BOARD OF STREET OPENING AND IMPROVEMENT.

The Board of Street Opening and Improvement met at the Mayor's office on Friday, January 3, 1896, at 11 o'clock A. M., pursuant to notice.

The roll was called, and all the members were present and answered to their names.

On motion, the Mayor was re-elected Chairman of the Board, and Mr. V. B. Livingston Secretary.

The minutes of the meeting of December 13, 1895, were read and approved.

In relation to the action taken at the last meeting of the Board, in reference to the assessment for the opening of West One Hundred and Eighty-first street, the following communication was presented and read:

To the Board of Street Opening and Improvement:

The undersigned, representing certain property-owners on the line of the opening of One Hundred and Eighty-first street, respectfully request your Honorable Board to reconsider the resolution passed at your meeting on December 13th, instant.

The grounds of our request, briefly stated, are:

The Supreme Court has appointed Commissioners of Estimate and Assessment, to distribute in proportion to the benefit actually received such total sums as your Board should deem advisable to assess upon the property. They have for some time been acting in the matter, have been many times over the property, and to them may safely be left the determination of the actual relative and just distribution of the amount assessable. The Commissioners of Estimate are required by the statute, as well as by the order appointing them, to make this apportionment according to their best judgment, and it would be an invasion of their duties and powers for any other Board to determine the same for them.

The authority of your Board in the premises is defined in section 970 of the Consolidation Act, as amended by the statute of 1893, as follows:

"That in case of the opening, widening or extension of a public park, street or avenue, or the acquisition of lands for the purposes of a public park, street or avenue, the Board of Street Opening and Improvement shall in such case determine whether any, and if any what proportion, of the costs and expense thereof shall be assessed upon the property deemed to be benefited thereby, and the remainder of such cost and expense shall be borne and paid by the Mayor, Aldermen and Commonalty of the City of New York."

The statute leaves to your Board the determination solely of the total sum to be assessed, and not its distribution over the different properties within the district or area of benefit.

We refer to your own minutes in support of the statement that the action of your Board has, in all such cases, been limited to the ascertainment of what proportion of the expenses of the improvements shall be assessed upon the property deemed to be benefited thereby, and what upon the City at large. No attempt has ever been heretofore made by your Honorable Board to invade the authority of the Commissioners of Estimate and Assessment by newly apportioning the benefits and damages upon the private property affected.

We respectfully suggest that the resolution in question be reconsidered, so far as it fixes an arbitrary line of two hundred and fifty feet from the improvement as the territory which must bear practically its full share of the total expense of an improvement which the action of your Board concedes, as it is the fact, to be one of general public benefit.

Dated N. Y. City, December 16, 1895.

Respectfully submitted,

GEORGE A. MILLER, Attorney for James C. Carter, Estate of John A. Haven and John Haven; JAMES A. DEERING, Attorney for Estate of Hyatt; ISIDOR GRAYHEAD, Attorney for Albert Buchman; CHAS. W. SLOANE, Attorney in Person.

On motion, the communication was referred to the Counsel to the Corporation for his opinion as to the authority of the Board in the matter of the action taken at the last meeting of the Board, referred to in the communication just read.

The following report in relation to the assessment for the widening of Prospect avenue, from Westchester avenue to Boston road, was presented and read:

In the matter of the Prospect avenue improvement.

To the Board of Street Opening:

Your special committee to whom was referred by resolution of July 5, 1895, to investigate the facts with reference to the propriety of imposing the whole or a portion of the expense of widening Prospect avenue, from Westchester avenue to the Boston road or Crotona Park, a distance of 5,100 feet, respectfully report as follows:

First—That Prospect avenue, from the Southern Boulevard to Westchester avenue, has been widened, one-half of the expense being imposed upon the City, under the law as it then existed (which law has since been repealed), and there does not appear to be sufficient reason why the City should bear any of the expense of the alleged improvement.

Second—That the improvement is a local and not a general one.

Third—The Southern Boulevard is 100 feet in width, and Boston road at junction of One Hundred and Sixty-fourth street to Jefferson street is 80 feet in width, and northerly 100 feet in width, and from parkways leading to Crotona Park, and the chain of small parks laid out east of Third avenue in the north side; that Prospect avenue lies between the two, as will more fully appear upon the maps now on file.

Fourth—That the People Traction Company have been granted by the Board of Aldermen a right of franchise through said Prospect avenue, which, to some extent, when completed, would interfere with said avenue being a desirable parkway.

Your committee is therefore of the opinion, and respectfully report, that no part of the expense of widening Prospect avenue should be borne by the City.

