COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting Held in Room 16, City Hall, at 11 o'clock A. M., on Tuesday, June 14, 1904.

Present at roll call—George B. McClellan, Mayor; Edward M. Grout, Comptroller; Patrick Keenan, Chamberlain, and John T. McCall, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meeting held May 23, 1904, were approved as printed.

The following communication was received from the Commissioner of Docks, relative to a lease of bulkhead on the North river, between Piers, new 32 and new 33, to the Central Railroad of New Jersey:

NEW YORK, May 27, 1904.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

SIR—This Department is in receipt of an application from the Central Railroad Company of New Jersey for a lease of the bulkhead extending for a distance of 87.16 feet north of the northerly line of Pier, new 32, North river, to the southerly line of the ramp of the Department of Street Cleaning on the southerly side of Pier, new 33, North river.

I would respectfully recommend that the Commissioners of the Sinking Fund consent to and approve of the execution by the Commissioner of Docks of a lease to the Central Railroad Company of New Jersey of the said bulkhead, together with the upland in rear thereof, extending inshore for a distance of 50 feet, with the privilege of erecting a shed on said upland for the protection of freight in transit, and with the further privilege of mooring in front of said bulkhead "head on" and immediately adjoining Pier, new 32, a railroad float for the purpose of receiving and discharging freight, said float not to exceed 50 feet in width. The lease to be for a term of ten years from the first day of the month following the date of authorization, at a rental of \$2,800 per annum; the lessee to have the privilege of one renewal term of ten years at an advance of 10 per cent. per annum over the rental for the first term. The shed on the upland to be erected under the direction and supervision of the Engineer-in-Chief of this Department and in accordance with plans to be first approved by him.

The remaining terms and conditions of the lease are to be similar in every respect to those contained in leases of wharf property now in use by this Department.

The 93 feet of bulkhead between Piers, new 31 and new 32, North river, is leased to the New York Central and Hudson River Railroad Company at a rental of \$3,000 per annum, which is at the same rate per front foot that it is proposed to charge the Central Railroad Company of New Jersey for the bulkhead north of Pier, new 32. The rental for the renewal term of the 93 feet of bulkhead north of Pier, new 31, leased to the New York Central and Hudson River Railroad Company, however, is at an advance of only 5 per cent. over the rental for the first term, whereas the increase for the renewal term to the Central Railroad Company of New Jersey on the proposed lease is at an advance of 10 per cent. over the rate charged for the first term.

The bulkhead north of Pier, new 32, North river, has heretofore yielded practically no revenue to the Department, having been used solely for open wharfage purposes whenever practicable, the returns for the year 1903 amounting to only \$15.42 and for the year 1902 \$24. It will thus be seen that this bulkhead is

practically valueless for wharfage purposes, owing to the scows of the Street Cleaning Department to a great extent occupying the slip and to the further fact that the bulkhead is not long enough to accommodate ordinary wharfage.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

I see no objections to the approval of this lease.

EUG. E. McLEAN, Engineer, Department of Finance.

June 9, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Docks, of a lease to the Central Railroad Company of New Jersey, of the bulkhead extending for a distance of 87.16 feet north of the northerly line of Pier, new 32, North river, to the southerly line of the ramp of the Department of Street Cleaning on the southerly side of Pier, new 33, North river, together with the upland in rear thereof, extending inshore for a distance of 50 feet, with the privilege of erecting a shed on said upland for the protection of freight in transit and with the further privilege of mooring in front of said bulkhead "head on" and immediately adjoining Pier, new 32, a railroad float for the purpose of receiving and discharging freight, said float not to exceed 50 feet in width. The lease to be for a term of ten years from the 1st day of July, 1904, at a rental of twenty-eight hundred dollars (\$2,800) per annum; the lessee to have the privilege of one renewal term of ten years at an advance of 10 per cent. per annum over the rental for the first term. The shed on the upland to be erected under the direction and supervision of the Engineer-in-Chief of the Department of Docks and Ferries, and in accordance with plans to be first approved by him. The remaining terms and conditions of the lease to be similar in every respect to those contained in leases of wharf property now in use by the Department of Docks and Ferries and as recommended by the Commissioner of Docks in communication dated May 27, 1904.

Which was unanimously adopted.

The following communication was received from the Commissioner of Docks relative to a cancellation of the existing lease to the Atlantic Transport Company of Pier 40, North river, and adjoining bulkhead, and a new lease of the same pier and bulkhead to the Providence and Stonington Steamship line:

NEW YORK, May 23, 1904.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

SIR—The Atlantic Transport Company have heretofore occupied Pier, new 40, North river, as extended to the existing pierhead-line, under a lease which runs to May 1, 1913, at a rental of \$41,731.78 per annum. They have occupied the half bulkhead south of the pier, an unshedded bulkhead, at a rental of \$2,275 per annum under a permit, and have also occupied under a permit the half bulkhead north of the pier at a rental of \$3,250 per annum, the company maintaining at the latter half bulkhead a shed constructed on a platform over the water.

This Department is now in receipt of an application from the Atlantic Transport Company for permission to transfer the lease and said permits to the Providence and Stonington Steamship Company, and a request has also been received from the latter company asking that a new lease be issued to the Providence and Stonington Steamship Company for the unexpired term of the present lease, the new lease to include the half bulkheads on either side of the pier, with shedding privileges, and to provide for two renewal terms of ten years each.

After an examination of the matter, I have this day consented to the assignment of the lease of Pier, new 40, North river, to the Providence and Stonington Steamship Company, and I would now respectfully request that the Commissioners of the Sinking Fund authorize the cancellation of the existing lease of the pier and of the execution of a new lease to the Providence and Stonington Steamship Company, for a term of years to commence on the date of the cancellation of the existing lease, which shall be the first day of the month following the adoption of the resolution of authorization by the Commissioners of the Sinking Fund, and to terminate May 1, 1913, covering the said Pier, new 40, North river, as extended out to the existing pierhead-line, the shed now on the pier, and the half bulkheads adjoining on each side of the pier, together with the right to construct a shed on the new-made land extending for a distance of 50 feet inshore from the bulkhead-line from a point midway between Piers 39 and 40, to a point midway between Piers, new 40 and 41, on the North river, and with the further right to extend the shed now on the pier to a point not exceeding 20 feet from the outshore or river end thereof.

The rental for the property as above described for the first term of years to May 1, 1913, to be at the rate of \$48,231.78 per annum; the lease to provide for a renewal term of ten years after the expiration of the first term at an advance rental of 5 per cent. per annum over the rental for the first term; and to provide for a second renewal term of ten years at an advance of 5 per cent. per annum over the rental for the first renewal term.

The sheds proposed to be placed on the upland in rear of the bulkhead and on the extension of the pier are to be erected under the direction and supervision of the Engineer-in-Chief of this Department and in accordance with plans and specifications to be first submitted to and approved by him, it being understood that no shed shall be constructed on the upland in rear of the half bulkhead north of the pier nor on the upland immediately in front of the pier until such time as the permit for the platform and shed in front of said half bulkhead shall have been revoked and the said platform and platform shed removed from the premises.

The remaining terms and conditions of the lease are to be similar in all respects to those contained in leases of wharf property now in use by this Department.

It is the intention of this Department to permit the lessee to remain in occupation of the platform now located over the water in front of the half bulkhead northerly of the pier under a permit, no additional rental to be charged therefor in view of the fact that such platform and shed, while maintained as at present located, shall be in lieu of any right to erect a shed over the upland extending inshore a distance of 50 feet in rear of the bulkhead and running from the southerly side of the pier to a point midway between Piers, new 40 and new 41, North river; the permit for the said platform and platform shed will, of course, be revocable at any time, and the Department can therefore cancel such permit and direct the immediate removal of the structures from the premises.

Pier, new 40, North river, as extended, contains an area of 61,250 square feet, and it is proposed to lease the said pier as extended, together with the half bulkhead on either side, with shedding privileges, at a rental of \$48,231.78 per annum, with the privilege of two renewal terms of ten years each at an advance of 5 per cent. for each renewal term.

Pier, new 39, North river, contains an area of 61,641 square feet, and said pier, together with the half bulkhead on either side, with shedding privileges, are leased to the National Steamship Company for a term of years to May 1, 1911, at a rental of \$45,985.43 per annum.

Pier, new 41, North river, which contains an area of 65,180 square feet, together with the half bulkheads on either side of the pier, including shedding privileges, is leased to the Delaware, Lackawanna and Western Railroad Company to June 1, 1910, at a rental of \$37,800 per annum, the lease providing for two renewal terms of ten years each at an advance of 5 per cent. per annum for each renewal term.

The length of the half bulkheads adjoining the above piers are approximately the same.

From the above comparative rentals it will be seen that Pier, new 40, North river, contains the smallest area and that the proposed rental is considerably the highest to be paid for any of the properties in question.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JUNE 10, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Dock Commissioner in a communication dated May 23, 1904, states that he has consented to the assignment of the lease of Pier, new 40, North river, at or near the foot of Clarkson street, from the Atlantic Transport Company to the Providence and Stonington Steamship Company. This lease is on its second renewal term of ten years, and will expire May 1, 1913, and the rental as given by the Dock Department is \$41,731.38 per annum.

The Atlantic Transport Company has likewise a lease, terminable at the pleasure of the Commissioner of Docks, for the half bulkheads north and south of Pier, new 40, at rentals of \$2,275 per annum for the southerly portion and \$3,250 for the northerly portion, which contains a shed outside of the bulkhead-line.

The Dock Commissioner now recommends that the Commissioners of the Sinking Fund authorize the cancellation of the existing lease and the execution of a new lease to the assignees of the pier and of the two bulkheads adjoining for a term expiring May 1, 1913, at the same rental for the pier and a rental of \$3,250 for each of the bulkheads, the lessee to have the privilege of shedding both of them. The lease to contain privilege of two renewals of ten years each, at an advance of 5 per cent. for each renewal term upon the previous term.

These terms compare favorably with those of the piers immediately adjoining on either side, but are not as high as charged for the piers used by transatlantic steamers and some of the railroad companies, for which the renewals are at an advance of 10 per cent. instead of 5 per cent.

I am informed by a representative of the Providence and Stonington Steamship Company that it proposes to pay to the Atlantic Transport Company the sum of \$150,000 for the latter's interest in the shed erected on the pier, and that the sum of \$150,000 in addition will be required to build a shed on the extension of the pier and a shed on the bulkhead-line.

Under these circumstances I am of the opinion that the terms as proposed may be properly approved by the Commissioners of the Sinking Fund.

