MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, January 24, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 20, 1891, providing that an improved iron drinking-fountain be placed in First avenue, near the northwest corner of Eighty-third street, on the ground that the Commissioner of Public Works reports that there are now similar fountains located on First avenue at Seventy-fifth street and at Eighty-seventh, and that this fountain is unnecessary.

HUGH J. GRANT, Mayor.

Resolved, That an improved iron drinking-fountain be placed in First avenue, near the northwest corner of Eighty-third street, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, January 24, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 24, 1891, which provides for the lighting of Cauldwell avenue, between One Hundred and Sixty-fifth and One Hundred and Sixty-sixth streets.

The Commissioner of Public Works reports that this part of Cauldwell avenue is not yet legally opened. The city can, therefore, incur no expenditure for its improvement in placing public lamps or otherwise.

HUGH J. GRANT, Mayor.

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps placed thereon and lighted in Cauldwell avenue, between One Hundred and Sixty-fifth and One Hundred and Sixty-sixth streets, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, January 24, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 20, 1891, to regulate, grade, etc., Ogden avenue, from Jerome avenue to Orchard street, on the ground that the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reports that Ogden avenue is not open according to law, and the resolution if adopted would be inoperative.

HUGH J. GRANT, Mayor.

Resolved, That Ogden avenue, from Jerome avenue to Orchard street, be regulated and graded, the curb-stones set and the sidewalks flagged a space four feet wide through the centre thereof, under the direction of the Commissioner of Street Improvements, Twenty-third and Twenty-fourth Wards ; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, January 24, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 20, 1891, providing that an improved iron drinking-fountain be placed on the sidewalk, near the curb, on Brook avenue, east side, twenty-five feet south of One Hundred and Forty-sixth street, on the ground that the Commissioner of Public Works reports that the traffic over Brook avenue does not seem to be heavy enough to warrant the expense of erecting the fountain.

HUGH J. GRANT, Mayor.

Resolved, That an improved iron drinking-fountain, for man and beast, be placed on the sidewalk, near the curb, on Brook avenue, east side, twenty-five feet south of One Hundred and Forty-sixth street, under the direction of the Commissioner of Public Works.

MAYOR'S OFFICE, NEW YORK, January 24, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 20, 1891, providing that the drinking-hydrant now in front of No. 1849 Washington avenue be removed to No. 1859 Washington avenue, on the ground that the Commissioner of Public Works reports that the present location of this hydrant is a good one and that no reason appears why the city should be at the expense of its removal so short a distance.

HUGH J. GRANT, Mayor.

Resolved, That the drinking-hydrant now in front of No. 1849 Washington avenue be removed to No. 1859 Washington avenue, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, January 20, 1891.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted January 13, 1891, permitting the erection and maintenance of a stand for the sale of newspapers at No. 106 Park place.

Following is the report from the Commissioner of Public Works on this resolution, viz. :

"The stand has already been built and placed on the sidewalk within the stoop-line, but measures nineteen feet in length and five feet in width, and, from appearances, is to be used as a restaurant, thus making it illegal."

HUGH J. GRANT, Mayor.

Resolved, That permission be and the same is hereby given to Edward Dredger to place and keep a stand for the sale of newspapers in front of No. 106 Park place, provided such stand shall be within the stoop-line and shall not exceed four feet wide by six feet long, the work to be done at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January , 1891.

To the Board of Estimate and Apportionment :

GENTLEMEN—At a meeting of the Aqueduct Commission, held December 17, 1890, it was agreed to abandon a proposed new roadway across Pocantico river, about half a mile in length, and lying to the west of the New Aqueduct, in the Town of Mt. Pleasant, at what is known as "Cut 8," subject to the approval of the Board of Estimate and Apportionment. The new road and bridge were to have been constructed at the expense of the City ; whereas, it now appears that the town authorities are willing to accept \$1,800 in lieu of the new road, for which they will rebuild and maintain forever the old road and bridge and adjoining highways on city property. In the opinion of the Chief Engineer of the New Aqueduct, and of the special counsel having charge of these matters, it is a wise settlement, as the new road and bridge were estimated to cost \$5,000. This matter having been referred to me by your Honorable Board, an investigation leads me to concur in this opinion.

Herewith please find a preamble and resolution which I offer for your action.

Respectfully,

THEO. W. MYERS, Comptroller.

