Re. Citywide Statement of Needs for 2009 and 2010

In accordance with Section 204 of the City Charter, I am pleased to submit for your review and comment the *Citywide Statement of Needs for Fiscal Years 2009 and 2010* ("the Statement").

The Statement provides information on facilities that the City expects to site, expand, replace or consolidate during the next two fiscal years. Please bear in mind, however, that budget or program shifts may dictate elimination or deferral of some of the proposals included in the Statement.

Comments and proposed locations for these facilities may be submitted to the Director of the Department of City Planning, 22 Reade Street, New York, N.Y. 10007, within 90 days of receipt of the Statement. Thank you for your participation in the City's facilities siting process.