Respectfully,

EUG. E. McLEAN, Engineer.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the cancellation of the existing lease, to the Atlantic Transport Company, of Pier, new 40, North river, which lease expires on May 1, 1913, and also to the execution of a new lease to the Providence and Stonington Steamship Company, of the same pier, for a term of years to commence on the date of the cancellation of the existing lease, which shall be on the 1st day of July, 1904, and to terminate May 1, 1913, covering the said Pier, new 40, North river, as extended out to the existing pierhead-line, the shed now on the pier and the half-bulkheads adjoining on each side of the pier, together with the right to construct a shed on the new-made land extending for a distance of 50 feet inshore from the bulkhead-line from a point midway between Piers 39 and 40 to a point midway between Piers, new 40 and 41, on the North river, and with the further right to extend the shed now on the pier to a point not exceeding 20 feet from the outshore or river end thereof. The rental for the property above described for the first term of years to May 1, 1913, to be at the rate of forty-eight thousand two hundred and thirty-one dollars and seventy-eight cents (\$48,231.78) per annum; the lease to provide for a renewal term of ten years after the expiration of the first term at an advance rental of 5 per cent. per annum over the rental for the first term; and to provide for a second renewal term of ten years at an advance of 5 per cent. per annum over the rental for the first renewal term. The sheds proposed to be placed on the upland in rear of the bulkhead and on the extension of the pier are to be erected under the direction and supervision of the Engineer-in-Chief of the Department of Docks and Ferries and in accordance with plans and specifications to be first submitted to and approved by him, it being understood that no shed shall be constructed on the upland in rear of the half-bulkhead north of the pier nor on the upland immediately in front of the pier until such time as the permit for the platform and shed in front of said half-bulkhead shall have been revoked and the said platform and platform shed removed from the premises.

The remaining terms and conditions of the lease to be similar in all respects to those contained in leases of wharf property now in use by the Department of Docks and Ferries, and as recommended by the Commissioner of Docks in communication dated May 23, 1904.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Commissioner of Docks, transmitting for approval, terms and conditions of sale of the franchise for a ferry from the foot of East Ninety-second street, Borough of Manhattan, to Astoria, Borough of Queens:

NEW YORK, JUNE 1, 1904.

N. TAYLOR PHILLIPS, Esq., Secretary to the Commissioners of the Sinking Fund:

SIR—On May 1, 1904, the lease held by the New York and East River Ferry Company of the franchise for the operation of the ferry between Ninety-second street, East river, in the Borough of Manhattan, and Astoria, Borough of Queens, expired. Under the said lease the company paid a rental of 5 per cent. of the gross receipts, to be not less than \$4,500 per annum, together with the sum of \$700 per annum for the wharf property owned by the City and used in connection with said ferry.

This wharf property, owned by the City and occupied by the ferry company consists of 142 feet of bulkhead extending northerly from the southerly side of East Ninety-second street, in the Borough of Manhattan, and 66 feet of bulkhead at the foot of Fulton avenue, Astoria, in the Borough of Queens.

After an investigation I felt that the rental heretofore charged for the lease is sufficient and I have therefore had prepared terms and conditions for the sale of a lease of the franchise for a term of ten years from May 1, 1904, at a rental of \$700 per annum for the wharf property and 5 per cent. of the gross receipts, to be not less than \$4,500 per annum for the franchise. The said terms and conditions of sale are transmitted herewith and I would respectfully request that they be approved.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

June 9, 1904.

SALE OF FERRY FRANCHISE.

PETER F. MEYER, AUCTIONEER.

The franchise of the ferry, as more particularly hereinafter described, will be offered for sale by the Commissioner of Docks, at public auction to the highest bidder, at Pier "A," Battery place, at o'clock M., on the day of 1904, for a term of ten years from May 1, 1904.

The ferry to and from Long Island City, Borough of Queens, over and across the waters of the East river or Sound from and to the foot of East Ninety-second street, in the Borough of Manhattan, The City of New York, together with the wharf property belonging to The City of New York assigned to be used, or which has been customarily used, in connection with and for the purposes of said ferry.

Terms and Conditions of Sale.

The lease will be sold subject to the approval of the terms thereof, by the Commissioners of the Sinking Fund.

No bid will be received which shall be less than the upset price, namely, five per cent. (5%) per annum of the gross receipts, such five per cent. (5%), however, to be not less than four thousand five hundred dollars (\$4,500) in any one year of said term for said franchise, and seven hundred dollars (\$700) per annum for said wharf property for the said term of ten years.

The purchaser will be required at the time of the sale to pay, in addition to the auctioneer's fee (viz., \$50), to the Department of Docks and Ferries, \$1,000 as security for the execution of the lease, which \$1,000 will be applied to the payment of the rent first accruing under the lease when executed or will be forfeited to the Department if the purchaser refuses or neglects to execute the lease, with good and sufficient surety to be approved by the Commissioner of Docks within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks and Ferries, Pier "A," North river, foot of Battery place.

A surety or guaranty company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required under the lease to enter into a bond of obligation, jointly and severally with the lessees, in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease.

The lease will contain the usual covenants and conditions, in conformity with the provisions of law and the ordinances of the Board of Aldermen relative to ferries, and shall provide that the lessees will maintain and operate the ferries during the whole term, and will provide ample accommodations in the way of safe and capacious boats and sufficiency of trips; that if at any time during the term hereof the Commissioner of Docks, or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the party of the second part, or that the number of trips do not conform to the requirements of this lease, he may direct the party of the second part to make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands; and in the event of the failure of the party of the second part to comply with such directions within a reasonable time, a Commission shall be appointed, composed of the Mayor, the President of the Borough of Queens and the Commissioner of Docks, on behalf of the City, and three other persons selected by the party of the second part, which Commission shall be known as the Arbitration Commission, and in case of their failure to agree as to the improvements to be made in the service, they shall appoint a seventh person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties hereto, he shall be appointed by the Presiding Justice of the Appellate Division of the Supreme Court of the State of New York, First Department, and the decision of four of said seven persons so selected shall be conclusive and binding upon both of the parties to this lease; also conditions that the lessees shall dredge the ferry slips, etc., as required by the Commissioner of Docks; that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order, all and singular the floats, racks, fenders, bridges and other fixtures of the landing places, and in the event of any damage to the bulkheads or piers from collision by the ferry-boats or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous condition free of cost to The City of New York; that if at any time during the term of the lease the Commissioner of Docks shall require any of the wharf property used for ferry purposes in order to proceed with the water-front improvements in the vicinity of the ferry landings, the said lessees shall surrender and vacate the premises without any claim upon the City for any damages whatever, upon written notice being given to the lessees three months in advance of the intention of said Commissioner; shall, by the said notice, terms of description, or by reference to the plans and specifications of the proposed work of improvement, specify the character of the alterations and improvements to be made in regard to said water-front, affecting the property and rights hereby authorized to be demised, and upon receiving such notice the lessee may elect to terminate the lease of said ferry privilege or franchise by serving notice of such election upon the Commissioner of Docks within one month after receiving such notice from the Commissioner of Docks of his intention to improve the water front in the vicinity of the ferry landing; also that in case only a portion of said wharf property shall be required for the purposes aforesaid, then a reasonable reduction will be made from the rent reserved by said lease; that sworn returns of the amounts of ferry receipts shall be made to the Commissioner of Docks, when required by said Commissioner, and that the books of accounts of the ferry shall be subject to the inspection of said Commissioner, or to any person designated by him in writing.

The lease will contain a covenant providing that upon the expiration or sooner termination of the said term of ten years the lessee may, and upon demand, in writing, by the Commissioner of Docks, or other proper officer or Department of The City of New York thereto duly authorized, shall, at the cost and expense of the lessee, forthwith and at the utmost practicable speed, wholly remove from the premises hereinbefore described buildings, platforms, floats, bridges, ferry racks, piling and fixtures which shall have been erected or placed by the lessee, its successors or assigns, upon or within the limits of the wharf property leased, so that there shall be in the slip adjacent to the hereinbefore described wharf property used for the purposes of said ferry, and in every part thereof, from the bulkhead out, at least ten feet of water at mean low water.

The rates of ferriage and charges for vehicles and freight shall not exceed the rates now charged on said ferry.

The lessees shall provide such lifeboats, floats, rafts and life preservers as may be directed by the Commissioner of Docks.

The form of lease which the purchaser shall be required to execute can be seen at the office of the Commissioner of Docks.

The right to reject all bids is reserved, if deemed by the Commissioner of Docks to be for the best interests of the City so to do.

By order of the Commissioner of Docks.

The foregoing terms and conditions of sale were duly approved by the Commissioners of the Sinking Fund under resolution adopted , 1903.

MAURICE FEATHERSON, Commissioner of Docks.

Dated The City of New York,

The City received, under the terms of the lease which has expired during the year 1902, the sum of \$9,902.26, or nearly double the minimum price, showing the gross receipts to have exceeded \$184,000.

I see no objections to the approval of the terms and conditions for the sale of this franchise, as proposed by the Dock Commissioner.

EUG. E. McLEAN, Engineer, Department of Finance.

June 9, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That pursuant to the provisions of section 826 of the Amended Greater New York Charter, the Commissioners of the Sinking Fund hereby approve of the following terms and conditions of the sale of the franchise for the operation of the ferry between the foot of Ninety-second street, East river, in the Borough of Manhattan, and Astoria, Borough of Queens, as transmitted by the Commissioner of Docks, viz.:

The franchise of the ferry, as more particularly hereinafter described, will be offered for sale by the Commissioner of Docks, at public auction to the highest bidder, at Pier "A," Battery place, at o'clock M., on the day of 1904, for a term of ten years from May 1, 1904.

The ferry to and from Long Island City, Borough of Queens, over and across the waters of the East river or Sound from and to the foot of East Ninety-second street, in the Borough of Manhattan, The City of New York, together with the wharf property belonging to The City of New York assigned to be used, or which has been customarily used, in connection with and for the purposes of said ferry.

Terms and Conditions of Sale.

The lease will be sold subject to the approval of the terms thereof, by the Commissioners of the Sinking Fund.

No bid will be received which shall be less than the upset price, namely, five per cent. (5%) per annum of the gross receipts, such five per cent. (5%), however,

to be not less than four thousand five hundred dollars (\$4,500) in any one year of said term for said franchise, and seven hundred dollars (\$700) per annum for said wharf property for the said term of ten years.

The purchaser will be required at the time of the sale to pay, in addition to the auctioneer's fee (viz., \$50), to the Department of Docks and Ferries, \$1,000 as security for the execution of the lease, which \$1,000 will be applied to the payment of the rent first accruing under the lease when executed or will be forfeited to the Department if the purchaser refuses or neglects to execute the lease, with good and sufficient surety to be approved by the Commissioner of Docks within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks and Ferries, Pier "A," North river, foot of Battery place.

A surety or guaranty company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required under the lease to enter into a bond of obligation, jointly and severally with the lessees, in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease.

