AGENCY RULES**BUILDINGS****NOTICE****NOTICE OF ADOPTION OF RULE**

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the amendments to Section 103-04 of Chapter 100 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding façade inspections.

This rule was first published on December 11, 2012, and a public hearing thereon was held on January 10, 2013.

Dated: 4/10/13 /s/
New York, New York Robert D. LiMandri
Commissioner

STATEMENT OF BASIS AND PURPOSE

The following rule amendments are promulgated pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter and Article 302 of Title 28 of the New York City Administrative Code. Article 302 requires inspection, maintenance, repair and reporting of the conditions of exterior walls (façades).

With these amendments to the rule regarding the periodic inspection of facades of buildings greater than 6 stories, the Department is addressing some administrative issues that are not covered in the current requirements. The amendments:

- Delete the prohibition on designating the condition of an air conditioner as Safe with a Repair and Maintenance Program (SWARMP). These automatic "unsafe" designations were being applied to the entire building even where the only issue was a minor air conditioner defect. This deletion will allow air conditioner conditions to be designated as SWARMP.
- Add a requirement that the Qualified Exterior Wall Inspector (QEWI) must inspect the structural soundness and connections of the balcony enclosures even if a report for cycle seven, which runs from February 21, 2010, to February 20, 2015, has been filed for the building. A recent balcony accident highlighted that many balcony railings are uninspected and may be unsafe. With this rule, the Department specifically requires all owners to check periodically the adequacy and structural integrity of all of their balcony railings. This new provision in no way affects the existing requirement to check periodically the adequacy of all aspects of the façade and its appurtenances.
- Clarify that if the QEWI does not file a report within 60 days of a critical examination, a new examination is required. This will ensure the information on the report is recent and accurate.
- Allow the Department to charge a new, separate

filing fee that owners must pay to the Department's Facade Unit. If the Department has rejected a facade inspection report twice previously, the Department will review it completely upon the third resubmission. The fee covers the administrative cost of that third review of the report.

- Fix some minor citation issues.

"Shall and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. The definition of filed report in subdivision (a) of section 103-04 of Title 1 of the Rules of the City of New York is amended to read as follows:

Filed report. A report shall be deemed filed with the Department when it has been received by the Department. The filed report shall be completed in accordance with the provisions of paragraph (3) of subdivision (b) of this section.

§2. Subparagraph (iii) of paragraph (2) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York is amended to read as follows:

(iii) The QEWI shall design an inspection program for the specific building to be inspected, which shall include, but not be limited to, the methods to be employed in the examination. The inspection program shall be based on considerations of the type of construction of the building's envelope, age of the material components, the facade's specific exposure to environmental conditions and the presence of specific details and appurtenances. Consideration shall be given to the facade's history of maintenance and repairs as described in previous reports and submittals to the department.

Except as provided in subparagraph (viii) of paragraph (2) of this subdivision [b of this section], the QEWI need not be physically present at the location when the examination is made. Architects, engineers, tradesmen and technicians, working under the QEWI's direct supervision, may be delegated to perform selected inspection tasks only when they are employees or subcontractors of the QEWI.

§3. Subparagraph (ii) of paragraph (3) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York is amended to read as follows:

(ii) Technical information in the report shall adhere to and follow the sequence and the labeling of the report requirements as listed in [paragraph] subparagraph (iii) of this [subdivision] paragraph, and shall be provided on such forms and in such format as the Department shall require. Additional information may be provided. All letters (A-[P] O) shall be listed in the report. If a requirement is not applicable, this shall be indicated on the report under the relevant letter.

§4. Clause (G) of subparagraph (iii) of paragraph (3) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York is amended to read as follows:

- (G) A description and classification of each significant condition observed, including:
- 1.] deterioration and any movement detected[;] and
 - 2.] the apparent water-tightness of the exterior surfaces.

[Each condition shall be classified as safe, unsafe or SWARMP. If the building is classified as "safe," all conditions noted during examination that require monitoring and/or routine maintenance, including, but not limited to, minor rusting at ground floor exit door, caulking exterior joints and repair of flashing at cant strip shall be included. If the building is classified as "SWARMP" or unsafe, the report shall include the locations and descriptions of all SWARMP or unsafe conditions.]

The [observation shall] description must also include [the condition of the] a list of all exterior appurtenances, including and their condition. Appurtenances include, but are not limited to, exterior fixtures, flagpoles, signs, parapets, railings, copings, guard rails, window frames (including hardware and lights), balcony enclosures, window guards, window air conditioners, flower boxes and any equipment attached to or protruding from the facade. [The condition of window air conditioners may not be designated as SWARMP.]

