Chief Topographical Engineer and Engineer of Concourse.

OFENING PARROGRAT STREET, BROOKEVS.

The following report from the Chief Topographical Engineer was read, and the matter was referred to the Commissioner of Sewers (

CHY OF NEW YORK,
PRESIDENT OF BOARD OF PURED: USPROVEMENTS,
TOPOGRAPHICAL BURDAD,
ONE HENDRAD AND SEVENTY SEVENTY STREET AND THIRD AVENUE,
NEW YORK, Japany 25, 1901.

Mr. Jones H. Moosky, Secretary, Board of Public Improvement.

Mr. John H. Mooney, Secretary, Pearse of Pande Perfection.

Six—In reply to the action taken by the Board of Public Improvements rearring for report a communication from the President of the Borough of Brooklyn, recommending that proceedings be initiated to open Paerdegat avenue, between Flathush avenue and Jamaica Hay, Romagh of Brooklyn, I have to state as fellows:

Faerd gat avenue is not land flown on the Map of The City of New York from Plathush avenue to the line casterly of East Thirty-first street, although this parties a included in the above request. Furthermore, I have to report that the opening of Paerdegat avenue would not only interfere with the sources of the water supply of the Flathush Water Works, but would further tend to whate that supply, because, as I understand it, the opening of Paerdegat avenue was requested for sewer purposes.

requested for sewer purposes.

I recommend, therefore, that no action he taken in the matter of opening Paerdegat avenue, and that this report be referred to the Commissioners of Sewers for low opinion whether the construction of a sewer in Paerdegat avenue is absolutely necessary or not.

Paper returned.

Kespectfully, LOUIS A. RISSE, Chief Topographical Engineer and Engineer of Concourse.

OPENING AVENUE L., BROOKLYN.

The following report from the Unief Topographical Engineer was read, and the matter was referred to the President of the Borough of Brooklyn:

TOPOGRAPHICAL HUREAU, NEW YORK, January 25, 1901,

Mr. Joses H. Mooney, Secretary, Board of Public Improvements:

Six—In reply to the action taken by the Board of Public Improvements referring for report a communication from the President of the Borough of Brooklyn, recommending that proceedings be initiated to open Avenue L. from East Twenty-fourth street to Ocean avenue, Borough of Brooklyn, I have to state as follows:

Avenue I, a light thrown on the Kings Chanty Theor Survey Map. Volume 2; filed in the Regimer's Different Lines County Jane 14, 4874.

There are no facilities on the lami to be arguined.

Avenue I, from that I conferent afront to them. Isomos, has been tested in the City, recorded in legitime's Office, Mingel Lamity, octume 2), Volume 7, page 100, dated December 5, 1988.

The agenting princerellings should therefore read "Avenue I., from Fam Twenty-hoursh stress to first Twenty-hoursh street,"
I recommend that the matter by referenced back in the Local Basics for change of timits.

Respectfully,
LOUIS A. RISSE,
Closer Department of Communities.

DEPARTMENT OF AVAILABILITY, JOHNEY 24, 1901.

More Marrice F. Holanas, Problem, Bound of Public Is a mount

DEAR SIR—I include herewith a rope of a communication from the Corporation Counsel, dated the toth inst., and received at this office on the 21st one, in respinsion on mine of November 24th and 28th uit., concerning a proposed contract between the City and the Plathush Water Works Company for a continuance of hydram service by said company after the expiration of the former contract with the City of Brooklyn, for the year 1000.

Under the provisions of section 47t of the Greater New York Charlet, as amounted by chapter 285 of the Laws of 1900, the accept by resolution of your board to the making of such contract, is required, and I hereby respectfully ask the adoption by the learned of such resolution of autoroval.

A copy of the form or contract as prepared and approved by the Corporation Counsel is berewith also inclosed.

Very respondibly, WILLIAM DALTON, Commissions of Water Supply,

LAW DUCALINEST, OFFICE OF THE CORPORATION COUNSEL, NEW YORK, JAMES 19, 1901.

Hon. William Dalvon, Commissioner of Water Supply 2

Str - A communication from your Department, dated November 24, was received, which

"At a meeting of the Board of Public Improvements, held on the 14th Instant, the inclosed form of contract between the City and the Flathush Water Works Company of Brooklyn, to run from the expiration of the present contract to the time of the completion of the condemnation proceedings to acquire the company's property and plant for the purposes of public water supply in the Borrough of Brooklyn, was submitted, and was referred to use for the purpose of obtaining your opinion thereon.

**Kindly favor me with your opinion at your early convenience in order that I may communicate it to the Board of Public Improvements for in their disposition of the subject."

