CASES - ACES HIGH RISK YOUTH - FY24-25 NAE - Other - PIN# 12825N0005 - Due 8-30-24 at 12:00 P.M.

The Mayor's Office of Criminal Justice (MOCJ) seeks to procure a program aimed at serving high-risk, justice involved young people with exhibited challenges succeeding in other programs or diversion efforts. Over the last four (4) years the city has undertaken a number of initiatives to safely reduce the jail population. Many of these efforts have been successful at reducing the number of low-risk, low-charge severity individuals held in detention while awaiting the disposition of their case. Today 91% of the jail population is facing felony charges, 49% facing violent felony charges, and 69% are at medium or high risk of failing to appear.

Two major initiatives underway – the implementation of Raise the Age legislation on October 1st, 20182, and the plan to close Rikers Island – can only be successful with a continued reduction in the jail population. Research shows that some of these individuals can be safely supervised in the community with the right kind of programming. The City has a vested interest in strategies that target this subset of detainees that have historically lacked alternatives to detention due to the nature of their charges or frequency of system involvement. MOCJ is looking to build a program to serve youth 16 and older that is comprised of the following foundational elements: Relentless outreach – Once a youth is identified as a fit, outreach goes above and beyond to engage the participant.

The program seeks out the participant, rather than relying on the participant to take the necessary steps to intake into the program independently. Designed for high-need and high-risk – This program will be specifically catered to serve young people that have historically disengaged from programs and have court involvement. Program Failure built in – Understanding that a pillar of long term success for youth involved in this program requires dismantling old habits, there is a need for a model that is flexible enough to continue working with young people that are learning to adapt to structure.

The program ought to ensure that only under exceptional circumstances will youth be terminated from the program. The program will provide education, life skills, and employment components –the program will provide untraditional mental health, education, and skill-building opportunities. The program will include group employment in which young people are paid for their work, held accountable by their peers, learn skills and norms of work environments, and gain experience.

REQUEST FOR QUALIFICATIONS AND EXPRESSION OF INTEREST ("RFQEI"): CSI 50 CONVERSION, PLA FEASIBILITY, MASTER PLANNING SERVICES, DESIGN BUILD REQUIREMENTS CONSULTANT (OWNER'S REPRESENTATIVE) - Request for Information - PIN# 24-0924 - Due 8-28-24 at 5:00 P.M.

Description:

This Request for Qualifications and Expression of Interest ("RFQEI") is being issued by the New York City School Construction Authority ("SCA") to solicit industry feedback and to evaluate vendor interest and qualifications in connection with certain Scopes of Services.

The SCA is responsible for the project delivery of new and major renovations of public school facilities throughout the five (5) boroughs of New York City. The SCA oversees all capital planning, contracting, design, and construction management of all projects in the five-year Capital Plan. To learn more about the SCA's Capital Plan visit https://www.nycsca.org/Community/Capital-Plan-Reports-Data#Capital-Plan-67.

One or more Consultants will be identified, via a forma Request for Proposal process, to perform Services in one or more of the following areas:

- (1) Transitioning the SCA from the MasterFormat Construction Specifications Institute (CSI) 16 Divisions to the current industry 50 Divisions, and training SCA users thereon;
- (2) Conduct a Project Labor Agreement ("PLA") Feasibility study for Design Build efforts related to both Capacity (new school) and Capital Improvement Program ("CIP" renovation/rehabilitation) projects.
- (3) Master Planning Services; and
- (4) Design Build Requirements Consulting (also known as "Criteria Consultant" or "Owner's Rep") Services.

