NYC Sanitation Announces Collection Schedule for Election Day and Veterans Day 2022

(Editor's Note: In short, no collection on Election Day, and regular collection on Veterans Day)

In an effort to offer efficient service and keep the City, clean, safe and healthy, and due to the rare calendar anomaly of two federal holidays falling within the same week, the NYC Department of Sanitation has announced modifications to its collection schedule for the week containing Election Day and Veterans Day.

Election Day:

The New York City Department of Sanitation announced that in observance of Election Day, Tuesday, November 8, 2022, there will be **NO** trash, curbside composting nor recycling collection on the holiday.

- Residents who normally receive **Tuesday trash or curbside composting collection** may place their material at the curb between 4 p.m. and midnight Tuesday evening, for collection beginning Wednesday. However, residents should expect collection delays, as is common after holidays. We appreciate patience as we work to collect the backlog of material.
- Residents who normally receive **Tuesday recycling collection** should hold their material, and place their items out at curbside between 4 p.m. and midnight on Monday, November 14 for pickup on Tuesday, November 15.

Veterans Day:

The New York City Department of Sanitation announced that there **will be** trash, curbside composting and recycling collection on Veterans Day, Friday, November 11, 2022.

- Residents who normally receive **Friday trash, curbside composting or recycling collection** may place their material at the curb between 4 p.m. and midnight Thursday evening, for collection beginning Friday. Residents may experience collection delays, as is common after holidays. We appreciate patience as we work to collect the material.

About the New York City Department of Sanitation

The Department of Sanitation (DSNY) keeps New York City healthy, safe and clean by collecting, recycling and disposing of waste, cleaning streets and vacant lots, and clearing snow and ice. The Department operates 59 district garages and manages a fleet of more than 2,000 rear-loading collection trucks, 450 mechanical brooms and 705 salt spreaders. The Department clears litter, snow and ice from approximately 6,500 miles of City streets and removes debris from vacant lots as well as abandoned vehicles from City streets. The Department runs a portfolio of programs and facilities to help New Yorkers more sustainably manage waste.
