## **Article VIII - Special Purpose Districts**

Chapter 1

**Special Midtown District** 

#### 81-70 SPECIAL REGULATIONS FOR THEATER SUBDISTRICT \* \* \*

#### 81-744

## Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed theater" shall mean a theater designated as listed pursuant to Section 81-742 (Listed theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed theater" and comprised of those block and lot numbers specified for such theater pursuant to the table in Section 81-742, as such block and lots existed on January 12, 1998. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the receiving site.

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions), as provided in this Section. When establishing or adjusting the "floor price", the City Planning Commission shall consider an appraisal study conducted by qualified professionals utilizing industry best practices. The City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act no more than once over three years and no less than once over five years more than once every three years and no less than once every five years.

#### Transfer of development rights by certification (a)

The Chairperson of the City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- the maximum amount of #floor area# transferred from a (1)"granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or attributed to the "granting site" that has been previously used or transferred;
- each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or (2)#enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor (3)area ratio# established pursuant to Section 81-211 for such 'receiving site" by more than 20 percent;
- the provisions of Section 81-743 (Required assurances for (4)continuance of legitimate theater use) are met; and
- (5)appropriate legal documents are executed and recorded and that, thereafter, and prior to certification, ensuring that a contribution in an amount equal to ten dollars\* per square foot of transferred #floor area# be deposited in the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions) at the earlier of either the time of closing on the transfer of development rights pursuant to this Section or the filing for any building permit for any #development# or #enlargement# that anticipates using such development rights. Such contribution shall be equal to the greater of:
  - twenty percent of the sales price of the transferred #floor <u>(i)</u> area#; or
  - an amount equal to 20 percent of the "floor price" <u>(ii)</u> multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount no more than once every three years and no less than once every five years and shall adjust the amount to reflect any change in assessed value of all properties on #zoning lots# wholly within the Theater Subdistrict.

## (b) Transfer of development rights by authorization

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any "granting site," or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, subject to the following conditions:

- (1) the maximum amount of such additional #floor area# transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- (2) such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#:

- (i) relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and air in the area; and
- (ii) serves to enhance or reinforce the general purposes of the Theater Subdistrict.

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The <u>Chairperson of the City Planning</u> Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

(c) Requirements for Application

An application filed with the Chairperson of the City Planning Commission for the transfer of development rights by certification pursuant to Paragraph (a) of this Section, or with the City Planning Commission for the transfer of development rights by authorization pursuant to Paragraph (b) of this Section, shall be made jointly by the owners of the "granting site" and the "receiving site" and shall include:

- a site plan and #floor area# zoning calculations for the "granting site" and the "receiving site", for certifications, documentation acceptable to the Chairperson indicating the sales price of the transferred floor area; and, for authorizations and/or special permit applications, any such other information as may be required by the City Planning Commission;
- (2) a copy of the transfer instrument legally sufficient in both form and content to effect such a transfer, together with a notice of the restrictions limiting further #development# or #enlargement# of the "granting site" and the "receiving site." ## 81-744 Transfer of development rights from listed theaters

For the purposes of the Theater Subdistrict:

A "listed theater" shall mean a theater designated as listed pursuant to Section 81-742 (Listed theaters).

A "granting site" shall mean either a #zoning lot# or that portion of a #zoning lot# occupied by a "listed theater" and comprised of those block and lot numbers specified for such theater pursuant to the table in Section 81-742, as such block and lots existed on January 12, 1998. However, a "granting site" shall not include any #zoning lot# occupied by a "listed theater" located within the geographical area covered by the 42nd Street Development Land Use Improvement Project, adopted by the New York State Urban Development Project in 1984, as such Project has and may be subsequently amended.

A "receiving site" shall mean a #zoning lot# or the portion of a #zoning lot# located within the Theater Subdistrict to which development rights of the "granting site" are transferred. However, no portion of a "receiving site" shall be located within the 42nd Street Development Project Area. In addition, for #zoning lots# containing "listed theaters," that portion of the #zoning lot# occupied by the "listed theater" and comprised of the block and lot numbers specified for such theater, pursuant to the table in Section 81-742, shall not be included in the "receiving site."