New York, January 3, 1896.

JOHN JEROLMAN,

CHARLES H. T. COLLIS, Commissioner of Public Works.

After some discussion of the matter, the Mayor offered the following resolution:

Resolved, That the report relating to the assessment for the widening of Prospect avenue, from Westchester avenue to the Boston road, just read, be and the same is hereby approved of.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, the President of the Board of Aldermen—5.

Negative—The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards—1.

The following communication from the Counsel to the Corporation, in relation to the final report of the Commissioners of Estimate and Assessment for the opening of Prospect avenue, from Westchester avenue to Boston road, was presented and read:

LAW DEPARTMENT—OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, January 2, 1896.

V. B. LIVINGSTON, Esq., Secretary of the Board of Street Opening and Improvement:

SIR—The resolution of your Board, adopted August 4, 1893, requesting me to take legal proceedings to open Prospect avenue, from Westchester avenue to Boston road, determined that the entire cost of the proceedings should be assessed upon the property deemed to be benefited.

The final report of the Commissioners of Estimate and Assessment shows that, by reason of the tax valuations of certain pieces or parcels of land within the area of assessment, the Commissioners of Estimate and Assessment will be unable to assess the entire cost of the proceeding

upon the area which they have determined to be benefited, and that the deficiency by reason thereof will amount to \$31,000.

Please inform me whether you desire to have the proceedings discontinued or the report confirmed as it stands.

Respectfully yours, FRANCIS M. SCOTT, Counsel to the Corporation.

On motion, the Counsel to the Corporation was requested to communicate with the Commissioners of Estimate and Assessment for the opening of Prospect avenue, and request them to so enlarge the area of assessment, that the entire cost of the proceeding may be assessed upon the property deemed to be benefited.

The matter of the proposed closing of a part of West One Hundred and Sixty-fifth street, and the laying out of a new street, was then taken up.

After some discussion, the Comptroller offered the following resolution:

Resolved, That the opinion of the Counsel to the Corporation be requested, as to whether any action is required to be taken by this Board, in relation to any exchange of property, occasioned or necessitated by the closing of a part of West One Hundred and Sixty-fifth street, and the laying out of a new street, as proposed.

Which was adopted by the following vote: Affirmative—The Mayor, the Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, the President of the Board of Aldermen—5.

The following communication from the Counsel to the Corporation, in reply to a request for his opinion as to the authority of the Board in certain matters, was presented and read:

LAW DEPARTMENT, OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, December 26, 1895. V. B. LIVINGSTON, Esq., Secretary of the Board of Street Opening and Improvement: SIR—I have received your communication of December 13, 1895, inclosing a copy of the following resolution, adopted by the Board of Street Opening and Improvement at its meeting held on that day, viz:

“Resolved, That the Counsel to the Corporation be respectfully requested to give this Board his opinion as to whether or not the grades of the Kingsbridge road, in the Twenty-fourth Ward of the City of New York, can be fixed by the Board of Street Opening and Improvement on any other line than such line as may be presented to the said Board by the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards, and such line or lines as shall have been fixed after a hearing duly advertised in accordance with law.”

And requesting my opinion on or before the next meeting of the Board, on December 20, 1895.

In view of the adjournment of the meeting of your Board of December 20 to the 27th of December, 1895, and the fact that the final maps, plans and profiles of the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards, approved and concurred in by your Board, must be filed in the office of the Secretary of State and the other offices designated by law before the first day of January, 1896, it is now immaterial whether your board has power to fix the grades of the Kingsbridge road other than at the elevations proposed by the Commissioner of Street Improvements, as there is no longer sufficient time for the exercise of such power.

Respectfully yours,

FRANCIS M. SCOTT, Counsel to the Corporation.

On motion, the communication was ordered on file.

A communication was presented by Mr. Andrew Powell, on behalf of Mary A. Walker, in relation to certain changes of grade at Morris Heights in the Twenty-fourth Ward.

On motion, the communication was referred to the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards for his report thereon.

The following report from the Commissioner of Public Works, in relation to petitions for the opening of West Fifty-third street, between Eleventh avenue and the Hudson river, and of Mitchell place (East Forty-ninth street), between First avenue and Beekman place, was presented and read:

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, NEW YORK November 20, 1895. To Hon. WILLIAM L. STRONG, Mayor and Chairman, Board of Street Opening and Improvement:

DEAR SIR—In accordance with a resolution of the Board of Street Opening and Improvement, adopted at its meeting on the 8th instant, I beg leave to report on the accompanying petitions for the opening of Fifty-third street, between Eleventh avenue and the Hudson river, and of Mitchell place (East Forty-ninth street), between First avenue and Beekman place:

Fifty-third street, between Tenth and Eleventh avenues, was legally opened and title acquired by the City, July 27, 1883. It was also regulated, curbed and flagged, under an ordinance of the Common Council passed September 2, 1884. An ordinance to pave, etc., would now meet all the requirements of Mr. Suydam's petition.

