He then moved that the accompanying papers be printed at length in the CITY RECORD:

Whereas, It is beyond question that the ashes and other refuse material removed from the city by the Police Department in the performance of the work of cleaning the streets can be utilized, greatly to the advantage of this city, if applied to reclaiming the lands under water, and the property of the Corporation, now valueless, but, if so reclaimed, of much present and greater prospective value, at the upper end of Randall's Island and at other places; and

Whereas, The ashes and other refuse material so removed at the expense of our tax-payers is now, and for a long time has been used in reclaiming lands under water owned by private individuals and corporations in neighboring cities, and results in no benefit or advantage to this city, but, on the contrary, occasions great expense in providing boats and other appliances for its removal; be it therefore

Resolved, That the Department of Docks be and is hereby respectfully requested to examine and report to this Board upon the advisability of constructing cribs or bulkheads to the line of water front, as now established by law, around or in front of all that portion of Randall's Island that will admit of reclamation from the surrounding waters, also around or in front of any portion of any other property of the Corporation on any of the other islands in the East river, Harlem river, or Long Island Sound, or arm or branch thereof, in order to provide a place or places for depositing the ashes and other refuse material thus removed inside such cribs or bulkheads, so as to avoid damage to the channel, or injury to the navigation of the waters adjoining.

Which was adopted.

The following communication was received from the Department of Docks:

DEPARTMENT OF DOCKS,  
NEW YORK, April 10, 1873.

Hon. SAMUEL B. H. VANCE,

President of the Board of Aldermen of the City of New York:

SIR—I have the honor to advise that the preamble and resolution adopted by the Board of Aldermen on the 3d instant, having relation to providing places for depositing the ashes and other refuse material removed from the city, was read at meeting of the Board governing this Department, held this day, and by resolution adopted, referred to the Engineer-in-Chief for investigation and report to this Board.

There may be some little delay in the matter, owing to the necessary surveys not being on file in this Department, but all the dispatch possible in the premises will be exercised, and the report transmitted at as early a date as practicable.

Very respectfully, your obedient servant,

EUGENE T. LYNCH, Secretary.

Which was ordered on file.

##### Communications from Departments and Corporation Offices.

The following communication was received from the Department of Docks, inclosing a report of the Engineer-in-Chief in reference to proposed plan for reclaiming lands under water owned by city:

DEPARTMENT OF DOCKS,  
NEW YORK, April 24, 1873.

Hon. SAMUEL B. H. VANCE,

President of the Board of Aldermen of the City of New York:

SIR—Referring to the communication from this office, dated 10th instant, I now have the honor of handing you herewith copy of the report of the Engineer-in-Chief having relation to the preamble and resolution adopted by the Board of Aldermen, on the 3d inst., in regard to places for depositing ashes, etc., removed from the streets of the city, which is transmitted to you in pursuance of a resolution adopted at a meeting of the Board governing this Department, held this day.

Very respectfully, your obedient servant,

EUGENE T. LYNCH, Secretary.

DEPARTMENT OF DOCKS,  
ENGINEERS' BUREAU, 346 and 348 Broadway,  
NEW YORK, April 21, 1873.

EUGENE T. LYNCH, Esq.,

Secretary Board of Commissioners:

DEAR SIR—In compliance with the instructions contained in your letter of the 10th inst., covering a resolution of the Board of Aldermen in regard to the disposition to be made of the ashes, etc., removed from the streets, I have caused an examination to be made of Randall's Island and those adjacent.

I do not see that any harm can come to the channel from filling out these islands to the lines adopted by the Commissioners of 1857, and think that it is to the interests of the city to employ, in this and similar localities, ashes and other good material brought from the streets of this city.

Until in receipt of a large scale map sent from Washington, it will not be in my power to give the exact quantities of material that can be disposed of. It is not necessary to wait for the construction of the bulkhead wall at Randall's Island before depositing material, as quite a considerable amount may be disposed of on the low ground, at the north and south ends of the island, by wheeling from the scows to points where it cannot be washed away.

The filling used on Randall's Island should be of such a nature as not to affect the health of the children collected there. As the construction of the new bulkhead wall around the city proceeds, space will be afforded for the reception of a large amount of ashes, etc. The lines and points for the construction of the bulkhead around Randall's Island can be furnished by this Bureau whenever desired.

Very respectfully, your obedient servant,

GEO. B. MCCLELLAN, Engineer-in-Chief.

Which was ordered on file.

The following was received from the Department of Docks:

*MESSAGES FROM HIS HONOR THE MAYOR.*

The President laid before the Board the following message from his Honor the Mayor:

EXECUTIVE DEPARTMENT—CITY HALL,  
NEW YORK, January 10, 1877.

To the Honorable the Common Council:

GENTLEMEN—I herewith return to you, without my signature or approval, the proposed resolution repealing resolution in relation to lease of premises Nos. 7, 9, and 11 West Thirteenth street.

I find that the lease of the premises at the corner of Seventh street and Hall place, referred to in the preamble to the proposed repealing resolution was never executed, and that, therefore, the city has no right to occupy these premises.

I am also informed by the Comptroller that he has obtained a stipulation from the lessor of the premises Nos. 7, 9, and 11 West Thirteenth street, that if the city leases these premises pursuant to the resolution adopted December 24, 1876, a claim against the city for rent of these premises from May 1, 1876, to January 1, 1877, will be released, thus reducing the actual rental of the premises to about five thousand dollars per annum.

Under these circumstances I see no good reason for repealing the resolution adopted by the late Board of Aldermen, and approved by my immediate predecessor in office, and, therefore, feel constrained to withhold my approval.