Any "receiving site" divided by a district boundary or Theater Subdistrict Core boundary may locate #bulk# in accordance with the provisions of Section 81-746 (Additional provisions for zoning lots divided by district or subdistrict core boundaries).

The "floor price" is a value per square foot of transferable development rights in the Theater Subdistrict, which shall provide a basis for establishing a minimum contribution to the Theater Subdistrict Fund established pursuant to Paragraph (i) of Section 81-741 (General provisions), as provided in this Section. As of (date of enactment) the "floor price" is equal to \$347 per square foot. When establishing or adjusting the "floor price", the City Planning Commission shall initiate an appraisal study conducted by qualified professionals utilizing industry best practices. The City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act no more than once every three years and no less than once every five years.

An applicant for transferable development rights, upon written request to the City Planning Commission, may ask for an appraisal study to determine any recent changes in market conditions within the Subdistrict. The appraisal study must be paid for by the applicant and completed within a one-year timeframe. The Department of City Planning shall initiate the appraisal study conducted by qualified professionals utilizing industry best practices and the City Planning Commission shall, by rule, review and adjust this amount pursuant to the City Administrative Procedure Act.

### (a) Transfer of development rights by certification

The <u>Chairperson of the</u> City Planning Commission shall allow, by certification, a transfer of development rights from a "granting site" to a "receiving site," except that any "granting site," or portion thereof, located outside the Theater Subdistrict, may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, provided that:

- (1) the maximum amount of #floor area# transferred from a "granting site" is the basic maximum #floor area ratio# established pursuant to Sections 81-211 (Maximum floor area ratio for non-residential or mixed buildings) or 81-213 (Special provisions for transfer of development rights from listed theaters within the Special Clinton District), as applicable, for such "granting site" as if it were undeveloped, less the total #floor area# of all existing #buildings# or portions of #buildings# on the "granting site" and #floor area# attributed to the "granting site" that has been previously used or transferred;
- (2) each transfer, once completed, irrevocably reduces the amount of #floor area# that may be #developed# or #enlarged# on the #zoning lot# containing the "granting site" by the amount of #floor area# transferred;
- (3) the maximum amount of #floor area# transferred to a "receiving site" shall not exceed the basic maximum #floor area ratio# established pursuant to Section 81-211 for such "receiving site" by more than 20 percent;
- (4) the provisions of Section 81-743 (Required assurances for continuance of legitimate theater use) are met; and

using such development rights. Such contribution shall be equal to the greater of:

- (i) twenty percent of the sales price of the transferred #floor area#; or
- (ii) an amount equal to 20 percent of the "floor price" multiplied by the amount of transferred #floor area#.

The City Planning Commission shall review such amount nomore than once every three years and no less than once every five years and shall adjust the amount to reflect any changein assessed value of all properties on #zoning lots# whollywithin the Theater Subdistrict.

## (b) Transfer of development rights by authorization

The City Planning Commission shall allow, by authorization, an additional transfer of development rights beyond the amount of #floor area# transfer permitted by certification in paragraph (a) of this Section from a "granting site" to any portion of a "receiving site" located within the Eighth Avenue Corridor, except that any "granting site," or portion thereof, located outside the Theater Subdistrict may not transfer development rights to any portion of a "receiving site" within the Special Clinton District, subject to the following conditions:

- (1) the maximum amount of such additional #floor area# transfer to that portion of a "receiving site" located within such Corridor shall not exceed the maximum total #floor area ratio# with as-of-right #floor area# allowances in the Theater Subdistrict set forth in Section 81-211 by more than 20 percent; and
- (2) such transfer complies with the conditions and limitations set forth for the transfer of development rights in paragraph (a) of this Section.

In order to grant such authorization, the City Planning Commission shall find that such #development# or #enlargement#:

- (i) relates harmoniously to all structures and #open space# in its vicinity in terms of scale, location and access to light and air in the area; and
- (ii) serves to enhance or reinforce the general purposes of the Theater Subdistrict.

Any application pursuant to Paragraphs (a) and/or (b) of this Section shall be referred to the affected Community Board, the local Council Member and the Borough President of Manhattan. The <u>Chairperson of the City Planning</u> Commission shall not grant any such certification or authorization prior to sixty days after such referral and sixty days after the date any reports required to be submitted to the Landmarks Preservation Commission pursuant to Section 81-743, Paragraph (b), or the Theater Subdistrict Council pursuant to Section 81-71 (General Provisions) have been so submitted.

