Whereas, In the belief that competition in the production and supply of illuminating gas would result in a reduction of the price of that indispensable commodity to the people of this city, the Common Council, in the year 1876, passed a resolution, which was approved by the Mayor December 23 of that year, of which the following is a copy:

"Resolved, That permission be and is hereby given to all incorporated gas-light companies to lay gas mains and pipes in the streets, avenues, and public places in this city, for the purpose of supplying gas to the city and its inhabitants, upon such conditions as may be first prescribed and approved of by his Honor the Mayor, the Comptroller, and the Commissioner of Public Works, who are now by law authorized to make provision for lighting the streets of the city;" and

Whereas, The anticipations of the Common Council in this regard were, for a short time, realized, the competition between the Municipal and Knickerbocker Companies, who availed themselves of the provisions of the foregoing resolution, and the older companies resulted in diminishing the cost of gas fully thirty per cent. while the rivalry existed; and

Whereas, Quite recently it has transpired that, by some understanding with the old companies, this rivalry has been destroyed, and a combination or an agreement has been entered into by and between all the companies now supplying illuminating gas to this city, by which the price to the consumer has been increased to the old standard, notwithstanding the fact that by a newly invented process the cost of the production of illuminating gas has been greatly diminished; and further, that discrimination is made in the price of the gas, favored customers being supplied for sixty cents per 1,000 feet, while others are compelled to pay \$2.25 for a like amount of similar illuminating power; and

Whereas, The object sought to be obtained by the Common Council in passing the aforesaid resolution having been frustrated by the action of the companies that availed themselves of its privileges and advantages, in combining if not conspiring to increase the cost of gas, it therefore becomes the imperative duty of the Common Council, in the interest of every householder in this city, to take measures to relieve them from the exactions of this new monopoly; be it therefore, as a preliminary measure,

Resolved, That the officers named in the resolution above quoted, viz.: the Mayor, Comptroller, and Commissioner of Public Works (the Commission for lighting the streets of this city with gas), be and they are hereby requested to transmit to this Board, as soon as convenient, copies of the conditions imposed upon the several gas companies that have laid pipes in the streets of this city, under and by authority of the resolution of December 23, 1876, also a copy of the correspondence, if any, between the said Commission and such companies on the subject of supplying gas to the city and its inhabitants, together with such suggestions or recommendations, pertinent to the question, as they may deem of interest or advantage to the public.

The minutes of the last meeting were read and approved.
The Mayor submitted the following communication from the Commissioners of Docks, which, on motion, was referred to the Comptroller, viz.:

CITY OF NEW YORK—DEPARTMENT OF DOCKS, }
June 2, 1880.

Hon. EDWARD COOPER,
Mayor and Chairman of Board of Commissioners of the Sinking Fund of the City of New York:

SIR—At a meeting of the Board governing this Department, held this date, the following resolution was adopted, to wit:

“Resolved, That the Commissioners of the Sinking Fund, pursuant to the authority vested in them by subdivision 11, of Section 6, Chapter 574, Laws of 1871, be and are hereby respectfully requested to direct the Comptroller of the City of New York to prepare and issue ‘Dock Bonds of the City of New York,’ for the amount of (\$250,000) two hundred and fifty thousand dollars, for the uses and purposes of the Department of Docks.”

Very respectfully, your obedient servant,
EUGENE T. LYNCH, Secretary.

The Mayor submitted the following resolution of the Common Council, viz.:

“Resolved, That a ferry be and is hereby established from Hunter's Point, Long Island, to a point at or near Pavia Avenue, Jersey City, New Jersey, with the right to make intermediate landings at Jewell's Wharf, Brooklyn, Long Island, and at any point on the East river, New York, along the space bounded by Fulton Ferry and Old Slip, and at Communipaw Avenue, Jersey City, New Jersey; and the Commissioners of the Sinking Fund are hereby authorized and directed to sell at public auction, to the highest responsible bidder or bidders, the right to operate the ferry hereby established, on such terms and conditions, and subject to such restrictions and regulations as may be prescribed by said Commissioners.”

Adopted by the Board of Aldermen, May 25, 1880.

Approved by the Mayor, June 8, 1880.

On motion, the resolution was referred to the Comptroller.