—and offered the following preamble and resolution :

Whereas, The Aqueduct Commission have passed a resolution to allow and pay the Town of Mt. Pleasant the sum of one thousand eight hundred dollars to rebuild the old bridge at Cut 8, and the adjoining highways on city property, and maintain them forever, and have requested the Board of Estimate and Apportionment to concur in such action ; therefore,

Resolved, That the Board of Estimate and Apportionment does hereby concur in the resolution of the Aqueduct Commission to pay to the Town of Mount Pleasant the sum of one thousand eight hundred dollars to rebuild the old bridge at Cut 8, and the adjoining highways, and maintain them forever.

Which were adopted by the following vote :

Affirmative—The Mayor, Comptroller, and President of the Department of Taxes and Assessments—3.

The Comptroller presented the following :

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January 23, 1891.

To the Board of Estimate and Apportionment :

In the matter of the statement of General D. E. Sickles, late Sheriff, submitted to this Board January 14, 1891, and referred to the Comptroller, I have the honor to report the result of an examination made by the First Auditor of Accounts under my direction :

Section 22 of chapter 523, Laws of 1890, provides that the Sheriff shall submit a report in writing, etc.

"And if it shall appear by said report that the total amount of money received by said Sheriff for fees during his term of office has not been sufficient to allow him compensation at the rate of twenty-five thousand dollars per year, and to pay all necessary expenses of his office, including

twelve deputy sheriffs at the rate of twenty-five hundred dollars per year each, and twelve assistants to said deputies, at the rate of one thousand dollars per year each, and Counsel to the Sheriff at the rate of six thousand dollars per year, then the said Board of Estimate and Apportionment is hereby authorized and directed to transfer any unexpended balances existing of any appropriation made for the present or any previous fiscal year, for the payment of such deficiency and to apply and appropriate the same to the payment thereof, etc."

From an examination made under the provision of law above cited, it appears that the expenditures and liabilities of the office from March 31, 1890, to December 31, 1890, have been as follows :

Expenditures allowed—

Salary of Sheriff, March 31, 1890, to December 31, 1890, at rate of \$25,000 per annum.....	\$18,817 20
Salaries of under sheriffs, deputies and others employed in Sheriff's Office, March 31, 1890, to December 31, 1890.....	54,016 57
Incidental expenses of office and of County Jail.....	11,043 41
	\$83,877 18

Receipts of Sheriff for March 31, 1890, to December 31, 1890—

Received from the Mayor, Aldermen and Commonalty of the City of New York on vouchers furnished to the Comptroller.....	\$32,880 67
From office fees.....	17,412 43
Due to Sheriff from United States for support of United States prisoners in County Jail, October 1, 1890, to December 31, 1890.....	1,451 25
From poundage, etc.....	11,362 92
	63,107 27

Deficiency to be provided for..... \$20,769 91

Resolution submitted for action of the Board.

Respectfully,

THEO. W. MYERS, Comptroller.

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January 23, 1891.

Hon. THEO. W. MYERS, Comptroller :

SIR—I would respectfully report that in accordance with your request I have made examination of the account of receipts and disbursements of the late Sheriff, Hon. D. E. Sickles, during his term of office, from March 31, 1890, to December 31, 1890, with reference to the requirements of sections 21 and 22, chapter 523, Laws 1890, and I find, after a careful examination of the records of the Sheriff's office, verified in part by the records of the Finance Department, that in the language of said act, the fees received by said Sheriff during his term of office are not "sufficient to allow him compensation at the rate of twenty-five thousand dollars per year and to pay all necessary expenses of his office," etc., the amount of the deficiency more fully appearing from the detailed statement hereinafter made.

Before giving such details I desire to call your attention to the fact that in the statement of fees received by the Sheriff, I have included those received from the United States Government, for the support of United States prisoners in the County Jail, as well as those received from the Mayor, Aldermen and Commonalty of the City of New York, for the support of prisoners in said jail. I apprehend that under the broad language of said chapter 523, Laws of 1890, said fees are chargeable to the Sheriff in the adjustment provided for by section 22 of said act. Said matter is respectfully submitted for your consideration.

I desire also to call your attention to the fact that in the account, as presented by the Sheriff, he has charged himself with the same item twice, under the heads of "fees" and "poundage," the item so charged being for "poundage," etc., month of October, 1890, and amounting to \$1,659.42. Said error has been corrected in the appended statement.

I would also respectfully call your attention to the fact that there are many cases in the Sheriff's hands now pending and undetermined, and that the amount of poundage, etc., to which the Mayor, Aldermen and Commonalty will be entitled, cannot be determined until collections in such cases shall have been made.