Receipt of the certified copy shall be a pre-condition to issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# on the "receiving site."

Both the instrument of transfer and the notice of restrictions shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the lots from which and the lots to which such transfer is made.

(3) demonstrations of compliance with the requirements of

Section 81-743 and Paragraph (a)(5) of this Section, including all necessary legal documents. GREATER JFK BUSINESS IMPROVEMENT DISTRICT STEERING COMMITTEE On behalf of THE CITY COUNCIL

## NOTICE OF A PUBLIC HEARING

The City Council, by resolution adopted on August 16, 2016, set September 14, 2016 as the date, 10:00 A.M. as the time, and the City Council Committee Room, 2<sup>nd</sup> Floor, City Hall, New York, NY 10007, as the place for a public hearing (the "Public Hearing") to hear all persons interested in the proposed legislation which would establish the Greater JFK Business Improvement District (the "District") in the Borough of Queens. The District shall be established in accordance with a district plan (the "District Plan") on file at the Office of the City Clerk. The City Council has authorized the Greater JFK Business Improvement District Steering Committee to mail, on its behalf, this notice of the Public Hearing containing the information required by Section 25-406(c) of the Administrative Code of the City of New York and summarizing the resolution adopted.

The District Plan was submitted to, and reviewed by, the City Planning Commission, Queens Community Board 12, and Queens Community Board 13. The Community Boards recommended approval to the City Planning Commission, and the City Planning Commission approved the District Plan.

The District Plan provides that the proposed District shall include properties along Rockaway Boulevard broadly bounded by Baisley Boulevard South on the northwest to 183rd Street on the southeast, inclusive of properties east of the Nassau Expressway and south of Belt Parkway, and north of Rockaway Boulevard to 147th Avenue. Services to be provided in the District include sanitation, security, marketing and promotion, beautification, advocacy, industry networking and labor force development, technical services and planning studies, administration, and additional services as may be required for the promotion and enhancement of the District (hereinafter "Services"). Pursuant to the District Plan, capital improvements (hereinafter "Improvements") may include, but shall not be limited to: street and sidewalk amenities to improve pedestrian and vehicular safety and beautify the District, which may include but shall not be limited to, surveillance cameras, maintenance and repair of historic light posts, landscaping, and other

permanent structures and equipment. The Improvements may be implemented on an as-needed basis. During the existence of the District, the maximum cost of the Improvements, if any, shall not exceed \$5,000,000. The District shall be managed by a newly formed District Management Association (the "DMA").

To defray the cost of Services and Improvements provided in the District, all real property in the District shall be assessed in proportion to the benefit such property receives from the Services and Improvements. Each property shall be assessed at a rate, determined annually by the DMA, to yield an amount sufficient to meet the District's annual budget. The annual budget for the District's first year of operation is \$500,000.

All properties as classified in the most recent New York City tax rolls and as described in the District Plan will be assessed based on their respective property classes and the particular method of assessment or formula approved for each class. The following defines how each class' method or formula is determined.

lass A - All properties, including commercial condominium units, devoted in whole to commercial or industrial uses are defined as Class A and shall be assessed at the full 100% commercial rates.

Class B - All privately owned vacant or undeveloped land, including parking lots and properties currently undergoing development that have yet to receive a temporary certificate of occupancy from the New York City Department of Buildings ("DOB") is defined as Class B and assessed at 95% of Class A rates. Upon granting of a temporary certificate of occupancy from DOB, properties classified as Class B shall be reclassified to the appropriate class based on the definition of classes of properties in the District Plan.

<u>Class C</u> - All properties with single tax lots containing both commercial and residential uses are defined as Class C and assessed at 50% of Class A rates.

Class D - All properties, including individual residential condominium units, devoted in whole to residential uses are defined as Class D and are assessed at \$1.00 per year.

Class E - Government and not-for-profit owned properties devoted entirely to government or not-for-profit use shall constitute are defined as Class E and are exempt from assessment. Government and not-for-profit owned properties which are occupied by for-profit organizations engaged in commercial use shall be assigned to the appropriate class, and the proportion of the property devoted to for-profit uses shall be assessed in the same manner as defined with in the appropriate class description.