The lease will contain the usual covenants and conditions, in conformity with the provisions of law and the ordinances of the Board of Aldermen relative to ferries, and shall provide that the lessees will maintain and operate the ferries during the whole term, and will provide ample accommodations in the way of safe and capacious boats and sufficiency of trips; that if at any time during the term hereof the Commissioner of Docks, or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the party of the second part, or that the number of trips do not conform to the requirements of this lease, he may direct the party of the second part to make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands; and in the event of the failure of the party of the second part to comply with such directions within a reasonable time, a Commission shall be appointed, composed of the Mayor, the President of the Borough of Queens and the Commissioner of Docks, on behalf of the City, and three other persons selected by the party of the second part, which Commission shall be known as the Arbitration Commission, and in case of their failure to agree as to the improvements to be made in the service, they shall appoint a seventh person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties hereto, he shall be appointed by the Presiding Justice of the Appellate Division of the Supreme Court of the State of New York, First Department, and the decision of four of said seven persons so selected shall be conclusive and binding upon both of the parties to this lease; also conditions that the lessees shall dredge the ferry slips, etc., as required by the Commissioner of Docks; that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order, all and singular the floats, racks, fenders, bridges and other fixtures of the landing places, and in the event of any damage to the bulkheads or piers from collision by the ferry-boats or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous condition free of cost to The City of New York; that if at any time during the term of the lease the Commissioner of Docks shall require any of the wharf property used for ferry purposes in order to proceed with the water-front improvements in the vicinity of the ferry landings, the said lessees shall surrender and vacate the premises without any claim upon the City for any damages whatever, upon written notice being given to the lessees three months in advance of the intention of said Commissioner; shall, by the said notice, terms of description, or by reference to the plans and specifications of the proposed work of improvement, specify the character of the alterations and improvements to be made in regard to said water-front, affecting the property and rights hereby authorized to be demised, and upon receiving such notice the lessee may elect to terminate the lease of said ferry privilege or franchise by serving notice of such election upon the Commissioner of Docks within one month after receiving such notice from the Commissioner of Docks of his intention to improve the water front in the vicinity of the ferry landing; also that in case only a portion of said wharf property shall be required for the purposes aforesaid, then a reasonable reduction will be made from the rent reserved by said lease; that sworn returns of the amounts of ferry receipts shall be made to the Commissioner of Docks, when required by said Commissioner, and that the books of accounts of the ferry shall be subject to the inspection of said Commissioner, or to any person designated by him in writing.

The lease will contain a covenant providing that upon the expiration or sooner termination of the said term of ten years the lessee may, and upon demand, in writing, by the Commissioner of Docks, or other proper officer or Department of The City of New York thereto duly authorized, shall, at the cost and expense of the lessee, forthwith and at the utmost practicable speed, wholly remove from the premises hereinbefore described buildings, platforms, floats, bridges, ferry racks, piling and fixtures which shall have been erected or placed by the lessee, its successors or assigns, upon or within the limits of the wharf property leased, so that there shall be in the slip adjacent to the hereinbefore described wharf property used for the purposes of said ferry, and in every part thereof, from the bulkhead out, at least ten feet of water at mean low water.

The rates of ferriage and charges for vehicles and freight shall not exceed the rates now charged on said ferry.

The lessees shall provide such lifeboats, floats, rafts and life preservers as may be directed by the Commissioner of Docks.

The form of lease which the purchaser shall be required to execute can be seen at the office of the Commissioner of Docks.

The right to reject all bids is reserved, if deemed by the Commissioner of Docks to be for the best interests of the City so to do.

Which was unanimously adopted.

The following communication was received from the Commissioner of Docks relative to a lease of 150 feet of space at the inner end of the south side of Pier 4, at Wallabout basin, in the Borough of Brooklyn, to the American Ice Company:

NEW YORK, May 26, 1904.

N. TAYLOR PHILLIPS, Esq., Secretary to the Commissioners of the Sinking Fund:

SIR—This Department is in receipt of an application from the American Ice Company for a lease of 150 feet of space on Pier 4 at Wallabout basin in the Borough of Brooklyn, and after considering all the facts I would respectfully recommend that the Commissioners of the Sinking Fund consent to and approve of the execution by the Commissioner of Docks of a lease to said company covering 150 feet at the inner end of the south side of Pier 4 at Wallabout basin in the Borough of Brooklyn, with the privilege of maintaining an ice bridge, scales and tally house thereat, at a rental of \$2,250 per annum, the lease to be for a term of five years from the first day of the month following the date of authorization; the ice bridge, scales and tally house to be erected thereat under the direction and supervision of the Engineer-in-Chief of this Department, and in accordance with plans to be approved by him. The remaining terms and conditions of the lease are to be similar in every respect to those contained in leases of wharf property now in use by this Department.

The American Ice Company now occupies the premises proposed to be leased under a permit at a rental of \$2,000 per annum, and the proposed lease, if executed, will net an increase of \$250 per annum in the revenue of the Department.

Patterson & Elder have a lease of 200 feet of bulkhead on the westerly side of Flee-man street, Wallabout basin, with ice bridge privilege, at a rental of \$1,500 per annum, and Richard J. Foster has a lease of 150 feet of bulkhead, with ice bridge privilege, between Piers 3 and 4, Wallabout basin, at a rental of \$1,500 per annum. It will thus be seen that the rental for the premises which it is proposed to lease to the American Ice Company is considerably in excess of that charged at this location for similar privileges.

Yours respectfully,

MAURICE FEATHERSON, Commissioner.

I see no objections to the approval of this lease by the Commissioners of the Sinking Fund.

EUG. E. McLEAN, Engineer, Department of Finance.

June 7, 1904.

In connection therewith the Comptroller offered the following resolution:

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Docks, of a lease to the American Ice Company, of 150 feet of space at the inner end of the south side of Pier 4, at Wallabout basin, in the Borough of Brooklyn, with the privilege of maintaining an ice bridge, scales and tally house thereon, at a rental of twenty-two hundred and fifty dollars (\$2,250) per annum; the lease to be for a term of five years from July 1, 1904. The ice bridge, scales and tally house to be erected under the direction and supervision of the Engineer-in-Chief of the Department of Docks and Ferries, in accordance with plans to be approved by him. The remaining terms and conditions of the lease to be similar in every respect to those contained in leases of wharf property now used by the Department of Docks and Ferries, and as recommended by the Commissioner of Docks in communication dated May 26, 1904.

Which was unanimously adopted.

The following communication was received from the Commissioner of Docks relative to the proposed lease of the pier at the foot of West One Hundred and Fifty-second street, North river, to John C. Rodgers (see page):

NEW YORK, May 23, 1904.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of the Sinking Fund:

SIR—I am directed by the Commissioner to acknowledge receipt of your communication of the 17th inst., relative to the request made by this Department for authorization for the granting of a lease of the pier at the foot of West One Hundred and Fifty-second street, North river, to John C. Rodgers, and to state in reply that for several years past this pier, so far as its commercial use is concerned, was practically demolished. No wharfage was collected thereat; there was no access to the premises, and during the past two years no bath has been berthed there.

Yours respectfully,

CHARLES J. COLLINS, Secretary.

In connection therewith the Comptroller presented the following report of the Engineer of the Department of Finance:

MAY 27, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Under date of May 4, 1904, the Commissioner of Docks requested the approval of the Commissioners of the Sinking Fund to a lease to John C. Rodgers for the pier at the foot of West One Hundred and Fifty-second street for a term of two years, at \$100 per annum, and on May 14 I reported that my only objection to the lease was that the City had moored a floating bath at this place during the past three years, and unless some other place was provided for the bath in this immediate vicinity, I hardly thought the revenue of \$100 per annum would be sufficient to compensate the City for the loss of this bath site.

The matter was referred back to the Department of Docks by the Commissioners of the Sinking Fund, and the Secretary of the Department, in communication of May 23, states:

"During the past two years no bath has been berthed there."

There is evidently some mistake in regard to this matter, for from information obtained from the Superintendent of Public Baths in the Borough President's office, it would appear that the bath had been located there for the past three years, and in support of that I submit copies of communications between the Borough President's office and the Commissioner of Docks.

Although the contractor, to whom it was proposed to lease this pier, is said to be engaged on City work, to wit, the building of Riverside drive extension from West One Hundred and Forty-fifth to West One Hundred and Fifty-eighth street, I know of no obligation on the part of the City to supply the contractor with a dock to the exclusion of a public bath, and the latter, if located in the immediate vicinity, would necessitate the leasing of a berth at an expense to the City to accommodate it.

Respectfully,

EUG. E. McLEAN, Engineer.

Laid over.

The following report and resolution were received from the Board of Education relative to a renewal of the lease of the vacant lot on the south side of Amity street, adjoining Public School 29, Borough of Brooklyn:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the vacant lot on the south side of Amity street, adjoining Public School 29, Borough of Brooklyn, will expire on July 1, 1904. The City Superintendent states that there is a necessity for the renewal of this lease.

Last year the Real Estate Bureau of the Department of Finance objected to renewing this lease, and recommended that the Board of Education acquire this property by purchase or condemnation. On the receipt of a statement from this Department that Public School 29 had been pronounced unfit for school purposes and the acquisition of a site for a new school building recommended, the Sinking Fund Commission approved the lease, which was thereupon executed.

The Chairman of the Committee on Sites of the Board of Education now reports that a site has been selected and that the acquisition of the same and the erection of a new school building thereon only waits financial ability. Meanwhile, until such time as this building is erected and while Public School 29 is in use, it will be necessary to lease the adjoining property.

The following resolution is therefore submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be, and they hereby are, requested to authorize a renewal of the lease of the vacant lot on the south side of Amity street, adjoining Public School 29, Borough of Brooklyn, for a term of one year from July 1, 1904, at an annual rental of \$180 and on the same terms and conditions as in the existing lease. Owner, Brooklyn Benevolent Society, John McGreevey, Treasurer, No. 266 Martens avenue, Brooklyn.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on February 17, 1904.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report of the Appraiser of Real Estate of the Department of Finance and offered the following resolution:

MAY 23, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education at a meeting held February 17, 1904, adopted the following resolution:

Resolved, That the Commissioners of the Sinking Fund be, and they hereby are, requested to authorize a renewal of the lease of the vacant lot on the south side

of Amity street, adjoining Public School 29, Borough of Brooklyn, for a term of one year from July 1, 1904, at an annual rental of \$180 and on the same terms and conditions as in the existing lease. Owner, Brooklyn Benevolent Society, John McGreevey, Treasurer, No. 266 Martens avenue, Brooklyn.

The premises are vacant and used as a playground for the pupils of Public School 29, which has been pronounced unfit for school purposes. The Chairman of the Committee on Sites of the Board of Education reports "That a site has been selected and that the acquisition of the same and the erection of a new school building thereon only awaits financial ability. Meanwhile, until such time as this building is erected, and while Public School 29 is in use, it will be necessary to lease the adjoining property."

I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the renewal of the lease of the lot on the southerly side of Amity street for a term of one year from July 1, 1904, at the annual rent of \$180 and on the same terms and conditions as contained in the present existing lease. Owner, Brooklyn Benevolent Society.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City from the Brooklyn Benevolent Society, John McGreevey, Treasurer, of the vacant lot on the south side of Amity street, adjoining Public School 29, Borough of Brooklyn, for a term of one year from July 1, 1904, at an annual rental of one hundred and eighty dollars (\$180), and on the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education, relative to a renewal of the lease of premises at Nos. 75 to 79 Schermerhorn street, Borough of Brooklyn:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the premises at Nos. 75 to 79 Schermerhorn street, Borough of Brooklyn, occupied as an annex to the Manual Training High School, will expire July 1, 1904, the City Superintendent states that further occupancy of the premises will be necessary and the Departments of Health and Buildings certify as to satisfactory sanitary and structural conditions.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a renewal of the lease of the premises at Nos. 75 to 79 Schermerhorn street, Borough of Brooklyn, for a period of one year from July 1, 1904, at an annual rental of \$1,300 and water tax, and on the same terms and conditions as in the existing lease. Lessors, Brooklyn Trust Company, Theodore F. Miller, President, No. 177 Montague street, Brooklyn.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on April 20, 1904.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report of the Appraiser of Real Estate of the Department of Finance and offered the following resolution:

JUNE 1, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held April 20, 1904, adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a renewal of the lease of the premises at Nos. 75 to 79 Schermerhorn street, Borough of Brooklyn, for a period of one year from July 1, 1904, at an annual rental of \$1,300 and water tax, and on the same terms and conditions as in the existing lease. Lessors, Brooklyn Trust Company, Theodore F. Miller, President, No. 177 Montague street, Brooklyn."