SMITH ELY, JR., Mayor.

Whereas, A resolution was passed by the Board of Aldermen, December 21, 1876, providing for the leasing of premises Nos. 7, 9, and 11 West Thirteenth street, for a term of five years, from the first day of January, 1877, at a yearly rental of six thousand dollars, to be used and occupied, when so leased, by the Separate Troop of Cavalry, Captain Karl Klein; and

Whereas, The entire upper part of the building situated on the corner of Seventh street and Hall place, were leased by the city in 1875, for a term of three years, at five thousand dollars per annum, for the use of the Fifty-fifth Regiment, N. G. S. N. Y., which regiment has recently been disbanded, and the said premises are not now occupied, and are in every way adapted for the use and occupation of said troop, and will be a saving to the city of the sum of thirty thousand dollars; therefore be it

Resolved, That the resolution adopted by the Board of Aldermen, December 21, 1876, providing for the leasing of the premises known as numbers 7, 9, and 11 West Thirteenth street, for the use and occupation of the Separate Troop Cavalry, Karl Klein commanding, be and the same is hereby annulled, rescinded, and repealed.

Which was laid on the table, and ordered to be printed in the minutes and published in the CITY RECORD.

*COMMUNICATIONS FROM THE DEPARTMENTS AND CORPORATION OFFICES.*

The President laid before the Board the following communication from the Department of Public Works:

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,  
NEW YORK, January 10, 1877.

To the Honorable the Board of Aldermen:

GENTLEMEN—By your resolution of 1st inst., approved on the 6th inst., I am requested to remove the snow or ice from the stoops, steps, and the sidewalk in front of every public building in this city, and the bridges crossing Fourth Avenue Tunnel, north of Forty-third street, or, if such removal is impracticable, to sprinkle them with some sand or ashes.

With regard to the public buildings under the charge of this Department, your resolution has been and will be strictly complied with, but the Department has no appropriation from which to pay the expense of removing snow or ice from the bridges over the Fourth Avenue rail tracks. These bridges are public highways, and it appears to me that, with regard to cleaning and removal of snow and ice, they are under the jurisdiction and care of the Police Department.

Very respectfully,

ALLAN CAMPBELL, Commissioner of Public Works.

Which was ordered on file.

The President laid before the Board the following communication from the Department of Public Works:

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,

To the Honorable the Board of Aldermen:

GENTLEMEN—I have the honor to acknowledge the receipt of your resolution of 21st ultimo, requesting me to report to you as follows:

First—The number and location of street-lamps ordered to be lighted in the Twenty-third and Twenty-fourth Wards, from the date of their annexation to the present time.

Second—The name of the company or companies that supply that portion of the city with gas.

Third—The amount paid for lighting each lamp, and the authority or agreement under which such company or companies furnish gas to the public.

Fourth—The number of lamps ordered to be lighted in said wards (if any) not yet erected.

I respectfully submit the following report:

First—Since the annexation of the Twenty-third and Twenty-fourth Wards three new street-lamps have been ordered to be lighted in the Twenty-third Ward, and forty-one new lamps in the Twenty-fourth Ward.

Second—Gas is furnished in the Twenty-third Ward by "The Central Gas-light Company," and in the Twenty-fourth Ward by "The Suburban Gas-light Company."

Third—The prices paid for lighting each street-lamp are:

To the Central Gas-light Company, \$45 per annum.

To the Suburban Gas-light Company, \$50 per annum.

The authority or agreements under which these lamps are lighted are contracts made prior to the annexation between the authorities of the respective towns and the gas companies, copies of which are hereto annexed.

Fourth—The number of lamps which have been ordered to be lighted, but have not yet been erected, is twenty-six, all in the Twenty-fourth Ward.

Very respectfully,

ALLAN CAMPBELL,

And it is understood and agreed that, for the consideration aforesaid, the said parties of the second part shall furnish and replace, at their own cost and expense, all the glass, cocks, tubes, and burners which may become broken, worn, or useless, in said lamps or lanterns, during said term, and necessary to keep the same in good order and repair.

And it is further understood and agreed, that said parties of the second part shall, from time to time, extend their pipes, called the mains of the company, in and along all the streets, avenues, and public places, that have been properly graded, of the said town, as and where street-lamps shall hereafter be erected by competent authority, provided that the said parties of the second part shall not be compelled to expend in the laying and extending said mains, as aforesaid, a sum exceeding \$10,000 in any one year of said term.

The President laid before the Board the following communication from the Board of Estimate and Apportionment:

The Comptroller offered for adoption the following preamble and resolution:

Whereas, The objections to, and rectifications of, the provisional estimate for the year 1877, made by the Board of Aldermen, and adopted on November 23, 1876, have been transmitted by the Clerk of said Board to the Board of Estimate and Apportionment, and were presented for the consideration of said objections or rectifications at a meeting of said Board of Estimate and Apportionment, held on December 1, 1876; and

Whereas, After such consideration, the said objections to, and rectifications of, the said provisional estimate made by the Board of Aldermen were overruled by the Board of Estimate and Apportionment on the 30th of December, 1876; therefore,

Resolved, That the "reasons" for such action are as follows:

I.—Because, in the judgment of the Board of Estimate and Apportionment, an increase in the appropriations for the year 1877 of the sum of \$1,096,726.18, made in the provisional estimate as rectified by the Board of Aldermen, is not necessary for conducting the public business of the City and County of New York.

II.—Because the addition of so large an amount to the appropriations for the ensuing year would greatly increase the burden of taxation, which it is desirable shall be relieved as much as possible by reductions in the expenses of the City Government.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, and the President of the Department of Taxes and Assessments—3.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1876.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