The Mayor submitted the following communication from the Board of Police, in relation to the subject of repairs to roof of the Eighteenth Ward Market Building, occupied by the Street Cleaning Department, viz.:

POLICE DEPARTMENT OF THE CITY OF NEW YORK, }
June 8, 1880.

To the Honorable Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Board of Police, held this day, it was

“Resolved, That the Chief Clerk be directed to communicate with the Commissioners of the Sinking Fund, transmitting copies of all correspondence relative to the subject (of repairs to roof of Eighteenth Ward market building), and requesting that the necessary action be taken to complete the repairs.”

In pursuance thereof, I herewith transmit copies of letters, viz.:

Commissioner of Public Works, April 18, 1880, May 24, 1880, and from the President of Board of Police, May 17, 1880.

It is respectfully requested that the Commissioners of the Sinking Fund will pass such resolution as may be necessary to cause the roof of the Eighteenth Ward market building to be properly repaired.

Very respectfully,
WM. H. KIPP, First Dept. Clerk.

[Copies of correspondence filed.]

After a brief discussion of the subject, the Comptroller moved that the communication be referred to the Mayor; and that he be requested to state in reply, that in the opinion of the Commissioners of the Sinking Fund the Board of Police has authority, under the provisions of section 49 of chapter 335 of the Laws of 1873, to make such repairs and to defray the expense from the appropriation for Street Cleaning, and that the rent paid for the premises by the Board of Police to the Commissioners of the Sinking Fund being much less than the fair rental value of the premises, it is incumbent on the Board of Police to keep the premises in repair; which, on motion, was carried.

The Comptroller submitted the following report on the petition of Philip Pfeiffer and Morris Simonsfeld, for a “confirmatory deed,” viz.:

CITY OF NEW YORK—DEPARTMENT OF FINANCE, }
COMPTROLLER'S OFFICE, June 11, 1880.

To the Commissioners of the Sinking Fund:

GENTLEMEN—Herewith I present the petition of Philip Pfeiffer and Morris Simonsfeld for a confirmatory deed of four lots of land on the northerly side of Fifty-fifth street, near Third avenue, sold by the Corporation at public auction May 21, 1866, and designated as lots Nos. 29, 30, 31, and 32 of Plot “1,” on the map of said sale.

The said sale was regular, the terms thereof complied with by the purchasers, and the amount of the purchase price has been paid in full into the City Treasury to the credit of the Sinking Fund for the Redemption of the City Debt. It is alleged that the deed from the Corporation was not signed by the then Mayor of the city.

Respectfully,
JOHN KELLY, Comptroller.

Resolved, That the petition of Philip Pfeiffer and Moses Simonsfeld for a confirmatory deed of four lots of land on Fifty-fifth street, near Third avenue, sold by the Corporation at public auction on May 21, 1866, and designated as lots Nos. 29, 30, 31, and 32 of Plot “1,” on the map of the said sale, be granted, and referred to the Counsel to the Corporation to prepare such deed or deeds as the facts may warrant and require, and that the Mayor and the Clerk of the Common Council be authorized and directed to execute such deed or deeds, when so prepared and approved by him, and that the Comptroller be authorized to deliver the same, when duly executed and recorded in his office, to said petitioners or their attorney.

The report was accepted and the resolution adopted.

The Comptroller submitted a communication from Allan Campbell, dated the 9th instant, and also one from S. C. Williams, Attorney for George Peabody Wetmore, dated the 11th instant, in relation to leasing the building No. 31 Chambers street, by the Corporation of the City of New York, to be occupied for “City Offices.”

[Communications filed.]

After a general discussion of the subject, the Mayor submitted the following resolution, which, on motion, was adopted, viz.:

Resolved, That the matter of leasing No. 31 Chambers street be referred to the Comptroller, to negotiate the terms of a lease for the premises and to report the same to the Commissioners of the Sinking Fund for their action.

The Mayor called attention to the necessity of providing an office immediately for the Board of Assessors, and submitted the following resolution, which, on motion, was adopted, viz.:

Resolved, That the Commissioners of the Sinking Fund respectfully request the Common Council to permit the Board of Assessors to occupy the City Library or a part of the Governor's Room temporarily, until other premises can be obtained for their use, but not longer than September 15th, 1880.

W. H. DIKEMAN, Secretary.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of Friday, the 25th day of June, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Dry Goods, Groceries, etc.," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and in all respects of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment can be obtained at the office of the Department.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable jurors, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
