OFFICE OF THE MAYOR

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT -DISASTER RECOVERY NATIONAL DISASTER RESILIENCE COMPETITION -PHASE 1 NOTICE OF PROPOSED APPLICATION AND RESCHEDULED PUBLIC HEARING

TO RESIDENTS, BUSINESS OWNERS, GROUPS, COMMUNITY BOARDS AND AGENCIES:

New York City (the City) is participating in the U.S. Department of Housing and Urban Development's (HUD) National Disaster Resilience Competition (NDRC). NDRC will competitively award nearly \$1 billion in HUD CDBG-Disaster Recovery funds to 67 eligible communities nationwide. The competition will help communities recover from prior disasters (declared in 2011, 2012, and 2013), and improve their ability to withstand and recover more quickly from future disasters, hazards, stresses and shocks. The Mayor's Office of Recovery and Resiliency (ORR) is leading the application process for the City for funds relating to the presidentially-declared disaster of Hurricane Sandy in 2012.

The Competition's application is divided into two phases. In this first phase, the City describes its unmet resiliency needs stemming from Hurricane Sandy. For its application, the City drew substantial content from its resiliency plan, A Stronger, More Resilient New York. During the process of creating that document, released in June 2013, the City engaged with residents, business owners, elected officials and other stakeholders to identify risks and vulnerabilities in communities throughout the five boroughs. The City also drew from ongoing analyses and engagement in resiliency projects throughout the City. If HUD accepts the City's first phase application and allows it to move to the second application phase, the City will identify specific projects for which it seeks funds. There will also be a second Public Comment Period and Public Hearing at a later date as part of Phase 2.

The comment period on the proposed Phase 1 National Disaster Resilience Competition application will begin on March 2, 2015 at 12:00 A.M. (EST). Comments must be received no later than March 16, 2015 at 11:59 P.M. (EST). The proposed Phase 1 National Disaster Resilience Competition application and the public commenting forms are available at http://www.nyc.gov/cdbg. Individuals will be able to read the application and comment on the amendment in English, Spanish, Russian and Chinese (simplified). The online materials will also be accessible for the visually impaired.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.'

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- · Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD)

AGENCY RULES

ENVIRONMENTAL CONTROL BOARD

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance with Sections 1049-a and 1043 of the New York City Charter and Chapter 14 of Title 17 of the Administrative Code. The ECB has amended its Department of Buildings (DOB) Penalty Schedule. The DOB Penalty Schedule is found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. It contains penalties for notices of violation issued by the New York City DOB. The rule was published in The City Record on November 25, 2014 and a public hearing was held on December 29, 2014. This rule supersedes the final rule published on February 6, 2015.

Statement of Basis and Purpose of Final Rule

The New York City Environmental Control Board has modified the ECB Buildings Penalty Schedule to enforce Local Law 141 of 2013 (LL 141), also known as the 2014 NYC Construction Code update.

The ECB held a public hearing on December 29, 2014 regarding amendments to its Department of Buildings Penalty Schedule found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Two representatives from the NYC Department of Transportation ("DOT") attended the December 29, 2014 Public Hearing that also addressed an ECB proposed rule concerning amendments to ECB's DOT Penalty Schedule. Neither written comments nor oral testimony were presented at the December 29, 2014 public hearing concerning the Proposed Rule regarding amendments to ECB's DOB Penalty Schedule.

LL 141, effective December 31, 2014, amends the Administrative Code of the City of New York, the New York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code and brings these codes up to date with the 2009 editions of the International Building, Mechanical, Fuel Gas and Plumbing Codes.

LL 141 amended some requirements, added new requirements and renumbered existing sections of these codes. The penalty schedule is amended to reflect these changes. The rule amends the penalty schedule by:

- updating sections of the Administrative Code,
- updating descriptions to the table of classifications,
- deleting some existing violations that no longer apply or could be combined with existing descriptions, and
- adding new violations and their classifications.

Penalty amounts for all existing infractions remain unchanged. All penalties fall within the guidelines for all classes of violations, as stated in Section 28-202.1. The statutory maximum for each class of violation is:

Class 3 -\$500,

Class 2 - \$10,000, and

Class 1 - \$25,000.

New violations that are not immediately hazardous (Class 1) are indicated as curable in the penalty schedule.

[Deleted material is in brackets.] New material is underlined.

- § 1. The Environmental Control Board has amended the Headnotes to the DOB Penalty Schedule for Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York by adding new paragraphs 9.) and 10.) to read as follows:
 - 9.) References to the 2008 code pertain to the New York City
 Construction Codes effective on July 1, 2008 and any applicable

Concept Paper on Transportation Services Program

The Department for the Aging (DFTA) invites comments on its concept for transportation services program. This concept paper is a precursor to the Department's forthcoming Transportation Services Program Request for Proposals (RFP). This concept paper highlights some of the defined and developing parameters, expectations and standards of the Transportation Services Program funded by DFTA. DFTA plans to take into strong consideration the feedback, suggestions and comments offered by the community when crafting the planned Transportation Services Program RFP. This is an opportunity for the public to comment on program elements, catchment areas, and structures that will best enable DFTA and its partner organizations to play a role in addressing the transportation needs of older adults in New York City. Comments are invited by no later than 5:00 P.M. on April 16, 2015. Details of the concept paper are posted on the DFTA's website at www.nyc.gov/aging.
