MOTIONS AND RESOLUTIONS.

By the President—

Whereas, The Board of Aldermen have learned with very sincere regret of the action of Governor Robinson in vetoing the bill known as the "Bonded Indebtedness Bill," recommended by the Mayor, the Board of Aldermen, and numerous financial institutions of this city as one favorable to the best interests of this city; be it therefore

Resolved, That the Senate and Assembly of the State of New York be requested to pass said bill, notwithstanding the veto of the Governor to the contrary. The bill is one of great financial importance to the city, providing, as it does, for the funding and general management of the bonded debt of this city by the sinking fund, by equalizing taxes, and reducing the debt in a manner least onerous to the tax-payers;

MESSAGES FROM HIS HONOR THE MAYOR.

The President pro tem. laid before the Board the following message from his Honor the Mayor:

EXECUTIVE DEPARTMENT—CITY HALL, }
NEW YORK, April 30, 1878.

To the Honorable the Common Council:

GENTLEMEN—I herewith return, without my approval, the resolution "to permit John Welsh to keep a stand southeast corner of Sixth avenue and Fourteenth street."

I have received a communication from the surviving partner of the firm of R. H. Macy & Co., the occupant of the premises in front of which the proposed stand is to be placed, which is herewith transmitted, in which he earnestly, and, as I think, justly, protests against the proposed permission, and for the reasons assigned in that communication I deem it my duty to withhold my approval of the resolution.

SMITH ELY, JR., Mayor.

Resolved, That permission be and the same is hereby given to John Welsh to keep a stand, 5 x 10 feet, southeast corner of Sixth avenue and Fourteenth street; to remain during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

Alderman Morris moved that the letter from R. H. Macy & Co. to his Honor the Mayor, and a letter received by him on that subject from Macy & Co., be printed in full in the CITY RECORD.

R. H. MACY & CO., }
FOURTEENTH STREET AND SIXTH AVENUE, }
NEW YORK, April 25, 1878.

To his Honor Mayor SMITH ELY, JR.:

DEAR SIR—I notice an item in the CITY RECORD of 24th ultimo, stating that a petition has been presented for permission to place a stand, 5 feet by 10, on southeast corner of Fourteenth street and Sixth avenue, this being the corner occupied by our business. I most respectfully, but emphatically, protest against such permission being given to any one at any time, regarding it as directly opposed to our rights as citizens and tax-payers, and public-spirited merchants. No consideration could be named that would induce us to give any one such permission, we having invariably refused every application to that end, although a thousand dollars has been mentioned as what parties would give us if we would consent; but we want our entire walk, from No. 60 West Fourteenth street around on Sixth avenue, the whole block between Thirteenth and Fourteenth streets, and up to 67 West Thirteenth street (this being the size of the premises occupied by us), for our own exclusive use, and should resist, as far as we are able, any obstruction or infringement upon what we consider our just rights. For the requirements of our business alone it is a vital necessity that the walks should be kept entirely clear; and we have paid the Board of Police, for a number of years, the sum of \$1,200 per annum for a special policeman detailed on our walk for that purpose. We earnestly trust you will look to our welfare in this matter and put your official veto upon any permission ever being given to put any stand or obstruction upon any of our sidewalks.

Very respectfully yours,

R. H. MACY & CO.

R. M. VALENTINE, surviving partner.

R. H. MACY & CO., }
FOURTEENTH STREET AND SIXTH AVENUE, }
NEW YORK, April 26, 1878.

Alderman MORRIS:

DEAR SIR—I notice an item in the CITY RECORD of this date stating that a petition has been presented that some party should be allowed to place a stand upon our walk on Fourteenth street. I most emphatically protest against such a proceeding as being contrary to the rights of a citizen—the law, as I understand it, only permitting a stand on a walk in front of any person's residence with the full permission of the occupant, and we have invariably denied all application for any such stand, and shall resist any such infringement upon our rights as law-abiding and tax-paying citizens to the full extent of our ability. We call upon you as our representative from this district to enter your protest against any such proceeding. We want our entire walk for our own use.

Respectfully yours,

R. H. MACY & CO.

R. M. VALENTINE.

The President pro tem. put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

The President pro tem. laid before the Board the following communication from the Counsel to the Corporation:

LAW DEPARTMENT, }
OFFICE OF THE COUNSEL TO THE CORPORATION, }
NEW YORK, April 23, 1878.

To the Honorable the Common Council:

GENTLEMEN—In compliance with the resolution adopted by your Honorable Body on the 26th, and approved by his Honor the Mayor on the 28th of March ultimo, I have prepared and transmitted to his Honor the Mayor a draft act providing for licensing conductors on street cars in this city, and forbidding the employment of persons as conductors who have not been so licensed, and also a memorial to the Legislature, praying for the passage of said act.

I am, gentlemen, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

Which was referred to the Committee on Law Department.

The President pro tem. laid before the Board the following communication from the Counsel to the Corporation:

LAW DEPARTMENT, }
OFFICE OF THE COUNSEL TO THE CORPORATION, }
NEW YORK, April 22, 1878.

The Honorable the Common Council:

GENTLEMEN—I duly received the following resolution, adopted by your Honorable Body on the 19th of March last, and approved by his Honor the Mayor on the 2d instant:

"Resolved, That the Counsel to the Corporation be and he is hereby requested to report to this Board his opinion if the use by the general government of the Post-office building erected on a por-

tion of the City Hall Park or Common, for any other than post-office and United States Court purposes, does not vitiate the title to the land upon which such building is so erected."