This communication has been followed by a later one dated November 28, which reads as rollows:

This communication has been followed by a later one disted November 28, which reads as follows:

"Tale seaterday afternoon Mr. Wait, of your Department, had telephone communication with this office in reference to the form of contract between the City and the Flatbush Water Works Company, of Brooklyn, to run from the expiration of the prepert contract, December 31, 1900, to the time of the completion of the condemnation proceedings to acquire the company's property and plant for the purposes of public water supply to the Borough of Brooklyn, which I transmitted to you with my letter of 24th inst., in pursuance of action taken by the Board of Public Improvements at a meeting held on the 14th instant, and recentled on pages 2953 and 2955 of the Minutes of the Board, herewith inclosed.

"Mr. Wait desired further information concerning the proposed contract, especially with reference to the consent of The Mayor and Comptroller, and approval of the terms and conditions of the contract by the Board of Estimate and Apportionment and the Board of Public Improvements, referring in this matter no doubt to the following preambles in the form of contract:

"Whereas, The Commissioner of Water Supply of The City of New York, with the consent of The Mayor and Comptroller, has agreed with the said party of the first part as to the terms and conditions upon which the said party of the first part shall supply water for the purposes aforesaid; and

purposes aforesaid; and

""Whereas, Said terms and conditions and the proposed agreement to supply water were
thereupon submitted to the Board of Estimate and Apportionment and the Board of Pablic
Improvements of The City of New York, who have approved and assented to the same and
authorized this agreement to be made.

"In this matter I desire to say that I have had no direct communication with the Mayor,

the Comptroller, or the Board of Public Improvements concerning this propose a contract, and I know of no action of the Board of Public Improvements on the subsect, except that had at the meeting of 14th Instant.

"There is indirect reference to the subject, however, or my Departmental Estimate for the

Inprovements authorizes the making of a contract for repaying Twenty-fourth areast, from Fourth areast to Sixth avenue, Borough of Brooklya, with a sphalt pasement on construct boundation, and that the contractor be required to give a guarantee of maintenance for ten years. The estimates cost of this improvement is 519,100, to be paid from the appropriation of \$2,000,000, for which the issue of bands was an barked by an influence of the Manicipal Assembly, approved by his Hanor the Mayor December 29, 1900 pursuant to action 48 of the Greater New York Charter.

Very respectfully.

JAMES F. KEATING, Commissioner of Highways.

The following resolution was then adopted:

Resolved, by the Board of Public Improvements, That, in pursuance of section 415 of the Greater New York Charter, the repring with applicit payament on a contrate formation, with a ten years' guarantee of maintenance from the contractor, of the readway of Iwenty fourth over-t, from Foorth avenue to Sixth avenue, Bornogh of Broodlyn, under the oreston of the Commissioner of Highways, be and the same is bereby authorized and approximation of the Commissioner of Highways, be and the same is bereby authorized and approximation of the Sound public work or improvement to be paid on by the issue of lands authorized by the Municipal Assembly December 29, 1500, pursuant to section 48, thepter 378, Lands of 1897.

Afternative—Commissioner of Water capply, Commissioner of Highways, Commissioner of Street Cleaning, Commissioner of Sewers, Commissioner of Bridges and President of the Board, Negative—None.

Negative-Nune.

The following report from the Commissioner of Highways was road, and the matter was referred to the Proodent of the Borough of Richmond;

DEPARTMENT OF HIGHWAYS, January 25, 1951.

How, MADRICK F. HOLMIAN, President, Board of Public Improvements :

DEAR SEE—Referring to a lover dated November 10th, from the Secretary of the Board, with a resolution adapted by the Local Board of the First District, theraugh at the hormon, directing that the didewalk be repaired in front of the premises of Charles Warmsney, smarted on the northerly side of McKeon, between Clark and Patter afters, in the Fourth Ward, florough of Richmond, I begit report that there is no sidewalk, curb or grains at that location, and that a resolution should therefore be passed by the Local Board of the District recommendum; that a cadewalk, curb and gutter be constructed in front of promess described on the fax maps of the Borough of Rachmond as "Richmond, Ward 2, Vol. 1, Fod 4, Lot 17 and 11, "and that a resolution adopted by the Local Board of the First District, B rough of Richmond, October 2, should be resembed.

Trecommend that the resolution be returned to the Local Board for the second for the property for the action begin inclined.

I recommend that the resolution be returned to the Local Board for the action herein indi-

cated.

Very respectfully, JAMES P. KEATING, Commissioner of Highways.

The following reports from the Commissioner of Highways were read and the matters were laid over :

NEW YORK, January 28, 1901.

Hon. MAURICE P. HOLAHAN, Fresident, Board of Public Improvements.

How Maurice P. Holahan, Freident, Board of Public Improvements:

Dear Sir—Under date of December 14 the Secretary of the Board transmitted to this Department, for investigation and report, a resolution adopted by the Local Board of the Ninto-Deirict, Borough of Booklyn, recommending that proceedings he initiated to regulate, grade and pave Atlantic avenue with grante-block pavement, between Dresden street and Cheshout street, Borough of Brooklyn, and to set or reset curb, hy crosswalks, pave gutters and pave side-walks with cement on and street where not already done.

