REPORT:

That on the 31st day of May, 1894, your Committee held a public hearing in Room 16, City Hall, at which arguments for and against the proposed ordinance were heard.

There appeared in favor of the proposed ordinance, Counselor S. M. Milliken, representing the property-owners and residents on Fifth avenue, and Mr. J. C. Pumpelly, Secretary of the City Improvement Society, who recited that New York should at least have one thoroughfare leading to the Park, which should be reserved for light vehicles, viz.: cabs, carriages, etc.

In opposition thereto appeared J. M. Constable, of Messrs. Arnold, Constable & Co., Mr. R. J. Dean, of Messrs. R. J. Dean & Co., Mr. James Clancy, representing the truck drivers, Mr. Charles Steele, representing the Adams Express Company, Messrs. Ellicott and Nelson, of the Coal Exchange, and Messrs. Ogden, Ledge and Walling, representing property-owners on Madison avenue, who claimed that the stores and buildings on Fifth avenue, south of Forty-second street, are almost entirely given over to business and that the said avenue has virtually ceased to be a residential avenue within those limits; also, that owing to its stone pavement, it was the best thoroughfare for heavy vehicles on that side of the city, and that if the volume of traffic was to be deflected to parallel avenues, it would result in great detriment to owners of vehicles and entail unusual hardship upon horses.

Madison avenue, the nearest easterly thoroughfare, is paved with asphalt pavement. Fourth and Park avenues have a heavy grade. Sixth avenue on the west has surface car tracks and Elevated Railroad pillars, and Eighth avenue is also asphalted.

In addition to the verbal arguments presented by Counselor Milliken, and Secretary Pumpelly of the City Improvement Society, letters urging the adoption of the ordinance have been received from Stern Bros., Hilton, Hughes & Co., Jas. McCreery & Co., Acker, Merrill & Condit, Brewster & Co., H. Clausen & Son Brewing Co., Gilman, Collamore & Co., Sypher & Co., P. & W. Ebling Brewing Co., H. C. Shannon, Manager of "The Langham," T. E. Crimmins, Jacob Ruppert, Wood Gibson, Henry Lettner, Frank Haviland, David Mayer and Nathan Straus.

Letters have also been received from citizens who strenuously oppose the adoption of the ordinance, among whom are Horace Porter, Anson Phelps Stokes, John S. Martin, C. H. Ludington and others.

A petition in opposition to the proposed ordinance, signed by forty residents of Madison avenue, was also received.

Your Committee, after due deliberation and careful consideration of the arguments advanced for and against the proposed ordinance, are of the opinion that the best interests of the people would be subserved by permitting the law to remain as it is.

They therefore report adversely to the proposed ordinance.

JOHN T. OAKLEY, } Committee
WILLIAM H. SCHOTT, } on

MOTIONS AND RESOLUTIONS AGAIN RESUMED.

By Alderman Brown—

Whereas, The death of M. Sadi-Carnot, President of our Sister Republic of France, at the hands of an assassin, has caused profound sorrow throughout the civilized world, whose whole people mourn the loss of an upright citizen, a pure patriot and a sincere lover of his country ; and

Whereas, The amicable relations between the Republic of the United States and France have continued almost uninterruptedly from the dawn of American Independence, the people of the United States must regard the death of President Carnot as a bereavement not confined to one nation ; therefore be it

Resolved, That the Common Council of the City of New York, representing the citizens of the American Metropolis, deeply deplore the untimely death of the patriotic President of the French Republic. His death, at the hands of the enemies of social order, warns the civilized world against the promoters of anarchy. They are a menace to peace and prosperity, against whom the forces of law and order should be united all over the world ; and be it further

Resolved, That we sincerely commiserate with the people of France and of the world in this bereavement ; and be it further

Resolved, That, as a token of our sincere sympathy, the National, State and Municipal flags be displayed on the flag-staffs of the City Hall, at half-staff, on the day of the funeral ; and be it further

Resolved, That, as an additional mark of respect, this Board do now adjourn.

The Vice-President put the question whether the Board would agree with said preamble and resolutions.

