HOUSING PRESERVATION AND DEVELOPMENT**■ PUBLIC HEARINGS**

PLEASE TAKE NOTICE that a public hearing will be held on September 19, 2023, at City Hall at 1:00 P.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 576-a(2) of the Private Housing Finance Law, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Manhattan:

<u>Address</u>	<u>Block/Lot</u>
244 East 106th Street	1655/ p/o 29 (Tentative New Lot 129)

The Disposition Area is a vacant portion of privately-owned Lot 29. The City previously conveyed the entirety of Lot 29 (formerly Lot 29 and Lot 128) to a housing development company for a rehabilitation project, pursuant to accelerated UDAAP approved by the City Council on May 16, 1995 (Resolution No. 1009) and by the Mayor on May 25, 1995 (Calendar No. 58). Rehabilitation was completed for the existing building, but the vacant portion remained underutilized. HPD will re-acquire and dispose of the Disposition Area to facilitate the proposed project.

Under the Supportive Housing Loan Program, HPD funds the rehabilitation or new construction of buildings which provide supportive housing for the homeless, people with special needs, and other persons of low income. HPD works with the Department of Homeless Services, the Department of Health and Mental Hygiene, the Human Resources Administration's HIV/AIDS Services Administration, and other public agencies to ensure that the completed projects receive appropriate building security and social services.

Under the proposed project, the City will sell the Disposition Area to Ascendant 244 Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct one building containing a total of approximately 32 units for occupancy by homeless and low-income persons, plus one unit for a superintendent. The Land Debt or City's capital subsidy may be repayable out of resale or refinancing profits for a period of at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination by emailing Margaret Carey at careym@hpd.nyc.gov on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact Nicole Benjamin at EEOOfficer@council.nyc.gov or (212) 788-6936.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps: First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on

the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL. Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Transportation ("DOT") and the City of New York ("City"), has proposed the acquisition of certain street bed properties on Amboy Road between Richmond Avenue and Ridgcrest Avenue, as shown on the Damage and Acquisition Map No. 4272, dated 08/17/2020, and last revised 12/12/2022 (Capital Project No. HWR00508) in the Borough of Staten Island (the "Project"); and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to inform the public of the proposed roadway acquisition, the

impact on the lotted property listed below, to review the public use to be served by the Project, and the impact on the environment and residents; and

Whereas, on June 7th, 2023 the City held a public hearing pursuant to EDPL Section 204 (with an option to attend virtually) in relation to this acquisition, in the Borough of Staten Island. Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisition and project:

1. The public use and benefit of this project is for the reconstruction of Amboy Road between Richmond Avenue and Ridgcrest Avenue in the Borough of Staten Island
2. The property proposed to be acquired is within the acquisition limits shown on Damage and Acquisition Map No. 4272, dated 08/17/2020, and last revised 12/12/2022, as follows ("the acquisition area"):
 - Block 5236, part of Lot 1.

The portion of lot proposed to be acquired includes the location, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

BLOCK #	PART OF LOT #
5236	1

The City selected this location based on a need for the reconstruction of the roadway in Amboy Road between Richmond Avenue and Ridgcrest Avenue.

The general effect on the neighborhood will be to improve current living conditions.

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process. New York City Department of Transportation, as lead agency, determined that the proposed project would have no potential significant adverse impact on the environment, and issued a Negative Declaration (CEQR No. 16DOT010R) on December 24, 2015.

Comments presented at the public hearing have been reviewed by the City and given due consideration. Comments were made about the effect of road construction on: the Burger King business, the front stairs of the property, the sidewalk, the "handicap" ramp and the handicap parking spaces at the property, and the landscaping and the location of the sign at the property. Comments were made about compensation. Concern was also expressed about the construction duration and timing.

The record of the hearing remained open for written comments until 5:00 PM June 14th, 2023. No written comments were received subsequent to the hearing.

The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE:

PURSUANT TO EDPL SECTION 207, PROPERTY OWNERS HAVE THIRTY (30) DAYS FROM COMPLETION OF THE PUBLICATION OF THIS "DETERMINATION AND FINDINGS" TO SEEK JUDICIAL REVIEW OF THIS DETERMINATION. THIS PUBLICATION WILL BE ADVERTISED IN THE CITY RECORD AND NEW YORK POST NEWSPAPERS.

THE EXCLUSIVE VENUE FOR THE JUDICIAL REVIEW OF THIS DETERMINATION PURSUANT TO EDPL SECTIONS 207 AND 208 IS THE APPELLATE DIVISION OF THE SUPREME COURT IN THE JUDICIAL DEPARTMENT WHERE ANY PART OF THE PROPERTY TO BE ACQUIRED IS LOCATED.

A copy of this Determination and Findings by the City is available without cost upon written request to:
