"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Sections 1043, 2603(a), 2603(c)(4), and 2604(b) (5) of the City Charter, that the Conflicts of Interest Board has adopted Board Rules amending its rules governing the acceptance of gifts by public servants.

The proposed Rules were published in the *City Record* on January 31, 2020, and a public hearing was held on March 6, 2020. One comment was received. The Conflicts of Interest Board now adopts the following Rules.

Statement of Basis and Purpose

In accordance with the mandate of City Charter § 2603(c)(4) for the Board to review all its advisory opinions and initiate rulemaking to adopt those with "interpretative value in construing provisions" of Chapter 68, the Board has been reviewing the 29 advisory opinions it has issued concerning public servants' acceptance of gifts. In connection with this comprehensive review, the Board amends Board Rules § 1-01(h), the exception to the "Valuable Gifts Rule" that permits a public servant to accept a gift of travel-related expenses for official City travel. Of the Board's 29 advisory opinions regarding gifts, nine relate, at least in part, to the acceptance of gifts of travel-related expenses for official City travel. These nine opinions are the subject of this rulemaking: Advisory Opinion ("A.O.") Nos. 1990-3; 1992-10; 1992-19; 1992-23; 1999-4; 2006-5; 2011-2; 2016-1; 2018-1.

City Charter § 2604(b)(5) and Board Rules § 1-01 provide that public servants are prohibited from accepting gifts of \$50.00 or more from any firm that the public servant knows is or intends to become engaged in business dealings with the City. Additionally, City Charter § 2604(b)(3) prohibits public servants from using their City position to obtain any financial gain or other private or personal advantage.

The Board has consistently advised public servants that gifts given because of the public servant's City position constitute a private or personal advantage and that their acceptance of such gifts would violate City Charter § 2604(b)(3). See A.O. No. 1990-3 (advising that receipt of a gift of travel to an elected official from a firm with no current City business, absent a clear City purpose, may give rise to an appearance that the gift was made to lobby or solicit the goodwill of the elected official); A.O. No. 1991-4 (advising that an elected official could not accept an honorarium for giving a speech, offered by a firm which at the time of the speech had not had City business dealings but subsequently acquired extensive City business, to avoid creating the appearance that the honorarium had been offered as a quid pro quo in return for the firm's getting City business); A.O. No. 1992-10 (advising that, in the absence of a government purpose for accepting a trip to a resort, an elected official's acceptance of the trip could create the appearance that he has received a valuable gift solely because of his official position and the acceptance of the gift was therefore prohibited); A.O. No. 1992-23 (advising that an elected official could not accept two free tickets from a common carrier for travel to a destination outside of the State of New York because the official's acceptance of the tickets would create the appearance that he received a gift because of his official position); A.O. No. 1994-12 (advising that a public servant could not accept a ceremonial sword presented to him as a personal gift from a restaurant and entertainment center located outside of the City after he participated in a ribbon cutting ceremony as a representative of the City because it would create the appearance that the public servant used his official position for private gain); A.O. No. 2000-4 (advising that it would violate Section 2604(b)(3) for members of an elected official's staff to solicit access to purchase or receive tickets that are limited or to which they are provided special access because of their public office).

The previous version of Board Rules § 1-01(h)—first promulgated in 1990—provided that gifts of travel-related expenses may be accepted as gifts to the City if (1) the trip is for a City purpose and therefore could properly be paid for with City funds; (2) the travel arrangements are appropriate to that purpose; and (3) the trip is no longer than reasonably necessary to accomplish the business that is its purpose. This exception allowed public servants to attend meetings and conferences that, if the City were required to use its own funds, they might be unable to attend. These amendments to Board Rules § 1-01(h) refine the standard for a public servant's acceptance of travel-related expenses from a third party by adding factors to be analyzed and codifying advice provided to public servants in its series of relevant advisory opinions.

In Board Rules § 1-01(h)(1), the Board retains the three requirements of the previous version of Board Rules § 1-01(h) and adds two additional requirements. First, the public servant must receive prior written approval from his or her agency head upon the presentation of a detailed itinerary. While previous Board Rules § 1-01(h) merely recommended that the public servant obtain written agency head approval in advance to avoid an appearance of impropriety, the Board has consistently advised public servants to seek such approval to provide much needed oversight. See A.O. No. 2011-2 (advising that in order to review a request to accept the gift of travel expenses the Board expects to receive a detailed itinerary of the trip); A.O. No. 1992-19 (advising the Acting Director of the Mayor's Office of Film, Theater and Broadcasting that she could accept the gift of travel-expenses to the Cannes International Film Festival because the trip had a City purpose of promoting film production in the City and had been approved in writing by the Deputy Mayor). Second, any solicitation of travel-related expenses must be made in compliance with the rules governing official fundraising, codified at Board Rules § 1-14. This means that a public servant may solicit an entity to pay for travel undertaken by that agency's employees, or himself or herself, even if that entity has business dealings with that City agency, provided that: (1) the entity receiving the solicitation does not have a particular matter pending before the soliciting public servant; and (2) donations from that entity to the City agency, including payment of travel-related expenses, cumulatively amounting to \$5,000 or more in any calendar year are reported in the manner required by Board Rules § 1-14.

In Board Rules § 1-01(h)(2), the Board codifies the advice provided to an elected official in A.O. No. 2016-1 that the official could not accept a gift of travel-related expenses for the portion of time spent during the trip on political activity. Just as an elected official could not spend City funds to travel to attend a political event, so too would an elected official be prohibited from using funds accepted as a gift to the City to fund his or her political activities. Costs for mixed-purpose travel must be allocated between its governmental and political purposes, and the official may accept payment only for the cost allocated to the governmental purposes. See A.O. No. 2016-1 at 6. For example, if an elected official spends eight hours on governmental activity on a particular trip, with two other hours devoted to political activity, the official could accept payment from a third party for only 80% of the cost of the total travel expenses associated with the trip. *Id.* As it did in A.O. No. 2016-1, the Board continues to limit this provision to elected officials, recognizing elected officials' broader responsibilities, distinct from those of non-elected public servants, and the fact that those responsibilities are rarely limited by the traditional City workday.

Board Rules § 1-01(h)(3) codifies the Board's longstanding informal advice that a public servant who accepts a gift of travel-related expenses for governmental business may use his or her accrued leave and personal funds for personal travel before or after the City trip. Board Rules § 1-01(h)(4) and 1-01(h)(5) codify advice provided in A.O. No. 2018-1 that a public servant was permitted to accept vouchers offered by an airline for food, accommodations, and ground transportation in connection with delayed City travel but was not permitted to accept additional compensation. Here, the Board expands its prior advice to encompass all forms of travel, not just airline. In Board Rules § 1-01(h)(6), the Board codifies advice provided in A.O. No. 2006-5 permitting public servants to accrue frequent flyer miles during City travel provided that they do not choose travel arrangements designed to inflate the public servant's frequent flyer benefits at additional expense to the City.

New material is underlined.

Section 1. Section 1-01(h) of Chapter 1 of Title 53 of the Rules of the City of New York is REPEALED and a new subdivision (h) of such section is added to read as follows:

(h) Travel and Travel-Related Expenses

- (1) For the purposes of Charter § 2604(b)(3) and Charter § 2604(b)(5), a public servant may accept travel-related expenses from a third party as a gift to the City provided that the following conditions are met:
 - i. the trip is for a City purpose and therefore could properly be paid for with City funds;
 - ii. the travel arrangements are appropriate to that purpose;
 - iii. the trip is no longer than reasonably necessary to accomplish the governmental business which is its City purpose;
 - iv. the public servant received agency head approval in advance upon presenting such agency head with a detailed itinerary which reflects the trip's City purpose; and
 - v. all solicitation for and reporting of travel-related expenses are made in accordance with Board Rules § 1-14.
