STATEMENT FROM MAYOR DE BLASIO ON THE FOURTH OF JULY

“The Fourth of July is a day for family, friends, and fireworks. It is also a day to celebrate the freedoms we have earned through our commitment to the Declaration of Independence that promises life, liberty and the pursuit of happiness to every American. Let us also rejoice in the special knowledge that in this nation each and every one of us is entitled to equal opportunity and equal protection under the law. Happy Fourth of July!”