Class A, B and C properties will be assessed utilizing a base rate calculated 50% by a square footage rate and 50% by an assessed value rate. To determine square footage rates, Class A and C properties will utilize gross building square footage; Class B properties will utilize lot square footage.

## Square Footage (SF) Rate =

[(TOTAL ANNUAL BUDGET - Class D Flat Fee Sum) \* 50%]/[Class A SF+ (95% \* Class B SF) + (50% \* Class C SF)]

### Assessed Value (AV) Rate =

[(TOTAL ANNUAL BUDGET - Class D Flat Fee Sum) \* 50%]/[Class A AV + (95% \* Class B AV) + (50% \* Class C AV)]

The amount, exclusive of debt service, assessed and levied in any given year against benefited real property within the District may not exceed twenty percent (20%) of the total general City taxes levied in such year against such properties.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

## HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

## **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

■ NOTICE

## NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby amends Section 102-01 of Chapter 100 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding violation classification and certification of correction.

This rule was first published on July 20, 2016, and a public hearing thereon was held on August 19, 2016.

Dated: 8/26/16 New York, NY

/s/Rick D. Chandler, P.E. Commissioner

## **Statement of Basis and Purpose**

The rule amends 1 RCNY §102-01 by adding five new infractions and updating two others. The addition of 1 RCNY § 3301-02, which went into effect on May 30, 2016, created the new violations. In addition, unrelated to 1 RCNY § 3301-02, the rule clarifies two existing violations by amending their sections of law and violation descriptions. These violations relate to:

- The failure to designate or have a Construction Superintendent, Site Safety Manager, or Site Safety Coordinator at the job site;
- The failure to conduct a site-specific safety orientation program for all workers:
- Construction Superintendents' failure to immediately notify the Department of conditions listed in § 3310.8.2.1 of the New York City Building Code;
- Construction Superintendents' failure to meet the required qualifications for registration as Construction Superintendents;
- · Construction Superintendents' failure to perform their duties.

The Department of Buildings' authority for these rules is found in Section 643 and 1043(a) of the New York City Charter and Section 28-201.2 of the Administrative Code of the City of New York.

<u>New material is underlined.</u> [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Subdivision (j) of Section 102-01 of Title 1 of the Rules of the City of New York is amended by adding five new violations, in numerical order, relating to Section 3301.3 of the New York City Building Code, Section 3301-02 of Title 1 of the Rules of the City of New York, and Section 28-401.20 of the New York City Administrative Code, and amending two existing violations relating to Sections 3301.3, 3310.5, 3310.5.2, 3310.10 of the New York City Building Code to read as follows:

### **Statement of Basis and Purpose**

The Department of Buildings (DOB) is adding a new Section, 104-26, to Subchapter D of Chapter 100 of Title 1 of the Rules of the City of New York ("RCNY"), which allows DOB licensees to deactivate their licenses while remaining active in their respective trades. DOB is promulgating this rule in response to industry concerns about the operating cost of maintaining licensure while the licensee is not actively practicing as a licensee for business or other reasons.

The rule allows licensees to hold their deactivated licenses without requiring them to carry on businesses and carry insurance, which will relieve them of many of the costs associated with maintaining an active license. However, these licensees are still required to renew their licenses and pay the DOB-related costs of holding their deactivated licenses.

Although a licensee who chooses to deactivate his or her license may continue to work in the licensed trade under the supervision of an active licensee, he or she may not practice in the trade or business as a licensee or hold him or herself out as a licensee while the license is deactivated.

The rule omits Filing Representatives, Construction Superintendents, Concrete Safety Managers, General Contractors and Safety Registrations because members of these trades are not permitted to work under the direction of other licensees. Electricians are also omitted because deactivation of their licenses is already permitted by existing provisions of the Electrical Code.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subchapter D of Chapter 11 of Title 1 of the Rules of the City of New York is amended by adding a new Section 104-26, to read as follows:

## § 104-26 Deactivation of License.

If the holder of a license issued pursuant to Section 28-401.10 of the Administrative Code is no longer engaged in a business or trade licensed by the department, but does not wish to leave the licensed trade, the license holder may so notify the department and submit his or her license and seal to the department for deactivation. If the licensee deactivates such license, the deactivated license shall no longer represent an authorization to engage in a particular trade, occupation, or business. While a licensee who chooses to deactivate his or her license may continue to work in the licensed trade under the supervision of an active licensee, he or she may not practice in the trade or business as a licensee or hold him or herself out as a licensee while the license is deactivated.