In reply I heg to report that the valimated cost of a grante-block pavement, on and foundation, including the setting or resetting of the curb, laying crosswalks, the paving of gatters and the paving of the sidewalks with cement, as well as one year's maintenance of the pivement, is \$26,000. The assessed value of the real estate within the probable area of assessment is \$442,000. The improvement is necessary and I recommend its authorization.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

DEPARTMENT OF HIGHWAYS—COMMISSIONER'S OFFICE, | Nos. 13 TO 21 PARE KOW, NEW YORK, January 28, 1901.

Hon. MAURICE F. HOLAHAN, President, Board of Public Improvements :

Dear Sir.—Complying with the request conveyed to me by a letter dated December 14, from the Secretary of the Board, I respectfully sometime the following report to the resolution adopted by the Local Board of the Nimb tristrict, librough of Brooklyn, recommending that proceedings be imitiated to regulate and grade Christopher avenue, between East New York avenue and New Lots mad, in the Borough of Brooklyn, and to set or reset curb, pave guiters and to flag or reflag sidewalks on said street where not aboady done.

This is a necessary improvement, and I recommend that it be authorized.

The estimated cost of the work is \$22,900, and the assessed value of the real estate within the probable area of assessment is \$201,400.

the probable area of assessment is \$291,400.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

DEPARTMENT OF HIGHWAYS, January 28, 1901.

Hop. MAURICE F. HOLAHAN, President, Board of Public Improvements:

DEAN SIR—Referring to a communication dated December 14, from the Secretary of the Board, with a resolution adapted by the Linal Board of the Ninth District, Borough of Brooklyn, recommending that proceedings he initiated to regulate, grade and pave with asphalt Christopher avenue, between East New York and Blake avenue, Borough of Brooklyn, and to set or

reset curb and pave sidewalks with cement where not already done. I buy to say that this is a dwirfalde and necessary improvement, and that the estimated cost of the work, including a concrete foundation and five years' maintenance of the asphalt pavement, it \$39,000, the assessed value of the real estate within the probable area if assessment being \$239,500.

I recommend that the impresement be authorized.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

DEFARTMENT OF HIGHWAYS, January 28, 1901.

Hon. MAURICE F., HOLARAN, President, Board of Fublic Improvements

How Markice F. Hollairan, President, Board of Fublic Improvement:

Dean Sit—In response to a communication dated December 14, from the Secretary of the Board, I beg to report as follows on the resolution of actal by the L can Board of the Ni th District, Borough of Breaklyn, directing that the sidewalk appeals Lot No. 94 Blue 172, Twenty-sixel Ward Map, situated on the enthesis side of Everge en avenue, between Schaeffer street and Decame street, he flagged with bluestone flagging, over fee in width.

It is necessary to flag this sidewalk, and the estimated cost of the work is 552, while the assessed value of the real estate within the probable area of assessment is \$1,200.

I recommend that the work be done.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

NEW Vork, January 28, 1901.

Hon. MAURICE F. HOLAHAS. President, Board of Public Improvements :

Data Str.—On December 14, 1900, the Secretary of the Board forwarded to this Department, for investigation and report, a resolution adopted by the Local Board of the Nmih District, Borough of Brooklyn, recommending that proceedings be initiated to regulate and grade Esses street, between Pitkin avenue and New Low road, forwagh of Brooklyn, and to set or reset curb, pave guiters and pive sidewalks with remark on soil street where not already done. I have made an investigation and find that the estimated cost or the proposed improvement is \$13,000, the assessed value of the real coate within the probable area of assessment being \$108,000.

I recommend that the work be authorized.

Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

DEPARTMENT OF HIGHWAYS—COMMONORER'S COVICE, A Nov. 13 to 21 Park Row. New York, January 28, 1901.

Hon. MARRICE F. HOLARAN, President, Board of Public Impresonents:

Data Sta-In compliance with the request o never of one by a fence found December 12, from the Secretary of the fixerd, I begin submit the following report on the resolution ad pred by the Local Board of the North District, florough of the order, recommending that proceedings is infrared to regulate and grade Hermitiak areas, between Jamaic case one and Atlantic wee us, in the Borough of Brooklyn, and to set or root curb and pass grains in and areas observed and areas of the state of the set The estimated cost of this improvement, which is necessary, is \$10,707, and the assessed value of the real estate within the probable were at assessment is \$150,200.

Frecommend that the work he authorized Very respectfully,

JAMES P. KEATING, Commissioner of Highways.

DEPARTMENT OF HISTORIANS, January 28, 1901,

How. Maurice F. Hulanas, Prendent, Board of Public Improvements.
