obtained at the same office.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrolment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambers street entrance).