(a) <u>Applicability. This section applies to Master Plumbers.</u> <u>Master Fire Suppression Piping Contractors, High Pressure Boiler</u> <u>Operating Engineers, Welders, Riggers, Sign Hangers, Oil Burners,</u> <u>Site Safety Managers, Hoist Machine Operators, Private Elevator</u> Inspection Agency Inspectors and Private Elevator Inspection Agency Directors.

(b) Deactivation. A license can remain deactivated for a maximum of twelve years after the date of deactivation. If a licensee fails to reactivate a license after this twelve year period, the deactivated license will lapse. In order to deactivate a license, at the time of application for deactivation, the licensee must ensure that:

(1) All outstanding fines, penalties, or fees related to the licensee's professional dealings with the city or any governmental entity are paid, and (2) There are no violations for work performed under such

(2) There are no violations for work performed under such license pending hearing or in default, and

(3) Open applications filed under such license – including permits, jobs, scaffold notifications, and Limited Alteration Applications (LAAs) that name the licensee, as well as permits issued to the licensee – have been scheduled for inspection in accordance with department procedures, re-filed by another licensee, or withdrawn, and

(4) He or she surrenders his or her license card, plate and/ or seal, if applicable.

(c) Deactivation renewal. While the license is deactivated, the licensee must still submit a renewal application, continue to pay the license renewal fees required during each deactivation period, take any required continuing education courses and maintain certifications required by rule. If the licensee submits the renewal application after the date on which the license would have otherwise expired, the licensee must comply with the relevant provisions of Administrative Code Section 28-401.13, and any other applicable rules and regulations.

If a license has been deactivated for more than five, but fewer than twelve, years:

(1) At renewal, the commissioner may require the licensee submit an affidavit and supporting documentation satisfactory to the department stating that, during each of the last three years, the individual has continuously been actively and legally engaged in the trade for which the applicant's license was issued, under the direct supervision of a licensee for their specific trade in order to prevent the deactivated license from expiring. (2) If the licensee cannot satisfactorily demonstrate active

(2) If the licensee cannot satisfactorily demonstrate active and legal engagement in the relevant trade, in order to prevent the license from expiring, the licensee must reactivate the license for at least one license term. If the license expires, applicants must comply with late renewal and reinstatement requirements of Administrative Code Section 28-401.13, and any other applicable rules and regulations.

(d) Reactivation. To reactivate a license, the licensee must comply with the license issuance requirements for his or her specific trade, pay all applicable fees, and submit all forms as prescribed by the commissioner.

(1) If the licensee has complied with the deactivation requirements of this rule, the license may be reactivated up to five years after the date of deactivation.

(2) The department may refuse to reactivate a license on any grounds on the basis of which it could deny, suspend or revoke such license.

(e) Master Plumbers and Master Fire Suppression Piping Contractors must also comply with the certificate of competence requirements of Chapter 4 of Title 28 of the Administrative Code.

## **CONSUMER AFFAIRS**

■ NOTICE

Notice of Adoption of a new Rule regarding the new General Vendor waiting list.

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN** the Commissioner of the Department of Consumer Affairs ("DCA") by Section 2203 of the New York City Charter and Sections 20-104 and 20-471 of Title 20 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that DCA promulgates and adopts Section 2-317 of Subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York, establishing a procedure for the new General Vendor waiting list, assigning positions on the list, and notifying individuals on the list of their eligibility to submit a license application.

This rule was proposed and published on April 6, 2016. The required public hearing was held on May 18, 2016.

## Statement of Basis and Purpose of Rule

Section 20-104(a) of the New York City Administrative Code ("Admin. Code") gives the Commissioner authority over all licenses issued under Chapter Two of Title 20 of the Admin. Code, including the general vendor licenses issued pursuant to New York City's General Vendor Law (the "GVL"), as codified in Subchapter 27 of Chapter 2 of Title 20 of the Admin. Code. The GVL regulates the sale or offering for sale of non-food goods and services on New York City streets. With some exceptions, it is unlawful for an individual to sell or offer to sell goods or services on City streets without first obtaining a general vendor license from DCA.