#### Scopes of Services

- (1) "CSI 50 Implementation": The SCA develops and maintains design standards for public school designs that in-house and consultant architects reference to develop construction documents. The SCA performance specifications, which are based on the Construction Specifications Institute (CSI) 16 divisions MasterFormat breakdown, are used for all SCA project types. The selected Consultant will be responsible for SCA-wide conversion from the 5-digit code specifications standards that have been modified over the years to the industry's latest 50 division MasterFormat with an 8-digit code.
- (2) "PLA Study": Section 1, § 4 of the via Assembly Bill A7636B (https://www.nysenate.gov/legislation/bills/2019/A7636), the New York City Public Works Investment Act ("Act"), requires that all Design Build efforts be accomplished pursuant to a Project Labor Agreement. A Project Labor Agreement (PLA) is a pre-hire collective bargaining agreement with one or more labor organizations that establishes the terms and conditions of employment and project delivery for specific construction projects. The SCA has a current PLA with the Building & Construction Trades Council of Greater New York (BCTC) covering specified rehabilitation and renovation work. In order to implement a PLA that would govern the SCA's Design Build projects, the SCA must, pursuant to Labor Law Section 222, Section 2.a.2 (New York Labor Law Section 222), determine that the PLA would further the SCA's "interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages, and any local history of labor unrest". The selected Consultant will be tasked with undertaking, or supporting an SCA-led, "Feasibility Study" specific to a Design Build Project Labor Agreement.
- (3) "Master Planning Services": In response to this RFQEI we are also asking interested firms to demonstrate their ability to perform Master Planning Services with the goal of updating the SCA's Design Standards for its large portfolio of school buildings. Interested firms should respond with prior examples of their master planning experience relating to standards. Associated disciplines/areas of expertise required for this Master Plan service effort shall include, but not be limited to Architectural, Structural, Civil, Geotechnical, Electrical, Lighting, Heating Ventilation and Air-Conditioning, Fire Protection, Plumbing and Drainage, Interior Design, Sustainability, Landscaping, Cost Estimating, Acoustical, Elevator, Signage and Wayfinding, Waste Management, Kitchen, Traffic Engineering, ADA Accessibility, Forensic Architect, Educators, Graphic Design, Security Consultant, Historical Preservation and Energy Modeling Services. It is expected that the components of the study will include Engagement, Data Gathering and Educational & Building Standards. The required services include but are not limited to:
  - a. Submission of reports in InDesign, PDF, PowerPoint and other electronic format for all documents as required by the SCA
  - Detailed review and assessment of all existing NYCSCA Design Standards.
  - c. Engagement In-person and virtual engagement with stakeholders at the SCA, New York City Department of Education, New York City School Construction Authority, Communities (targeted outreach), SCA Design Consultants, and other parties via workshops (visioning) to ensure that collection of comprehensive data to support the update and creation of additional Design Standards. Listening sessions, workshops and surveys shall be included as means of collecting data for this Master Plan.
  - d. In-person and virtual community engagement to identify highest needs, a vision for teaching and learning in the form of educational specification standards and building and architectural design standards.
  - e. Preparation of recommendations based on data collected from stakeholders, best pedagogical practice and associated cost estimates for the recommendations. Cost estimates will be instrumental in the decision-making process as it will impact the SCA's 2025-2029 Capital Plan.
  - f. Updating and adding to the SCA's current suite of standards.
- (4) "Design Build Requirements Consultant": The SCA is authorized, via the Act, to award Design Build contracts for certain public works within the City. The Act requires that the SCA utilize a two-step procurement process for Design Build contracts: a request for qualifications and then a request for proposals to short-listed vendors. The Act also requires that the SCA select the Design Build proposal that provides the best value to the City,

taking into consideration the qualifications of the Design Builder, the quality of the proposal, and the proposed cost. Design Build contracts awarded pursuant to the Act may be for a lump sum, guaranteed maximum price ("GMP"), or other price format. Firms reviewing this RFQEI should be familiar with the Act, and with the Design Build model, and are being asked to respond to certain SCA-specific nuances in connection therewith. The selected Consultant will be tasked with Program and Project Development, including, but not limited to, development of Design Build strategies, creation of internal program materials, risk assessments, development of project specific performance-based specifications, pre- and post-award support, and project management/administration services, for SCA Design Build projects. Ultimately, guided by primers and best practices promulgated by the Design Build Institute of America ("DBIA"), the SCA intends to seek Requirements Consulting Phase 2 services from proposers with strong leadership, technical, and facilitative skills that have extensive experience developing and managing Design Build projects. #### AGENCY RULES

#### PROCUREMENT POLICY BOARD

■ NOTICE

#### **Notice of Adoption of Rules**

Pursuant to the authority vested in the Procurement Policy Board (PPB) by Sections 311 and 314 of the New York City Charter and in accordance with the requirements of Section 1043 of said Charter, the PPB has adopted amendments to Chapter 3 of Title 9 of the Rules of the City of New York.

#### Statement of Basis and Purpose of Proposed Rules

These Procurement Policy Board (PPB) Rule amendments update the provisions of the PPB Rules relating to "M/WBE Noncompetitive Small Purchases." The amendments set forth in PPB Rule § 3-08 provide greater clarity regarding the M/WBE Small Purchase procurement method. While competition is not required for contracts awarded pursuant to this method, agencies often do utilize various forms of source selection in connection with M/WBE small purchase contracts to

promote competition and in the best interests of the City. Renaming this method by removing the word "noncompetitive" from the title will reduce confusion amongst vendors and potential vendors regarding whether to expect potential competition in connection with contracts awarded through this method.

This rule amendment (1) changes the name of the procurement method in order to reduce confusion amongst potential vendors and current vendors regarding whether to expect potential competition, and (2) changes the text of the rule to be consistent with the name change and other clean up.

Section 1 amends PPB Rule § 3-08(c)(1)(iv) to rename the "M/WBE Noncompetitive Small Purchases" to "M/WBE Small Purchases" to provide greater clarity regarding this procurement method. Additionally, changing "except" to "provided" in the first sentence of § 3-08(c)(1)(iv) clarifies that when making M/WBE small purchases pursuant to such provision agencies are required to attempt to obtain at least three price quotes from M/WBE vendors or document their inability to do regardless of whether a procurement includes competition.

