- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the amendments to Section 8001-01 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding individual private on-site sewage disposal systems.

This rule was first published on November 5, 2018 and a public hearing thereon was held on December 6, 2018.

Dated: 12/19/18 /s/
New York, NY Rick D. Chandler, P.E.
Commissioner

Statement of Basis and Purpose of Rule

The rule amendment clarifies the scope of 1 RCNY § 8001-01(a). The rule currently prohibits the Department of Buildings (DOB) from issuing a permit for an onsite private sewage disposal system in connection with commercial and manufacturing uses that is discharging sewage without the admixture of certain industrial and other wastes and has a daily flow of less than 1,000 gallons per day, unless a permit from the New York State Department of Environmental Conservation (DEC) is presented.

The amendment makes clear that a DEC permit is only required if the sewage contains industrial or other wastes or if the total discharge is 1,000 gallons or more per day.

DOB's authority for this rule is found in Sections 643 and 1043 of the New York City Charter and Section 104.1 of the New York City Plumbing Code.

New material is underlined.
[Deleted material is in brackets.]

Section 1. Subdivision (a) of Section 8001-01 of Chapter 8000 of Title 1 of the Rules of the City of New York is amended to read as follows:

- (a) Applicability and scope. This rule governs the construction and installation of new individual private on-site sewage disposal systems and alteration and maintenance of existing individual private on-site sewage disposal systems. This rule applies to on-site wastewater treatment systems serving residential (one- and two-family) and non-residential (other than one- and two-family) properties receiving less than 1,000 gallons of sewage per day [not mixed with] which does not include industrial wastes or other wastes as defined in the Code of Federal Regulations, the Clean Water Act, the Safe Drinking Water Act, the Insecticide, Fungicide and Rodenticide Act, the Toxic Substances Control Act, the New York State Environmental Conservation Law and the New York Code of Rules and Regulations.

Exception: Pursuant to ECL § 17-0803 and 6 NYCRR 750-1.4, the New York State Department of Environmental Conservation (DEC) has the authority to issue permits for a new or modified disposal system [for a commercial or manufacturing use] discharging any amount of sewage with the presence of such industrial waste or other wastes, or for a residential or non-residential use whose total discharge of sewage is 1,000 gallons or more per day. DOB will not issue a permit to construct and use [a new or modified disposal system for a commercial or manufacturing use discharging any amount of sewage or for a residential use whose total discharge of sewage is 1,000 gallons or

more per day] any such system until a DEC State Pollutant Discharge Elimination System (SPDES) permit is provided to the department.

FINANCE

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rule

What are we proposing? The Department of Finance proposes revision of the rules relating to the partial tax abatement for residential real property held in the cooperative or condominium form of ownership. The current rules provide that a condominium or cooperative apartment is eligible for this partial tax abatement if it is the primary residence of an individual but not if the real property is owned by a corporation, partnership or other entity. This proposed rule amendment will allow for a waiver of this requirement if the applicant demonstrates that there are security concerns that necessitate ownership by a limited liability company (“LLC”), or limited partnership (“LP”) and the applicant also meets other eligibility requirements.

When and where is the hearing? The Department of Finance will hold a public hearing on the proposed rule. The public hearing will take place at 11:00 A.M., on January 29, 2018. The hearing will be in the Department of Finance Hearing Room, at 345 Adams Street, 3rd Floor, Brooklyn, NY 11201.

What authorizes Department of Finance to adopt this rule? New York State Real Property Tax Law Section 467-a and New York City Charter (“Charter”) Section 389(b) and Section 1043 authorize the Department of Finance to adopt this proposed rule.

Where can I find the Department of Finance’s rules? The Department of Finance’s rules can be found in Title 19 of the Rules of the City of New York.

What laws govern the rulemaking process? The Department of Finance must meet the requirements of § 1043 of the Charter when

creating or amending rules. This notice is made according to the requirements of § 1043 of the Charter.