Which was decided in the affirmative by a rising vote.

And the Vice-President declared that the Board stood adjourned until Monday, July 2, 1894, at 11 o'clock A. M.

FRIDAY, June 8, 1894, 10.30 o'clock A. M.

The Commission met, pursuant to adjournment.

Present—James M. Varnum (Chairman pro tem.) and Daniel P. Hays, Commissioners.

Of Counsel—James M. Ward, Esq., representing the Corporation Counsel; Thomas S. Bassford, Esq., representing numerous claimants.

The reading of the minutes of the proceedings of the last meeting was dispensed with.

The Commissioners then proceeded to take testimony offered on behalf of the City in the matter of the following claims: No. 60 (Casper Hartmann), No. 61 (George and Mariana A. Hey), No. 62 (Rose A. Everett), No. 64 (John C. Harff), No. 65 (Charles Stumpf), No. 66 (Jacob Blaesser), No. 67 (Bartholomew Stumpf), No. 68 (Casper Duberl), No. 69 (Burnett C. McIntyre), No. 71 (Mary A. Smith), and No. 72 (Joseph Morrell).

The following proceedings were then had:

Commissioner Hays—a question having been raised by some of the counsel for the claimants in the proceedings pending before this Commission as to whether it was necessary for them to refile

claims by reason of the amendment known as chapter 567 of the Laws of 1894, the Commission have considered the question, and they find the law of the State of New York is well settled as follows:

That the effect of an amendment of a statute made by enacting "that the statute is amended so as to read as follows," and then incorporating the changes or additions, with so much of the former statute as is retained, is not that the portions of the amended statute, which are merely copied, without change, are to be considered as having been repealed and again re-enacted, nor that the new provisions or the changed portions should be deemed to have been the law at any time prior to the passage of the amending act. The part which remains unchanged is to be considered as having continued the law from the time of its original enactment, and the new or changed portion to have become law only at or subsequent to the passage of the amendment.

See opinion in Ely and others against Holton, 15 N. Y., 595.

Also matter of estate of Prime, 136 N. Y., 347.

The People against Wilmerding, 136 N. Y., 363.

Mortimer against Chambers, 43 N. Y. State Rep., 365.

The People against the Supervisors of Montgomery, 67 N. Y., 109.

Under the foregoing authorities we do not consider it necessary, under the amendment, for the claimants to file new claims, but we believe and now hold that all those parts of the Act of 1894 which are the same in substance or in words as the Act of 1893 are to be considered as having continued to be the law from the time of the original enactment.

Of course, this ruling applies only to such claims as were filed under the Act of 1893, and which are preserved under the amendment under the Act of 1894.

In order, however, to save any question as to the jurisdiction of the Commissioners to proceed by reason of the enactment contained in the second section of the amending Act of 1894, the Mayor has this day reappointed Daniel Lord, James M. Varnum and Daniel P. Hays Commissioners, pursuant to the provisions of chapter 567 of the Laws of 1894, amending chapter 537 of the Laws of 1893; and Messrs. Varnum and Hays have qualified by filing their oaths, as required by the act.

To avoid any question in the future, the Commissioners now ask the Corporation Counsel and the counsel for the claimants to stipulate upon the record that all testimony and proceedings heretofore taken since the first organization of the Commission under chapter 537 of the Laws of 1893 be considered with the same force and effect as if taken subsequent to the appointment of the Commission under chapter 567 of the Laws of 1894, and that no question be hereafter raised in regard thereto.

The Commission desire to state, however, as their opinion, after carefully examining the act and the authorities upon the question, that their powers continue under the original appointment and that it is unnecessary to refile any claims, the appointment above referred to having been merely made as a matter of precaution.

The Commission then, on motion of Commissioner Hays, adjourned to Monday, June 11, 1894, at 10 o'clock A. M.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope to said Commissioner of Street Cleaning at said office, on or before the day and hour above named, which envelope shall be indorsed with the name and name of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates, if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of seventeen thousand (\$17,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required

for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of eight hundred and fifty (\$850) dollars. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thereupon be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and

when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,
Commissioner of Public Works.
