Design Commission meetings are held in the conference room on the third floor of City Hall, unless otherwise indicated.

All attendees, including members of the public, are encouraged to arrive at least 45 minutes in advance of the estimated time; those who also plan to testify are encouraged to submit their testimony in writing in advance of the meeting date. Please note that all times are approximate and subject to change without notice.

Please note that items on the consent agenda are not presented. If members of the public wish to testify on a consent agenda item, they should contact the Design Commission immediately, so the project can be rescheduled for a formal presentation at the next appropriate public hearing, per standard procedure.

Do you need assistance to participate in the meeting? If you need a reasonable accommodation of a disability, such as a sign language interpreter, at the meeting, please inform the Public Design Commission three business days (72 hours) in advance of the meeting. The Public Design Commission conference room is wheelchair accessible.

Per Local Law Int 0132-2010, meetings are recorded on digital video and posted online.