I find that among the items of necessary expenses of the Sheriff's office there has been included an item of \$2,450 for office furniture, etc., purchased by the late Sheriff from ex-Sheriff Flack. Believing that said item is a proper one to be so included, the same appears in the statement of expenses of the Sheriff's office, although I have not had the time to make any detailed examination as to the question of value ; the late Sheriff, however, having stated that said furniture, etc., was appraised by two experts before the purchase of the same. The matter is respectfully submitted for your consideration.

I find that the following amounts are chargeable as receipts of the late Sheriff from March 31, 1890, to December 31, 1890 :

Received from the Mayor, Aldermen and Commonalty of the City of New York on vouchers furnished to the Comptroller.....	\$32,880 67
From official fees.....	17,412 43
Due to Sheriff from United States for support of U. S. prisoners in the County Jail from October 1 to December 31, 1890.....	1,451 25
From poundage, etc.....	11,362 92
	\$63,107 27

Additional poundage (not yet collected).

And I also find as proper items of disbursement to be allowed the following :

Salary of Sheriff, March 31 to December 31, 1890, at rate of \$25,000 per annum.....	\$18,817 20
Salaries of Under Sheriff, Deputies and others employed in Sheriff's office, March 31 to December 31, 1890.....	54,016 57
Incidental expenses of office and expenses of County Jail.....	11,043 41
	\$83,877 18

Total disbursements.....	\$83,877 18
Total receipts.....	63,107 27

Deficiency to be provided for..... \$20,769 91

Very respectfully,

WILLIAM J. LYON, First Auditor of Accounts.

—and offered the following preamble and resolutions :

Whereas, The late Sheriff, Daniel E. Sickles, of the City and County of New York, has submitted a report in writing, duly verified, to the Board of Estimate and Apportionment of the receipts and disbursements of his office, which report was, on January 20, 1891, referred to the Comptroller for examination and report thereon ; and,

Whereas, It appears upon examination of said report that the sum of twenty thousand seven hundred and sixty-nine dollars and ninety-one cents (\$20,769.91) is a balance justly due said Sheriff of the said City and County of New York ; and,

Whereas, Section 22 of chapter 523 of the Laws of 1890 provides as follows :

"And if it shall appear by said report that the total amount of money received by said Sheriff for fees during his term of office has not been sufficient to allow him compensation at the rate of twenty-five thousand dollars per year and to pay all necessary expenses of his office, including twelve Deputy Sheriffs at the rate of twenty-five hundred dollars per year each, and twelve Assistants to said Deputies at the rate of one thousand dollars per year each, and Counsel to the Sheriff at the rate of six thousand dollars per year, then the said Board of Estimate and Apportionment is hereby authorized and directed to transfer any unexpended balances existing of any appropriation made for the present, or any previous fiscal year, for the payment of such deficiency, and to apply and appropriate the same to the payment thereof ;" therefore,

Resolved, That the sum of twenty thousand seven hundred and sixty-nine dollars and ninety-one cents (\$20,769.91) be and the same is hereby transferred from the following appropriations, which are in excess of the amounts required for the purposes thereof, to wit :

"Support of Prisoners in the County Jail," 1890.....	\$2,165 69
"Judgments," 1889.....	18,604 22
	\$20,769 91

to the appropriation entitled "Sheriff's Fees," 1890, which is insufficient for the purposes thereof, to pay Daniel E. Sickles, late Sheriff of the City and County of New York, the amount found to be due him, subject to the approval of and audit of the Finance Department.

Resolved, That the Comptroller, upon the payment and adjustment of the claim of Daniel E. Sickles, late Sheriff, be authorized to make the necessary arrangements with the said late Sheriff for the payment into the City Treasury of the poundage accruing on unsettled proceedings in his hands and not included in the foregoing settlement.

Which were adopted by the following vote :

Affirmative—The Mayor, Comptroller, and President of the Department of Taxes and Assessments—3.

The Comptroller presented the following:

—will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 10 o'clock A. M. of Wednesday, February 4, 1891. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Dry Goods," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; and the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of

the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise, must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Dated NEW YORK, January 23, 1891.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

DEPARTMENT OF PUBLIC WORKS,

COMMISSIONER'S OFFICE,

No. 31 CHAMBERS STREET,

NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number, of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereupon liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assess-

ment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,

Commissioner of Public Works.