STATEMENT OF BASIS AND PURPOSE

The purpose of this proposed rule amendment is to allow for a waiver of the current requirement that in order to be eligible for a partial tax abatement of real property taxes for qualifying property held in the cooperative or condominium form of ownership, the qualifying property must be owned by an individual. This requirement will be waived if the apartment or its shares are owned by a LLC, or LP and the applicant demonstrates that there are security concerns that necessitate ownership by such an entity.

The enabling legislation for partial tax abatement for residential real property held in the cooperative or condominium form is set forth in Real Property Tax Law Section 467-a, which was originally enacted by Chapter 273 of the Laws of 1996 and as amended by Chapter 4 of the Laws of 2013.

Matter underlined is new. Matter in brackets [] is to be deleted.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

AMENDMENT TO RULES RELATING TO RESIDENTIAL REAL PROPERTY HELD IN THE COOPERATIVE OR CONDOMINIUM FORM OF OWNERSHIP

Section 1. Subdivision (k) of Section 50-02 of Chapter 50 of Title 19 of the Rules of the City of New York is amended to read as follows:

(k) “Owner” means the owner, in whole or in part, of a dwelling unit in real property held in the condominium form of ownership, or a tenant-stockholder of a cooperative apartment corporation who owns, in whole or in part, a dwelling unit, as represented by his or her shares of stock in such cooperative apartment corporation. For purposes of these rules, with respect to any dwelling unit, or the shares representing a dwelling unit, held in trust solely for the benefit of a person or persons who would otherwise be eligible for an abatement, pursuant to these rules were such person or persons the owner or owners of such dwelling unit, such person or persons are each deemed to be an “owner” of the dwelling unit. With respect to any dwelling unit, or the shares representing a dwelling unit, held in trust, the trustee or trustees of the trust are each deemed to be an “owner” of the dwelling unit. The holder or holders of a life estate in a dwelling unit are deemed to be “owner(s)” of the dwelling unit. An “owner” can only be an individual and cannot be a corporation, limited liability company, partnership or other entity, unless a waiver is granted, pursuant to subdivision (d) of Section 50-05 for a limited liability company or limited partnership.

Section 2. Subdivision (d) of Section 50-05 of Chapter 50 of Title 19 of the Rules of the City of New York is relettered as subdivision (e), and a new subdivision (d) is added, to read as follows:

(d) Waiver of requirement that dwelling unit be owned by an individual. (1) A limited liability company or limited partnership may submit an application for a waiver of the requirement that an owner of a dwelling unit must be an individual to be eligible for the abatement. The application will be in a form and format and by a deadline determined by the Commissioner. An applicant will be eligible for a waiver if the application demonstrates that:

- security concerns necessitate ownership by a limited liability company or a limited partnership because disclosure of an individual’s residence could reasonably put the individual in danger; and
- the dwelling unit is not used for commercial purposes; and
- the dwelling unit serves as the primary residence of one or more of the partners or members; and
- the partners or members that reside in the dwelling unit personally pay all of the property taxes and other costs associated with the property’s ownership.

(2) The Commissioner may request additional information if the Commissioner deems such information relevant to the application. Such additional information will be provided within sixty days of the request. The Commissioner may deny an application for a waiver. The Commissioner will inform the applicant of the reasons for the denial in a written notice and advise the applicant that it has the right to appeal the denial. The appeal must be submitted to the Commissioner or his or her designee within 15 business days of the mailing of the notice.

Section 3. Subdivision (c) of Section 50-06 of Chapter 50 of Title 19 of the Rules of the City of New York is amended to read as follows:

(c) Ownership of dwelling unit by entity other than an individual. Notwithstanding any other provision of these rules, for purposes of this Chapter and § 467-a of the Real Property Tax Law, a dwelling unit can be the primary residence only of individuals, and cannot be the primary residence of a corporation, limited liability company, partnership or any other entity unless a waiver is granted, pursuant to subdivision (d) of Section 50-05.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