The requirement to be licensed does not apply to honorably discharged veterans who, under Section 32 of the NYS General Business Law, are allowed to vend free from the interference of local government. The licensing requirement also does not apply to vendors who exclusively sell newspapers, periodicals, books, pamphlets and other similar written matter. In addition, the City has agreed not to enforce its licensing requirement against individuals who sell paintings, photographs, prints and/or sculptures.

Administrative Code § 20-459(a) limits the number of general vendor licenses that DCA may issue to 853. DCA will develop and maintain a waiting list of prospective applicants over and above the 853 cap. The waiting list will be open to prospective applicants for 30 days, during which time DCA will accept as many prospective applicants as requests a position on the list. After 30 days, the list will close, and there will not be another opportunity for individuals to become prospective applicants fewer than 300 names.

The rule adds Section 2-319 to the rules applicable to DCA's licensing of general vendors.

The rule:

- establishes a waiting list for general vendor licenses for individuals not exempt from the licensing requirement;
- specifies the procedure for DCA to notify individuals of the existence of the waiting list and the manner in which a position on the list may be requested;
- specifies the system by which prospective applicants will be assigned ranks on the waiting list; and
- specifies the procedures pursuant to which DCA will notify prospective applicants of their eligibility to submit general vendor applications.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New text is underlined ; [deleted material is in brackets].

### Subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York is amended by adding a new Section 2-319, to read as follows :

§ 2-319 Waiting List for General Vendor Licenses

(a) <u>The Department shall establish and maintain a waiting list of</u> prospective applicants for general vendor licenses that become available to individuals who are not veterans that are automatically granted a general vendor license under article four of the general business law or Section 20-455.1 of the Administrative Code.

(b) Publication and Notice. The Department shall publish in the City Record and on the Department's website a notice inviting individuals to submit requests to be included on the waiting list. This notice shall be republished whenever the Department determines that the number of prospective applicants on the waiting list has fallen below 300. The notice shall be published no later than 60 days after the Department makes this determination and at least 45 days before the Department accepts requests to be included on the waiting list.

(c) Content of Notice. The notice shall specify: (1) the date on which the Department will begin accepting requests; (2) that requests will be accepted for the next 30 days; (3) that on the 31st day, the waiting list will close and will not be open again until the Department determines that the number of prospective applicants have fallen below 300; (4) that requests may be submitted in person at any of the Department's Licensing Centers, on-line via the Department's website or by regular mail via an envelope postmarked within the 30 day acceptance period; (5) that all requests must include the prospective applicant's full name and contact address; (6) that prospective applicants must provide written notification to the Department's Licensing Division of any change of address and that failure to so provide may result in the loss of the waiting list position; (7) that prospective applicants may not occupy more than one position on the waiting list; (8) that positions on the waiting list are not transferrable; and (9) the street and web addresses where requests and changes of address could be sent to the Department.

(d) Assignment to the New Waiting List. Prospective applicants will be assigned positions on the waiting list pursuant to the following procedure:

(1) <u>Within 60 days after the close of the waiting list, each</u> prospective applicant will be assigned a number using a computer-generated random number selection program.

- (2) The Department will then assign waiting list positions to prospective applicants in ascending order using the numbers assigned by the selection program ("prospective applicant rank").
- (3) <u>The Department will notify prospective applicants of their</u> <u>number on the waiting list in writing to the address provided</u> <u>in the request.</u>

(e) Withdrawal from that waiting list. A prospective applicant may withdraw from the waiting list by providing written notice to the Department's Licensing Division in person or by mail.

(f) Offer of Available General Vendor Licenses to Waiting List Applicants. The Department shall offer the opportunity to apply for available general vendor licenses to prospective applicants on the waiting list in the order of their prospective applicant rank. The Department shall provide written notice of the offer at the address provided in the prospective applicant's request or in the change of address. Such notice shall specify that:

- (1) Prospective applicant must submit a completed general vendor application, together with required fees, within 60 days of the date of the offer; and
- (2) If the Department does not receive the completed application and fees within the specified time period, the offer will be deemed refused and the waiting list position surrendered.