Each condition must be classified as safe, unsafe or SWARMP. If the building is classified as unsafe or SWARMP, the report must include the locations and descriptions of all unsafe or SWARMP conditions.

Balcony railings must be inspected to ensure that their components (balusters, intermediate railings and panel fillers) are positively secured against upward movement (e.g. by welds, bolts or screws). If any balcony enclosure is found not to be positively secured, the condition is classified as unsafe and must be made safe pursuant to the requirements of paragraph (5) of subdivision (b) of this section. In the event a cycle seven report has already been filed with the Department pursuant to paragraph (4) of this subdivision, a separate report regarding the condition of the balcony enclosures must be filed within cycle seven.

§5. Clauses (A), (B) and (C) of subparagraph (iii) of paragraph (4) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York are amended to read as follows:

(B) eighteen months for buildings that meet the requirements of item (B) of [clause] subparagraph (v) of this paragraph and

(C) twelve months for buildings that meet the requirements of item (C) of [clause] subparagraph (v) of this paragraph.

§6. Clauses (A) and (B) of subparagraph (vii) of paragraph (4) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York are amended to read as follows:

(A) The report shall be filed five years from the date the first Temporary Certificate of Occupancy or Certificate of Occupancy was issued, if that five year date falls within the applicable filing window according to the last digit of the building's block number as provided in [clause] subparagraph (v) or (vi) of this paragraph; or

(B) If five years from the date the first Temporary Certificate of Occupancy or Certificate of Occupancy was issued falls outside the applicable filing window according to the last digit of the building's block number as provided in [clause] subparagraph (v) or (vi) of this paragraph, then the initial report shall be filed within the applicable two-year filing window for the next five-year cycle.

§7. Subparagraphs (viii) and (ix) of paragraph (4) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York are amended to read as follows:

(viii) If contiguous zoning lots under single ownership or management contain multiple buildings that are considered one complex where at least two buildings of more than six stories in height fall into different filing windows as described above in items (A), (B) and (C) of [clauses] subparagraphs (v) and (vi) of this paragraph, the owner or management shall choose one of the following report filing options:

(ix) A report shall be filed within sixty (60) days of the date on which the QEWI completed the critical examination (final inspection date), as defined in subparagraph (viii) of paragraph (2) of subdivision (b) of this section, but not more than one (1) year after completion of the close-up inspection. If the report is not acceptable and is rejected by the Department, a revised report shall be filed within forty-five (45) days of the date of the Department's rejection. Failure to submit a revised report addressing the Department's objections within one (1) year of the initial filing shall require a new critical examination, including a new close-up inspection. Failure to file a report within sixty (60) days of the completed critical examination requires a new critical examination.

§8. Subparagraphs (x) and (xi) of paragraph (4) of subdivision (b) of section 103-04 of Title 1 of the Rules of the City of New York are renumbered subparagraphs xii and xiii, and new subparagraphs x and xi are added, to read as follows:

(x) A report may not be filed more than one (1) year after completion of the close-up inspection.

(xi) If the report is not acceptable and is rejected by the Department, a revised report must be filed within forty-five (45) days of the date of the Department's rejection. If the report is not acceptable after two (2) rejections, a new initial filing fee as specified in the rules of the department is required. Failure to submit a revised report addressing the Department's objections within one (1) year of the initial filing requires a new critical examination, including a new close-up inspection.

§9. Subparagraph (iii) of paragraph (5) of subdivision (b) of section 103-04 is amended to read as follows:

(iii) Within two weeks after repairs to correct the unsafe condition have been completed, the QEWI shall inspect the premises. The QEWI shall obtain permit sign-offs as appropriate and shall promptly file with the Department a detailed amended report stating the revised report status of the building, along with a filing fee as specified in the rules of the Department. If the report is not acceptable and is rejected by the Department, a revised report must be filed within forty-five (45) days of the date of the Department's rejection. If the report is not acceptable after two (2) rejections, a new amended filing fee as specified in the rules of the department is required. Sheds or other protective measures shall remain in place until an amended report is accepted; however, the QEWI may request permission for the removal of the shed upon submission of a signed and sealed statement certifying that an inspection was conducted, the conditions were corrected and the shed is no longer required. Permission to remove the shed may be granted in the Commissioner's sole discretion.

§10. The concluding sentence of subparagraph (iv) of paragraph (5) of subdivision (b) of section 103-04 is amended to read as follows:

Note: Financial considerations shall not be accepted as a reason for granting an extension.

§11. The concluding sentence of subparagraph (v) of paragraph (5) of subdivision (b) of section 103-04 is amended to read as follows:

Note: Financial considerations shall not be accepted as a reason for granting an extension.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
