To GEORGE W. MATSELL, Esquire,

Police Department of the City of New York:

SIR—In the matter of the several resolutions of the Board of Aldermen, requesting the Mayor to permit women to sell fruit in the vicinity of Washington and other markets during the holidays, and "to suspend the operations of the ordinance relating to stands on the sidewalks, so as to permit the sale of Christmas greens and poultry," until January first, 1876, and which resolutions have been forwarded to the Board "by direction of the Mayor, who desires that the request made therein may be complied with," and referred to me, I beg to submit that I am respectfully of opinion that nothing in said resolution, or in the communication of his Honor the Mayor contained, changes the legal duties of the Police Department, or of the force, in the premises. Even if it be in the power of any officer or Board of the municipality to suspend the city ordinances, it does not appear from the papers referred to me, and herewith returned, that anything has been done to impair the obligation to obey the ordinances or to lessen the duty of enforcing them.

I am sir, your obedient servant,

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and it unpaid will be entered as judgments upon the property of the delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.