(g) Issuance of General Vendor License. General vendor licenses will be issued to those prospective applicants who successfully complete the general vendor application, pay all related fees and satisfy all other eligibility criteria set forth in the relevant laws and rules.

■ NOTICE

#### THE CITY OF NEW YORK THE DEPARTMENT OF CITY PLANNING THE DEPARTMENT OF HEALTH AND MENTAL HYGIENE NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2016 CONSOLIDATED PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the City's 2016 Consolidated Plan Housing Opportunities for Persons with AIDS (HOPWA) programmatic activities.

The public comment period will begin on August 30, 2016, and extend thirty (30) days to September 28, 2016.

The substantial amendment to New York City's Housing Opportunities for Persons with AIDS (HOPWA) is necessary since the City was evaluating how to minimize the impact of the 2016 funding cut across the City's service portfolio at the time the Proposed 2016 Consolidated Plan was submitted in April 2016. The Amended 2016 Consolidated Plan version will now offer the public a more detailed list of the 2016 project sponsors and respective funding allocations as outlined in previous years' Plans.

Lastly, the amended 2016 Consolidated Plan also incorporates the amended Calendar Year 2016 Community Development Block Grant (CDBG) Program, as adopted by the City Council.

Copies of the amended 2016 Consolidated Plan will be made available on August 30, 2016, and can be obtained at the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Mondays 10:00 A.M. until 12:00 NOON with walk-ins from 10:00 A.M. until 11:00 A.M., and Wednesdays from 1:00 P.M. until 3:00 P.M. with walk ins from 2:00 P.M. until 3:00 P.M.). In addition, the amended Plan can be downloaded through the internet via the Department's website at www.nyc.gov/planning.

Written comments should be sent by close of business September 28, 2016 to: Charles V. Sorrentino, Consolidated Plan Coordinator, 120 Broadway, 31st Floor, New York, NY 10271. email: Con-PlanNYC@planning.nyc.gov.

## THE CITY OF NEW YORK THE DEPARTMENT OF CITY PLANNING PUBLIC COMMENT PERIOD FOR A SUBSTANTIAL AMENDMENT TO THE NYC CONSOLIDATED PLAN CITIZEN PARTICIPATION PLAN

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

<u>Substantial Amendment to the Citizen Participation Plan</u> Pursuant to 24 CFR 91.105(a)(3) of the United States Department of Housing and Urban Development's (HUD) Consolidated Plan Regulations regarding citizen participation, the New York City Department of City Planning (DCP) is announcing the **public comment period** for a proposed change to the City's Consolidated Plan Citizen Participation Plan (CPP) that may be incorporated into the consolidated planning process after consideration of the questions and concerns of interested agencies, Community Boards, groups and the general public.

The public comment period will begin on August 30, 2016, and extend thirty (30) days ending September 28, 2016.

The Consolidated Plan One-Year Action Plan is the City's annual application to the U.S. Department of Housing and Urban Development (HUD) for its four formula entitle on Housing and Orbital Development Development Block Grant (CDBG), HOME Investment Partnership, Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA), respectively). The Federal funds are used to address New York City's housing, homeless, supportive housing services and community development needs.

<u>Proposed Substantial Amendment</u> The New York City Department of City Planning proposes to substantially amend the City's Consolidated Plan Citizen Participation Plan (CPP) by removing from the CCP the activity of providing physical copies of the Proposed Consolidated Plan Five-Year Strategic Plan and/or Proposed Consolidated Plan One-Year Action Plans to each Chairperson and District Manager of the City's 59 respective Community Boards (CBs) for their review during the Proposed Plan's

public comment period. The City proposes that, as an alternative, the espective Boards access the Proposed report electronically via City Planning's Consolidated Plan-Related Internet webpage when it is released for public comment.