The Bureau of Buildings and the Department of Health having reported favorably on its condition I would respectfully recommend that the Commissioners of the Sinking Fund authorize this renewal on the same terms and conditions as in the existing lease.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City from the Brooklyn Trust Company, as Trustee, under the will of George S. Litchfield, deceased, of the building and premises Nos. 75, 77 and 79 Schermerhorn street, Borough of Brooklyn, for a term of one year from July 1, 1904, at an annual rental of thirteen hundred dollars (\$1,300), payable quarterly, and water tax, and on the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of premises at No. 162 Second avenue, Borough of Manhattan:

To the Executive Committee:

The Committee on Buildings respectfully reports that for the past two years the Board of Education has occupied the first floor of the premises, No. 162 Second avenue, Borough of Manhattan, as an annex to Public School 19, with light, heat and janitor's services, for the nominal rental of \$1 per annum.

The lease of these premises will expire September 3, 1904, and on requesting the consent of the lessors, the New York Baptist Mission Society, to a renewal of the same, your Committee was informed that consent thereto would be granted, but that on account of the expense of extra heating and lighting and the increase of salary to the sexton in consequence of additional work on the premises used for school purposes, the society felt constrained to request that it be paid a consideration of \$30 per month. As the premises are absolutely necessary to afford additional accommodations for Public School 19, and as the amount asked would constitute a very reasonable rental, your Committee decided to enter into a lease on that basis.

The Departments of Health and Buildings have furnished certificates as to the satisfactory condition of the premises.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a lease of the first floor of the premises No. 162 Second avenue, Borough of Manhattan, as an annex to Public School 19, for a period from September 3, 1904, to July 1, 1905, with the privilege of renewal for an additional year, at a rental of \$30 per month, payable quarterly, the owners to furnish light, heat and janitor's service; all improvements in the sanitary arrangements made by the Board of Education to become the property of the lessors upon the termination of the lease. Owners, New York City Baptist Mission Society, No. 162 Second avenue, Manhattan.

A true copy of report and resolution adopted by the Executive Committee of the Board of Education on April 13, 1904.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JUNE 4, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held April 13, 1904, adopted the following resolution:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a lease of the first floor of the premises No. 162 Second avenue, Borough of Manhattan, as an annex to Public School 19, for a period from September 3, 1904, to July 1, 1905, with the privilege of renewal for an additional year, at a rental of \$30 per month, payable quarterly, the owners to furnish light, heat and janitor's service; all improvements in the sanitary arrangements made by the Board of Education to become the property of the lessors upon the termination of the lease. Owners, New York City Baptist Mission Society, No. 162 Second avenue, Manhattan.

These premises have been occupied since 1902 at an annual rental of \$1 per year, and the lessors now ask \$30 per month "on account of the expense of extra heating and lighting, and the increase of salary to the sexton in consequence of additional work on the premises used for school purposes."

The Bureau of Buildings and the Department of Health, having reported favorably on its condition for school purposes, and the rental asked being reasonable and just, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the renewal of the lease of the premises No. 162 Second avenue, Borough of Manhattan, as an annex to Public School 19 for a term from September 3, 1904, to July 1, 1905, at an annual rental of \$360, payable monthly, with the privilege of renewal for one year; otherwise upon the same terms and conditions as in the existing lease.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a lease to the City from the New York City Baptist Mission Society, of the first floor of the building known as No. 162 Second avenue, Borough of Manhattan, in The City of New York, for a term from September 3, 1904, to July 1, 1905, at a rental at the rate of three hundred and sixty dollars (\$360) per annum, payable monthly, with the privilege of renewal for an additional year, on the same terms and conditions; the owners to furnish light, heat and janitor service; all the improvements and sanitary arrangements made by the Board of Education to become the property of the lessors upon the termination of the lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following resolution was received from the Board of Education relative to the assignment of certain property belonging to the City in the rear of Public School 45, in the Borough of Brooklyn:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to transfer to the Board of Education, for school purposes, the following-described vacant plot of land belonging to The City of New York in the rear of Public School 45, Borough of Brooklyn:

Beginning at a point on the southerly line of DeKalb avenue distant one hundred (100) feet westerly from the westerly line of Classon avenue, and running thence westerly along the southerly line of DeKalb avenue eighty-four (84) feet one (1) inch; thence southerly and parallel with Classon avenue one hundred (100) feet; thence easterly and parallel with DeKalb avenue eighty-one (81) feet six (6) inches; thence northerly and again parallel with Classon avenue one hundred (100) feet to the southerly line of DeKalb avenue, the point or place of beginning.

A true copy of report and resolution adopted by the Board of Education on May 25, 1904.

A. EMERSON PALMER, Secretary, Board of Education.

In connection therewith the Comptroller presented the following report and offered the following resolution:

JUNE 1, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education at a meeting held on May 25, 1904, adopted a resolution requesting the Commissioners of the Sinking Fund to assign for their use a piece of property located in the Borough of Brooklyn, situated on the southerly side of DeKalb avenue, between Classon avenue and Schenck street, being 84 feet 1 inch width in front by 100 feet in depth on each side, the rear line being 81 feet 6 inches.

The property in question adjoins the police precinct station-house on the corner of DeKalb avenue and Classon avenue, and was part of the property acquired for Police Department purposes. Upon the DeKalb avenue corner the Police Department erected a building, and on October 12, 1901, assigned to the Commissioners of the Sinking Fund the vacant land now requested by the Board of Education. Recently The City of New York acquired a strip of land extending in the middle of the block from this police property to the property owned by the Board of Education on Lafayette avenue. The assignment by the Commissioners of the Sinking Fund to the Board of Education of the property described in the resolution would give them an entrance on DeKalb avenue to the school and playground.

I would respectfully recommend that the Commissioners of the Sinking Fund assign this property to the Board of Education only during the pleasure of the Commissioners, as it is just possible that the Police Department may desire to remodel their building or that a Fire Department site might be necessary in this vicinity.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the Amended Greater New York Charter, the Commissioners of the Sinking Fund hereby assign to the Board of Education the following-described vacant plot of land belonging to The City of New York, in the rear of Public School 45, Borough of Brooklyn:

"Beginning at a point on the southerly line of DeKalb avenue distant one hundred (100) feet westerly from the westerly line of Classon avenue, and running thence westerly along the southerly line of DeKalb avenue eighty-four (84) feet one (1) inch; thence southerly and parallel with Classon avenue one hundred (100) feet; thence easterly and parallel with DeKalb avenue eighty-one (81) feet six (6) inches; thence northerly and again parallel with Classon avenue one hundred (100) feet to the southerly line of DeKalb avenue, the point or place of beginning."

—said assignment to continue during the pleasure of the Commissioners of the Sinking Fund.

The report was accepted, and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education, relative to a renewal of the lease of premises at Washington avenue and One Hundred and Seventy-fourth street, Borough of The Bronx:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the premises at Washington avenue and One Hundred and Seventy-fourth street, Borough of The Bronx, used as an annex to Public School 4, will expire on September 1, 1904.

The City Superintendent states that a further occupancy will be necessary to afford additional accommodations to said school, and the Departments of Health and Buildings certify that the sanitary and structural conditions are satisfactory.

The following resolution is therefore submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a renewal of the lease of the premises at Washington avenue and One Hundred and Seventy-fourth street, Borough of The Bronx, occupied as an annex to Public School 4, for a period from September 1, 1904, to July 1, 1905, with the privilege of renewal for an additional year, at the present annual rental, \$2,000, and on the same terms and conditions as in the existing lease. Owners, First Presbyterian Church of Tremont, Edward E. Black, Secretary, No. 149 Broadway, City.

Owner, First Presbyterian Church of Tremont, Edward E. Black, Secretary, No. 149 Broadway, City."

The conditions having been reported satisfactory by the Bureau of Buildings and the Department of Health, and the rent the same as in the existing lease, the Commissioners of the Sinking Fund may properly authorize a renewal of the lease of the premises at Washington avenue and One Hundred and Seventy-fourth street, Borough of The Bronx, occupied as an annex to Public School 4, for a term from September 1, 1904, to July 1, 1905, at an annual rental of \$2,000, with the privilege of renewal for an additional year at the same rate per annum, otherwise upon the same terms and conditions as in the existing lease. Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City from the First Presbyterian Church of Tremont, of premises at Washington avenue and One Hundred and Seventy-fourth street, Borough of The Bronx, occupied as an annex to Public School 4, for a period from September 1, 1904, to July 1, 1905, at a rental at the rate of two thousand dollars (\$2,000) per annum, payable quarterly, with the privilege of renewal for an additional year at the same rental, otherwise upon the same terms and conditions as contained in the existing lease—the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

At this point the Hon. Timothy P. Sullivan, Acting President of the Board of Aldermen, took his seat in the Board and thereafter participated in the proceedings.

The following report and resolution were received from the Board of Education relative to a renewal of the lease of premises on Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the premises at Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens, used as an annex to Public School 6, will expire October 7, 1904. The City Superintendent states that a further occupancy of these premises will be necessary, and the Department of Health and Buildings have certified that the conditions thereat are satisfactory.

The lessor agrees to renew the lease for one year at the present rental, \$900 per annum, provided the clause requiring him to make repairs is stricken out and a clause substituted to the effect that repairs required by the lessee are to be made at the lessee's expense and direction.

Your Committee believes this modification should be agreed to, and submits for adoption the following resolution:

Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a renewal of the lease of the premises on Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens, used as an annex to Public School 6, for a term of one year from October 1, 1904, at an annual rental of \$900, payable quarterly, and on the same terms and conditions as in the existing lease, excepting that all repairs shall be made at the expense and direction of the Board of Education. Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Education, at a meeting held May 18, 1904, adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund be and they are hereby requested to authorize a renewal of the lease of the premises on Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens, used as an annex to Public School 6, for a term of one year from October 1, 1904, at an annual rental of nine hundred dollars, payable quarterly, and upon the same terms and conditions as in the existing lease, excepting that all repairs shall be made at the expense and direction of the Board of Education. Lessor, Klute estate, Paul Sachs, executor."

