

THE CITY RECORD.

OFFICIAL JOURNAL.

VOL. V.

NEW YORK, FRIDAY, NOVEMBER 30, 1877.

NUMBER 1,360.

LEGISLATIVE DEPARTMENT.

[From the Proceedings of the Board of Aldermen, November 27, 1877.]

COMMUNICATIONS FROM THE DEPARTMENTS AND CORPORATION OFFICERS.

The President laid before the Board the following communication from the Health Department:

HEALTH DEPARTMENT (No. 301 Mott street),
NEW YORK, November 20, 1877.

FRANCIS J. TWOMEY, Esq., Clerk of the Common Council:

SIR—At a meeting of the Board of Health held this day, it was Resolved, That a copy of the report of the Sanitary Superintendent upon the premises (vacant lots used for gardening purposes) Seventy-ninth and Eightieth streets, between Fifth and Madison avenues, be forwarded to the Honorable the Board of Aldermen.

A true copy.

EMMONS CLARK, Secretary.

(Copy.)

IN COMMON COUNCIL.

Whereas, It has been represented to this Board that a nuisance exists on the vacant lots on the southwest corner of Madison avenue and Eightieth street, and southeast corner of Fifth avenue and Eightieth street, in the city of New York; therefore

Resolved, That the Board of Health be and they hereby are requested to investigate the said charge, and if such nuisance exists to abate the same and make a report thereof to the next meeting of this Board of their action in the premises.

Adopted by the Board of Aldermen, November 8, 1877.

A majority of all the members elected voting in favor thereof.

Approved by the Mayor, November 13, 1877.

FRANCIS J. TWOMEY,
Clerk of Common Council.

SANITARY BUREAU, November 20, 1877.

Respectfully Returned.

The premises complained of used as a garden, and the manure used is for gardening purposes. When last inspected no fresh manure had been drawn there for six weeks, and the owner promised to construct manure pits to contain whatever he shall draw there hereafter, which I think will prevent any offense. The small amount of manure now on the premises is old and inoffensive, and will not be disturbed until the weather is colder.

WALTER DE F. DAY, M. D.,
Sanitary Superintendent.

(A true copy.)

EMMONS CLARK, Secretary.

Which was referred to the Committee on Police and Health Departments.

The President laid before the Board the following communication from the Department of Public Works:

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,
NEW YORK, November 22, 1877.

To the Honorable the Board of Aldermen:

GENTLEMEN:—In reply to your resolution, approved October 30th, ult., I transmit herewith a statement showing the number and location of "Extra Lamps," now lighted by the City, in front of churches, schools, and other places, and the cost of lighting the same.

The total number of extra lamps is 789, all of which have been erected under resolutions of the Common Council, and the annual cost of lighting them is \$18,853.56.

I would state that, where there is but one "extra" lamp in front of a church, one of the "regular" lamps, set at regular distances apart, comes in front of such church, so that there are not less than two lamps in front of any church.

Very respectfully,

ALLAN CAMPBELL,
Commissioner of Public Works.

Statement showing the Number and Locations of all "Extra Lamps" in front of Churches, Schools, etc. Burning at the Expense of the City on October 31, 1877, with the Cost of Lighting said Lamps:

JURORS.

NOTICE
IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.
APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambers street entrance.)

GAS COMMISSION.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,
NEW YORK, November 22, 1877.

PROPOSALS FOR LIGHTING THE PUBLIC LAMPS.

PROPOSALS FOR FURNISHING THE GAS OR other Illuminating Material for, and Lighting, Extinguishing, Cleaning, Repairing and Maintaining the Public Lamps (and supplying Gas, etc., for New Lamps when required) on the Streets, Avenues, Piers and Places in the City of New York, under the Department of Public Works, including Riverdale, but not including the Twenty-third Ward and that portion of the Twenty-fourth Ward outside of Riverdale, for the four months from January 1, 1878, to April 30, 1878, both days inclusive.

Proposals for the above, made in accordance with section 73, chapter 335, Laws of 1873, and Revised Ordinances of 1859, chapter 8, article 2, and inclosed in a sealed envelope indorsed "Proposals for furnishing the Illuminating Material, and Lighting and Extinguishing, Cleaning, Repairing and Maintaining the Public Lamps," with the name of the party making the same written thereon, will be received at the office of the Commissioner of Public Works, until 12 o'clock M. of Friday, December 7, 1877, at which place and hour they will be publicly opened and read.

Bidders are requested to state in their proposals their names and places of residence; the names of all persons interested with them; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the above supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one

person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; that he has offered himself as a surety in good faith, and with the intention to execute the bond required by article 2, chapter 8, of the Revised Ordinances of 1859, or organizing the Municipal Government of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the sureties offered to be determined by the Comptroller.

Bidders are requested to state in their proposals the several streets or parts of streets in which they propose to perform the requirements herein contained, and also the illuminating or candle-power of the gas they propose to furnish, when tested at a distance of not less than one mile from the place of manufacture; and bidders proposing to furnish any illuminating material other than coal gas, must state distinctly what kind of material they propose to furnish, and the illuminating power of the burner they propose to use for the same.

Bidders are also required to state the price for which they will furnish the gas or other illuminating material for each lamp, including the lighting, extinguishing, cleaning, repairing, reglazing, and replacing the cocks, tubes, burners, cross-hairs, lamp-irons, and lanterns thereto, for the period from January 1, 1878, to April 30, 1878, both days inclusive; stating the price for the above named period of four months, for each lamp.

Bidders are also required to state a price for which they will repair lamp-posts, including either straightening, relighting, or for each new lamp fitted up, as follows:

For each lamp-post straightened, stating the price per post.

For each column relighted, stating the price per post.

For each lamp-post refitted, stating the price per post.

For each lamp-post reset, stating the price per post.

