Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, July 17, 1895, at 3 o'clock P.M.

Present—Commissioners Duane, Tucker, Cannon and Green.
The Committee of Finance and Audit reported their examination and audit of bills contained in Vouchers Nos. 10401 to 10413, inclusive, amounting to \$885.84, and of estimates contained in Vouchers Nos. 10414 and 10415, amounting to \$18,234.49.
On motion of Commissioner Tucker, the same were approved and ordered certified to the

The Construction or Executive Committee presented the following communication, received from the Chief Engineer

To the Honorable the Committee on Construction:

GENTLEMEN—I submitted to you informally on July 2, two bids presented to me for the filling of certain cellar holes in Titicus Reservoir, and you requested me to communicate with the Civil Service Board in order to ascertain whether it was against the rules of their Department to pay for labor when the same includes the furnishing of superintendence, tools, etc.

I communicated with Secretary Lee Phillips, who answers as follows:

"NEW YORK, July 12, 1895.

"A. FTELEY, Esq., Chief Engineer, Aqueduct Commission:
"DEAR SIR—I have the honor to advise you that at a meeting of the Civil Service Commissioners, held on June 10, your inquiry as to the propriety of employing a contractor to fill the old cellars and other excavations about Reservoir 'M,' the work to be done by day's labor, was submitted to the Board, and I was directed to say that, in the opinion of this Board, there can be no objection to having the work done in the manner suggested, it being in the nature of a contract, and

the names of the Laborers not appearing upon the city pay-toll.

"Yours, very respectfully,

(Signed.)

"LEE PHILLIPS, Secretary and Executive Officer."

As you authorized me to order the work done in case the method of letting was not objected to by the Civil Service Commissioners, I have directed the Division Engineer to give the work to the lowest bidder, Mr. Oscar Miersch, of Purdy's Station, N. Y.

The bide received are as follows:

The bids received are as follows:

	OSCAR MIERSCH.	OSCAR McBride.
For each Laborer of every class, including use of tools, and all expenses of whatever kind, for each day of 10 hours' actual work	\$1 05	\$1 70
kind connected therewith, for each day of 10 hour's actual work	4 00	4 00

I am, respectfully, A. FTELEY, Chief Engineer.

A. FTELEY, Chief Engineer.

And recommended the adoption of the following resolution:
Resolved, That the action of the Chief Engineer in ordering the work required to be done for the filling of certain cellar holes in Titicus Reservoir by Oscar Miersch, of Purdy's Station, New York, the lowest bidder, at the prices named in his bid, be and hereby is approved.

The same was adopted by the following vote:
Affirmative—Commissioners Duane, Tucker, Cannon, and Green—4.
A communication was received from the Secretary reporting that the sum of \$369.33 had been received by him from Division Engineer Wegmann, being amount of rents collected at Katonah and Croton Falls, New York, for the month of July, 1895, on buildings owned by the City of New York and under the control of the Aqueduct Commissioners, and stating that said amount had been transmitted by him to the City Chamberlain for the credit of the "Additional Water Fund," and his receipt therefor was on file.
On motion of Commissioner Green, the action of the Secretary was approved.
On motion of Commissioner Cannon, the consideration of the bids received at the last meeting for building the Jerome Park Reservoir, near Kingsbridge, in the Twenty-fourth Ward of the City of New York, was postponed to the next stated meeting of the Commissioners.

The Commissioners then adjourned.

EDWARD L. ALLEN, Secretary.

Bidders will be required to state in their proposals ONE PRICE OR LUMP SUM for which they will execute the ENTIRE WORK.

The time allowed to complete the whole work will be THREE HUNDRED AND FIFTY DAYS, and the damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for the completion thereof has expired, are fixed at FIFTY DOLLARS per day.

The amount of the security required is SEVENTY-FIVE THOUSAND DOLLARS.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and relea of residence of each of the persons making the

nead of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereot, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the sent in writing.

Each bid or estimate shall be accompanied by the con-sent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that it he shall omit or re-fuse to execute the same, they will pay to the Corpora-tion any difference between the sum to which he would its faithful performance; and that it he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which he Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section any of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must nor be inclosed in the sealed envelope con-

taining the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City so to do, and to readvertise until satisfactory bids or proposals shall be received. REPAIRING AND PAINTING SHED ON PIER.

1. Labor and materials for making the necessary repairs to the Shed, including the removal of old materials, and handling and putting on all the new material, and furnishing all Nails and Fastenings necessary or proper for the purpose, as set forth in the specifications.

2. Labor and material for Painting and Glazing the Shed and exterior of the Offices, and supplying all the Paints, Oils, Varnishes, Glass, Putty and material of every description necessary therefor, as set forth in the specifications.

3. Labor of removing from the premises all of the old material taken from the Shed.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the

accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for each class of the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

of the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work to be done under the contract is to be tully completed on or before the 14th day of October, 1895, and the damages to be paid by the contract of or each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, determined, fixed and liquidated at Fitty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done in each class, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work comprised in all the classes, and whose estimate is regular in all respects.

All the old material taken from the pier or shed to be repaired under this contract will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing each class of the work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested w

than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done, in each class, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or treeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surely and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless

sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such clieck or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract sawarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, assurety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

WORK OF CONSTRUCTION UNDER NEW PLAN.

TO CONTRACTORS. (No. 509.)

PROPOSALS FOR ESTIMATES FOR FURNISH-ABOUT 8,000 BARRELS OF PORTLAND CEMENT.

ESTIMATES FOR FURNISHING ABOUT 8,000 barrels of Portland Cement will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 12 o'clock M. of TUESDAY, JULY 30, 1895, at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at

said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Seven Thousand Dollars.

The cement required under the contract must be "Portland" cement, fully up to the standard of the best brands imported, and average at least 400 pounds gross weight to the barrel.

The quantity to be delivered under this contract is about 8,000 barrels.

It is estimated that about 5,000 barrels of this cement will be required to be quick-setting, and that about 3,000 barrels will be slow-setting; and it is further estimated that the deliveries will be required to be made so that about 600 barrels per week, more or less, will be furnished in each week.

It is expected that about 3,000 barrels will be required to be delivered at West Fifty-seventh Street Yard, and that about 5,000 barrels will be required to be delivered at East Twenty-fourth Street Yard.

The contract is to be fully completed and to terminate on the 1st day of March, 1896.

The damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the respective times specified for the fulfillment thereof may have expired, Sundays and holldays not to be excepted, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

The empty barrels will be reliquished to the contractor, as provided for in the specifications, and bidders must estimate the value of the empty barrels when considering the price for which they will furnish the cement under the contract.

Bidders will state in their estimates a price for each barrel of cement to be furnished, in conformity with the approved form of agreement and the specifications therein set forth, by which prices the bi

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for furnishing this material.

in figures, the amount of their estimates for intrinsing this material.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York and inference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation in writing, of each of the person signing the same, that he is a househ