The Department of Health and the Bureau of Buildings having reported favorably on its condition for school purposes, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises on Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens, used as an annex to Public School 6, for a term of one year from October 1, 1904, at an annual rental of \$900, payable quarterly, and on the same terms and conditions as in the existing lease, excepting that all repairs shall be made at the expense and direction of the Board of Education. Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City, from the Klute estate, Paul Sachs, executor, of premises on Steinway avenue, between Broadway and Jamaica avenue, Long Island City, Borough of Queens, used as an annex to Public School 6, for a term of one year from October 1, 1904, at an annual rental of nine hundred dollars (\$900), payable quarterly, and upon the same terms and conditions as contained in the existing lease, with the exception that all repairs shall be made at the expense of and under the direction of the Board of Education; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a lease of premises known as "The Villa" at Prohibition Park, Borough of Richmond:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the Villa at Prohibition Park, Borough of Richmond, occupied as Public School 30, will expire September 7, 1904. The City Superintendent states that a further occupancy of these premises will be necessary and the Departments of Health and Buildings certify that the conditions are satisfactory.

There is now in course of construction a new building which will provide the necessary accommodations for this school, but which will not be ready for occupancy in September, 1904. It is, therefore, recommended that a monthly lease be executed, and that the lessors be released from the necessity of making repairs, on which condition they insist, the other terms and conditions to be the same as in the existing lease.

The following resolution is submitted for adoption:

Resolved, That the Commissioners of the Sinking Fund be, and they hereby are, requested to authorize a lease from month to month of the premises known as The Villa, at Prohibition Park, Borough of Richmond, occupied as Public School 30, at a rental at the rate of two hundred and fifty dollars per annum, payable monthly, and water tax, the Board of Education to make repairs; the other terms and conditions to be identical with those in the present lease. Lessors, National Prohibition Park Company, B. F. Funk, President, West New Brighton, N. Y.

F. Funk, President, of premises known as The Villa, at Prohibition Park, Borough of Richmond, occupied by Public School 30, the term to be from month to month, at a rental at the rate of two hundred and fifty dollars (\$250) per annum, payable monthly, and water tax; the Board of Education to make repairs; the other terms and conditions to be identical with those in the present lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following report and resolution were received from the Board of Education relative to a renewal of the lease of premises at No. 977 Flatbush avenue, Borough of Brooklyn:

To the Executive Committee:

The Committee on Buildings respectfully reports that the lease of the premises at No. 977 Flatbush avenue, Borough of Brooklyn, used as an annex to the Erasmus Hall High School, will expire September 1, 1904.

The City Superintendent states that a further occupancy will be necessary, and the Departments of Health and Buildings have certified as to satisfactory sanitary and structural conditions.

The owner, however, refuses to lease the premises at the present rental, \$300 per annum, and demands an increase of \$100 per annum.

Your Committee, after a careful consideration of the matter, finds that it is expedient to occupy these premises for another year, and respectfully submits the following resolution:

Resolved, That the Commissioners of the Sinking Fund be and they hereby are requested to authorize a lease of room, with closet adjoining, on the parlor floor of the building known as No. 977 Flatbush avenue, Borough of Brooklyn, occupied as an annex to the Erasmus Hall High School, for a term of one year from September 1, 1904, with the privilege of renewal for an additional year, at an annual rental of \$400, payable quarterly; the owner, Ambrose A. Wickland, No. 977 Flatbush avenue, Brooklyn, to provide heat and janitor service; the Board of Education to make the necessary alterations and repairs.

Wickland, No. 977 Flatbush avenue, Brooklyn, to provide heat and janitor service; the Board of Education to make the necessary alterations and repairs."

The Board of Health and the Department of Buildings, having reported favorably thereon, and the rent asked being reasonable, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of lease of room, with closet adjoining, on the parlor floor of the building known as No. 977 Flatbush avenue, Borough of Brooklyn, occupied as an annex to the Erasmus Hall High School, for a term of one year, from September 1, 1904, at an annual rental of \$400, payable quarterly; lessor, Ambrose A. NEW YORK, May 25, 1904.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman, Board of Sinking Fund Commissioners:

SIR—I request that your Board amend its resolution of May 11, 1904, in reference to the renewal of the lease from Henry Greene, of the store on the ground floor of premises No. 601 East Sixteenth street, Borough of Manhattan, so as to make the term read for three (3) years from July 1, 1904, instead of for two years.

Respectfully,

JOHN MCGAW WOODBURY, Commissioner.

Hon. N. TAYLOR PHILLIPS:

The Commissioners of the Sinking Fund at a meeting held May 11, 1904, at the request of the Commissioner of the Department of Street Cleaning, authorized a renewal of a lease of premises No. 601 East Sixteenth street, for a term of two years from July 1, 1904. Which was unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of a portion of Room No. 92 in the Stewart Building, No. 280 Broadway, Borough of Manhattan, for the use of the Department of Finance:

MAY 21, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Collector of Assessments and Arrears in a communication under date of May 10, 1904, states that he was authorized to move into that portion of Room No. 92 in the Stewart Building, now vacant, for the purpose of installing therein his book-binder and plant.

Room No. 92, located on the second floor of the Stewart Building, contains 432 square feet, of which the southerly portion, containing 144 square feet, is rented by Mr. Woolworth, at a monthly rental of \$25. The northerly portion, containing 288 square feet, or two-thirds of the area of the room, is the part desired by the Collector of Assessments and Arrears, the monthly rental of which is \$37.50. The Collector of Assessments and Arrears does not say for what length of time he desires the use of this room, so I presume it is to expire at the time of the regular omnibus lease of the Finance Department in this building. I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving the request of the Collector of Assessments and Arrears, and authorizing a lease of the northerly two-thirds of Room 92, Stewart Building, No. 280 Broadway, Borough of Manhattan, at a monthly rental of \$37.50 from the date of occupation to May 1, 1905, lessor to furnish light, heat, elevator and janitor service. Lessors, Horace Russell and Ed. D. Harris, Executor, etc.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Horace Russell and Edward D. Harris, executors, etc., of the estate of Henry Hilton, deceased, of the northerly two-thirds of Room 92 in the Stewart Building, No. 280 Broadway, Borough of Manhattan, containing 288 square feet, for the use of the Department of Finance, for a term from the date of occupation to May 1, 1905, at a monthly rental of thirty-seven dollars and fifty cents (\$37.50); the lessors to furnish light, heat, elevator and janitor's service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the payment of one month's rent of premises occupied by the Eleventh District Municipal Court, on the southwest corner of One Hundred and Twenty-sixth street and Columbus avenue:

JUNE 3, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund, at a meeting held on February 29, 1904, adopted a resolution authorizing the lease of the premises to be erected on a triangular plot at the junction of One Hundred and Twenty-sixth street, Manhattan street and Amsterdam avenue, for the use of the Eleventh District Municipal Court, the lease to date from occupation.

It now appears that the new building will not be ready for occupancy before June 20, and the owners of the present building will only consent to the Court remaining after June 6, the date of the expiration of the present lease, for a period of one month at a rental of \$500. The present rent paid is at the rate of \$2800 per annum, and the reason for the increase is that the owners are prevented from going on with contemplated improvements to the building to adapt it for school purposes. The City would either be compelled to lease a new building for Court purposes for one month, with a considerable expense to move the furniture and records, or else remain in the present quarters. Under these conditions, I consider the rent reasonable, and would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the hiring of the premises on One Hundred and Twenty-sixth street and Columbus avenue, now used as a Court, for a period of one month from June 6, 1904, at a rental of \$500, and that the Comptroller be authorized to pay the rent without the necessity of entering into a lease. Owner, St. Joseph's Church of the Holy Family. I would also recommend that the Commissioners of the Sinking Fund assign and designate the premises at the junction of One Hundred and Twenty-sixth street, Manhattan street and Amsterdam avenue, Borough of Manhattan, for the transaction of business of the Eleventh District Municipal Court on and after July 6, 1904.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to pay to St. Joseph's Church of the Holy Family, the sum of five hundred dollars (\$500), being the rent of premises occupied by the Eleventh District Municipal Court, on the southwest corner of One Hundred and Twenty-sixth street and Columbus avenue, for the period of one month from June 6, 1904.

The report was accepted and the resolution unanimously adopted.

The Comptroller offered the following resolution (see report in preceding matter):

Resolved, That, pursuant to the provisions of section 205 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby designate the premises at the junction of One Hundred and Twenty-sixth street, Manhattan street and Amsterdam avenue, in the Borough of Manhattan, as the place where the Eleventh District Municipal Court shall be held on and after July 6, 1904.

Which was unanimously adopted.

The Comptroller presented the following report and offered the following resolutions, relative to a lease of premises at No. 200 East Broadway, Borough of Manhattan, for the use of the Thirteenth District Municipal Court:

JUNE 7, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Thirteenth District Municipal Court was located in the building No. 200 East Broadway, in the Borough of Manhattan, under a lease which expired on May 1, 1904. The City recently acquired premises Nos. 264 and 266 Madison street, Borough of Manhattan, for Municipal Court purposes, and at a meeting held on the 29th day of April, 1904, a resolution was adopted, in pursuance of the provisions of section 205 of the Greater New York Charter, designating the premises No. 264 and 266 Madison street "as the place for the holding of the Thirteenth District Municipal Court on and after May 1, 1904."

The President of the Borough of Manhattan, in a communication under date of June 6, addressed to the Commissioners of the Sinking Fund, states that "premises No. 264 Madison street will require repairs and alterations of such an extensive character that it will be impossible to transact the court business in the building." He requests that the Commissioners of the Sinking Fund authorize a lease of the old premises at No. 200 East Broadway for a term of three months from July 1, pending the repairs and alterations to the new court-room. Transmitted with this communication was a letter from Mr. William H. Walker, Superintendent of Public Buildings and Offices, stating that the work will require at least three months.

I would respectfully recommend that the request of the President of the Borough of Manhattan be granted, and that a lease be authorized for a period of three months from July 1, 1904, at an annual rental of \$1,600, or \$400 for the three months, payable monthly, the lessor, Abraham Newmark, to pay taxes and water rents, and that the Commissioners of the Sinking Fund adopt a resolution designating No. 200 East Broadway as a place for the holding of the Thirteenth District Municipal Court for the months of July, August and September, 1904.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Abraham Newmark, of the first and second floors of premises No. 200 East Broadway, in the Borough of Manhattan, for the use of the Thirteenth District Municipal Court, for a term of three months from July 1, 1904, at a rental of four hundred dollars (\$400) for the three months, payable monthly, the lessor to pay taxes and water rates—and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

Resolved, That, pursuant to the provisions of section 205 of the amended Greater New York Charter, the Commissioners of the Sinking Fund hereby designate the

premises No. 200 East Broadway, Borough of Manhattan, as the place where the Thirteenth District Municipal Court shall be held during the months of July, August and September, 1904.

The report was accepted and the resolutions severally unanimously adopted.

The Comptroller presented the following report and offered the following resolutions relative to amendments to resolutions, authorizing leases of premises Nos. 126 and 128 Livingston street, Borough of Brooklyn, for the Department of Public Charities:

JUNE 2, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held on April 12, 1904, adopted two resolutions; one authorizing a lease of premises, No. 128 Livingston street from Elias H. Seaman, and the other, No. 126 Livingston street, from the D. & M. Chauncey Real Estate Company, as agents, for the use of the Department of Public Charities, Borough of Brooklyn.