For each new lamp fitted up, stating the price per post.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

The number of lamps to be contracted for is about eighteen thousand.

The lamps are to burn on an average of one thousand three hundred and eighty-three hours and fifty-five minutes each, during the term.

The burners are to be of a capacity to burn three cubic feet of gas per hour under a pressure of one inch, and in case the illuminating material shall be other than coal-gas, then the burners to be used for such illuminating material shall give a light (by photometrical test), equal to the light given by the gas-burners now in use in the public lamps in the City of New York. Should any alteration of, or any attachment be required to any portion of the lamps for which proposals are made, such alterations shall be done, and attachments placed on the lamps without expense to the city.

The amount of security required is \$25,000, but the same may be reduced at the option of the parties of the first part, if an award for a portion is made warranting a less amount of security.

The award of the contract will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom the contract is so awarded neglect or refuse to accept to contract within forty-eight hours after written notice that the same has been awarded to his bid or proposal, or if he accept but does not execute the contract and give the proper security, it may be re-advertised and let as above provided.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor, Comptroller, and Commissioner of Public Works.

The right is reserved to assign and designate to any bidder the number and location of the lamps in any portion of the city for which proposals are received, and to increase or diminish the numbers.

The right is reserved to determine and designate, after the proposals are opened, what illuminating material shall be used in the public lamps, or any portion of them, during the period above mentioned; also to decline any or all proposals if deemed for the interests of the Corporation; and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

If the proposal of any bidder, proposing to furnish coal-gas or similar material, shall include any lamps with which the pipes or mains of such bidders are not connected at the time of the making of the bid, and a contract for furnishing the gas for and lighting, extinguishing, cleaning, repairing, and maintaining any such lamps, shall be awarded to any such bidder, in that case, thirty days from the date of the execution of such contract, and such further time, not exceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed to such bidder in which to connect such pipes or mains with such lamps.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

Blank forms of proposals, the specifications and agreements, the proper envelopes in which to inclose the bids, and any further information desired can be obtained at the office of the Commissioner of Public Works.

THE FRANCHISES TO RUN THE FOLLOWING
ferries and a lease of the wharf property belonging
to the city, if any, set apart for ferry purposes at each of
said ferries, will be sold at public auction to the highest
bidder, at the office of the Comptroller of the City of New
York, on Thursday, November 8, 1877, at 12 o'clock, noon,
for the period of five years from November 1, 1877, except
as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of
One Hundred and Thirtieth street at Third avenue, Har-
lem, with an intermediate landing at or near Eighty-
fourth street, East river.

Ferry from Fulton Market slip, New York City, to
Mott Haven, with an intermediate landing at or near
Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street,
in the City of New York, East river, to South Seventh
street, Brooklyn, Eastern District, together with the bulk-
heads and slips adjacent to and east of the wharf property
at foot of Roosevelt street, East river, owned by the Bridge
Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf
property of each ferry separately, but no bid will be
received unless it includes an offer for both the ferry
franchise and wharf property.

The form of the lease required to be executed by the
highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to
said form of lease, and in case the highest bidder shall
neglect to execute a lease according to said form, for ten
days after said sale, his bid will, at the option of the
Comptroller and the Board of the Department of Docks,
be rejected.

The lessees will contain a covenant requiring the lessees
to pay rent quarterly to the Comptroller.

The minimum rate for which the ferry franchise or
license to operate such ferries shall be used or enjoyed has
been appraised and set by the Commissioners of the Sinking
Fund at five per cent. per annum upon the gross
receipts for ferriage collected at the New York landing-
place for the ferry as now established from the foot of
Roosevelt street, New York, to South Seventh street,
Brooklyn, and at two and one-half per cent. per annum
upon the gross receipts collected for ferriage for the ferries
from Peck slip, New York, to the foot of One Hundred
and Thirtieth street, Third avenue, Harlem; and from
Fulton Market slip, New York, to Mott Haven, such
percentage to be paid quarterly to the Corporation, and
a covenant will be contained in each lease requiring
the lessees to make and deliver to the Comptroller of the
City of New York, quarterly, a statement in writ-
ing, verified by oath or affirmation of the lessee, or of
such proper officer of the lessee as may be designated by
the Comptroller, of the actual total gross receipts for
ferriage received by such lessee during the preceding
three months, and also, that the lessee shall keep regular
books of account, showing the daily gross receipts of the
ferry leased, and allow said Comptroller, or any person
designated by him, to examine such books.

The franchise will be put up and knocked down to the
person offering to pay the largest percentage.

All moneys received for the conveyance of passengers,
animals, vehicles, or freight from New York to be col-
lected at the landing place in New York, or if collected
elsewhere, to be included in the receipts upon which such
percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts
will be entertained.

The successful bidder will be required to pay to the
Collector of City Revenue the sum of fifteen hundred
dollars immediately after the franchise shall have been
struck down to him, as security for the execution and
performance of the lease, such amount to be credited on
the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be re-
quired for the punctual performance by the lessees of the
covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time
of the sale, and in addition to the auctioneer's fees, to pay
to the Department of Docks twenty-five per cent. of the
amount of the annual rent bid for the wharf property, as
security for the execution of the lease, and which twenty-
five per cent. will be applied to the payment of the rent
for such property first accruing under the lease, when
executed, or forfeited if the lessee neglects or refuses to
execute the lease and bond after being duly notified that
the lease is prepared and ready for signature, or, in case
the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf
property quarterly, in advance, in compliance with a
stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if
any, of each ferry will be put up and sold together to the
highest bidder, subject to the condition hereinafter ex-
pressed, and subject also to the right of the Comptroller
and the Board of the Department of Docks to reject any
or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the
interest of the City of New York, is reserved by the
Commissioners of the Sinking Fund.