With regard to the petition for the opening of Mitchell place, I beg to report that the owners of the property on Forty-ninth street laid out a private street thirty-six feet wide and four hundred feet long on the northerly side, between First avenue and Beekman place. The street appears on the tax maps as private property, subject to assessment. By an ordinance of the Common Council dated June 7, 1887, permission was granted to the owners to build a retaining wall encroaching five feet on the street at their own expense. The street, as constructed, is not a public one, and, if accepted by the City, the cost and the expense of the acquisition of the title should be paid by the owners of the abutting property on the northerly side of Forty-ninth street only.

Upon examining the tax books for the year 1895, it is found that the names of the petitioners do not appear as owners. The frontage of Mitchell place is three hundred and fifty feet, and the petition represents only one hundred and eighty feet.

Very respectfully, CHARLES H. T. COLLIS, Deputy Commissioner of Public Works.

The petitions are herewith returned.

The report was ordered on file, and the Secretary was directed to notify the petitioners for the opening of Mitchell place, to be present at the next meeting of the Board, when the matter will be taken up for consideration.

Mr. Olcott appeared before the Board and petitioned that the block between Twentieth and Twenty-first streets, west of Tenth avenue, be taken for a public park.

On motion, the Commissioner of Public Works and the President of the Department of Public Parks were requested to make a personal inspection of the property named, and report to the Board thereon:

The following petitions to open West Fifty-third street, between Eleventh and Twelfth avenues, and West One Hundred and Sixty-seventh street, between Audubon and Amsterdam avenues, were presented, and, on motion were referred to the Commissioner of Public Works for his report thereon:

PROPERTY OWNERS' UNION OF THE CITY OF NEW YORK, No. 78 EAST NINETY-SIXTH STREET, NEW YORK, December 24, 1895. To Hon. Board of Street Opening:

GENTLEMEN—We desire to have Fifty-third street, from Eleventh to Twelfth avenue, opened. This has become necessary, as the present condition is injuring all the property in the vicinity. Please let us hear if we can have this street opened.

Yours respectfully,

H. COW, Secretary.

December 24, 1895. To Board of Street Opening:

Representing the owners of the property on Fifty-third street, on each side, from Eleventh to Twelfth avenue, and as their attorney I herewith respectfully request you to have said street opened, from Eleventh to Twelfth avenue.

Respectfully,

LAMBERT S. QUACKENBUSH.

In the matter of opening One Hundred and Sixty-seventh street, from Audubon avenue to Amsterdam avenue.

To the Board of Street Opening and Improvement:

We, the undersigned, owners of the number of lineal feet of frontage on One Hundred and Sixty-seventh street, between Audubon avenue and Amsterdam avenue, set opposite our names, respectfully petition your Honorable Board for the appointment of Commissioners of Estimate and Assessment to open said street between said avenues.

Dated, NEW YORK, April, 1895.

Patrick Merrigan, 95 lineal feet.

Mary A. Organ, 100 lineal feet.

Martin Bauer, 75 lineal feet.

GROCERIES.

24,000 pounds Rio Coffee, roasted.
No empty packages are to be returned to bidders or contractors, except such as are designated in the specifications.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President, or his duly authorized agent, of said Department and read.

THE BOARD OF PUBLIC CHARITIES FOR INSANE ASYLUMS RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon bond or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or a clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, of the householders or freeholders in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated

damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default of the Corporation, and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities for Insane Asylums will insist upon its absolute enforcement in every particular.

S. C. CROFT, President; JOHN P. FAURE and JAS. R. O'BRIEN, Commissioners, Department of Public Charities.

FIRE DEPARTMENT.

NEW YORK, December 27, 1895.
TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING the materials and labor and doing the work required in making repairs, etc., to the fire-boat "William F. Havemeyer" (Engine Company No. 43) of this De-

partment, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 10 o'clock A. M., Wednesday, January 8, 1896, at which time and place they will be publicly opened by the head of said Department and read.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done bidders are referred to the specifications, which form part of these proposals.

The form of the agreement, with specifications, showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The work is to be completed and delivered within fifteen (15) days after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, each of their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance in the sum of one thousand (\$1,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty (\$50) dollars. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and let as provided by law.