The lessors desire to have inserted in the lease a provision that at the expiration of the term of the lease, that is, on April 1, 1909, the City will restore the lath and plaster partitions and doors removed by them during the term of the lease.

I see no objection to this, and would respectfully recommend that said resolution be amended by inserting this clause, and that owing to the death of Elias H. Seaman, the name of the lessor be changed to William H. Seaman and James H. Seaman, executors of Elias H. Seaman, deceased.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held April 12, 1904, authorizing a lease of premises No. 126 Livingston street, Borough of Brooklyn, for the use of the Department of Public Charities, for a term of five years from April 1, 1904, be and the same is hereby amended, by inserting an additional clause as follows: "That at the expiration of the term of the lease, that is on April 1, 1909, the City to restore the lath and plaster partitions and doors removed by it during the term of the lease."

Resolved, That the resolution adopted by this Board at meeting held April 12, 1904, authorizing a lease from Elias H. Seaman, of premises No. 128 Livingston street, Borough of Brooklyn, for the use of the Department of Public Charities, for a term of five years from April 1, 1904, be and the same is hereby amended, by substituting as the name of the lessor, "William H. Seaman and James H. Seaman, executors of Elias H. Seaman, deceased," in place of "Elias H. Seaman," and by inserting the following additional clause: "That at the expiration of the term of the lease, that is, on April 1, 1909, the City to restore the lath and plaster partitions and doors removed by it during the term of the lease."

The report was accepted and the resolutions severally unanimously adopted.

The Comptroller presented the following report, and offered the following resolutions, relative to the lease of land, corner of Hamilton avenue and Smith street, Borough of Brooklyn, for the use of the Department of Bridges:

MAY 20, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held February 29, 1904, at the request of the Commissioner of Bridges, adopted a resolution authorizing a lease to the City from the American Cotton Oil Company of property described in said resolution, to be used until such time as "a permanent bridge across the Gowanus canal, Hamilton avenue, is completed and ready for traffic."

Messrs. Sullivan & Cromwell, attorneys for the National Cotton Oil Company, a corporation, in a communication under date of April 26 state that the lease as drawn up by the Corporation Counsel is not in accordance with the understanding had with the Engineer under whose supervision the changes are being made on the Hamilton Avenue Bridge, and request that the resolution be amended in accordance with their letter.

I would respectfully recommend that the Commissioners of the Sinking Fund rescind the action taken by them on February 29, 1904, and adopt the following resolution:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the National Cotton Oil Company of the following-described property in the Borough of Brooklyn for the use of the Department of Bridges:

An irregular parcel, vacant, on the northeast corner of Hamilton avenue and Smith street, fronting 34 feet 7 inches on Smith street, 173 feet 3¼ inches on Hamilton avenue, 159 feet 7¼ inches on the canal and having a rear line of 157 feet 7¼ inches, for a term of one year at an annual rental of fifteen hundred dollars (\$1,500), payable quarterly, the lease to contain a provision that the City may surrender and cancel the lease at any time during the year upon giving thirty days' notice in writing to the company, or may extend the term beyond the period of one year for a period of six months upon thirty days' notice in writing to the company, with the same privilege of terminating the lease during the second period of six months, at any time upon the usual thirty days' notice. The lease to contain the usual provision looking to restoring the property to the owners in the same condition in which it was received, wear and tear and damage by the elements excepted, the City to have the privilege of taking down any or all of the brick wall surrounding the property leased, and at the expiration of the lease to either rebuild the wall or compensate the company for the removal thereof at the rate of four dollars and fifty cents (\$4.50) per thousand brick removed, and if the wall is not rebuilt and compensation is allowed therefor, the City to build a tight board fence surrounding that part of the premises from which the wall was removed, said fence to be 6 feet high, sufficient to prevent trespass and nuisance.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held February 29, 1904, authorizing a lease to the City, from the American Cotton Oil Company, of an irregular parcel of land, situated on the northeasterly corner of Hamilton avenue and Smith street, in the Borough of Brooklyn, for the use of the Department of Bridges, be and the same is hereby rescinded.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the National Cotton Oil Company, of the following-described property in the Borough of Brooklyn, for the use of the Department of Bridges:

An irregular parcel, vacant, on the northeast corner of Hamilton avenue and Smith street, fronting 34 feet 7 inches on Smith street, 173 feet 3¼ inches on Hamilton avenue, 159 feet 7¼ inches on the canal, and having a rear line of 157 feet 7¼ inches, for a term of one year from the date of occupation, at an annual rental of fifteen hundred dollars (\$1,500), payable quarterly; the lease to contain a provision that the City may surrender and cancel the lease at any time during the year, upon giving thirty days' notice in writing to the company, or may extend the term beyond the period of one year, for a period of six months upon thirty days' notice in writing to the company, with the same privilege of terminating the lease during the second period of six months, at any time upon the usual thirty days' notice. The lease to contain the usual provision looking to restoring the property to the owners in the same con-

dition in which it was received, wear and tear and damage by the elements excepted; the City to have the privilege of taking down any or all of the brick wall surrounding the property leased, and at the expiration of the lease to either rebuild the wall or compensate the company for the removal thereof, at the rate of four dollars and fifty cents (\$4.50) per thousand brick removed, and if the wall is not rebuilt and compensation is allowed therefor, the City to build a tight board fence surrounding that part of the premises from which the wall was removed, said fence to be 6 feet high, sufficient to prevent trespass and nuisance; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolutions severally unanimously adopted.

The Comptroller presented the following report of the Appraiser of Real Estate of the Department of Finance and offered the following resolutions relative to amendments to resolutions authorizing leases of premises corner of One Hundred and Forty-third street and College avenue and premises on One Hundred and Seventy-fifth street, between Anthony avenue and Crane place, for the use of the President of the Borough of The Bronx (see page):

JUNE 8, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—In accordance with a request from the President of the Borough of The Bronx, under date of April 20, 1904, the Commissioners of the Sinking Fund, at a meeting held April 27, 1904, adopted the following resolution:

"Resolved, That the Comptroller be and is hereby authorized and directed to execute renewals of the leases to the City of the following described property in the Borough of The Bronx, for the use of the President of the Borough of The Bronx:

"1. Premises on the northeast corner of One Hundred and Forty-third street and College avenue and seven lots on the north side of College avenue for a term of one year from May 1, 1904, at an annual rental of fifteen hundred dollars (\$1,500), payable quarterly, otherwise upon the same terms and conditions as contained in the existing lease; the Mott Haven Company, lessors;

"2. Premises on the south side of East One Hundred and Seventy-fifth street (Prospect place), between Anthony avenue and Crane place (now Clay avenue), for a term of one year from May 1, 1904, at a rental of thirty-five dollars (\$35) per month, otherwise upon the same terms and conditions as contained in the existing lease; J. P. Schmenger, lessor;

"the Commissioners of the Sinking Fund deeming the said rents fair and reasonable and that it would be for the interests of the City that such leases be made.

"Which was unanimously adopted."

In a subsequent communication, under date of May 25, the President of the Borough of The Bronx states that the Mott Haven Company, lessors, have returned unexecuted the renewal leases for the premises at the northeast corner of One Hundred and Forty-third street and College avenue, for the reason that the rent mentioned in the resolution is insufficient, being the same as had existed for several years, and suggests that "as the increased rental is but \$250, it would be to the best interests of the City to renew said lease for one year only at \$1,750, rather than to assume the task of abandoning the premises, seeking another site and thereby incurring much annoyance and interruption of Department work at this the busiest season of the year."

In view of the conditions, I would respectfully recommend that the Commissioners of the Sinking Fund amend the resolution adopted April 27, 1904, relating to the premises at the northeast corner of One Hundred and Forty-third street and College avenue so as to read "at an annual rental of \$1,750," instead of "at an annual rental of \$1,500."

In the matter of selecting an appropriate site in a more central location to provide for all the bureaus of this Department, I beg to submit a separate report.

I would further respectfully recommend that the resolution relating to the premises on East One Hundred and Seventy-fifth street and Clay avenue, be amended to read "Henry Schneider, executor of the estate of John P. Schmenger, lessor," instead of "J. P. Schmenger."

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Resolved, That so much of the resolution adopted by this Board at meeting held April 27, 1904, as relates to a renewal of the lease to the City of premises on the southeast corner of One Hundred and Forty-third street and College avenue and seven lots on the north side of College avenue (paragraph 1), for the use of the President of the Borough of The Bronx, for a term of one year from May 1, 1904, at an annual rental of fifteen hundred dollars (\$1,500), payable quarterly, be and the same is hereby amended, by substituting "seventeen hundred and fifty dollars" as the rental in place of "fifteen hundred dollars."

Resolved, That so much of the resolution adopted by this Board, at meeting held April 27, 1904, as relates to a renewal of the lease to the City from J. P. Schmenger, of premises on the south side of East One Hundred and Seventy-fifth street (Prospect place), between Anthony avenue and Crane place (now Clay avenue) (paragraph 2), for the use of the President of the Borough of The Bronx, be and the same is hereby amended by substituting "Henry Schneider, executor of the estate of John P. Schmenger," as the lessor, in place of "J. P. Schmenger."

The report was accepted and the resolutions severally unanimously adopted.

The following communication was received from the Sheriff of the County of New York, requesting that the new City Prison be designated as the common jail of New York County:

NEW YORK, May 25, 1904.

To the Honorable Board of Commissioners of the Sinking Fund of The City of New York:

GENTLEMEN—I beg to call your attention to the following facts, and to the consideration of the adoption of the accompanying resolution, or any better form, which will accomplish the relief necessary, as appears from the following facts:

The Code of Civil Procedure, section 120, and the Consolidation Act, section 1715, as amended by Laws of 1897, chapter 364, provide that the Ludlow Street Jail shall be the common jail of New York County for the confinement of civil prisoners only.

Under section 695 of the Charter, the Commissioner of Correction has jurisdiction over, and charge and management of the City Prison, and under section 81 of the Charter, the power to designate the jails is vested in your Body.

Our courts have recently followed an old form of commitment for criminal contempt, notably in the cases of Louis S. Chanler and Jesse Lewisohn, sending those prisoners into the custody of the Sheriff of New York County upon criminal process, and directing their confinement by the Sheriff in the common jail of the County during their several terms of sentence.

As the statutes of our State, above referred to, forbid the confinement of prisoners by the Sheriff in Ludlow Street Jail on criminal process of any kind, and inasmuch as the Commissioner of Correction might object to receive them and confine them in the City Prison because the process does not commit them to his custody, the passage of the resolution is of the utmost importance, and it is respectfully urged that this Board act upon the same forthwith, not only as a solution of the troubles which are imminent

from the conflict of laws and of the opinions of the courts concerning their proper construction, but also to protect the Sheriff from being proceeded against by any person who may, under existing state of affairs, sue the Sheriff either for oppression, for false imprisonment or for abuse of process, if he should be confined in the County Jail upon process which really requires imprisonment in the City Prison, as for a criminal offense. With a proper resolution adopted by your Honorable Body, the Warden, under existing laws, will be required, in the case of a criminal commitment, to take the prisoner under his jurisdiction. We have no way of controlling the court in the preparation of the form of its orders, and this relief is immediately necessary for the reasons mentioned.