The resolution of the Commissioners of the Sinking Fund, authorizing the sale to the United States of the land referred to in the above resolution, contains, among other things, the following:

"Resolved, That the Commissioners of the Sinking Fund advise that the lower portion of the City Hall Park, as designated on a certain map, which constitutes a portion of the records of the proceedings of said Commissioners, be sold and conveyed to the United States Government, as a site or location for a post-office and court-house, and to be used by the said United States Government for said purposes exclusively, for the sum of five hundred thousand dollars, the conveyance to contain a provision that when the same shall cease to be used for the purposes specified, or for some one of them, the title shall revert to and be reinvested in the Mayor, Aldermen, and Commonalty of the City of New York."

The deed of said land to the United States, executed on behalf of the city, contains, among other covenants and conditions, the following:

"To have and to hold all and singular the above mentioned and described premises, together with the appurtenances, unto the said parties of the second part forever, upon the express condition, however, that the premises above described, and every part and parcel thereof, and any building that may be erected thereon, shall at all times hereafter be used and occupied exclusively as and for a post-office and court-house for the United States of America, and for no other purpose whatever; and upon the further condition that if the said premises shall at any time or times cease to be used for the purposes above limited, or for some one of them, or if the same shall be used for any other purposes than those above specified, the said premises hereby conveyed, and all right, title, estate, and interest therein, shall revert to and be reinvested in the said parties of the first part, their successors or assigns. And the said parties of the first part shall thereupon become the absolute owners of the said premises, and every part thereof, with the appurtenances, and they may then re-enter the said premises, and forever thereafter use, occupy, or alien the said premises, and every part thereof, in the same manner and to the same extent as if these presents had not been executed."

In view of the above-cited provisions of said resolution and deed, it would seem to be clear that the general government has no right to use, for other than post-office and United States Court purposes, any portion of the building erected on that part of the City Hall Park conveyed by the city to the United States, and that the use of said building, or any portion of it, for purposes other than those above mentioned, if authorized or sanctioned by the United States, might impair the title of the general government to the land so conveyed.

I am, gentlemen, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

Which was referred to the Committee on Law Department.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court Jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING
ferries and a lease of the wharf property belonging
to the city, if any, set apart for ferry purposes at each
of said ferries, will be sold at public auction to the highest
bidder, at the office of the Comptroller of the City of New
York, on Thursday, November 8, 1877, at 12 o'clock noon,
for the period of five years from November 1, 1877, except
as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of
One Hundred and Thirtieth street at Third avenue, Har-
lem, with an intermediate landing at or near Eighty-
fourth street, East river.

Ferry from Fulton Market slip, New York City, to
Haven, with an intermediate landing at or near
Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street,
in the City of New York, East river, to South Seventh
street, Brooklyn, Eastern District, together with the bulk-
heads and slips adjacent to and east of the wharf property
at foot of Roosevelt street, East river, owned by the Bridge
Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf
property of each ferry separately, but no bid will be
received unless it includes an offer for both the ferry
franchise and wharf property.

The form of the lease required to be executed by the
highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to
said form of lease, and in case the highest bidder shall
neglect to execute a lease according to said form, for ten
days after said sale, his bid will, at the option of the
Comptroller and the Board of the Department of Docks,
be rejected.

The leases will contain a covenant requiring the lessees
to pay rent quarter-yearly to the Comptroller.

The minimum rate for which the ferry franchise or
license to operate such ferries shall be used or enjoyed has
been appraised and set by the Commissioners of the Sink-
ing Fund at five per cent. per annum upon the gross
receipts for ferriage collected at the New York landing-
place for the ferry as now established from the foot of
Roosevelt street, New York, to South Seventh street,
Brooklyn, and at two and one-half per cent. per annum
upon the gross receipts collected for ferriage for the ferries
from Peck slip, New York, to the foot of One Hundred
and Thirtieth street, Third avenue, Harlem; and from
Fulton Market slip, New York, to Mott Haven, such
percentage to be paid quarter-yearly to the Corporation,
and a covenant will be contained in each lease requiring
the lessees to make and deliver to the Comptroller of the
City of New York, quarter-yearly, a statement in writ-
ing, verified by oath or affirmation of the lessee, or of
such proper officer of the lessee as may be designated by
the Comptroller, of the actual total gross receipts for
ferriage received by such lessee during the preceding
three months, and also, that the lessee shall keep regular
books of account, showing the daily gross receipts of the
ferry lessee, and allow said Comptroller, or any person
designated by him, to examine such books.

The franchise will be put up and knocked down to the
person offering to pay the largest percentage.

All moneys received for the conveyance of passengers,
animals, vehicles, or freight from New York to be col-
lected at the landing place in New York, or, if collected
elsewhere, to be included in the receipts upon which such
percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts
will be entertained.

The successful bidder will be required to pay to the
Collector of City Revenue the sum of fifteen hundred
dollars immediately after the franchise shall have been
struck down to him, as security for the execution and
performance of the lease, such amount to be credited on
the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be re-
quired for the punctual performance by the lessees of the
covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time
of the sale, and in addition to the auctioneer's fees, to pay
to the Department of Docks twenty-five per cent. of the
amount of the annual rent bid for the wharf property, as
security for the execution of the lease, and which twenty-
five per cent. will be applied to the payment of the rent
for such property first accruing under the lease, when
executed, or forfeited if the lessee neglects or refuses to
execute the lease and bond after being duly notified that
the lease is prepared and ready for signature, or, in case
the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf
property quarterly, in advance, in compliance with a
stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if
any, of each ferry will be put up and sold together to the
highest bidder, subject to the condition hereinafter ex-
pressed, and subject also to the right of the Comptroller
and the Board of the Department of Docks to reject any
or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the
interest of the City of New York, is reserved by the
Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.
JOHN KELLY,
Comptroller.
