With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)

#### **AGENCY RULES**

#### HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Adoption of Amendments to Rules Regarding Childhood Lead Poisoning Prevention and Control

NOTICE IS HEREBY GIVEN that, pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development (HPD) by sections 1043 and 1802 of the New York City Charter, Local Law 31 of 2020, and section 27-2090 of the Administrative Code of the City of New York, HPD is adopting amendments to rules regarding childhood lead poisoning prevention and control. A notice of proposed rulemaking was published in the City Record on February 24, 2021. The agency determined that since the rule merely clarifies a previous amendment, a public hearing would serve no public purpose.

#### Statement of Basis and Purpose of Amendments to Rules

The amendments to Chapter 11 of Title 28 of the Rules of the City of New York clarify certain rules promulgated under the New York City Childhood Lead Poisoning Prevention Act of 2003 (Lead Law). The amendments clarify that the requirement to maintain and provide to a subsequent owner an affidavit from a lead inspector or risk assessor who performs testing to comply with Local Law 31 of 2020, applies only to testing that is performed after the effective date of the law--August

New material is underlined. [Deleted material is bracketed]

Section 1. Paragraph (1) of subdivision c of section 11-04 of chapter 11 of title 28 of the rules of the city of New York is amended to read as

(c) (1) An owner shall maintain and transfer to a subsequent owner records of inspections of dwelling units performed pursuant to subdivisions (a) and (b) of this section. Such records shall include the location of such inspection, the results of such inspection for each surface in each room, as specified in subdivisions (a) and (b) of this section, and, for subdivision (b) of this section, <u>for any such inspection</u> that is performed after August 9, 2020, an affidavit from the lead inspector or risk assessor who performed the investigation for the presence of lead-based paint. An owner shall also keep a record of the actions taken as a result of an inspection performed under subdivisions (a) or (b) of this section pursuant to 28 RCNY §\$11-02 or 11-05.

§2. These rules shall take effect immediately and shall be deemed to have been in effect as of August 9, 2020.