On June 4, 2024, the PPB voted to initiate the rulemaking process under the Citywide Administrative Procedure Act for this proposed rule amendment. A proposed version of this amendment was published in the City Record on June 24, 2024. A public hearing was held on July

The PPB did not receive either written comments or oral testimony at the public hearing. In the absence of comments and in consideration of the PPB's discussions during the June public meeting, the PPB adopted the amendment on August 14, 2024.

The PPB's authority to promulgate these rules is found in sections 311, 314, and 1043 of the New York City Charter.

The new material added in the text of the rule is <u>underlined</u> and the deleted material is in [brackets]. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

#### SECTION 1. SUBPARAGRAPH (iv) of PARAGRAPH (1) OF SUBDIVISION (c) OF SECTION 3-08 OF TITLE 9 OF THE RULES OF THE CITY OF NEW YORK IS AMENDED TO READ AS FOLLOWS:

(iv) M/WBE [Noncompetitive] Small Purchases. No competition is required for the procurement of goods, services, and construction from M/WBE vendors, [except] provided that in making purchases pursuant to this subparagraph, the Contracting Officer must attempt to obtain at least three price quotes from M/WBE vendors or document their inability to do so. The Contracting Officer must ensure that the [noncompetitive] price [selected] is reasonable and that purchases are distributed appropriately among responsible M/WBE vendors. Agencies shall not use this subparagraph to make any purchase for goods, services or construction, the value of which is less than or equal to the applicable micropurchase limits set in subparagraph (c) (1)(ii) above, or to make any purchase the value of which exceeds the maximum amount authorized pursuant to paragraph (1) of subdivision (i) of section 311 of the Charter. Additionally, agencies shall not make purchases pursuant to this subparagraph for human services.

#### **NOTE:**

- 1. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
- 2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
- 3. Items 1 4 on contract 4287148 and 5 20 on contract 4287149 are effective as of June 1st, 2022.
- 4. Items 1 4 on contract 4387063 are effective as of December 19, 2022.
- 5. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

#### REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices on time to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Starting April 1st, city agencies must transition from winterized fuel to non-winterized fuel. Please make sure your agency orders non-winter fuel according to the fuel options listed on the weekly price schedule.

### THE CITY OF NEW YORK - OFFICE OF MANAGEMENT AND BUDGET COMMUNITY DEVELOPMENT BLOCK GRANT-DISASTER RECOVERY PROGRAM

#### NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

NYC Mayor's Office of Management and Budget (NYC OMB) 255 Greenwich Street, 8th Floor New York, NY 10007 (212) 788-6130

On or about September 9, 2024, the City of New York ("the City") will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant- Disaster Recovery (CDBG-DR) funds authorized under the Community Development Act of 1974, as amended, and the Continuing Appropriations Act, 2023 (Public Law 117-180), to undertake a project known as NYCHA Green Infrastructure for the purpose of managing stormwater runoff across seventeen (17) New York City Housing Authority ("NYCHA")-owned developments. The funds will be requested for two (2) of these sites (GI Sites):

- 1. Lafayette Gardens
- 2. Pomonok Houses

The City proposes to award funds to the NYCHA, which will procure a contractor to install green infrastructure at the GI Sites as part of the NYCHA Green Infrastructure project. The GI Sites will include a total of eight (8) assets. These include sub-surface slow-release detention chambers, which will temporarily store rainwater below ground and then release it slowly into the combined sewer after the storm has passed and capacity has returned, and retention chambers, which are designed to collect rain and channel it to below-ground natural aquifers.

The green infrastructure practices in this project are all located in parking lots or other open spaces on NYCHA properties. Excavation is required to install subsurface chambers and reconstruct catch basins and outlet control structures that are reconnected to existing sewer pipes. Once installation and reconstruction are complete, the area will be backfilled, resurfaced, and restored to its pre-existing condition; features at or above ground level will be replaced in kind. For each green infrastructure practice, the sewer's capacity is fixed.

The primary addresses of the of the GI Sites locations include:

- Lafayette Gardens 387 Lafayette Avenue, Brooklyn, NY 11205
- Pomonok Houses 67-10 Parsons Boulevard, Fresh Meadows, NY 11365

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project will be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to Julie Freeman, Senior Assistant Director, New York City Office of Management and Budget, at 255 Greenwich Street, 8th Floor, New York, NY 10007, or by email to CDBGComments@omb.nyc.gov.

#### PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the New York City Office of Management and Budget (NYC OMB) at the above address or via email to CDBGComments@omb.nyc. gov. All comments received by September 8, 2024 will be considered by NYC OMB prior to authorizing submission of a request for release of funds.

#### ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer of the City's CDBG-DR Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

#### **OBJECTIONS TO RELEASE OF FUNDS**

HUD will accept objections to its release of funds and NYC OMB's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later)

only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNYC@hud.gov. Potential objectors about departed. HID to verify the actual lost day of the objections. should contact HUD to verify the actual last day of the objection period.