Trusting that the same will receive your early attention,

Fraternalty yours,

MITCHELL L. ERLANGER.

In connection therewith the Comptroller offered the following resolution:

Resolved, That, pursuant to the provisions of section 205 of the Amended Greater New York Charter, the Commissioners of the Sinking Fund hereby designate as the common jail of New York County, for the confinement of all persons committed to the common jail of said county or to the custody of the Sheriff of said county upon criminal process, the building known as the New City Prison, on Centre street, between Franklin and Leonard streets, Borough of Manhattan.

Which was unanimously adopted.

Sworn to before me this 15th day of February, 1904.

GEORGE MYERS, Commissioner of Deeds, City of New York.

In connection therewith the Comptroller presented the following report of the Appraiser of Real Estate of the Department of Finance, with opinion of the Corporation Counsel and offered the following resolutions:

MAY 25, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—Adolph I. Randolph, Sophia Coyle, Sophia Kaufman and Sylvia Zuckerman, in a verified petition hereto annexed, state that they are owners in fee and tenants in common, of all those four plots, pieces or parcels of land situate, lying and being in the Twenty-sixth Ward of the Borough of Brooklyn, County of Kings, City and State of New York, and which are particularly bounded and described and also shown on the diagram annexed to said petition.

It appears from the description and the diagram that the Old Hunterfly road extends southerly from Pitkin avenue along the westerly side of Block 3512, and then diverges southeasterly through Block 3512 and Block 3513. Part of the Old Hunterfly road is included in Howard avenue, and part in Sutter avenue, Barrett street and Grafton street. The request of the petitioners as shown in paragraphs 2 and 3, namely:

"The petitioners further allege that they are informed and verily believe that the whole of said Hunterfly road lying in and being comprised by the boundaries of said blocks, Nos. 3512 and 3513, is vested in The City of New York;

"The petitioners further allege that they are desirous of purchasing from The City of New York such portions of the said Hunterfly road as will complement the four parcels of land belonging to the petitioners and hereinbefore described, without any prejudice to the interests of any adjoining owners, if any, and without prejudicing the interests of The City of New York";

—indicates that they not only desire a release of the City's interest in that portion of the Hunterfly road which runs diagonally through Blocks 3512 and 3513, but also to that part of the Hunterfly road adjoining Block 3512 on the west, and parallel with Howard avenue, which would give them a street frontage of about 750 to 800 feet, and they request a release of all the right, title and interest of The City of New York of, in and to all that portion of the Old Hunterfly road; that they are desirous of purchasing from The City of New York all of such portions of said Hunterfly road without prejudice to the interests of any adjoining owners, and without prejudice to the interests of The City of New York.

I find that this application is in all respects similar to many that were granted by the former City of Brooklyn under a resolution of the Common Council of said city, and since consolidation by The City of New York under a resolution of the Commissioners of the Sinking Fund for a nominal consideration.

I would therefore respectfully recommend that this application be sent to the Corporation Counsel for his opinion as to whether the City's interest in the premises is material or a mere cloud upon the title of a private owner; and if he shall certify that the City's interest is not material, the Commissioners of the Sinking Fund, pursuant to section 205 of the Amended Greater New York Charter, may properly authorize a release or quit-claim for a nominal consideration to the petitioners of all the right, title and interest of The City of New York to that portion of the Old Hunterfly road within the area of the following described property, being part of Block 3512, and between Parcels A and C, and A and C:

Beginning at a point on the southwesterly corner of Pitkin avenue and Grafton street; running thence westerly along Pitkin avenue to the line of the Old Hunterfly road; thence southerly along the line of the Old Hunterfly road to Sutter avenue; thence easterly along Sutter avenue to Grafton street; thence northerly along Grafton street to the point or place of beginning,

—and that the interests of the City be appraised at the nominal sum of \$1, and that the expense of such release, examination, etc., be fixed at \$100, to be paid by said petitioners before the delivery of such release.

I would further respectfully recommend a release to the petitioners of all the right, title and interest of The City of New York to that portion of the Old Hunterfly road within the area of the following described property, being part of Block 3513, and between Parcels B and D, and B and D:

Beginning at a point on the southeasterly corner of Pitkin avenue and Grafton street, running thence southerly along Grafton street to Sutter avenue; thence easterly along Sutter avenue 147 feet 1½ inches; thence northerly and parallel with Grafton street 860 feet to the southerly side of Pitkin avenue; thence westerly along the southerly side of Pitkin avenue 147 feet 1½ inches to the point or place of beginning,

—and that the interests of the City be appraised at the nominal sum of \$1, and that the expense of such release, examination, etc., be fixed at \$100, to be paid by said petitioners before the delivery of such release.

And further, that before the delivery of such release the petitioners shall produce evidence that all taxes, assessments and water rates due and unpaid against Parcels A, B, C and D shall have been paid before receiving such release from the City.

Respectfully submitted,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

NEW YORK, June 8, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—I have received your communication of May 24, 1904, transmitting an application made to the Commissioner of the Sinking Fund by Adolph I. Rudolph and others, for a release of a portion of the old Hunterfly road, in the Borough of Brooklyn, and inclosing a report made to the Comptroller on the subject by the Bureau of Real Estate. I am asked to advise you whether the interest of The City of New York in the property is material or simply nominal and a mere cloud upon the title of a private owner, and, if the latter, I am asked to so certify so that the matter may be presented to the Commissioners of the Sinking Fund, pursuant to section 205 of the Amended Greater New York Charter.

This application is precisely similar to the application of the John H. Vanderveer Company, concerning which an opinion was delivered to the Comptroller by the Corporation Counsel on April 22, 1902. The status of this old road was there examined, and you were advised that the interest of the City therein was merely nominal. I respectfully refer you to that opinion, and in accordance therewith I hereby certify that whatever interest the City may have in the property formerly forming a part of the Hunterfly road, in the Borough of Brooklyn, which is included in the premises covered by the petition of Adolph I. Rudolph, Sophia Coyne, Sophia Kaufman and Sylvia Zuckerman, is a mere cloud upon the title of such owners. The said property is bounded and described as follows:

Beginning at a point on the southwesterly corner of Pitkin avenue and Grafton street; running thence westerly along Pitkin avenue to the line of the old Hunterfly road; thence southerly along the line of the old Hunterfly road to Sutter avenue; thence easterly along Sutter avenue to Grafton street; thence northerly along Grafton street to the point or place of beginning; also

Beginning at a point on the southeasterly corner of Pitkin avenue and Grafton street, running thence southerly along Grafton street to Sutter avenue; thence easterly along Sutter avenue 147 feet 1½ inches; thence northerly and parallel with Grafton street 860 feet to the southerly side of Pitkin avenue; thence westerly along the southerly side of Pitkin avenue 147 feet 1½ inches to the point or place of beginning.

I inclose, as requested, deeds of the premises in question, with two copies of each thereof, approved by me as to form.

Respectfully yours,

JOHN J. DELANY, Corporation Counsel.

Resolved, That, pursuant to the provisions of section 205 of the Amended Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize a release or quit claim to Adolph I. Randolph, Sophia Coyle, Sophia Kaufman and Sylvia Zuckerman, of all the right, title and interest of The City of New York to all that portion of the old Hunterfly road within the area of the following-described property, being part of Block 3513, and between Parcels B and D, and B and D:

"Beginning at a point on the southeasterly corner of Pitkin avenue and Grafton street, running thence southerly along Grafton street to Sutter avenue; thence easterly along Sutter avenue 147 feet 1½ inches; thence northerly and parallel with Grafton street 860 feet to the southerly side of Pitkin avenue; thence westerly along the southerly side of Pitkin avenue 147 feet 1½ inches, to the point or place of beginning," —the Corporation Counsel having certified to the Commissioners of the Sinking Fund, under date of June 8, 1904, that whatever interest the City may have in the property is a mere cloud upon the title of the owners.

Resolved, That the interest of The City of New York in and to the same be and is hereby appraised at the nominal sum of \$1, and the expense of such release, examination, etc., be and is hereby fixed at \$100, to be paid by said petitioners before the delivery of such release.

Resolved, That, pursuant to the provisions of section 205 of the Amended Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize a release or quit claim to Adolph I. Randolph, Sophia Coyle, Sophia Kaufman and Sylvia Zuckerman, of all the right, title and interest of The City of New York, to all that portion of the old Hunterfly road within the area of the following-described property, being part of Block 3512, and between Parcels A and C, and A and C:

"Beginning at a point on the southwesterly corner of Pitkin avenue and Grafton street, running thence westerly along Pitkin avenue to the line of the old Hunterfly road; thence southerly along the line of the old Hunterfly road to Sutter avenue; thence easterly along Sutter avenue to Grafton street; thence northerly along Grafton street to the point or place of beginning,"

—the Corporation Counsel having certified to the Commissioners of the Sinking Fund, under date of June 8, 1904, that whatever interest the City may have in the property is a mere cloud upon the title of the owners.

Resolved, That the interest of The City of New York in and to the same be and is hereby appraised at the nominal sum of \$1, and the expense of such release, examina-

tion, etc., be and is hereby fixed at \$100, to be paid by said petitioners before the delivery of such release.

Which resolutions were severally unanimously adopted.

The Comptroller presented the following report, and offered the following resolution, relative to an amendment to resolution, authorizing a sale of certain property at Sixty-seventh street and Lexington avenue, Borough of Manhattan, to the Mount Sinai Hospital:

MAY 24, 1904.

To the Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of this Board held on the 16th inst., a resolution was adopted authorizing the sale to the Mount Sinai Hospital, of all the right, title and interest of The City of New York in the land or property lying within the blocks bounded by Lexington and Third avenues, Sixty-sixth and Sixty-eighth streets, Borough of Manhattan, heretofore leased by the Mayor, Aldermen and Commonalty of The City of New York, to the said Mount Sinai Hospital.

Since this resolution was adopted my attention has been called to the fact that there is a public school on Sixty-eighth street, immediately adjoining the piece authorized to be sold, which lies on the northeast corner of Sixty-seventh street and Lexington avenue.

The resolution adopted authorizing the sale did not contain a covenant against nuisances on account of the proximity of the school, and I communicated with Messrs. Hoadly, Lauterbach & Johnson, the attorneys for the hospital, in regard to the matter.

In a communication dated May 23, 1904, they write me as follows:

"In the matter of the deed to the Mount Sinai Hospital we beg to state that the Mount Sinai is now under contract of sale of this property to Mr. Hyman, under which the large piece—that is, the piece from Sixty-sixth to Sixty-seventh street—is free from all restrictions of any kind, and the small piece on the north side of Sixty-seventh street is subject to the ordinary nuisance covenant, as the same is set forth in a deed of that property to the Mount Sinai Hospital recorded in section 5, liber 69, page 446.