#### Background

Implemented in the early 1990s, HUD's Citizen Participation regulations require localities to provide a reasonable number of and access to their Proposed Consolidated Plans in order to permit citizens, public agencies, and other interested parties a reasonable opportunity to review and submit comments. At that time, the use of internet websites to provide the public access to large-sized reports and documents was not as developed or as wide-spread as it is today, thereby requiring localities to reproduce and physically distribute a large number of the Proposed Plans in order to satisfy CPP requirements. In the ensuing years the need to do so has decreased as the public's ability to access the documents in alternate, electronic formats (such as Adobe .pdf format) via the internet has increased. Therefore, providing the Community Boards a hard-copy version of the Consolidated Plan is an outmoded method of providing them access to the document. By having the Community Boards access the respective Consolidated Plan reports via the Internet the Department of City Planning will reduce the number of reports it needs to physically reproduce while still satisfying federal citizen participation requirements of providing the Boards reasonable access and opportunity to examine its contents and to submit comments.

#### Public Comment Requirement

In accordance with Section 91,105(c), the City must provide its citizens with reasonable notice and an opportunity to comment on substantial amendments to the CPP.

Comments or Objections to Substantial Amendment DCP is inviting all interested agencies, Community Boards, groups and persons to provide comments on the proposed amendment to the CPP. All written comments should be directed to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway, 31st Floor, New York, NY 10271, email: Con-PlanNYC@planning.nyc.gov.

DCP will consider all comments or objections regarding the subject before making a final determination as to whether it will adopt the proposed amendment. Complaints regarding the proposed amendment will receive a substantive written response within 15 working days following receipt of the complaint as required by Section 24 CFR 91.105(j).

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. Waiting List for General Vendor Licenses

As required by Section 2-319 of Title 6 of the Rules of the City of New York, the Department of Consumer Affairs (DCA) will be establishing a new waiting list of individuals seeking General Vendor licenses.

From October 17, 2016 through 5:00 P.M. on November 15, 2016, DCA will accept applications from individuals requesting to be included on the waiting list. On November 15, 2016, the waiting list will close and will not open again until DCA determines that the number of individuals on the list has fallen below 300.

DCA will provide the Waiting List Application Form (Application Form) that individuals must use to be included on the waiting list. Individuals must provide their full name, contact address, date of birth, and a copy of photo identification. If an individual's contact address changes after submission of the Application Form, the individual must submit written notification of the change of address to DCA or risk losing the opportunity to apply for a General Vendor license.

DCA will accept only one Application Form from each individual. Upon the close of the waiting list application period, DCA will assign each individual a number (i.e., position) on the waiting list based on a computer-generated random number selection program. DCA will mail a notice with the number (i.e., position) to the individual's most recently provided contact address.

An individual who is determined, based on position on the waiting list, to be eligible to apply for a General Vendor license will receive a notice from DCA. DCA will mail the notice with instructions to the individual's most recently provided contact address. The individual will have 60 days to submit a complete license application, including required fees, for a General Vendor license. If DCA does not receive the completed license application and fees within the 60-day period, the offer will become void, and the individual's waiting list position is surrendered.

NOTE: An individual's number on the waiting list is not transferable.

**EVENT AND PROGRAM MANAGEMENT CONSULTANT FOR FASHION PORTFOLIO EXPO** - Request for Proposals -PIN#66030001 - Due 10-3-16 at 4:00 P.M. New York City Economic Development Corporation (NYCEDC) is seeking a consultant or consultant team to launch the first Fashion Portfolio Expo.

The Fashion Portfolio Expo project is intended to address this existing gap between New York City fashion graduates and industry with the goals of: supporting fashion talent at a critical point in their education and employment; nurturing the growth of local fashion companies by creating a pipeline of talent; connecting education with the industry by showcasing the best new talent on an annual basis. The Project will consist of an exposition featuring the best graduating talent from New York City's fashion design colleges and connecting them to companies and recruiters in late May or early June 2017. The expo will be active for a minimum of two, no more than four, days. The Project will aim to:

• Raise the global profile of New York-based design students and companies;

• Organize, democratize, and centralize design recruiting by providing an open, competitive process for employment and opportunities; and

• Provide a launch pad for the top new fashion graduates by fostering collaboration and healthy competition between schools and by providing companies and recruiters with direct access to new top-tier hires.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP and the proposed fee.

It is the policy of NYCEDC to comply with all Federal, State and City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (M/WBEs) share in the economic opportunities generated by NYCEDC's projects and initiatives.