"If the City should insert any covenant of restrictions against the large plot the Mount Sinai Hospital would be unable to carry out its contract. We have no objection to the insertion in the deed which the City is about to make of a covenant as against the piece on the north side of Sixty-seventh street in the same language as that contained in present deed of that small piece of the Mount Sinai Hospital, so that the Hospital will be able to carry out its contract of sale."

In view of the fact that there is no objection on the part of the attorneys for the hospital to a covenant of a restriction against the property adjoining the school I think it would be well, as a matter of precaution, to amend the resolution so as to make the sale of this piece subject to such covenants against nuisances, as will sufficiently protect the neighboring public school. With regard to the larger plot spoken of above, the attached diagram shows that no restriction is needed.

I therefore offer the following resolution.

Respectfully,

EDWARD M. GROUT, Comptroller.

Resolved, That the resolution adopted by this Board, at meeting held May 16, 1904, authorizing the sale to the Mount Sinai Hospital of all the right, title and interest of The City of New York in the land or property lying within the blocks bounded by Lexington and Third avenues, Sixty-sixth and Sixty-eighth streets, Borough of Manhattan and City of New York, heretofore leased by the Mayor, Aldermen and Commonalty of The City of New York, to the said Mount Sinai Hospital, be and the same is hereby amended by adding after the words "heretofore leased by the Mayor, Aldermen and Commonalty of The City of New York to the Mount Sinai Hospital" the words "the sale of that portion of the property as is situated on the northeast corner of Sixty-seventh street and Lexington avenue, and more particularly described below, is made subject to such covenants against nuisances as will sufficiently protect the neighboring public school."

Approved May 24, 1904.

GEO. B. McCLELLAN, Mayor;
EDWARD M. GROUT, Comptroller;
CHARLES V. FORNES, President, Board of Aldermen;
JOHN, T. McCALL, Chairman, Finance Committee,
Board of Aldermen;
PATRICK KEENAN, Chamberlain.

Resolved, That the foregoing resolution be and the same is hereby ratified and affirmed.

Which was unanimously adopted.

The following ordinance was received from the Board of Aldermen, authorizing and providing for the acquisition, construction and establishment of a public wholesale market in the Eighth Ward of the Borough of Brooklyn:

In the Board of Aldermen.

AN ORDINANCE authorizing and providing for the acquisition, construction and establishment of a public wholesale market in the Eighth Ward of the Borough of Brooklyn, City of New York, and authorizing the issue of bonds to pay for the same.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Provision is hereby made for the acquisition and establishment of a public wholesale market in the Eighth Ward of the Borough of Brooklyn, City of New York, upon the lands and lands under water hereinafter described, which are hereby selected for a public wholesale market in said Borough of Brooklyn, and surveys and maps thereof are hereby directed to be made and filed as provided by law. Said lands or lands under water shall be acquired for said purposes by purchase or by condemnation proceedings, as required by law, provided, however, that this matter be submitted to the Board of Estimate and Apportionment, and that no further proceedings be taken until the acquisition of said lands or lands under water is approved and authorized by the Board of Estimate and Apportionment, as required by law.

Sec. 2. The lands and lands under water so selected shall be set apart for use as a public wholesale market, provided, however, that said lands or lands under water or any part thereof, whenever they shall no longer be required for the purpose of a market, may be assigned by the Commissioners of the Sinking Fund for use for any other public purpose, or may be sold by said Commissioners in the manner provided by law.

The Comptroller presented the following statement and offered the following resolution relative to bill of Bryan L. Kennelly, for appraising the rental value of premises No. 59 Madison street, Borough of Manhattan, leased for the use of the Second District Municipal Court:

JUNE 13, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held on the 23d day of May, 1904, adopted a resolution authorizing a lease of premises No. 59 Madison street to be occupied as a Second District Municipal Court, which, on account of the removal of the Centre Market Building, was compelled to vacate the premises. The difference in rental values placed upon the property by the owners and this office was of such an amount that it was thought advisable to obtain an outside appraisal. Acting under your instructions, I had an appraisal made, and transmit herewith a bill for the same.

I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment thereof.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Resolved, That a warrant be drawn for the sum of fifteen dollars (\$15), payable from the appropriation for 1904, entitled "Commissioners of the Sinking Fund, Expenses of," in favor of Bryan L. Kennelly, being the amount of his bill for appraising the rental value of premises known as No. 59 Madison street, in the Borough of Manhattan, leased for the use of the Second District Municipal Court.

Which resolution was unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to a lease of premises on the north side of West One Hundred and Twenty-third street west of Columbus avenue, for use as a corporation yard by the President of the Borough of Manhattan:

JUNE 13, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—In the matter of the communication from the Hon. John F. Ahearn, President of the Borough of Manhattan, to the Hon. George B. McClellan, Mayor, concerning the renewal of the City's lease of the premises on the north side of West One Hundred and Twenty-third street, 100 feet west of Columbus avenue, used as a corporation yard, for a period of three years from July 1, 1904, at a rental of \$7,200 a year, I have the honor to report as follows:

This is a plot of ground 425 feet front by 100 feet 11 inches on the north side of West One Hundred and Twenty-third street, 100 feet west of Columbus avenue, and is known on the tax books as Lots Nos. 12 to 28 inclusive, in Block 1904, section 7, volume 2.

Part of this property has been in use by the City since 1894 and the remainder since 1897, the total rental being at the rate of \$5,700 a year. The advance in rental now asked over the amount paid on the present existing lease therefore amounts to \$1,500 a year. Edward Fox, lessor, who sub-leases to the City, states that this increase is made necessary by the increase of \$1,000 a year paid by him and the taxes paid by him is also largely increased.

This plot of ground is conveniently located for its purpose, and is used by the Bureaus of Highways, Sewers, Incumbrances, and also by the Engineers and Commissioners of Accounts.

The increased rental asked being reasonable, I would respectfully recommend that the Commissioners of the Sinking Fund approve of the request of the President of the Borough of Manhattan and adopt a resolution authorizing a lease of the premises on the north side of West One Hundred and Twenty-third street, 100 feet west of Columbus avenue, containing seventeen lots, with buildings and sheds thereon, for use as a corporation yard, for a period of three years from July 1, 1904, at a rental of \$7,200 per annum, payable quarterly. Lessor to pay water rent. Lessor, Edward Fox.

I understand from the letter of the Borough President that the appropriations are sufficient to cover the cost of the rental.

Respectfully submitted for approval,

MORTIMER J. BROWN,
Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Edward Fox, of premises on the north side of West One Hundred and Twenty-third street, 100 feet west of Columbus avenue, containing seventeen lots with buildings and sheds thereon, for use as a corporation yard by the President of the Borough of Manhattan, for a period of three years from July 1, 1904, at an annual rental of seven thousand two hundred dollars (\$7,200), payable quarterly; the lessor to pay water rents; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to the acquisition by the Spuyten Duyvil and Port Morris Railroad of all the right, title and interest of The City of New York in certain lands under water at Spuyten Duyvil creek, as provided by chapter 423 of the Laws of 1903 (see minutes, Board of Estimate and Apportionment, 1904, page 620):

JUNE 11, 1904.

Hon. EDWARD M. GROUT, Comptroller:

SIR—The Board of Estimate and Apportionment, at a meeting held on April 29, 1904, adopted a resolution in the matter of the acquisition of the Spuyten Duyvil and Port Morris Railroad Company and its lessees, the New York Central and Hudson River Railroad Company, of a right of way or easement of all such lands, or interest in lands, rights of way or easements, as are necessary or required for the roadway and route altered and changed, as provided by chapter 423 of the Laws of 1903, and the abolition of certain grade crossings of the Spuyten Duyvil and Port Morris Railroad Company at or near Kingsbridge, in The City of New York; and it was agreed that under said law the sum of \$600,000 was to be the cost and expense of acquiring all of said lands, etc.

In the said resolution was a clause that The City of New York should grant and convey to the Spuyten Duyvil and Port Morris Railroad Company, or to such person or corporation as it shall designate, all of the property, right, title and in-

terest which it, The City of New York, now has and all that it may hereafter acquire under authority of chapter 615 of the Laws of 1904, of, in and to any of the lands now or originally under the waters of the Spuyten Duyvil creek, between the northerly Harlem river pier and bulkhead line, as now established, and Kingsbridge, and also of, in and to any of the lands under the waters of the Harlem river, between the northerly Harlem river pier and bulkhead line, as now established, and Farmer's Bridge, the Spuyten Duyvil and Port Morris Railroad Company to pay, or cause to be paid, to The City of New York the sum of \$50,000, and the Comptroller was authorized to prepare and issue Corporate Stock of The City of New York to the amount of \$550,000 for the purpose of bearing and paying that amount of the costs and expenses of acquiring said lands and interests in lands, etc. At the time of the payment of the said sum of \$550,000 the railroad company, on its part, was to execute a sufficient agreement, in form satisfactory to the Corporation Counsel, to grant and convey all its right, title and interest in and to any of the lands forming any part of its present route or roadway to be abandoned, as provided in chapter 423 of the Laws of 1903.

By an act of the Legislature, known as chapter 615 of the Laws of 1904, the State of New York granted unto The City of New York all the property, right, title and interest of the people of The City of New York, of, in and to the lands under the waters of the Spuyten Duyvil creek, which is northerly of the northerly Harlem river pier and bulkhead line, as now established by the United States Government, including all the lands within the bounds of and between the original high-water marks upon either side of the above designated portion of the Spuyten Duyvil creek; and also all the property, right, title and interest of the people of the State of New York, of, in and to the lands under the waters of all that portion of the Harlem river which is situated northerly of said northerly Harlem river pier and bulkhead-line, as now established by the United States Government, including all lands within the bounds of and between the original high-water marks upon either side of the above designated portion of the Harlem river; to have and to hold unto the said, The City of New York, its successors and assigns forever.

The State of New York, by letters patent, which are attached to this agreement, has granted unto The City of New York all such rights, and the Corporation Counsel, in a communication under date of June 3, 1904, transmitted the said letters patent to this office.

Section 2 of this Act authorizes the Board of Estimate and Apportionment to grant and convey by proper instrument, or instruments, in writing, all the property, right, title and interest which it, The City of New York, now has, and all that which it may acquire under section 1 of the act, to the lands under water of the Spuyten Duyvil creek, as described in the original resolution adopted by the Board of Estimate and Apportionment on April 29, to the Spuyten Duyvil and Port Morris Railroad Company, or to such person or corporation as it shall designate.

Inasmuch as the grant to be given by the City is only a portion of that acquired by the State, I would respectfully recommend that the Commissioners of the Sinking Fund, being the custodian of all City property, spread upon their minutes these letters patent; that the letters patent be recorded in the Register's office, and that by proper resolution, concur in the resolution of the Board of Estimate and Apportionment authorizing the grant on behalf of the City to such lands under water of the Spuyten Duyvil and Port Morris Railroad, as provided by chapter 423 of the Laws of 1903, and by chapter 615 of the Laws of 1904.

Respectfully submitted for approval,

MORTIMER J. BROWN,

Appraiser of Real Estate in Charge of Bureau.

Approved:

EDWARD M. GROUT, Comptroller.

FRANK W. HIGGINS.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application thereto at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there
